Aaron Reynolds 2017-08-15
From the celebrated team behind Creepy Carrots!, Aaron Reynolds and Caldecott Honor winner Peter Brown, comes a hilarious (and just a little creepy) story of a brave rabbit and a very weird pair of underwear. Jasper Rabbit is NOT a little bunny anymore. He's not afraid of the dark, and he's definitely not afraid of something as silly as underwear. But when the lights go out, suddenly his new big rabbit underwear glows in the dark. A ghoulish, greenish glow. If Jasper didn't know any better he'd say his undies were a little, well, creepy. Jasper's

not scared obviously, he's just done with creepy underwear. But after trying everything to get rid of them, they keep coming back!

Classroom 13 books are a hilarious new chapter book series—perfect for reluctant readers and fans of Roald Dahl, Captain Underpants, and Sideways Stories from Wayside School. The Fantastic and Terrible Fame of Classroom 13 is the third title in a series about the students of a very unlucky classroom. The easy-to-read chapters are full of humor, action, secret codes, and fun—and will prompt hours of conversation among friends, families, and classmates. The final chapter encourages young readers to write their own chapter and send it in to the author, Honest Lee. When famous agent Lucy LaRoux drops by Classroom 13, she makes an offer no one can refuse—she makes all of the students FAMOUS. You might think this was sweet, but it was not. It was selfish. (Lucy wants their money.) With great fame comes frightening stage fright, broken bones, rotten reality television, and other awful accidents. As the students of Classroom 13 are about to learn, being famous (or

infamous) isn't always fun. © 2017 by Hachette Book Group, Inc.

WORLD LOVE TO READ!

Horrid Henry makes a deal with his parents in return for eating his veggies; accidentally wears girls' underwear to school; tries to prove he is sicker than his brother; and writes the meanest thank-you cards ever (and makes money on it too). Francesca Simon is one of the world's best-loved children's authors. She is the only American to have ever won the Galaxy Book Award, and her creation, Horrid Henry, is the #1 bestselling chapter book series in the UK—with a hit TV show and over fifteen million copies sold! Each book contains four easy-to-read stories and hilarious illustrations by the one and only Tony Ross, so even the

most reluctant of readers won't be able to resist Henry's amazing talent for trouble! PRAISE FOR HORRID HENRY "Henry's over-the-top behavior, the characters' snappy dialogue, and Ross's hyperbolic line art will engage even the most reluctant readers." Publishers Weekly "Like Dennis the Menace and Curious George, Horrid Henry is either finding trouble or creating it, and the kids are crazy about his antics." Meredith Smith, grade school teacher, DolceBellezza.blogspot.com "Kids will love reading the laugh-out-loud funny stories about someone whose behavior is even worse than their own." School Library Journal "Will make you laugh out loud." Sunday Times Why Horrid Henry? Kids love it! "I love the Horrid Henry books by Francesca Simon. They have lots of funny bits in. And Henry always gets into trouble!" Mia, age 6, BBC Learning is Fun "It's easy to see why Horrid Henry is the bestselling character for 5-8 year olds." Liverpool Echo Because it's

funny "My two boys love this book and I have actually had tears running down my face and had to stop reading because of laughing so hard. My oldest son is rereading all the books in this series on his own now and he still loves them. Happy reading!" T. Franklin, Parent "A modern comic classic." SF Said, Guardian Children's Books Supplement Kids get to be harmlessly rebellious "Henry is a beguiling hero who has entranced millions of reluctant readers... little rebels will love this collection and even little angels will be secretly thrilled by Henry's anti-heroic behaviour." Herald Henry's naughtiness is a yardstick against which children can get a sense of their own moral goodness and social justice "What is brilliant about the books is that Henry never does anything that is subversive. She creates an aura of supreme naughtiness (of which children are in awe) but points out that he operates within a safe and secure world." Emily Turner, Angels And Urchins Magazine

Reaches the most important age group - children who are learning to read "I have tried out the Horrid Henry books with groups of children as a parent, as a babysitter, and as a teacher. Children love to either hear them read aloud or to read them themselves. The books are spot on for the 5-8 age range and are fun for the adults who share them too." Danielle Hall, Teacher The structure provides new readers with a real sense of accomplishment "My son is 7 years old and a big Horrid Henry fan. This book lived up to his expectations! Horrid Henry is like most boys: he always has a plan and is always getting into mischief! It was amusing, and he could not put it down. Can't wait for the next. He read it cover to cover by himself in 2 days! That for me sells a book! He can't wait for the next one to be published. He has recommended it to all his friends." Mrs. Tami Gold, Parent Reaches both boys and girls equally "Wonderfully appealing to girls and boys alike, a precious rarity at this

age." Judith Woods, Times Books A global publishing phenomenon with 12 million copies sold! WHAT PEOPLE ARE SAYING ABOUT HORRID HENRY: "Parents reading them aloud may be consoled to discover that Henry can always be relied upon to behave worse than any of their own offspring." Independent "An absolutely fantastic series and surely a winner with all children. My son took this book as his favourite during book week at his school and converted a few children to the cause. Long live Francesca Simon and her brilliant books! More, more please!" "My 5-year-old adores them so much he couldn't wait to start reading because of them." "I really like Horrid Henry and like reading it to my dad. It's funny!" Matthew, 9, St. Albans "Horrid Henry is a fabulous anti-hero: monstrously selfish and greedy, he does things most children only dream about... a modern comic classic." The Guardian "My 6-year-old son has now read the whole series unaided and is

quite content to re-read the stories again and again. My 5-year-old is dying to be able to read well enough so she can read them independently too!" "Henry is really naughty and makes me laugh. He's very funny and he has lots of adventures." Martha, age 5, Bella "A flicker of recognition must pass through most teachers and parents when they read Horrid Henry. There's a tiny bit of him in all of us." Child Education "It didn't even make it to the library shelves and there's a long waiting list for it! Enough said." Nancy Astee, Child Education "A definite must for every teacher - reading about Henry makes your naughtiest child seem like a saint!" "As a teacher of 8-year-olds, it's great to get a series of books my class love... They torment me to lend them the books so they can read them on their own. Need I say more?"

Ada (16pt Large Print Edition) Kaz Cooke

2018-01-10 'It's not every day a handsome young man appears on your doorstep to ask if you're a respectable womanâ]' Miss Ada Delroy and her famous vaudeville troupe stormed five continents, enchanting royalty, miners and larrikins alike with

her wit, illusions, and breathtaking dances. 'I had a diamond pendant near as big as an emu egg off the Maharajah of What's-His-Name. They named a racehorse after me, and a pigeon and a potato soup on an Orient steamship.' Under the costume made from 100 yards of billowing silk was a woman who couldn't help being both fabulous and disreputable. Down on her luck in a rented room in Melbourne, morphia cocktail in hand, Ada receives a visitor. Is she ready to share her secrets? Inspired by photos of real 1890s vaudevillians, Kaz Cooke brings to life a forgotten world of cunning clairvoyants and trained cockatoos; of fierce loyalties and mixed lollies; the glamour of the stage and the muck of the road. Funny, inventive and lovingly researched, Ada is the story of an extraordinary woman in the toughest of times, with the courage to make herself the star. Bad Dates Sam Jordison 2006
Charting the extraordinary encounters ordinary people around the world have undergone in the name of love, *Bad Dates* lays bare (in more ways than one) the ritual of humiliation that is dating. The horrific tales it contains are sometimes embarrassing, often rude, and always absolutely

hilarious; proving conclusively that for every match made in heaven, there are dozens more made in hell. From the man who had information about his underpants emailed to his entire office, to the couple who found their passions doused by an unexpected dip in a lake, via the girl who ruptured her stomach when over-indulging at an all-you-can-eat restaurant, these stories are a much-needed answer to the icky clichés normally surrounding romance. So, if you have loved and lost, crashed and burned, been humiliated, betrayed, abused and bemused, this is undoubtedly the book for you. And even if you haven't, you'll still enjoy laughing at all the fools who have.
