Padre Island, Texas, USA Ezra Hunt 2020-02-03 Padre Island, Texas, USA. Padre Island National Seashore Tourism. Every March, like clockwork, students cram into cars and head to South Padre Island for spring break fun in the sun and 24-hour beach bashes. While the island is still home to spring breakers for just over a month, the area has seen a rebirth of sorts as a popular family vacation destination. That's because South Padre, or SPI, delivers with wide sandy beaches, sparkling blue water and a mixture of fun activities for kids of all ages. But there's more to SPI than beach revelry. Kiteboarding is a favorite pastime and several sports outfitters offer deep-sea fishing trips and dolphin-watching excursions. The consistently warm weather also seduces northern Texans seeking refuge from the cold. And it's understandable: Just a day's drive from major Texas cities like Houston and Dallas, this seaside paradise is right in the state's own backyard.

**Let's Go to the Beach** Elizabeth Van Steenwyk 2001-06-15 An intriguing exploration of a favorite pastime -- a trip to the beach. "One night in 1883, David Bradley's candy stand was swamped by a storm. Not one to take a direct hit from adversity, the next day he decided to call his candy salt water taffy. Although the taffy's been dry ever since, the name has stuck for the past hundred years." Did you know that women once wore corsets under their bathing suits (all drowning risks aside)? Or that beach-goers donned everything from wings to webbed gloves in hopes of learning how to swim? Or that hotel entrepreneurs lured wealthy customers to their seaside resorts with breakfast serenades from a forty-piece orchestra? From the bathhouses of the ancient Greeks to Muscle Beach and Coney Island, Let's Go to the Beach takes a historical, sociological, and geographical look at beaches and their attant customs. With humor and intelligence, and a fascinating collection of black-and- white photographs, Elizabeth Van Steenwyk offers up an impressive overview of one of the world's greatest pastimes.

**Essentially Lilly** Lilly Pulitzer 2004-04-13 More than just the woman who created the fashion empire that bears her name, Lilly Pulitzer exemplifies an attitude, a casual sort of elegance, a style called "affluence at ease." Lilly and her clothing wholeheartedly embrace color - - she made famous the pink and green combination -- and her love of vibrant hues and bold prints led the New York Times to recently call her "a major force in prep resort wear for forty years." But Lilly Pulitzer Rousseau is also almost as well-known for her entertaining as she is for her fashions. A tribute to her insouciant lifestyle, *Essentially Lilly* is lavishly illustrated and peppered with anecdotal memories of a life filled with color. Joined by her family and close friends, Lilly recalls the parties, the decorating, the food, and the fashion that have been part of her life in Palm Beach since she arrived there in the 1950s. With sections devoted to each part of the day, *Essentially Lilly* captures a variety of social events -- from a sunrise sail to a beach supper under the stars -- and imbues each with singular "Lilly style": Mellow Yellow Mornings -- start the day off easy with a walk on the beach or a luxuriously lazy breakfast in bed. Take some friends out for an early morning sail or a country club brunch. Round off the morning hunting for a one-of-a-kind treasure at a local flea market. Think Pink Afternoons -- rev up the middle of the day with a bridesmaids' lunch, a birthday

cookout, or a charity tea. Perhaps you'd rather relax with a fruity pool party or a "just-looking" stroll down Palm Beach's fabled Worth Avenue. True Blue Evenings -- gather your friends together for a festive cocktail party or a romantic beach dinner under a full moon. Maybe it's a deep woods campfire that appeals to you, or watching a movie out under the stars, or just a simple pizza party for your family. Essentially Lilly presents memories and menus, beautiful photographs and dazzling illustrations as well as dozens of recipes and entertaining suggestions to make your own get-togethers as successful as one of Lilly's famed parties. Best of all, Lilly offers her spirited advice throughout: "Just relax and have fun -- and be an individual," she says. "It's better that you enjoy yourself than it is to get it right." Good rules to live by. "LILLY PULITZER trademarks and logos are the property of Sugartown Worldwide, Inc. The book, including the design on the cover, are Copyright © 2004 Sugartown Worldwide, Inc."
