**Last of the Breed** Louis L'Amour 2005-03-29 "For sheer adventure L'Amour is in top form."—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L'Amour's hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux.

The Complete Guide to English Bulldogs David Anderson 2019-06 "Just wanted to let you know I received the book today and it's amazing! My daughter is reading away now. You guys did a great job. My dad has been a professional photographer for the Boston Globe for 55 years so he got a kick out of it that my picture was used in the book. Our EB has been diagnosed at 12 with lymphoma so it's even more special to be part of this book. Thanks again!" - Erin Brett, English Bulldog owner and Contributor to the book The English Bulldog is one of those breeds that you know on sight. That short snout, stocky frame, underbite, and spiral tail are simply unmistakable for any other breed. They look quite intimidating too. But don't be fooled. Behind that tough-looking façade is a dog with a goofy disposition, surprising intellect, and a heart of gold. In *The Complete Guide to English Bulldogs* you will learn everything you need to know from start to end; how to choose a puppy, training, traveling, grooming, health care and senior care. You will also learn all about the background of the breed, its history, breed pre-disposed diseases, and special traits. All the information is specific to Bulldogs and in easy-reading comprehensive detail. Find answers to questions like: Is a English Bulldog the right dog for me? Should I buy from a breeder or adopt from a rescue? I brought my Bulldog home. What now? How can I best train my Bulldog? What are some common mistakes

should I avoid? Whether you are a veteran or novice Bulldog owner, there will be something for everyone in this book. Chapters include all the basics such as: A Unique Look - The Bulldog Breed History and Characteristics The Ideal Home Finding Your Bulldog Preparing for Your Puppy The First Week The First Month Housetraining Socialization and Experience Being a Bulldog Parent Living with other dogs Training Your Bulldog Basic Commands Nutrition Grooming - Productive Bonding Basic Health Care Health Concerns Your Aging Bulldog That unforgettable face has always hidden the absolutely darling dog's real potential. Bulldogs are not a high-energy dog, but not all of them are couch potatoes either. Bulldogs are shockingly intelligent as well, which often takes people by complete surprise (if they are basing their opinion of the dog purely on looks). One of the reasons people are so familiar with Bulldogs is that this is a breed that is considered intimidating - simply based on their looks. This has made them one of the most popular mascots in the world. They are the face of high schools, colleges, and universities, as well as sports teams. They make great mascots because they love people and don't mind being the center of attention. As a fairly low maintenance dog, they are great for families of nearly every type. They can be fairly stubborn, but with a loving and consistent approach, they will quickly come to understand the benefits of behaving. That high intellect also means that if your Bulldog has the desire, they can be great in competitions such as Obedience and Agility. Of course, if you prefer a couch potato, many of them love that too.

**The New Complete Schipperke** The Schipperke Club of America 2009-10-01 THE NEW COMPLETE SCHIPPERKE provides an official study of a breed whose origins may be lost in the shadows of history. This updated version of the Schipperke Club of America's 1993 book, THE COMPLETE SCHIPPERKE, includes new kennel listings as well as chapters on Agility and Rally, events which did not exist at the time of the previous edition. Legends and facts are discussed in light of the Schipperke's role as the mascot of guilds in the late 17th century, a companion of boat men, and as a breed that possibly existed in America at the time of the Revolutionary War. THE NEW COMPLETE SCHIPPERKE explores everything from the breed's development worldwide to practical guidance on how to choose a suitable puppy and care for it through its various life stages. There is an informative update on health issues and an expanded section on Obedience, plus a fascinating look at the Schipperke as a search and rescue worker and therapy dog. Whether your interests lie in showing, performance events or just enjoying your family pet, this book provides a richness of information on this versatile breed. The Schipperke Club of America, established in 1929, is the governing body of the breed and comprises members nationwide

**The Joy of Breeding Your Own Show Dog** Ann Seranne 2004-11-19 Back by popular demand the only breeding book endorsed by top breeders "There are many books on breeding dogs, but Ann's book is so on-target and comprehensive that it has become a bible among successful breeders. The news that Howell is making this modern classic available again is to the benefit of both new and future generations of aspiring breeders." -- From the new Foreword by Wendell J. Sammet, The American Kennel Club's first Breeder of the Year (2002) The bible of quality dog breeding, The Joy of Breeding Your Own Show Dog is a must-have for novice and veteran breeders alike, covering everything from developing a viable breeding program to genetics to whelping, raising, and socializing puppies. Written in easy-to-understand language by renowned dog breeder Ann Seranne, this classic takes you step by step through the entire process of breeding a successful litter, from the moment of conception to a dog's first show. You'll see how to select a method of breeding, evaluate your own breeding stock and the potential of a litter, avoid the pitfalls of whelping, and properly care for the litter until the puppies are ready to go to their new homes. Ann Seranne's deep love of dogs, her vast knowledge, and her expertise make this the only guide you will ever need to become a successful breeder.

**Find Your Perfect Dog Breed! How to Choose the Right Dog** Sunbird Images, 2016-01-26 \*\*\*The only e-book that helps you to find the dog particularly suited to you\*\*\* You are looking for the perfect companion for yourself and your family? This e-book in detail describes the 170 most common dog breeds in Europe! UNIQUE about this book: sorted according to the dogs' keeping requirements - from very easy to very difficult - so that you can quickly find the right dog for you. All the breeds included here are internationally acknowledged by the Fédération Cynologique Internationale (FCI). Also, there are high quality photos to each breed. The special thing about this e-book though is the sophisticated identification system that allows you to identify the dog suited to you. For a better overview the dogs have thus first been categorised according to their demand of keeping and, in a next step, according to their size. This considerably facilitates the search for a suitable dog. Of essential help for a quick and easy search are the pictograms developed by experts and designers. These serve as guideposts to each dog and are illustrated on the left hand side of the book. This e-book was developed by a team of passionate dog and animal lovers as well as biologists, vets, and experts for professional dog keeping. Thanks to the deployment of renowned and professional designers the handling of this book is easy and intuitive for everyone. \*\*\* You thus here acquire the ultimate dog guide! \*\*\* Find your perfect companion. We wish you a lot of fun and success with this e-book! CONTENT: • Comprises the most frequently kept dog breeds in Europe • Interesting facts with data regarding size and weight, origin, life expectancy, fur length and colour, temperament, barking frequency, compatibility with other dogs, suitability as a guard dog, FCI-number, -group, and -section, and of course, keeping requirements • Despite the abundance of breeds covered in this book: In order to precisely identify a dog no previous or expert knowledge is required! • The book contains clearly arranged facts as well as written texts to each breed. Importantly, this information have especially been tailored to the dog breeds most popular and most frequently kept in Europe. • In nearly all cases there are 2 photos to each breed. SPECIAL FEATURES: • Simple and quick location of the dogs suited for you due to the clearly arranged categorisation according to keeping requirements (from "very easy" to "very difficult" in the right hand top corner and the further subdivision according to size. • Of essential help for identification are the high quality large-scale photos which show the dogs in their natural environment. Amongst others, these images stem from renowned photographers of the nature photo agency SUNBIRD IMAGES. The images have been chosen amongst thousands in order to enable the most certain identification and choice of dogs. Especially the careful selection of photos is essential here as it is of no use to the buyer if the dog is only badly identifiable on a photo as is the case with many other e-books. • What we also have that the others don't: pictograms that quickly and clearly arranged show you the main characteristics and traits of a dog: • size • degree of exercise required • hunting instincts • fond of children or rather not • suited for dog sports • if cuddly or not \*\*\* Graphically well designed layout + simple to use + with clear writing \*\*\* We wish you

lots of fun with this e-book!

**Belgian Sheepdog** Robert Pollet 2012-06-19 Written by the leading authority on Belgian breeds and a renowned international judge, Dr. Robert Pollet, this new colorful volume dedicated to the Belgian Sheepdog offers a comprehensive look at the history, personality and physical characteristics of this strong and agile working dog. Few breeds boast the versatility of the Belgian Sheepdog: a herding dog, a guard dog, a top competition dog, a police and military dog, a search and rescue dog, a companion, a show dog; the roles and talents of this highly accomplished canine are nearly endless. With its long, straight, solid black coat, the Belgian Sheepdog makes an attractive, friendly companion, a vigilant watchdog and a vigorous performance dog for the right responsible owner. Dr. Pollet, a Belgian native, has been judging the Belgian herding breeds for over 30 years and remains a passionate promoter. Readers will welcome Dr. Pollet's insightful look at the breed's history in Europe and North America as well as the breed's uses, abilities and character. From locating a responsible breeder and the selection of a puppy to rearing and raising the puppy, this Special Limited Edition is an excellent starting point for new owners, who will benefit from the book's chapters on house-training, problem-solving and obedience training. The complete care of the Belgian Sheepdog, including the feeding, grooming and conditioning of the breed, complemented by an excellent healthcare chapter by world-renowned veterinarian Dr. Lowell Ackerman, makes this book indispensable for every Belgian Sheepdog owner and devotee.

**Cross Breed** Lora Leigh 2019-03-26 Fans of #1 New York Times bestselling author Lora Leigh's scorching Breed series first met Cassie as a little girl in Elizabeth's Wolf. Now Cassie has finally come into her own as a young woman, and she's about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra Sinclair stands apart. A unique mix of wolf, coyote and human, she is revered by many—but preyed upon by others. She is fiercely protected by her community...but no one manages to stop her when she slips away one day to offer her body in exchange for her sister's safety. The man she succumbs to surprises her by unleashing her inner animal in ways she never dreamed possible—and provokes her deep, furious rage. To Cassie's shock, he is the mate she has long awaited. She may never be able to forgive his deception. Still, as dangerous enemies track her, and as the threat of all-out war between Breeds and the humans who despise them hovers in the air, they must join forces and hold fast to each other. But the passionate union between them holds a potential that could change the world—and some will do anything to stop it...

**Breed** Chase Novak 2012-09-04 Critically celebrated novelist Scott Spencer delivers a Rosemary's Baby-like novel of gothic horror, set against the backdrop of modern-day Upper East Side Manhattan. Alex and Leslie Twisden lead charmed lives-fabulous jobs, a luxurious town house on Manhattan's Upper East Side, a passionate marriage. What they don't have is a child, and as they try one infertility treatment after the next, yearning turns into obsession. As a last-ditch attempt to make their dream of parenthood come true, Alex and Leslie travel deep into Slovenia, where they submit to a painful and terrifying procedure that finally gives them what they so fervently desire . . . but with awful consequences. Ten years later, cosseted and adored but living in a house of secrets, the twins Adam and Alice find themselves locked into their rooms every night, with sounds coming from their parents' bedroom getting progressively louder, more violent, and more disturbing. Driven to a desperate search for answers, Adam and Alice set out on a quest to learn the true nature of the man and woman who raised them. Their discovery will upend everything they thought they knew about their parents and will reveal a threat so horrible that it must be escaped, at any cost.

**What I Was Doing While You Were Breeding** Kristin Newman 2014-05-20 A funny, sexy, and ultimately poignant memoir about mastering the art of the "vacationship." Kristin Newman spent much of her twenties and thirties buying dresses to wear to her friends' weddings and baby showers. Not ready to settle down and in need of an escape from her fast-paced job as a sitcom writer, Kristin instead traveled the world,

often alone, for several weeks each year. In addition to falling madly in love with the planet, Kristin fell for many attractive locals, men who could provide the emotional connection she wanted without costing her the freedom she desperately needed. Kristin introduces readers to the Israeli bartenders, Finnish poker players, sexy Bedouins, and Argentinean priests who helped her transform into "Kristin-Adjacent" on the road—a slower, softer, and, yes, sluttier version of herself at home. Equal parts laugh-out-loud storytelling, candid reflection, and wanderlust-inspiring travel tales, *What I Was Doing While You Were Breeding* is a compelling debut that will have readers rushing to renew their passports.

**Dog Breed Guide** Gary Weitzman 2019 Presents profiles for different dog breeds that include the breed's country of origin, size, coat color and pattern, grooming difficulty, and exercise needs, along with advice on how to choose the right dog, care for it, and understand its behavior.
