dream was to pastor a church that reached the kind of people Jesus reached. The message of Matthew chapter 5 -- the Beatitudes -- became a major link to bringing his church, the Church of the Open Door in Crystal, MN, from 160 to nearly 5,000 people. A radical message that changed a church.

America's Fastest Growing Churches Elmer L. Towns 2014-05-05 Here is the story of 10

churches in America that are growing at a very rapid pace. They are different in many respects: sections of the country, age of congregation, age of pastor, and their approach to the task of growth. Author Towns has done a very fine job in elaborating these differences but the major contribution of the book may well be the strong emphasis on the ways in which they are alike. It is must reading for every pastor and church member who is depressed by declining attendance or lack of growth.

[A Manual for Children's Deliverance](#) Frank Hammond 1996 Children today are bombarded more than any time in history with satanic influences. There is a war being waged for their imaginations and for their souls. A Manual for Children's Deliverance reveals deliverance

truths, in simple terms, for setting children free from fears, torments, and destructive behavior. Frank and Ida Mae Hammond draw upon their rich experience in dealing with children and in helping them receive the freedom purchased for them through the cross of Jesus Christ. The authors include a special section covering the dangers inherent in, and the evil influences of, certain toys, games, music and television. Learn how to help your child Deliverance methods and helpful examples are given, as well as a listing of demons common to the child's world.

The Joy of Parenting... With Confidence

Howard H Smith 2023-06-07 Confidence in parenting? Is that a joke? Nobody has much confidence in that! But why not? When the author of this book, originally written as a gift to his grandchildren so they would not forget the "why" of how they had been parented, began teaching these concepts to young parents, and a few grandparents, the most common comment was "Why didn't I know this before?" There are

plenty of books and studies on "Christian" parenting, but as one pastor reader expressed, "You must publish this. I've never seen anything like this in print before!" Then the first grandchildren to have a child said they were sharing it with their friends and also mentioned how helpful it would be in book and study form. Your servant, the author, is pleased that others might prosper from this information and will be strongly successful and confident Christian parents. Within the pages of God's revelation to mankind are so many "helps" and so much "encouragement" for the parent who follows God's design, they can't help but be successful. First, this plan has been tested by the author and his wife before being presented to you. Their discovery, it works very effectively. Second, God is in charge with this style of parenting. No guesswork about what we should do, just His magnificent leadership revealed. Third, the plan is laid out by easily understood sessions, by age, by special

circumstances, and finally by God's blessing. Finally, you will be introduced to how to be the agent of God's blessing to your children, grandchildren, and to those in your sphere of influence. Be confident. Parenting is a joy, under the Lord's care! Included in the pages of this book is a complete teaching outline, with suggestions for the group leader for each session.

Ten Ways to Destroy the Imagination of Your Child Anthony Esolen 2014-04-08 "Esolen signals with this book his presence in the top rank of authors of cultural criticism."

—American Spectator Play dates, soccer

practice, day care, political correctness, drudgery without facts, television, video games, constant supervision, endless distractions: these and other insidious trends in child rearing and education are now the hallmarks of childhood. As author Anthony Esolen demonstrates in this elegantly written, often wickedly funny book, almost everything we are doing to children now constricts their imaginations. *Ten Ways to Destroy the Imagination of Your Child* takes square aim at these accelerating trends. This practical, insightful book is essential reading for any parent who cares about the paltry thing that childhood has become, and who wants to give a child something beyond the dull drone of today's culture.

Storms Are Faith's Workout R. C. Jette
2018-10-04 Are you struggling with the storms of this life? Do you feel overwhelmed with the constant onslaught? This book is your help to withstand the ambushes of an enemy that wants you to give up your faith. At seventy-one years of age, my life has endured the onslaught of many storms (trials of my faith), and through them I have gained insight as to how to overcome. This book uses scriptural and personal examples. I use a sound biblical foundation to build the chapters. Only the word of God can teach the truth that is needed in this trying and overwhelming time that we live in. The faith of many Christians is being attacked, and they do not know how to rise above. This book is compiled as a result of enduring the attacks that

have been directed at me by a cunning and crafty enemy. It is through the storms assailed against me that I have learned how to surmount the ambushes. It is my prayer that my years of endurance will teach others how to do likewise. It will take an effort on their part to read the book to the end, but they should come away with an understanding of God's love, with the knowledge of how to overcome the storms, and how to be standing when the storm has ceased.
