Trilogy of Terror Stephen Gresham 2017-08-12 Now in one collection, three of Stephen Gresham's classic horror novels -- Moon Lake, Rockabye Baby, and Night Touch. *** Moon Lake: FEAR GROWS ON MOON LAKE ... And so do hundreds of beautiful water hyacinths. Their lavender petals caress the fog-enshrouded surface. Their sweet-smelling fragrance

speaks of passion and death ... EVIL GROWS ON MOON LAKE ... And honeymooners Michael and Sandy Williams sense the uneasiness. The humming of the insects is too shrill. The mist is too suffocating. The hyacinths are too overgrown ... HORROR GROWS ON MOON LAKE ... And there is no way to stop it. In the murky depths, through the lush purple flowers, an almost human face takes form. Its glowing eyes

pierce the water. Its icy breath chills the night air. It reaches out to claim the innocent — to nourish the evil that lurks in MOON LAKE. *** Night Touch: HELPING HANDS Rob, Andrea, and Adam had been best friends ever since they were children. Rob and Andrea didn't care that Adam was blind and ugly and the other kids made fun of him. They always stood by him. But that summer—the summer they turned fifteen—their friendship would be put to the test in ways beyond their darkest nightmares ... KILLING HANDS The mysterious stranger had called the marking on Adam's left hand the Cross of Dark Fortune, and because of it he was able to give Adam the "night touch." Suddenly Adam could see without seeing—drawing pictures, typing, playing the guitar just like everyone else. But his gift demanded a horrifically high price—a price to be paid in evil, death, and blood! *** Rockabye Baby: Mr. Macready was such a nice old man. He liked to watch the

children walking home from school, especially the little girls. In fact, Mr. Macready knew all about the children of Granite Heights—their names, their houses, even the nights their parents were away. And when he put on his white nurse's uniform and smeared his lips with blood-red lipstick, any child would be happy to let him through the door. Oh, they always stared a bit at his clear plastic gloves. But that was nothing compared to how they stared when he got his hands around their fragile little necks and crooned ... ROCKABYE BABY.

KAMIKAZE TERROR 2 Jeffrey R. Veesebmeyer 2019-05-22

During the final days of World War II, the U.S. Navy faced their worst nightmare; the kamikaze. Special Attack Kamikaze Units became Japan's primary weapon against the U.S Navy in 1945. At Okinawa, their battle cry would be "One man, one ship." Massive attacks by hundreds of planes became their preferred tactic. Sailors watched in horror as kamikazes carrying a 500-pound bomb crashed and exploded on their ships. It was incomprehensible to Americans that men would voluntarily die to deliver death and destruction. Kamikazes created a terror greater than anything the Navy had ever faced. "Kamikaze Terror" describes the epic air/sea battles at Okinawa. You'll learn new details about ships and sailors who fought and died during this last great battle of the war.

Read the personal accounts of shipmates from the Hadley, Laffey, Bache, Drexler, Aaron Ward, The Sullivans, Bunker Hill, Bennington, plus amphibs, hospital ships and a dozen more.

Love & Terror on the Howling Plains of Nowhere

Poe Ballantine 2013 Fans of Truman Capote's "In Cold Blood" and John Berendt's "Midnight in the Garden of Good and Evil" will embrace Poe Ballantine's "Love and Terror on the Howling Plains of Nowhere." Poe Ballantine's "Free Rent at the Totalitarian Hotel" included in Best American Essays 2013, and for well over twenty years, Poe Ballantine traveled America, taking odd jobs, living in small rooms, trying to make a living as a writer. At age 46, he finally settled with his Mexican immigrant wife in Chadron, Nebraska, where they had a son who was red-flagged as autistic. Poe published four books about his experiences as a wanderer and his observations of America. But one day in 2006, his neighbor,

Steven Haataja, a math professor from the local state college disappeared. Ninety five days later, the professor was found bound to a tree, burned to death in the hills behind the campus where he had taught. No one, law enforcement included, understood the circumstances. Poe had never contemplated writing mystery or true crime, but since he knew all the players, the suspects, the sheriff, the police involved, he and his kindergarten son set out to find out what might have happened.

fashioned nursery on the third floor. Now Christie's terror will begin. A sound was coming to her. Her mind began to drift . . . Usually it came to her at night, when the wind was blowing. But today it was bright and clear; the wind was still. And yet the sound was there. A baby, crying out for its mother. Instinctively Diana knelt next to Christie and took the child in her arms. "It's all right," she whispered. "Everything's going to be all right." Perplexed, Christie looked into Diana's eyes. "I am all right, Aunt Diana. Really, I am," Christie insisted. "But you were crying. I heard you. Good girls never cry. Only bad children cry. They cry. And cry. And then they must be punished. . . ."

Trilogy of Terror Alfonso
Moret 2013-02-21 Roman and
Elsbone were veteran animal
trappers and hunters. They
were warned by the Chalukyas
tribesmen that the Devil Dogs
were ferocious and did not fear
man or any other animal. The
hunters were experienced
predators and huntsmen and
knew that the wild beast that
the tribesmen were leery of
were just Himalayan
tempestuous wolves. The

Chalukyas tribesmen disclosed
to the hunters that they had
seen two Devil Dogs bring
down a huge wild boar and tear
it apart one evening at the base
of the Mahila Mountains. It is
known amongst hunters and
wildlife individuals that no wild
animal/beasts or man want any
part of the violent desolate
fierce boars; these Devil Dogs
were fearsome and vicious. The
major deciding factors that
finally made the huntsmen
want to seek and capture the
wolves were these main issues:
One, the Los Angeles zoo was
offering a large amount of
money for two legendary Devil
Dogs from India. The second
aspect was they heard that a
single Devil Dog had fought
and killed a Siberian Tiger; this
factor increased their
inquisitiveness and curiosity of
this sensational beast and its
folklore. Their egos also played
a part in their judgment to
capture the animals An
element they had to
contemplate and had caused
them concern was that they
were told that the beast only
come out after the sun has set.

Nightfall, this is an advantageous factor for the nighttime predator. So these beasts were nocturnal hunters; this was not an odd characteristic for any wolf, but still it was a concern for the hunters. All these tidbits of information just enticed Roman and Elsbone even more, and it heightened their hunting and ego desires. The two English veteran hunters were now traveling toward their prey and compensations as they were now heading toward the foothills of the snowcapped Himalayas, the hunting grounds of the Devil Dogs. The huntsmen eventually had left their regular and familiar stomping grounds of South Africa years earlier because of the civil turmoil that continues to cause chaos and havoc with many of the unsettled tribes and conformed city dwellers. The other object and issue was now there are all the new restrictions and hunting laws causing hardship on hunters and trappers, also there were the conservation laws protecting the wild beast

limiting them even more. Elsbone and Roman left Africa and went and took their trade to South America. But after some time, they grew tired of the humid atmosphere, the different language, and customs along with the constant damp eerie rain forest. So now they were here in India following the harsh rumors of the ferocious wild Devil Dogs that killed cattle, pigs, and villagers and now they also heard even killed mountain lions. The hunters journey did have some hardships. They needed to travel far through hot rough desolate deserts with very cold nights.

Terror in the Wind Ramah L.

Shaw 2003-04-01 The plot cleverly wraps fictional characters, and the reader, around actual current events that are more treacherous than Pearl Harbor and more dangerous than the Civil War.

This story focuses a magnifying glass on the perils of uncontrolled (illegal) immigration and its threat to our nation's security. Fictional patriots, using a wake-up call to the sleeping public, win their battle for control. For its readers, *Terror in the Wind* will serve that exact same purpose.

Story and The Talisman (with Stephen King) has given us one of the most imaginatively unsettling collections in years. The terrain of these extraordinary stories is marked by brutality, heart-break, despair, wonder, and an unexpected humor that allows empathy to blossom within the most unlikely contexts. "Bunny Is Good Bread" takes us into the mind of a small boy trapped in grotesque circumstances to portray the creation of a serial killer in a manner that compels pity, sorrow, comprehension, and grief-as well as judgment. "Hunger, an Introduction," narrated by the ghost of a pompous, self-pitying murderer, evokes a profoundly beautiful vision of earthly life, one appreciated far more by the dead than the living. The award-winning novella "Mr. Clubb and Mr. Cuff," a masterpiece of black comedy, draws upon Melville's "Bartleby the Scrivener" to create a revenge tale in which torture is a moral art and the revenger undergoes a transforming, albeit painful,

education. In the words of Mrs. Asch, the visionary narrator of "Ashputtle," "The main feature of adventure is that it goes forward into unknown country." Straub's devotees will be entranced by what their fearless guide has in store for them. Those as yet uninitiated are in for a harrowing literary journey. Enjoy the ride.

Jacobs 2014-05-08 This gripping book tells the story of a group of soldiers of The Queen's Own Highlanders and their adventures during service in the Far East in the 1960s.

During operations in Borneo and Malaya they were engaged in long border patrols and in anti-piracy patrols aimed at curbing their activities in the South China Sea. Mike Jacobs' fast-moving book describes the daring rescue of hostages at the time of the rebellion in Brunei, leads us to his discovery of Japanese soldiers, still unaware that WWII had finished sixteen years earlier, and to a hoard of Japanese War gold. While enjoying a well-earned rest they experienced some amazing events during wild nights in downtown Singapore's gangland. Fact and fiction are skilfully interwoven and not all of the most incredible stories are fiction.

Suddenly the black book opened before him, not by hands, or wind, not even by accident, but something supernatural, even diabolical,

something Tom couldn't explain. The book called out, and his hand went for the pen. He seemed to be writing without having any control over the matter. He had signed his name, and suddenly the words that were written in Latin came just as fresh and readable as any English text. He hadn't realized until now, that he had signed away his very own soul. In short, He had sold his soul to the Devil.

Providing texture to the story are brave US, UK and Indian private security teams, seemingly soulless child soldiers of Boko Haram, corrupt Nigerian military, Saudi terrorist financiers, Kenyan money-launderers and the international politics of terror. *Rebuke the Wind* is more than a good read. It is a tribute to the people of the Sahel, particularly the young women who have been victimized by Boko Haram and left largely unknown behind the headlines.

In July 1916, a time when World War I loomed

The Atlantic's refreshing waters proved to be utterly inhospitable, however. In just twelve days, four swimmers were violently and fatally mauled in separate shark attacks, and a fifth swimmer escaped an attack within inches of his life.
