Akhmatova: Poems Anna Akhmatova 2006-05-16 A legend in her own time both for her brilliant poetry and for her resistance to oppression, Anna Akhmatova—denounced by the Soviet regime for her “eroticism, mysticism, and political indifference”—is one of the greatest Russian poets of the twentieth century. Before the revolution, Akhmatova was a wildly popular young poet who lived a bohemian life. She was one of the leaders of a movement of poets whose ideal was “beautiful clarity”—in her deeply personal work, themes of love and mourning are conveyed with passionate intensity and economy, her voice by turns tender and fierce. A vocal critic of Stalinism, she saw her work banned for many years and was expelled from the Writers’ Union—condemned as “half nun, half harlot.” Despite this censorship, her reputation continued to flourish underground, and she is still among Russia’s most beloved poets. Here are poems from all her major works—including the magnificent “Requiem” commemorating the victims of Stalin’s terror—and some that have been newly translated for this edition.

Evening Anna Akhmatova 2013-09-29 Anna Akhmatova (June 23, 1889 - March 5, 1966) is considered by many to be one of the greatest Russian poets of the Silver Age. Although true fame and recognition did not come until her later, “Evening,” her first poetry collection, had caught the attention of many prominent literary critics of the time and helped to solidify her career as a writer. One of the forefront leaders of the Acmeism movement, which focused on rigorous form and directness of words, she was a master of conveying raw emotion in her portrayals of everyday situations. Her works range from short lyric love poetry to longer, more complex cycles, such as Requiem, a tragic depiction of the Stalinist terror. During the time of heavy censorship and persecution, her poetry gave voice to the Russian people. To this day, she remains one of Russia's most beloved poets and has left a lasting impression on generations of poets that came after her.

The Voice Over Maria Stepanova 2021-05-18 Maria Stepanova is one of the most powerful and distinctive voices of Russia's first post-Soviet literary generation. An award-winning poet and prose writer, she has also founded a major platform for independent journalism. Her verse blends formal mastery with a keen ear for the evolution of spoken language. As Russia's political climate has turned increasingly repressive, Stepanova has responded with engaged writing that grapples with the persistence of violence in her country's past and present. Some of her most remarkable recent work as a poet and essayist considers the conflict in Ukraine and the debasement of language that has always accompanied war. **The Voice Over** brings together two decades of Stepanova's work, showcasing her range, virtuosity, and creative evolution. Stepanova's poetic voice constantly sets out in search of new bodies to inhabit, taking established forms and styles and rendering them into something unexpected and strange. Recognizable patterns of ballads, elegies, and war songs are transposed into a new key, infused with foreign strains, and juxtaposed with unlikely neighbors. As an essayist, Stepanova engages deeply with writers who bore witness to devastation and dramatic social change, as seen in searching pieces on W. G. Sebald, Marina Tsvetaeva, and Susan Sontag. Including contributions from ten translators, **The Voice Over** shows English-speaking readers why Stepanova is one of Russia's most acclaimed contemporary writers.

Alexander Pushkin - Eugene Onegin Alexander Pushkin 2021-02-17 Aleksandr Pushkin, in full Aleksandr Sergeevich Pushkin, (born May 26 [June 6, New Style], 1799, Moscow, Russia-died January 29 [February 10], 1837, St. Petersburg), Russian poet, novelist, dramatist, and short-story writer; he has often been considered his country's greatest poet and the founder of modern Russian literature. Pushkin's use of the Russian language is astonishing in its simplicity and profundity and formed the basis of the style of novelists Ivan Turgenev, Ivan Goncharov, and Leo Tolstoy. His novel in verse, Yevgeny Onegin, was the first Russian work to take contemporary society as its subject and pointed the way to the Russian realistic novel of the mid-19th century. Even during his lifetime Pushkin's importance as a great national poet had been recognized by Nikolay Vasilyevich Gogol, his successor and pupil, and it was his younger contemporary, the great Russian critic Vissarion Grigoryevich Belinsky, who produced the fullest and deepest critical study of Pushkin's work, which still retains much of its relevance. To the later classical writers of the 19th century, Pushkin, the creator of the Russian literary language, stood as the cornerstone of Russian literature, in Maxim Gorky's words, "the beginning of beginnings." Pushkin has thus become an inseparable part of the literary world of the Russian people. He also exerted a profound influence on other aspects of Russian culture, most notably in opera. Pushkin's work—with its nobility of conception and its emphasis on civic responsibility (shown in his command to the poet-prophet to "fire the hearts of men with his words"), its life-affirming vigour, and its confidence in the triumph of reason over prejudice, of human charity over slavery and oppression—has struck an echo all over the world. Translated into all the major languages, his works are regarded both as expressing most completely Russian national consciousness and as transcending national barriers. Includes a biography of the author.

Art in the Light of Conscience Marina Т[С]vetaeva 1992 Select essays, most of which have never been available in translation before, display the dazzlingly original prose style and the powerful, dialogic voice of a poet who would like to make art's mystery accessible without diminishing it. The essays provide incomparable insight on poetry, the poetic process, and what it means to be a poet. The volume offers, among many fascinating topics, a celebration of the poetry of Pasternak and reflections on the lives and works of.

Избранные Стихи Анна Андреевна Ахматова 1997 Witness to the international and domestic chaos of the first half of the twentieth century, Anna Akhmatova (1888-1966) chronicled Russia's troubled times in poems of sharp beauty and intensity. Her genius is now universally acknowledged, and recent biographies attest to a remarkable resurgence of interest in her poetry in this country. Here is the essence of Akhmatova - a landmark selection and translation, including excerpts from "Poem with a Hero."

Eugene Oneguine Alexander Pushkin 2015-08-05 Eugene Oneguine - A Romance of Russian Life in Verse by Alexander Pushkin - Translated by Henry Spalding - Eugene Oneguine, the chief poetical work of Russia's greatest poet, having been translated into all the principal languages of Europe except our own, I hope that this version may prove an acceptable contribution to literature. Tastes are various in matters of poetry, but the present work possesses a more solid claim to attention in the series of faithful pictures it offers of Russian life and manners. If these be compared with Mr. Wallace's book on Russia, it will be seen that social life in that empire still preserves many of the characteristics which distinguished it half a century ago-the period of the first publication of the latter cantos of this poem. Many references will be found in it to our own country and its literature. Russian poets have carefully plagiarized the English- notably Joukovski. Pushkin, however, was no plagiarist, though undoubtedly his mind was greatly influenced by the genius of Byron- more especially in the earliest part of his career. Indeed, as will be remarked in the following pages, he scarcely makes an effort to disguise this fact.

My Hollywood and Other Poems Boris Dralyuk 2022-12-14 "The wit and daring of his rhymes and phrasing remind me of that old master, Donald Justice, who dazzled us with the elegance of his forms. Dralyuk carries this high style into the 21st century, and I, for one, am thrilled to be in the presence of his marvelous verbal art. Pay attention, readers: a new maestro is in our midst."—Ilya Kaminsky, author of *Deaf Republic* and *Dancing in Odessa* "These [poems] are the souvenirs of an almost-vanished glamour, an ethnic, gritty, free-wheeling city, little fantasias encased in rhyme and meter."—Jesse Nathan, *McSweeney's My Hollywood and Other Poems* is a collection of lyric meditations on the experience of émigrés in Los Angeles. In forms ranging from ballades to villanelles to Onegin sonnets, the poems pursue the sublime in a tarnished landscape, seek continuity and mourn its loss in a town where change is the only constant. *My Hollywood* draws on the poet's own life as a Jewish immigrant from the Soviet Union, honors the vanishing traces of the city's past, and, in crisp and poignant translations, summons the voices of five Russian poets who spent their final years in LA, including the composer Vernon Duke. "Dralyuk embraces rhyme with a rare and admirable enthusiasm for sound and syllable, for musical variety and plays on words . . . [An] air of upbeat sorrow permeates *My Hollywood*. It's an émigré mood, defined by the conviction that things could always be worse."—New York Review of Books "Sophisticated, musical, and often humorous."—Booklist "Byronic rhymes are poetry's answer to special effects, and Dralyuk's skill at slipping them in—so that the art seems artless—is worthy of *Industrial Light & Magic* . . . What's true of my favorite films is true of this book: the lines are first-rate, but it's the images that linger."—Austin Allen, *The Hopkins Review* "*My Hollywood* is a first-rate collection of precise, delightfully graceful poems, the poet as Fred Astaire tap-dancing up and down the lines."—Russian Life

Rosary Anna Akhmatova 2014-03-06 Anna Akhmatova (June 23, 1889 - March 5, 1966) is considered by many to be one of the greatest Russian poets of the Silver Age. One of the forefront leaders of the Acmeism

After its publication, Akhmatova became a household name and further established her place among the greatest Russian poets.

Ten Russian Poets Klavdija Timofeevna Bogdanova 1970

Paradise Elena Shvarts 1993 Elena Shvarts was the most outstanding Russian poet of her generation. 'Paradise' presents a dual language selection of her earlier poetry, and was a Poetry Book Society Recommended Translation. Each new generation has to reinterpret St Petersburg, the place, the culture and its significance for Russia. Shvarts's haunted and demonic city is nearer Dostoyevsky's than Akhmatova's or Brodsky's. Her poetry draws backwoods Russian folklore with its cruelty, its religiosity and its quaint humour, into stone, cosmopolitan Petropolis. She brings out both the truth and the irony of Peter the Great's 'Paradise', celebrating and reviling her native city as a crossroads of dimensions, a reality riddled with mythical monuments and religious symbols. Despite the blood beneath its pavements, her St Petersburg also reveals traces of an angelic origin: 'Black rats nest over the shining river, in undergrowth, / They're permitted, welcome, nothing can ruin paradise on earth.' Elena Shvarts stood outside all schools and movements in contemporary Russian poetry. She once famously described poetry as a 'dance without legs'. Her own poetry fits this description perfectly, a combination of deeply rhythmic and lyrical dance with the eccentric, perpetual movement of flight. The world of her poems is strange and grotesque; often the setting is urban, but unrecognisable - towns emptied of the everyday and peopled only by animals, spirits and strange elemental forces. A peculiar religious fervour illuminates these scenes, but her religion is unorthodox and highly individual. Shvarts's poetry is visionary. Her vision takes her to the edge of language and rhythm, and she was one of the few contemporary poets brave enough to trust her vision absolutely.

Russian Literature Andrew Baruch Wachtel 2013-05-08 For most English-speaking readers, Russian literature consists of a small number of individual writers - nineteenth-century masters such as Dostoevsky, Tolstoy and Turgenev - or a few well-known works - Chekhov's plays, Brodsky's poems, and perhaps *Master and Margarita* and *Doctor Zhivago* from the twentieth century. The medieval period, as well as the brilliant tradition of Russian lyric poetry from the eighteenth century to the present, are almost completely terra incognita, as are the complex prose experiments of Nikolai Gogol, Nikolai Leskov, Andrei Belyi, and Andrei Platonov. Furthermore, those writers who have made an impact are generally known outside of the contexts in which they wrote and in which their work has been received. In this engaging book, Andrew Baruch Wachtel and Ilya Vinitzky provide a comprehensive, conceptually challenging history of Russian literature, including prose, poetry and drama. Each of the ten chapters deals with a bounded time period from medieval Russia to the present. In a number of cases, chapters overlap chronologically, thereby allowing a given period to be seen in more than one context. To tell the story of each period, the authors provide an introductory essay touching on the highpoints of its development and then concentrate on one biography, one literary or cultural event, and one literary work, which serve as prisms through which the main outlines of a given period's development can be discerned. Although the focus is on literature, individual works, lives and events are placed in broad historical context as well as in the framework of parallel developments in Russian art and music.

The Moscow & Voronezh Notebooks Osip Mandel'shtam 2003 This edition combines two previous separate editions of *The Moscow Notebooks* and *The Voronezh Notebooks* published by Bloodaxe. The *Moscow Notebooks* cover his years of persecution (1930-34), when he was arrested for writing an unflattering poem about Stalin. In *Voronezh* he broke a silence of 18 months, writing the 90 poems of the *Voronezh Notebooks*.

Russian Poetry, the Modern Period John Glad 1978

Modern Russian Poetry Alexander Pushkin 2010-07 Originally published in 1921, this early anthology of Russian poetry is both expensive and hard to find in its first edition. Deutsch and Yarmolinsky present an absorbing collection of some of the work of Russia's greatest poets from

the nineteenth and early twentieth centuries. A concise biography accompanies the poems, making this a comprehensive and informative look at the subject that is thoroughly recommended for inclusion on the bookshelf of any literary historian or enthusiast of Russian poetry. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Four of Us Anna Andreevna Akhmatova 2015-01-17 ..".The fact of the matter is that everything that happens in culture ultimately comes down to this, to the four famous temperaments: melancholic, sanguine, phlegmatic, and choleric. That's what I think. It seems to me that our Big Four can also be divided by according to these temperaments, inasmuch as all of them are actually very distinctly represented in the group. Tsvetaeva is unquestionably the choleric author. Pasternak is sanguine. Mandelstam is melancholic. And Akhmatova is phlegmatic. Together they cover the whole poetic universe." -Joseph Brodsky Included in this dual-language book is a selection of 10 poems from each poet translated into English by Andrey Kneller.

Daniel Weissbort is cofounder, along with Ted Hughes, and former editor of *Modern Poetry in Translation*, professor emeritus at the University of Iowa, and honorary professor at the Centre for Translation and Comparative Cultural Studies at the University of Warwick. Co-editor of *Twentieth-Century Russian Poetry* (Iowa 1992), he is also the translator of more than a dozen books, editor of numerous anthologies, and author of many collections of his own poetry. His forthcoming books include a historical reader on translation theory, a book on Ted Hughes and translation, and an edited collection of selected translations of Hughes.

Poem Without a Hero and Selected Poems Anna Andreevna Akhmatova 1989 Anna Akhmatova, one of the great poets of our century, has, like all Russian poets, proved difficult to translate. These distinctive versions of a broad selection of her work capture her plainness and directness while searching out an analog to her music in the careful and subtle music of American free verse. The result is not a replication of Akhmatova's style but a complement to it that often startles and gratifies with a starkness and beauty all its own.

The Penguin Book of Russian Poetry Robert Chandler 2015-02-26 An enchanting collection of the very best of Russian poetry, edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski. In the late eighteenth and early nineteenth centuries, poetry's pre-eminence in Russia was unchallenged, with Pushkin and his contemporaries ushering in the 'Golden Age' of Russian literature. Prose briefly gained the high ground in the second half of the nineteenth century, but poetry again became dominant in the 'Silver Age' (the early twentieth century), when belief in reason and progress yielded once more to a more magical view of the world. During the Soviet era, poetry became a dangerous, subversive activity; nevertheless, poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors. This anthology traces Russian poetry from its Golden Age to the modern era, including work by several great poets - Georgy Ivanov and Varlam Shalamov among them - in captivating modern translations by Robert Chandler and others. The volume also includes a general introduction, chronology and individual introductions to each poet. Robert Chandler is an acclaimed poet and translator. His many translations from Russian include works by Aleksandr Pushkin, Nikolay Leskov, Vasily Grossman and Andrey Platonov, while his anthologies of Russian Short Stories from Pushkin to Buida and Russian Magic Tales are both published in Penguin Classics. Irina Mashinski is a bilingual poet and co-founder of the StoSvet literary project. Her most recent collection is 2013's *Ophelia i masterok* [Ophelia and the Trowel]. Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian, including, most recently, Isaac Babel's *Red Cavalry* (2014).

Selected Poems Anna Andreevna Akhmatova 1989 This comprehensive edition of Russia's greatest modern poet, Anna Akhmatova (1899-1966), includes the complete texts of her major works *Requiem*, commemorating all of Stalin's victims, and *Poem Without a Hero*. Akhmatova published her first book of poems in 1912, and in the same year founded the Acmeist movement with her husband, the poet Gumilev. Her intense, highly personal love lyrics were later attacked as anti-

revolutionary, and in 1925 her poetry was banned. Gumilev was shot in 1921 for alleged involvement in an anti-Bolshevik plot, and in the years of terror which followed under Stalin, Akhmatova was persecuted for her work along with fellow poets Mandelstam, who died in a camp, and Tsvetaeva, who committed suicide. She was able to publish some work during the war, but in 1946 she again came under attack, this time from Zhdanov, who denounced her with Pasternak and others for trying to 'poison the minds' of Soviet youth. These were attacks on her published work. What she was writing - but could not publish - was far more dangerous. For she had entered her years of silence. As she fought for her son's release from prison, she was writing her greatest poetry: the cycle *Requiem*, which commemorated all of Stalin's victims, and *Poem without a hero*, which she began in 1940 and worked on for over 20 years. All she wrote she committed to memory. Several trusted friends also memorised her poems, among them Mandelstam's widow Nadezhda. She wrote nothing down, and so survived, the people's conscience, the one who kept 'the great Russian word' alive.

Explodity Nancy Perloff 2017-01-21 The artists' books made in Russia between 1910 and 1915 are like no others. Unique in their fusion of the verbal, visual, and sonic, these books are meant to be read, looked at, and listened to. Painters and poets—including Natalia Goncharova, Velimir Khlebnikov, Mikhail Larionov, Kazimir Malevich, and Vladimir Mayakovsky—collaborated to fabricate hand-lithographed books, for which they invented a new language called *zaum* (a neologism meaning "beyond the mind"), which was distinctive in its emphasis on "sound as such" and its rejection of definite logical meaning. At the heart of this volume are close analyses of two of the most significant and experimental futurist books: *Mirskontsa* (*Worldbackwards*) and *Vzorval'* (*Explodity*). In addition, Nancy Perloff examines the profound differences between the Russian avant-garde and Western art movements, including futurism, and she uncovers a wide-ranging legacy in the midcentury global movement of sound and concrete poetry (the Brazilian Noigandres group, Ian Hamilton Finlay, and Henri Chopin), contemporary Western conceptual art, and the artist's book. Sound recordings of *zaum* poems featured in the book are available at www.getty.edu.
