Deadly Times Lew Irwin 2013-05-07 Between 1907 and 1911, the United States was hit by the longest period of sustained terrorism in its history. Of more than 200 bombings that were carried out during this period, the most shocking was the dynamiting of the Los Angeles Times building on the morning of October 1, 1910, which killed twenty-one people. Deadly Times tells the fascinating story of the bombing, the search to apprehend the bombers, the issues that polarized the nation, and the dramatic trials that ensued. The magnificent cast of characters includes: General Harrison Gray Otis, owner of the Los Angeles Times, whose proposal to de-unionize San Francisco and Los Angeles led to its being singled out as a bombing target. William J. Burns, who tracked down the bombers and would eventually become the first director of the FBI. Earl Rogers, the brilliant criminal attorney, drinking companion of Jack London, who became the model for Perry Mason. The legendary

Clarence Darrow, who defended the bombers And the bombers themselves, the brothers J.J. and J.B. McNamara, who on their arrest became symbols of capitalist treachery to the working class.

The Day Wall Street Exploded Beverly Gage 2010 Examines the 1920 bombing of Wall Street in which thirty-nine people died and hundreds were injured, with details on the suspects, victims, investigators, and the four year manhunt for the perpetrators.

There is a Gunman on Campus Ben Agger 2008 On April 16, 2007, a Virginia Tech student killed 32 of his classmates and professors and then turned the gun on himself. The media focused their power and our attention on the campus, the students and faculty of Virginia Tech, and the gunman and his victims. But we have yet to understand fully what happened in Blacksburg. iThere is a Gunman on Campusi brings our thoughts back to the shocking campus shootings and the public reactions to the event, shining needed light on what occurred at the university,

how American society reacted, and how it all fits into contemporary culture.

Terror by Gaslight Edward Taylor 2015-06-30 Victorian London is gripped by fear as a serial killer slays an apparently random victim on Hampstead Heath every month, each with a single knife thrust. Two men begin to suspect a mysterious link between the victims: Major Henry Steele and ex-Sergeant Mason have been discreetly retired from Military Intelligence following the suspicious death of a dangerous German agent in the Middle East. Now they work as private investigators, and are helping Scotland Yard hunt the so-called 'Heath Maniac'. Their search takes them into large Heath-side houses where certain residents seem to have secrets, to the offices of shady lawyer, to the laboratory of a vivisectionist, back-stage at a London music-hall, and later at the bedside of a dying comedian. Steele and Mason find themselves fighting for their lives on Hampstead Heath, before the Maniac is finally exposed in a shattering climax.

A Transcript of Terror Russell Cruse 2021-06-03 In 1945, whilst clearing out a factory in Stuttgart, Major Archelaus Wenlock and his batman, Sergeant "Smiler" Miles, discover a chilling recording made some twelve months earlier at a secret Nazi research station in the high Alps of Austria. Official indifference and his demobilization prompt the Major to investigate and, along with Smiler and Miss Grace Larkin as his official transcriber, sets out to record his investigations on new-fangled magnetic tape. Miss Larkin's impressive w.p.m. count secures her the post but the skills she has gained whilst working for the previous four years, throughout Europe, as an agent of the British Special Operations Executive, will prove much more crucial, as the adventure takes deadly turn. Encountering a survivor of the awful events which overtook the station they learn of the ghastly experiments that took place there and the horrors that were unleashed., including a shape-shifting monster. Impervious to attack, it can kill at a distance or dissolve human flesh at a single touch and it grows exponentially larger with each terrible transformation. Enlisting the help of a forgotten band of war-weary American airmen, our heroes pit their courage and wits against the

appalling "Terror of the Zugspitze" in a race against time which, should they fail to win it, could mean the end of the world as they - and we - have known it!

The Terror Arthur Machen 2020-02-05 After two years we are turning

once more to the morning's news with a sense of appetite and glad expectation. There were thrills at the beginning of the war; the thrill of horror and of a doom that seemed at once incredible and certain; this was when Namur fell and the German host swelled like a flood over the French fields, and drew very near to the walls of Paris. Then we felt the thrill of exultation when the good news came that the awful tide had been turned back, that Paris and the world were safe; for awhile at all events.
