Our books collection saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Season Of Rage Hugh Burnett And The Struggle For Civil Rights is universally compatible with any devices to read

Season of Rage John Cooper
2009-06-05 The last place in
North America where black
people and white people could
not sit down together to share
a cup of coffee in a restaurant
was not in the Deep South. It

was in the small, sleepy
Ontario town of Dresden.
Dresden is the site of Uncle
Tom's Cabin. Slaves who made
their way north through the
Underground Railroad created
the thriving Dawn Settlement
in Dresden before and during

the Civil War. They did not find Utopia on the Canadian side of the border, despite their efforts. In 1954 something extraordinary happened. The National Unity Association was a group of African Canadian citizens in Dresden who had challenged the racist attitudes of the 1950s and had forged an alliance with civil rights activists in Toronto to push the Ontario Government for changes to the law in order to outlaw discrimination. Despite the law, some business owners continued to refuse to serve blacks. The National Unity Association worked courageously through a variety of means of protest to change attitudes. The story of their season of rage is told in this compelling new book.

Thunder from the Right

Matthew L Harris 2019-03-02
Ezra Taft Benson's ultra-conservative vision made him one of the most polarizing leaders in the history of the Church of Jesus Christ of Latter-day Saints. His willingness to mix religion with extreme right-wing politics

troubled many. Yet his fierce defense of the traditional family, unabashed love of country, and deep knowledge of the faith endeared him to millions. In *Thunder from the Right*, a group of veteran Mormon scholars probe aspects of Benson's extraordinary life. Topics include: how Benson's views influenced his actions as Secretary of Agriculture in the Eisenhower Administration; his dedication to the conservative movement, from alliances with Barry Goldwater and the John Birch Society to his condemnation of the civil rights movement as a communist front; how his concept of the principal of free agency became central to Mormon theology; his advocacy of traditional gender roles as a counterbalance to liberalism; and the events and implications of Benson's term as Church president. Contributors: Gary James Bergera, Matthew Bowman, Newell G. Bringhurst, Brian Q. Cannon, Robert A. Goldberg, Matthew L. Harris, J. B. Haws, and Andrea G. Radke-

Cooper's Compendium of Corrected Creatures Research Fellow John Cooper 2015-04-24

Are your game's Weretigers a bit on the unhealthy side? Are your Mephits not quite as intimidating as they should be? Are your Dark Nagas markedly unskilled? These are just a few of the monsters in the SRD that have significant errors in their stat blocks, bringing their mistakes into your game. But now Cooper's Compendium of Corrected Creatures fixes the problems you didn't even know your monsters had. This critical new series of books by ENWorld staff reviewer and 3.5 rules guru John Cooper presents thoroughly revised and corrected stats for the myriad creatures in the v.3.5 SRD. Features of Cooper's Compendium of Corrected Creatures: OGL Monster Stats L - S (: st="on">: st="on"> Lamia - Swarm) include: * Stat blocks for OGL creatures described or referred to in the

SRD but not given statistics there, including the Mellow, Half-Orc 1st-Level Warrior, Sahuagin Mutant, and Sahuagin Malenti. * "Cooper's Comments" sidebars throughout explaining particular changes and giving guidance on how to effectively reflect them in the game. This book and the series of which it is part are designed to be an invaluable resource for OGL game masters, players, and publishers alike. It is fully bookmarked and designed to be printer-friendly and easy-to-use. Incorporating all official errata as well as corrections for errors that went unnoticed until now, this book presents the monsters from the SRD as they should be. Fix up your foes and run a better game with Cooper's Compendium of Corrected Creatures! * Corrected stats for all the monsters in the L - S sections of the v.3.5 SRD that address often-overlooked elements like skill synergy bonuses, size modifiers, and shapechanging abilities. Entries that have received especially painstaking

attention in this volume include the various forms of Lycanthrope, skill points for which are almost universally incorrect in the SRD. * Improved organization of material, especially items not listed in the proper order. The Book Review Digest 2005 African Canadian Leadership Erica S. Lawson 2019-08-25 Challenging the myth of African Canadian leadership "in crisis," this book opens a broad vista of inquiry into the many and dynamic ways leadership practices occur in Black Canadian communities. Exploring topics including Black women's contributions to African Canadian communities, the Black Lives Matter movement, Black LGBTQ, HIV/AIDS advocacy, motherhood and grieving, mentoring, and anti-racism, contributors appraise the complex history and contemporary reality of blackness and leadership in Canada. With Canada as a complex site of Black diasporas, contributors offer an account of multiple forms of

leadership and suggest that through surveillance and disruption, practices of self-determined Black leadership are incompatible with, and threatening to, White "structures" of power in Canada. As a whole, African Canadian Leadership offers perspectives that are complex, non-aligned, and in critical conversation about class, gender, sexuality, and the politics of African Canadian communities.

The Greyhound John Cooper 2011-06-22 Fifteen-year-old Danny is a troubled kid, and trouble always seems to follow him. Things are changing just too fast his family has moved to a new town, his father is battling alcoholism, and Danny has a hair-trigger temper that causes him problems with the teachers and the other kids at his new school. But as they say, everybody can do at least one thing well, and for Danny its judo. The dojo is the one place where Dannys aggression can find an outlet, even as he tries to make sense of a life that seems way out of control. As he

gets ready for an upcoming competition, things just might be on the upswing in Danny's life. It's all thanks to the arrival of a four-legged wonder, a remarkable greyhound named Long Shot that may hold the key to Danny finding both balance in his life and, especially, a greater understanding of his father.

Season of Rage: John Cooper
2005-02-01 Examines racial discrimination and the fight for civil rights in Canada, specifically the experiences of Hugh Burnett in the Ontario town of Dresden.

Acoustic Properties Tom

McEnaney 2017-06-15 Acoustic Properties: Radio, Narrative, and the New Neighborhood of the Americas discovers the prehistory of wireless culture. It examines both the coevolution of radio and the novel in Argentina, Cuba, and the United States from the early 1930s to the late 1960s, and the various populist political climates in which the emerging medium of radio became the chosen means to produce the voice of the people. Based on original archival research in Buenos Aires, Havana, Paris, and the United States, the book develops a literary media theory that understands sound as a transmedial phenomenon and radio as a transnational

medium. Analyzing the construction of new social and political relations in the wake of the United States' 1930s Good Neighbor Policy, *Acoustic Properties* challenges standard narratives of hemispheric influence through new readings of Richard Wright's cinematic work in Argentina, Severo Sarduy's radio plays in France, and novels by John Dos Passos, Manuel Puig, Raymond Chandler, and Carson McCullers. Alongside these writers, the book also explores Che Guevara and Fidel Castro's *Radio Rebelde*, FDR's fireside chats, Félix Caignet's invention of the radionovela in Cuba, Evita Perón's populist melodramas in Argentina, Orson Welles's experimental New Deal radio, Cuban and U.S. "radio wars," and the 1960s African American activist Robert F. Williams's proto-black power *Radio Free Dixie*. From the doldrums of the Great Depression to the tumult of the Cuban Revolution, *Acoustic Properties* illuminates how novelists in the radio age converted writing

into a practice of listening, transforming realism as they struggled to channel and shape popular power.

The Adventure Begins

The Kids Book of Black Canadian History

Rosemary Sadlier 2010-08 This title in the acclaimed Kids Book of series covers an often-overlooked part of Canada's rich and vibrant history.

Norman, Speak! Caroline Adderson 2014-04-01 Norman, Speak! tells the comical yet thought-provoking story of a boy and his family who adopt a dog that just can't seem to learn the things other dogs do. Overwhelmed by dogs in need at their local animal shelter, a young boy chooses Norman, the stray that's been there the longest. But, upon bringing him

home, the family quickly learns that Norman won't respond to commands. He doesn't even know his own name. During a chance encounter with another dog owner in the park, the family is very surprised to learn the reason for Norman's confusion; he "speaks" Chinese instead of English! And so the family enrolls in a language class, determined to understand their uniquely loveable pet. The humorous text, from award-winning author Caroline Adderson, and Qin Leng's delightful illustrations combine to create a picture book that will be enjoyed by readers (and dogs) no matter what language they speak.

Middle and Junior High School Library Catalog 2006

The Youngest Marcher

Cynthia Levinson 2017-01-17
Meet the youngest known child to be arrested for a civil rights protest in Birmingham, Alabama, 1963, in this moving picture book that proves you're never too little to make a difference. Nine-year-old Audrey Faye Hendricks

intended to go places and do things like anybody else. So when she heard grown-ups talk about wiping out Birmingham's segregation laws, she spoke up. As she listened to the preacher's words, smooth as glass, she sat up tall. And when she heard the plan—picket those white stores! March to protest those unfair laws! Fill the jails!—she stepped right up and said, I'll do it! She was going to j-a-a-il! Audrey Faye Hendricks was confident and bold and brave as can be, and hers is the remarkable and inspiring story of one child's role in the Civil Rights Movement.

Children's Books in Print, 2007 2006

Everything Runs Like a Movie

John Cooper 2013-05-19 A true story of a bank robber and a chilling car chase worthy of an Elmore Leonard novel or a Brian De Palma movie. Like many new arrivals to Canada, Hermann Beier came to this country with big dreams - visions of a wide-open country where hard work and entrepreneurial flair would

make him rich. A charismatic handyman, martial arts teacher, and small business owner, he charmed women and earned the respect of men. He was loved in his community of Alliston, Ontario, and had a plan to make a million bucks. But when those dreams soured, Beier turned to crime to pay the bills. Faced with bankruptcy in 1991, Beier hatched a plan to rob a string of banks in a single day. But it was all too much, too fast. After leading authorities from Guelph to Caledon on what was then the longest police chase in Canadian history, Beier was gunned down alongside a farmer's fence, his body pierced by a hail of police bullets. But he survived, and the end of his crime spree marked a new beginning. After spending almost a decade in various Ontario prisons, searching for a way to get his life back on track, Beier was finally paroled. He now lives a quiet life, dividing his time between Canada and Austria. *The Publishers Weekly* 2005 *Supplying Washington's Army*

North of America Asa

McKercher 2023-07-15 In

1941, influential publishing magnate Henry Luce wrote a stirring essay on American global power, declaring that the world was in the midst of the first great American century. What did a newly outward-looking and hegemonic United States mean for its northern neighbour? From constitutional reform to transit policy, from national security to the arrival of television, Canadians were ever mindful of the American experience. This sharp-eyed study provides a unique look at postwar Canada, bringing to the fore the opinions and perceptions of a broad range of Canadians - from consumers to diplomats, jazz musicians to urban planners, and a diverse cross-section in between.

The Battle for Spain Antony

Beevor 2006-06-01 A fresh and

acclaimed account of the

Spanish Civil War by the

bestselling author of Stalingrad

and The Battle of Arnhem To

mark the 70th anniversary of the Spanish Civil War's outbreak, Antony Beevor has written a completely updated and revised account of one of the most bitter and hard-fought wars of the twentieth century. With new material gleaned from the Russian archives and numerous other sources, this brisk and accessible book (Spain's #1 bestseller for twelve weeks), provides a balanced and penetrating perspective, explaining the tensions that led to this terrible overture to World War II and affording new insights into the war-its causes, course, and consequences.

Viola Desmond's Canada

Graham Reynolds

2016-03-30T00:00:00Z In 1946, Viola Desmond was wrongfully arrested for sitting in a whites-only section of a movie theatre in New Glasgow, Nova Scotia. In 2010, the Nova Scotia Government recognized this gross miscarriage of justice and posthumously granted her a free pardon. Most Canadians are aware of Rosa Parks, who refused to give up her seat on a

racially segregated bus in Alabama, but Viola Desmond's act of resistance occurred nine years earlier. However, many Canadians are still unaware of Desmond's story or that racial segregation existed throughout many parts of Canada during most of the twentieth century. On the subject of race, Canadians seem to exhibit a form of collective amnesia. Viola Desmond's Canada is a groundbreaking book that provides a concise overview of the narrative of the Black experience in Canada. Reynolds traces this narrative from slavery under French and British rule in the eighteenth century to the practice of racial segregation and the fight for racial equality in the twentieth century. Included are personal recollections by Wanda Robson, Viola Desmond's youngest sister, together with important but previously unpublished documents and other primary sources in the history of Blacks in Canada. Cooper's Compendium of

Corrected Creatures

Research Fellow John Cooper
2015-04-24 Are your game's Fire Elementals a bit dim-witted? Are your Elves not as stealthy as they should be? Are your Formian Myrmarchs markedly unskilled? These are just a few of the monsters in the SRD that have errors in their stat blocks, bringing their mistakes into your game. But now Cooper's Compendium of Corrected Creatures fixes the problems you didn't even know your monsters had. This critical new series of books by ENWorld staff reviewer and 3.5 rules guru John Cooper presents thoroughly revised and corrected stats for the myriad creatures in the v.3.5 SRD. Features of Cooper's Compendium of Corrected Creatures: OGL Monster Stats E - K (Eagle, Giant - Krenshar) include: * Corrected stats for all the monsters in the E - K sections of the v.3.5 SRD that address often-overlooked elements like skill synergy bonuses, size modifiers, and shapechanging abilities. * A full 28 stat blocks for OGL

creatures described or referred to in the SRD but not given statistics there, five under the Elf entry, one each under the Gargoyle, Genie, Ghoul, Giant, and Gnome entries, two under the Halfling entry, and 16 under the Hydra entry. * Improved organization of material, especially items not listed in the proper order. * "Cooper's Comments" sidebars throughout explaining particular changes and giving guidance on how to effectively reflect them in the game. This book and the series of which it is part are designed to be an invaluable resource for OGL game masters, players, and publishers alike. It is fully bookmarked and designed to be printer-friendly and easy-to-use. Incorporating all official errata as well as corrections for errors that went unnoticed until now, this book presents the monsters from the SRD as they should be. Fix up your foes and run a better game with Cooper's Compendium of Corrected Creatures!

[An African American and Latinx History of the United](#)

States Paul Ortiz 2018-01-30
An intersectional history of the shared struggle for African American and Latinx civil rights Spanning more than two hundred years, An African American and Latinx History of the United States is a revolutionary, politically charged narrative history, arguing that the “Global South” was crucial to the development of America as we know it. Scholar and activist Paul Ortiz challenges the notion of westward progress as exalted by widely taught formulations like “manifest destiny” and “Jacksonian democracy,” and shows how placing African American, Latinx, and Indigenous voices unapologetically front and center transforms US history into one of the working class organizing against imperialism. Drawing on rich narratives and primary source documents, Ortiz links racial segregation in the Southwest and the rise and violent fall of a powerful tradition of Mexican labor organizing in the twentieth century, to May 1, 2006, known

as International Workers’ Day, when migrant laborers—Chicana/os, Afrocubanos, and immigrants from every continent on earth—united in resistance on the first “Day Without Immigrants.” As African American civil rights activists fought Jim Crow laws and Mexican labor organizers warred against the suffocating grip of capitalism, Black and Spanish-language newspapers, abolitionists, and Latin American revolutionaries coalesced around movements built between people from the United States and people from Central America and the Caribbean. In stark contrast to the resurgence of “America First” rhetoric, Black and Latinx intellectuals and organizers today have historically urged the United States to build bridges of solidarity with the nations of the Americas. Incisive and timely, this bottom-up history, told from the interconnected vantage points of Latinx and African Americans, reveals the radically different ways that

people of the diaspora have addressed issues still plaguing the United States today, and it offers a way forward in the continued struggle for universal civil rights. 2018 Winner of the PEN Oakland/Josephine Miles Literary Award

Misconduct Anne Marie Aikins 2005-09-18 Rules are all around us -- at school, at home, at the mall, on the soccer field, and even on the street. From the strictest of laws to good manners, formal policies to unspoken customs, everywhere you look there are limits and guidelines to your conduct. For many young people, following all those rules may seem impossible! Some kids may not see the harm in breaking a rule, but *Misconduct: Deal with it without bending the rules* explains how it always pays to stop and think. Every citizen must decide if they're going to follow a rule or face the consequences of breaking it. This book demonstrates that young people always have the power to make thoughtful choices, even when a rule

seems overly strict or unfair.

Cooper's Compendium of Corrected Creatures Research Fellow John Cooper 2015-04-24

Are your game's Tarrasques and Thoqqas distinctly unobservant? Are your Vargouilles not as stealthy as they should be? Are your Wights not reaching their full potential? These are just a few of the monsters in the SRD that have significant errors in their stat blocks, bringing their mistakes into your game. But now Cooper's Compendium of Corrected Creatures fixes the problems you didn't even know your monsters had! This critical new series of books by ENWorld staff reviewer and 3.5 rules guru John Cooper presents thoroughly revised and corrected stats for the myriad creatures in the v.3.5 SRD. Features of Cooper's Compendium of Corrected Creatures: OGL Monster Stats T - Z (Tarrasque - Zombie) include: * Corrected stats for all the monsters in the L - S sections of the v.3.5 SRD, plus the appendices on Animals and Vermin, that address often-

overlooked elements like skill synergy bonuses, size modifiers, and shapechanging abilities. Entries that have received especially painstaking attention in this volume include the various forms of Lycanthrope, skill points for which are almost universally incorrect in the SRD. * Stat blocks for OGL creatures described or referred to in the SRD but not given statistics there, including the Scrag, Bactrian Camel, Indian Elephant, Web-Spinner Monstrous spider (seven stat blocks, sizes Tiny through Colossal), and Hunter Monstrous Spider (seven stat blocks, sizes Tiny through Colossal). * Improved organization of material, especially items not listed in the proper order. * "Cooper's Comments" sidebars throughout the volume, which explain specific changes and provide guidance on how to most effectively apply them in the game. This book and the series of which it is part are designed to be an invaluable resource for OGL game

masters, players, and publishers alike. It is fully bookmarked and designed to be printer-friendly and easy-to-use. Incorporating all official errata as well as corrections for errors that went unnoticed until now, this book presents the monsters from the SRD as they should be. Fix up your foes and run a better game with Cooper's Compendium of Corrected Creatures!

The Wendell Smith Reader

Wendell Smith 2023-04-03

With the world's eyes on Jackie Robinson, there were not many who noticed the sportswriter who traveled by the baseball star's side in 1946-47. Wendell Smith was a pioneer not only in writing, but in broadcast media as well, with a career that spanned 1937-1972 and included more than 1,500 written pieces. After an extensive biographical sketch, this work presents a collection of Smith's writings. Chapters are organized to present him as one who chronicled Black history, traveled extensively, challenged racism, noted progress in racial relations,

criticized friends, praised enemies, and bid farewell to notable figures who passed before him. Black athletes covered in his writings include Jackie Robinson, Muhammad Ali, Joe Louis, Jesse Owens, Ernie Banks, and many more. When necessary, the editor provides commentary to provide context or illustrate key points.

I Came As a Stranger Bryan Prince 2004-02-24 Honor Book for the Society of School Librarians International's Best Book Award - Social Studies, Grades 7-12 Winner of 2005 Children's Nautilus Book Awards (Non-fiction) Prior to abolition in 1865, as many as 40,000 men, women, and children made the perilous trip north to freedom in Canada with the help of the Underground Railroad. It was neither underground nor was it a railroad, and was most remarkable for its lack of formal organization, so cloaked in secrecy that few facts were recorded while it "ran." The story of the Underground Railroad is one of suffering and

of bravery, and is not only one of escape from slavery but of beginnings: of people who carved out a new life for themselves in perilous, difficult circumstances. In *I Came as a Stranger*, Bryan Prince, a descendent of slaves, describes the people who made their way to Canada and the life that awaited them. From Uncle Tom's Cabin in Dresden, Ontario to Harriet Tubman's Canadian base of operations in St. Catharines, the communities founded by former slaves soon produced businessmen, educators, and writers. Yet danger was present in the form of bounty hunters and prejudice. Complemented by archival photos, *I Came as a Stranger* is an important addition to North American history.

Children's Book Review Index Dana Ferguson 2007-08 The Children's Book Review Index contains review citations to give your students and researchers access to reviewers comments and opinions on thousands of books, periodicals, books on

tape and electronic media intended and/ or recommended for children through age 10. The volume makes it easy to find a review by authors name, book title or illustrator and fully indexes more than 600 periodicals.

Bromley, Tireless Champion for Just Causes Bromley Lloyd Armstrong 2000
American Book Publishing Record 2005

The Social Life of Coffee

Brian Cowan 2008-10-01 What induced the British to adopt foreign coffee-drinking customs in the seventeenth century? Why did an entirely new social institution, the coffeehouse, emerge as the primary place for consumption of this new drink? In this lively book, Brian Cowan locates the answers to these questions in the particularly British combination of curiosity, commerce, and civil society. Cowan provides the definitive account of the origins of coffee drinking and coffeehouse society, and in so doing he reshapes our understanding of the commercial and consumer

revolutions in Britain during the long Stuart century. Britain's virtuosi, gentlemanly patrons of the arts and sciences, were profoundly interested in things strange and exotic. Cowan explores how such virtuosi spurred initial consumer interest in coffee and invented the social template for the first coffeehouses. As the coffeehouse evolved, rising to take a central role in British commercial and civil society, the virtuosi were also transformed by their own invention.

Cooper's Corrected Summon Monster I-III

Research Fellow John Cooper 2015-04-24 Some of the most labor-intensive and disruptive sorts of spells in the game are for sure the various levels of Summon Monster. As soon as they are cast, things grind to a halt as the proper stats are looked up, the appropriate Celestial or Fiendish template applied with all its various changes ... And that is assuming just one of it was summoned! And if the caster has the Augment

Summoning feat as well, introducing more changes to the summoned monster's stats, well ... Cooper's Corrected Summon Monster solves these problems! Written by ENWorld staff reviewer and 3.5 rules guru John Cooper, this critical new series of books presents thoroughly revised and corrected stats for the creatures summoned by these spells. Features of Cooper's Corrected Summon Monster I-III include: * Corrected stats for all the monsters from the v.3.5 SRD that appear in the lists for the first three levels of Summon Monster spells that address often-overlooked elements like skill synergy bonuses and size modifiers. * Application of the Celestial and Fiendish templates as appropriate, to include the addition of Skills and Feats to formerly non-intelligent monsters that gain Int scores as a result of these templates. * Full alternate stats for monsters to which the Augment Summoning feat has been applied, to include all necessary updates to stats like

attack and saving throw bonuses and hit points. This book and the series of which it is part are designed to be an invaluable resource for OGL game masters, players, and publishers alike. It is fully bookmarked and designed to be printer-friendly and easy-to-use. Make your game's monster better and get them into play faster with Cooper's Corrected Summon Monster I-III!

Cooper's Compendium of Corrected Creatures

Research Fellow John Cooper
2015-04-24 Are your game's Aboleth Mages under-average? Are the Greater Barghest's skill points grimly befuddling? Do you find Retriever Demons to be ridiculously dominant against your PCs? These are just a few of the monsters in the SRD that have errors in their stat blocks, bringing their mistakes into your game. But now Cooper's Compendium of Corrected Creatures fixes the problems you didn't even know your monsters had. This critical new series of books by ENWorld staff reviewer and 3.5

rules guru John Cooper presents thoroughly revised and corrected stats for the myriad creatures in the v.3.5 SRD. Features of Cooper's Compendium of Corrected Creatures: OGL Monster Stats A - D (Aboleth - Dwarf) include: * Stats for a number of official OGL monsters mentioned but not given statistics in the SRD, such as the Hound Archon Hero's Juvenile Bronze Dragon mount. * "Cooper's Comments" sidebars throughout explaining particular changes and giving guidance on how to effectively reflect them in the game. This book and the series of which it is part are designed to be an invaluable resource for OGL game masters, players, and publishers alike. It is fully bookmarked and designed to be printer-friendly and easy-to-use. Incorporating all official errata as well as corrections for errors that went unnoticed until now, this book presents the monsters from the SRD as they should be. Fix up your foes and run a better game with Cooper's Compendium of Corrected Creatures! *

Improved organization of material, especially items not listed in the proper order. * Corrected stats for all the monsters in the A - D sections of the v.3.5 SRD that address often-overlooked elements like skill synergy bonuses, size modifiers, and shapechanging abilities.
