Twelve Englishmen of Mystery Earl F. Bargainnier 1984 There are hundreds of satisfactory and satisfying British mystery writers whose works should be studied both for their own individual accomplishments and for their comments on the society in which they were published, in the last 150 years, but who have not received any critical comment lately. This volume is designed to correct that fault in a dozen of those unjustifiably neglected British authors: Wilkie Collins, A.E.W. Mason, G.K. Chesterton, H.C. Bailey, Anthony Berkeley Cox, Nicholas Blake, Michael Gilbert, Julian Symons, Dick Francis, Edmund Crispin, H.R.F. Keating, and Simon Brett.

Cozy Cat Caper Mystery Box Set: Books 10-12 Paige Sleuth

2023-01-12 Welcome to Cherry Hills, where small-town life can be deadly. This box set includes books ten through twelve of the Cozy Cat Caper Mystery series. If you enjoy light, fun, cozy mysteries without excessive violence, bad language, or graphic scenes, then grab this three-book collection today and join Kat Harper and her two crime-fighting felines in their quest for justice! Frozen in Cherry Hills (Book 10) First days can be killer. Kat Harper's first day at her new job doesn't go as planned when a runaway cat leads her to a dead body outside of her office building. Things only get worse when Sadie Cramer's death is deemed a homicide, and Kat has to wonder what she's gotten herself into by accepting this position. Much to Kat's—and her police detective boyfriend's—dismay, she soon encounters plenty of people with motive for murder. From an employee fired right before the Thanksgiving holiday, to a grown son ruthlessly cut out of an inheritance, it seems the late career counselor angered several people shortly before her passing. And now it's up to the office building's newly hired amateur sleuth to figure out exactly who is guilty . . . preferably without turning into a victim herself. Hit & Run in Cherry Hills (Book 11) When death imitates art . . . Cherry Hills resident Kat Harper finds herself embroiled in another murder investigation when a local artist is run down in the street. There's no question this was a deliberate act, but who was behind the wheel? Between a money-hungry gallery owner, a brooding rival painter, and the victim's jealous sister, Kat's not sure who had more motive. And, unfortunately, nobody appears to have gotten a good look at the driver—except perhaps for an extremely territorial white cat named Clover. But Clover is too busy guarding his favorite chair to reveal "whodunit." That means it's up to Kat and Kat alone to track down this latest killer. Will the amateur detective succeed, or will this be the case that finally stumps her? Christmas in Cherry Hills (Book 12) Santa isn't the only one making deliveries this Christmas . . . Kat Harper's holiday visit with her long-lost mother turns out to be nothing like the happy family reunion she envisioned. Maybelle Harper has no qualms about flirting with Kat's police detective boyfriend, and she seems more interested in seeing old friends than her daughter. Worse yet, she hates cats. But Kat might have to put her disappointment aside when bigger problems arise—unwelcome gifts have been showing up on her doorstep, and she has no idea who her secret admirer is, or why she's been added to his Christmas list. All of the Cozy Cat Caper Mystery books can be enjoyed as standalones but will be better appreciated as part of the series. The books are light, fun cozy mysteries featuring an animal-loving female amateur sleuth, lovable and not-so-lovable quirky characters, and a page-turning mystery that needs solving. The First Rule of Ten Gay Hendricks 2014-02-03 "Don't ignore intuitive tickles lest they reappear as sledgehammers." That's the first rule of Ten. Tenzing Norbu ("Ten" for short)—ex-monk and soon-to-be ex-cop—is a protagonist unique to our times. In *The First Rule of Ten*, the first installment in a three-book detective series, we meet this spiritual warrior who is singularly equipped, if not occasionally ill-equipped, as he takes on his first case as a private investigator in Los Angeles. Growing up in a Tibetan Monastery, Ten dreamed of becoming a modern-day Sherlock Holmes. So when he was sent to Los Angeles to teach meditation, he joined the LAPD instead. But as the Buddha says, change is inevitable; and ten years later, everything is about to change—big-time—for Ten. One resignation from the police force, two bullet-wounds, three suspicious deaths, and a beautiful woman later, he quickly learns that whenever he breaks his first rule, mayhem follows. Set in the modern-day streets and canyons of Los Angeles, *The First Rule of Ten* is at turns humorous, insightful, and riveting—a gripping mystery as well as a reflective, character-driven story with intriguing life-lessons for us all.

Each entry provides biographical information, a discussion of major works and themes, and primary and secondary bibliographies. The volume closes with appendices and a selected, general bibliography. Public library patrons will value this guide to their favorite authors, while students will turn to it when writing reports.

When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's Jar of Hearts. In an African convent, four nuns and an unidentified fifth woman are found with their throats slit. The local police do little to investigate . . . and cover up the unknown woman's death. A year later in Sweden, Holger Eriksson, a retired car dealer and birdwatcher, is skewered to death after falling into a pit of carefully sharpened bamboo poles. Soon after, the body of a missing florist is discovered strangled and tied to a tree. Baffled and appalled by the crimes, the only clues Inspector Kurt Wallander has to go on are a skull, a diary, and a photo of three men. What ensues is a complex, meticulously plotted investigation that will push the detective to his limits. The key is the unsolved killing of the fifth woman in Africa—who was she, and what did she have to do with the brutal deaths of two seemingly innocent men? Are more victims in danger? The answers will lead Wallander to question everything he thought he knew about the psychology of murder. An international bestseller, this "scary and cunning tale" (Rocky Mountain News) "achieves the satisfying density of plot and characterization" that established Henning Mankell as one of

the twentieth-century's finest crime writers. His Kurt Wallander mysteries are now the basis for the hit TV show Wallander starring Kenneth Branagh (The Baltimore Sun).

Body Brace (Caught Dead in Wyoming western mystery series, Book 10) Patricia McLinn 2021-05-19 Everything can change ... except murder. In the television production world, a body brace is used to shift the weight of the camera to the operator's shoulder. This allows for smoother shots and reduces stress and tiredness. And, at the small-town Wyoming TV station KWMT, cameras are older and bulkier than those used in network news-gathering. Almost as old as some of the equipment used in a historical re-creation that draws Elizabeth "E.M." Dannihier and friends into another investigation. When there's rumbling underfoot, a body brace helps keep what's important in focus. After some upheavals

in Elizabeth's professional and personal life in Wyoming, not to mention those of her closest friends, she has some recalculating to do. With her former KWMT colleague Mike now at a Chicago TV station and tech whiz Jennifer also in the city on a visit, Elizabeth's investigation of a death discovered at the historical reenactment relies on a widening team of fellow sleuths. And rancher Tom Burrell and the usually forthcoming Mrs. Parens -- two of the town's most solid citizens -- are keeping their distance. Temporary or permanent? Body Brace, Book 10 of the Caught Dead in Wyoming series, is a smart, surprising, fast-paced cozy mystery with humor. If you like quirky characters, hints of romance and twists you won't see coming, then you'll love USA Today bestselling author Patricia McLinn's page-turner. The Woman in Cabin 10 Ruth Ware 2016-07-19 INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER FROM THE AUTHOR OF IN A DARK, DARK WOOD Featured in TheSkimm An Entertainment Weekly "Summer Must List" Pick A New York Post "Summer Must-Read" Pick Included in Summer Book Guides from Bustle, Oprah.com, PureWow, and USA TODAY An instant New York Times bestseller, *The Woman in Cabin 10* is a gripping psychological thriller set at sea from an essential mystery writer in the tradition of Agatha Christie. In this tightly wound, enthralling story reminiscent of Agatha Christie's works, Lo Blacklock, a journalist who writes for a travel magazine, has just been given the assignment of a lifetime: a week on a luxury cruise with only a handful of cabins. The sky is clear, the waters calm, and the veneered, select guests jovial as the exclusive cruise ship, the Aurora, begins her voyage in the picturesque North Sea. At first, Lo's stay is nothing but pleasant: the cabins are plush, the dinner parties are sparkling, and the guests are elegant. But as the week wears on, frigid winds whip the deck, gray skies fall, and Lo witnesses what she can only describe as a dark and terrifying nightmare: a woman being thrown overboard. The problem? All passengers remain accounted for—and so, the ship sails on as if nothing has happened, despite Lo's desperate attempts to convey that something (or someone) has gone terribly, terribly wrong... With surprising twists, spine-tingling turns, and a setting that proves as uncomfortably claustrophobic as it is eerily beautiful, Ruth Ware offers up another taut and intense read in *The Woman in Cabin 10*—one that will leave even the most sure-footed reader restlessly uneasy long after the last page is turned.

Women of Mystery Martha Hailey DuBose 2000-12-11 In this remarkable book, Martha Hailey DuBose has given those multitudes of readers who love the mystery novel an indispensable addition to their libraries. Unlike other works on the subject, *Women of Mystery* is not merely a directory of the novelists and their publications with a few biographical details. DuBose combines extensive research into the lives of significant women mystery writers from Anna Katherine Green and Mary Roberts Rinehart with critical essays on their work, anecdotes, contemporary reviews and opinions and some of the women's own comments. She takes us through the Golden Age of the British women mystery writers, Christie, Sayers, Marsh, Allingham and Tey, to the leading crime novelists of today, focused on the women who have become legends of the genre. And though she laments, "so many mysteries, so little time," she makes a good effort mentioning "some of the best of the rest." When DuBose writes of the lives of her principal players, she relates them to their times, their families, their personal situations and above all to their books. She subtly points out that Sayers, whose experience with the men in her life was inevitably disastrous, created in Lord Peter the ideal lover -- one who is all that a woman desires and needs. DuBose gives us the curriculum vitae that Dorothy Sayers created to help her bring Peter Wimsey to a virtual actuality. Ngaio Marsh would give up an active presence in the theatrical world she loved, but she recreated it for herself as well as her readers in many of her novels. The biographies of these women are as engrossing as the stories they wrote, and Martha DuBose has shined a different, intimate and intriguing light on them, their works, and the lives that informed those works. This book is so full of treasure it's hard to see how any mystery enthusiast will be able to do without it. And what a gift it would make for anyone on your list who has been heard to announce "I love a mystery." Some of the treats inside: In the Beginning: The Mothers of Detection Anna Katherine Green Mary Roberts Rinehart A Golden Era: The Genteel Puzzlers Agatha Christie Dorothy L. Sayers Ngaio Marsh Margery Allingham Josephine Tey Modern Motives: Mysteries of the Murderous Mind Patricia Highsmith P.D. James Ruth Rendell Mary Higgins Clark Sue Grafton and more!!

A beat of silence even after it stops, until we all seem to realise that the Reading Room Rules no longer apply.' Hannah Tigone, bestselling Australian crime author, is crafting a new novel that begins in the Boston Public Library: four strangers; Winifred, Cain, Marigold and Whit are sitting at the same table when a bloodcurdling scream breaks the silence. A woman has been murdered. They are all suspects, and, as it turns out, each character has their own secrets and motivations - and one of them is a murderer.
