The Siege of Londonderry Piers Wauchope
2022-10-28 As Ireland descended into war in 1689, Londonderry was isolated and besieged. Unable to stop the Irish advance or to control

the "ungovernable rabble" that flooded into the city, the governor deserted. The city's defence was left to men described by their commander as "rogues" and "sons of whores". In the desperate fighting that followed, every assault on the city's walls ended in failure, as did every attempt to drive the Irish off. Exasperated by the inexperienced Irish officers, the French took over the siege. The city was saved by a combination of the sturdy defences and an outbreak of typhus which killed almost half the population (and all the children), a tragedy without which the city would have been starved into an early surrender. This new book casts a critical eye over these sources, and for the first time provides a thorough analysis of the wealth of material that has since come to light recently. Every aspect of the siege is held up to careful scrutiny and retold. The result is an account of the siege very different to any published to date. *A History of the Siege of Londonderry and Defence of Enniskillen, in 1688 and 1689* John

Graham 1873

Derriana 1794

Their Cry was "no Surrender" Peter D. Robinson 1988

The Siege of Derry Patrick Arthur Macrory 1988 This book traces the events surrounding the 1688 siege of Londonderry by Catholic soldiers, the siege that Macaulay was to call "the most memorable in the annals of the British Isles." Macrory draws on a wide range of sources to chart the origins of the conflict--the Tyrone wars, the Plantation of Ulster, the Catholic rising of 1641, and Cromwell's

retribution at Brogheda and Wexford--and vividly recounts the siege itself, stressing throughout how many of the problems Ulster faces today have their roots in the 17th century and before. TRUE ACCOUNT OF THE SIEGE OF L George Walker 2016-09-09

The Siege of Derry 1689 Richard Doherty 2016-09-14 The Protestant war cry of 'No Surrender!' was first used in 1689 by the Mayor of Londonderry as James II's army laid siege to the city for 105 days, during which half the city's population died. There were many acts of courage, from the heroic death of Captain Browning to the anonymous, apprentice boys who played signal roles in the defence of the city. The book examines how the Jacobites might have achieved success, and the far reaching impact of the siege as a crucial event in the second British civil war. This is a military study of one of the most iconic episodes in Irish history, based on contemporary accounts, official records of the day, and published works

on the siege. With an understanding of seventeenth-century warfare, especially siegecraft, the author probes many of the myths that have grown up around the siege and sets it in its proper context. Its ramifications for the consequent history of Ireland cannot be over emphasised.

No Surrender! Tony Gray 1975 "The Siege of Derry (Irish: Léigear Dhoire) lasted from 18 April to 28 July 1689, during the Williamite War in Ireland. The city, a Williamite stronghold, was besieged by a Jacobite army until it was relieved by Royal Navy ships. The siege is commemorated yearly in August by the Apprentice Boys of Derry."--Wikipedia.

The Apprentice Boys of Derry and No Surrender! ... Being a Succinct ... Account of the Siege of Derry ... as Narrated in the Speech of Mr. Gregg at Derry ... 7th December, 1826, on the Occasion of Laying the First Stone of a Testimonial to the Gallant Protestant Defenders of that City GREGG (of Londonderry.) 1827

The Sieges of Derry William Kelly 2001 Few events in Irish history have generated such an output of writing, reflection and controversy as the siege of Derry in 1689. In fact, the events of those months still resonate in modern politics. Controversies over commemorations of the siege have often resulted in violence on the streets of Derry and elsewhere. This volume of essays seeks to explore these events and their profound impact on the literature, history, politics, and popular cul-ture of Ireland. Given the breadth of material and timespan, these essays contribute to our understanding of some of the most intractable problems of modern Ireland as it is to our knowledge of events in the 17th century, events which still inspire popular mythology and inform the ideology of Ulster Unionism. --

Publisher description

[The Siege of Derry, Or, Sufferings of the](#)

[Protestants](#) Charlotte Elizabeth 2023-07-18 This historical novel tells the story of the Siege of Derry in 1689, when Catholic forces besieged the predominantly Protestant city of Derry, in Northern Ireland. Based on firsthand accounts, this gripping tale vividly captures the drama and horror of the siege. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. The Siege Of Derry Carlo Gebler 2008-09-04

THE SIEGE OF DERRY is one of the key flash points in the troubled history of Ireland and Britain. In 1688 William of Orange had claimed the English throne, forcing the catholic James II to flee to Ireland. From there he hoped to mount his comeback. In December of that year James' troops attempted to take over the protestant city of Derry. To the now-famous cry of 'No Surrender' the apprentice boys closed the city gates to James' army and the 105-day siege begun. The besiegers effectively used cannon and mortar to shell the defenders - with terrifying results - and conditions became

desperate as the city began to run out of food. Carlo Gebler's book thrillingly describes both the events leading up to the siege and the heroic struggles within and outside Derry as the five-month battle waged.

The Siege of Derry Charlotte Elizabeth

The Siege of Derry in Ulster Protestant

Mythology Ian McBride 1997 The Siege of Derry (1688-9) is the key political myth in Loyalist culture. This study looks at the Siege, reconstructing the ways in which the defence of Derry has been commemorated and interpreted over the last 300 years. Celebrated by historians, artists, poets and preachers, re-enacted in anniversary demonstrations and parades, the Siege provides a unique insight into the mixture of triumphalism and insecurity that lies behind the slogan 'No Surrender!'

Derry and the Boyne 1990 This title is made up

of a contemporary account of the Siege of Derry and the Battle of the Boyne by an Irish Jacobite soldier.
