**Cheaters Handbook** Frisky Foreplaying 2022-02-16 If you've tried the original male version of Seek Hotter Sex, you know it contains lots of hard word puzzles for adults designed to stimulate more than your dirty minds. It's a battleships style game for fun loving couples to spice up your relationship. To prevent players from "cheating", no hints or answer pages were provided. But, since all's fair in your bedroom love battles intended for mutual pleasure, why not play dirty. This book exposes all the naughty secrets, so you can get the sex play you want, how you want it. Even with these cheat codes, you can still play these foreplay games together. It's just not as hard - yikes. This naughty couples game is an erotic variation of the paper based battleships game with a sexy twist. Instead of hunting ships, you're trying to find dirty words that include erogenous zones, foreplay actions and pleasuring accessories. Short, extra naughty phrases are sprinkled in to spice it up even more. When you hit the mark and discover a trigger word, there will be dirty talk. Of course, hot dirty talk will only stoke the flames of your desire. Aural sex will lead to oral sex and more soon enough. As your naughty word find continues, everything will be revealed. You'll then have the opportunity to take action and satisfy your lust for booty. Discover the most pleasure treasures to win. You'll need strategy and a kinky imagination to get ahead and come first in this love battle. To add even more sexy fun, we've added sea mines and booby traps in with the ships. Presto, it now includes stripping, drinking and truth or dare games for couples all combined in one. When playing this bedroom battleships game,

remember, "Sunk Ships Lead To Loose Lips" (or something like that). Always be wary of the salty seamen and racy wet sea C\*\*ts. Especially when the lewd, filthy, swearing kind comes out to play. This Classified Cheaters Handbook contains the solution to 50 dirty word search puzzles. It contains the answer keys for all the puzzles in the original version. They are in the same order but with no title or page number to identify them. The game can still be played since only you will know what and where your word ships are. Your lover will know their own sexual secrets for you to discover. Each puzzle is organized in a 26x30 grid pattern with a corresponding blank grid on the back of the page. The blank grids are used for scoring hits. Each filled grid contains over 80 sex-related words randomly selected from many thousands specially chosen. For two players, this gives you 25 bedroom battle games that are completely different each time. This version contains male oriented sex words to be discovered by either a female or male lover. For straight players, you'll also want to get the Find Her Secrets version of the book for her to play with. When played as gay games for men, this single book provides 25 bedroom battles for two players. This version also works with our other Seek Hot Sex naughty word search games. Although in the same format, all the puzzles are unique so the cheat codes won't work with them. Note: If you're currently away from the one you love (or expect to be), order a copy of this one for you and the original for them. Then, you can keep the sexual fires burning bright by playing over the phone or via a chat/video app. The hot dirty talk aspect of the game makes it great for spicing up long distance relationships with phone sex or cybersex. This book contains the answer pages for Seek Hotter Sex Dirty Word Find His Secrets Naughty Couples Games, so "cheating" is possible. The puzzles are not easily identifiable, but with some well placed hits, you may be able to find the correct cheat codes. Then, you'll be able to hunt without the fog of war hiding their ships. Just don't make it too obvious.
