Nature Knowledge in Modern Poetry Alexander MacKie 2017-10-12 Excerpt from Nature Knowledge in Modern Poetry: Being Chapters on Tennyson, Wordsworth, Matthew Arnold, and Lowell as Exponents of Nature-Study While lovers of Poetry are pleased to see Nature - study finding a place in every school, they hail the innovation all the more that it is likely to add

fresh interest to the study of Poetry in which accurate Nature - references are part of the charm. The study of flowers, of insects and birds will throw a new zest into the study of poets who are rich in natural history allusions. It is because I think such knowledge is doubly charming and humanising when clothed in poetic language and judiciously used for poetic embellishment, that I have

striven to garner the best material of this kind from four poets, Who, While they are all devotees of Nature, show considerable difference in their presentation of scientific facts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Tennyson's Language Donald S. Hair 2015-02-01 The study of language was central to the thinking of Tennyson and his circle of friends. The period of his education was a time of interest in the subject, as a new form of philology became widely known and accepted in Britain. In this study, Donald S. Hair discusses Tennyson's own

*Downloaded from

2020-10-31 by guest*

view of language, and sets them in the context of the language theories of his day. The scope of the book is broad. Hair draws upon a wide range of Tennyson's poetry, from a quatrain he wrote at the age of eight to an 'anthem-speech' he wrote at the age of eighty-two, and pays particular attention to two major works: *In Memoriam* and *Idylls of the King*. He explores these in relation to the two theoretical traditions Tennyson inherited. One is derived from Locke and the language theory set out in Book III of *An Essay Concerning Human Understanding*, the other from Coleridge and the language theory of what Mill called the 'Germano-Coleridgian' tradition. He goes back to Plato's *Cratylus* and Aristotle's *On Interpretation*, and forward to the continental philology introduced into England by Tennyson's friends, Kemble and Trench, among others. Finally, he links Tennyson's language to thinkers such as Whewell, Hallam, and Maurice, who are not in themselves

philologists but who make language part of their concerns--and Whewell was Tennyson's tutor, Hallam and Maurice his friends. Hair offers a significant contribution to the development of linguistic theory in Britain while also providing some close readings of key passages of Tennyson's work and examinations of the poet's faith and views of society.

Death Poetry Stephanie Buckwalter 2014-01-01 Is death the end, or a new beginning? Should it be feared, or embraced? Or is it simply a ceasing to exist? What better way to examine this great unknown than through poetry. Author Stephanie Buckwalter explores eight poems and poets, with chapters on John Donne, Emily Bronte, Walt Whitman, and five others. Accompanied by biographical information on the poet and end-of-chapter questions for further study, Buckwalter unravels each poem, including detailed analysis of form, content, poetic technique, and theme, encouraging readers to develop the tools to understand and appreciate poetry.

Study Guide to the Victorian Poets Intelligent Education
2020-09-26 A comprehensive study guide offering in-depth explanation, essay, and test prep for the most inventive and highly-regarded poets of the Victorian era, including Alfred, Lord Tennyson, Robert Browning, Matthew Arnold, Dante Gabriel Rossetti, William Morris, Algernon Charles Swinburne, and Gerard Manley Hopkins. These prolific poets are recognized for their distinctive responses to the tremendous social, political, and religious upheavals of their era. As a collection of Victorian-era poetry, these poems capture the great tensions and pressures that existed beneath the optimism and serenity that characterized the nineteenth century.

Moreover, these poets represent an important link between the Romantic Movement and the Modernist Movement of the twentieth century. This Bright Notes Study Guide includes notes and commentary on literary classics such as Tennyson's "In Memoriam," Browning's "Andrea Del Sarto," Arnold's "Dover Beach," and Rossetti's "The Blessed Damozel," helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. 2016

Stateliest Measures A. A. Markley 2004-01-01 The great nineteenth-century English poet Alfred, Lord Tennyson received an unusually thorough education in the classical languages, and he remained an active classical scholar throughout his lifetime. His intimate knowledge of both Greek and Latin literature left

an indelible stamp on his poetry, both in terms of the sound and rhythm of his verses and in the themes that inspired him. Stateliest Measures, the first full-length study of Tennyson's thematic and metrical uses of classical material, examines the profoundly important role that his classical background played as he fashioned himself into a poet in the 1820s and 30s, and as he defined himself as poet laureate as of 1850. A.A. Markley examines Tennyson's objectives in developing the classical dramatic monologue, which, together with In Memoriam and his experiments with classical meters, indicate the degree to which he patterned himself after the Roman poet Virgil in attempting to provide modern Britain with a literature worthy of a new and rapidly expanding world empire. Stateliest Measures demonstrates that Tennyson's engagement with the long-running and complex nineteenth-century debates concerning Hellenism, Imperialism, and modern

Tennyson and Mid-Victorian Publishing Jim Cheshire 2017-02-17 This book examines how Tennyson's career was mediated, organised and directed by the publishing industry. Founded on neglected archival material, it examines the scale and distribution of Tennyson's book sales in Britain and America, the commercial logic of publishing

poetry, and how illustrated gift books and visual culture both promoted and interrogated the Poet Laureate and his life. Major publishers had become disillusioned with poetry by the time that Edward Moxon founded his business in 1830 but by the mid-1860s, his firm presided over a resurgence in poetry based on Tennyson's work. Moxon not only orchestrated Tennyson's rise to fame but was a major influence on how the Victorian public experienced the poetry of the Romantic period. This study reevaluates his crucial role, and examines how he repackaged poetry for the Victorian public.
