Ph. D. 2011-01 Knowing The Unknown - I Mysteries of Life Past, Present, and Future In this first book in the series, Knowing the Unknown: Mysteries of Life, we search for the answer to the question, "Who am I?" We embark on a journey, starting with the period when man first appears on this planet, and get a unique perspective on the meaning, origin, evolution, frontiers, and future of life. By integrating science, technology, anthropology and theology, we explore and discuss the top ten mysteries of life as we search for the truth about: \* Origin of life and journey of mankind \* Science, life, evolution & genetics \* Religion, life, soul, and God \* Intelligent design, creation vs. evolution \*

Frontiers, and future of life \* Top ten mysteries of life During our journey, we take an interesting but objective look at the complexities of life from the perspectives of science and religion. We bring together the most recent research and observations, as we attempt to explain the meaning of life. Our journey unfolds the mysteries of life, and then raises further questions, as we explore the frontiers of life, predict its future, and search for the answers to the questions: \* What is life? \* How did life begin? \* Did human life evolve or was it created? \* Did 'outside' intelligence play a role? \* Does the notion of inner soul exist? \* Does God exist? \* Why different people behave differently? We discuss all these questions in an unbiased manner. The book should inspire the reader to appreciate the elegance, beauty, and complexity of life. It should also help in understanding the true meaning of life and our role in the universe. Dreams and Dreaming Time-Life Books 1990 Offers visual entryway and theories into the

*A Death in Door County* Annelise Ryan  
2023-07-18 A Wisconsin bookstore owner and cryptozoologist is asked to investigate a series of deaths that just might be proof of a fabled lake monster in this first installment of a new mystery series by USA Today bestselling author

Annelise Ryan. Morgan Carter, owner of the Odds and Ends bookstore in Door County, Wisconsin, has a hobby. When she's not tending the store, she's hunting cryptids—creatures whose existence is rumored, but never proven to be real. It's a hobby that cost her parents their lives, but one she'll never give up on. So when a number of bodies turn up on the shores of Lake Michigan with injuries that look like bites from a giant unknown animal, police chief Jon Flanders turns to Morgan for help. A skeptic at heart, Morgan can't turn down the opportunity to find proof of an entity whose existence she can't definitively rule out. She and her beloved rescue dog, Newt, journey to the the strait known as Death's Door to hunt for a homicidal monster in the lake—but if they're not careful, she just might be its next victim.

**The First Rule of Ten** Gay Hendricks  
2014-02-03 "Don't ignore intuitive tickles lest they reappear as sledgehammers." That's the first rule of Ten. Tenzing Norbu ("Ten" for

short)—ex-monk and soon-to-be ex-cop—is a protagonist unique to our times. In *The First Rule of Ten*, the first installment in a three-book detective series, we meet this spiritual warrior who is singularly equipped, if not occasionally ill-equipped, as he takes on his first case as a private investigator in Los Angeles. Growing up in a Tibetan Monastery, Ten dreamed of becoming a modern-day Sherlock Holmes. So when he was sent to Los Angeles to teach meditation, he joined the LAPD instead. But as the Buddha says, change is inevitable; and ten years later, everything is about to change—big-time—for Ten. One resignation from the police force, two bullet-wounds, three suspicious deaths, and a beautiful woman later, he quickly learns that whenever he breaks his first rule, mayhem follows. Set in the modern-day streets and canyons of Los Angeles, *The First Rule of Ten* is at turns humorous, insightful, and riveting—a gripping mystery as well as a reflective, character-driven story with intriguing

life-lessons for us all.

**An Impossible Impostor** Deanna Raybourn 2022-02-15 While investigating a man claiming to be the long-lost heir to a noble family, Veronica Speedwell gets the surprise of her life in this new adventure from the New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. London, 1889. Veronica Speedwell and her natural historian beau Stoker are summoned by Sir Hugo Montgomerie, head

of Special Branch. He has a personal request on behalf of his goddaughter, Euphemia Hathaway. After years of traveling the world, her eldest brother, Jonathan, heir to Hathaway Hall, was believed to have been killed in the catastrophic eruption of Krakatoa a few years before. But now a man matching Jonathan's description and carrying his possessions has arrived at Hathaway Hall with no memory of his identity or where he has been. Could this man truly be Jonathan, back from the dead? Or is he a devious impostor, determined to gain ownership over the family's most valuable possessions—a legendary parure of priceless Rajasthani jewels? It's a delicate situation, and Veronica is Sir Hugo's only hope. Veronica and Stoker agree to go to Hathaway Hall to covertly investigate the mysterious amnesiac. Veronica is soon shocked to find herself face-to-face with a ghost from her past. To help Sir Hugo discover the truth, she must open doors to her own history that she long believed to be shut for good.

**The Immortality Key** Brian C. Muraresku  
2020-09-29 THE NEW YORK TIMES  
BESTSELLER As seen on The Joe Rogan Experience! A groundbreaking dive into the role psychedelics have played in the origins of Western civilization, and the real-life quest for the Holy Grail that could shake the Church to its foundations. The most influential religious historian of the 20th century, Huston Smith, once referred to it as the "best-kept secret" in history. Did the Ancient Greeks use drugs to find God? And did the earliest Christians inherit the same, secret tradition? A profound knowledge of visionary plants, herbs and fungi passed from one generation to the next, ever since the Stone Age? There is zero archaeological evidence for the original Eucharist - the sacred wine said to

guarantee life after death for those who drink the blood of Jesus. The Holy Grail and its miraculous contents have never been found. In the absence of any hard data, whatever happened at the Last Supper remains an article of faith for today's 2.5 billion Christians. In an unprecedented search for answers, *The Immortality Key* examines the archaic roots of the ritual that is performed every Sunday for nearly one third of the planet. Religion and science converge to paint a radical picture of Christianity's founding event. And after centuries of debate, to solve history's greatest puzzle. Before the birth of Jesus, the Ancient Greeks found salvation in their own sacraments. Sacred beverages were routinely consumed as part of the so-called Ancient Mysteries - elaborate rites that led initiates to the brink of death. The best and brightest from Athens and Rome flocked to the spiritual capital of Eleusis, where a holy beer unleashed heavenly visions for two thousand years. Others drank the holy wine

of Dionysus to become one with the god. In the 1970s, renegade scholars claimed this beer and wine – the original sacraments of Western civilization – were spiked with mind-altering drugs. In recent years, vindication for the disgraced theory has been quietly mounting in the laboratory. The constantly advancing fields of archaeobotany and archaeochemistry have hinted at the enduring use of hallucinogenic drinks in antiquity. And with a single dose of psilocybin, the psychopharmacologists at Johns Hopkins and NYU are now turning self-proclaimed atheists into instant believers. But the smoking gun remains elusive. If these sacraments survived for thousands of years in our remote prehistory, from the Stone Age to the Ancient Greeks, did they also survive into the age of Jesus? Was the Eucharist of the earliest Christians, in fact, a psychedelic Eucharist? With an unquenchable thirst for evidence, Muraresku takes the reader on his twelve-year global hunt for proof. He tours the ruins of Greece with its

government archaeologists. He gains access to the hidden collections of the Louvre to show the continuity from pagan to Christian wine. He unravels the Ancient Greek of the New Testament with the world's most controversial priest. He spelunks into the catacombs under the streets of Rome to decipher the lost symbols of Christianity's oldest monuments. He breaches the secret archives of the Vatican to unearth manuscripts never before translated into English. And with leads from the archaeological chemists at UPenn and MIT, he unveils the first scientific data for the ritual use of psychedelic drugs in classical antiquity. The Immortality Key reconstructs the suppressed history of women consecrating a forbidden, drugged Eucharist that was later banned by the Church Fathers. Women who were then targeted as witches during the Inquisition, when Europe's sacred pharmacology largely disappeared. If the scientists of today have resurrected this technology, then Christianity is in crisis. Unless

it returns to its roots. Featuring a Foreword by Graham Hancock, the NYT bestselling author of *America Before*.

*Journey Into the Unknown and Back Again*

Joshua Shapiro 2018-01-26 This is a paranormal novel, book 1 of 3 (a trilogy) that will take you on an amazing adventure into many of the world's mysteries written by crystal skull explorer and paranormal investigator and teacher, Joshua Shapiro with Karen Tucker, a gifted spiritual novelist. The story involves the journey of Joseph and Katherine Schwartz, Crystal Skull, World

Mysteries and Paranormal Investigators as we find them in late 2018 doing a southwest lecture tour in the U.S. Then all of a sudden strange and inexplicable events and phenomena begin to happen to them as they eventually are guided to head to the northern part of Peru, high up in the Andes Mountain - actually being given the land coordinates to go by Shamans and spiritual mediums as Joseph is given the greatest invitation ever to travel through a dimensional door and visit the so-called "other-side." Within this novel, Shapiro and Tucker, do their best to include real life paranormal and spirit subjects such as UFOs, Crystal Skulls, Apported Objects, the Lemurians who live in Telos, contact with Sasquatch, speaking to shamans (native and aboriginals) and much much more. For every subject described in the book, there is a resource directory in the back and all kinds of special illustration given to show key moments in the story. Joshua Shapiro is a real life Crystal Skull Explorer like what we saw in the last

Indiana Jones film. He has traveled the world searching for new information and insights about the Crystal Skulls along with other world mysteries. He has been involved with Crystal Skulls since 1983, and is the author of other books such as *Mysteries of the Crystal Skulls Revealed* (with Bowen and Nocerino, 1989) and *Journeys of the Crystal Skull Explorers: Travel Log #1: Mexico 2009* and *Travel Log #2: Search for the Blue Skull in Peru*. He works with his spiritual soul mate Katrina Head and they have about 30 personal crystal skulls. He has given several hundred talks since 1983 and been on various tv documentaries and radio shows. This novel came to him as a vision in 2014 and Karen Tucker from the U.K. answered his call to help write it as Joshua is not a novelist. Karen Tucker is a well known spiritual novelist here on Amazon who has written a number of stories with the most well known called "Healing the Wounds" based upon her past lives. She follows a spiritual and pagan path and does healing

through reiki and hypnotherapy. Like Joshua she is a crystal skull guardian and she is currently studying to be a Bard. In closing, why do you want to read this book and where is it headed in books #2 and #3. In this book you meet our main characters and learn about many of the key activities and paranormal field of study that is helping to take our world into a Golden Age. This book prepares the way for Book #2, when Joseph Schwartz enters the inner dimensional realms - where we go when we pass on and will meet many beings there who share the true history of our world, higher spiritual truths and the answers to every question we have ever had. However the key is, not like what happened to the fictional character Elie in *Contact*, all of his experiences are recorded in these other realms and when he returns to the Earth, this information in 3D video awakens humanity to bring peace to our world. So get this first book and be prepared for a story unlike any you have ever read before - which the authors believe will

be done as a feature film one day - see you on the other side .... Joshua Shapiro and Karen Tucker for "Journey into the Unknown and Back Again" - one book you must read - and as we state on the back cover could we be telling you a story based on what is happening in a parallel Earth?

*A History of Ghosts* Peter H. Aykroyd 2009-09-29  
Peter Aykroyd spent his childhood watching his family's parlor séances through the crack of a basement door. Here, for the first time, Aykroyd tells the strange and delightful story that inspired his son, Dan, to make the mega-hit, *Ghostbusters*. Part history, part family legend, *A History of Ghosts* starts in 1848 in upstate New York, where the spiritualist craze first began. Aykroyd introduces the reader to notable mediums while telling the story of the development of spiritualism, interweaving a personal history marked by a fascination with ghosts and spirits with the larger narrative about the role the paranormal has played in our

culture. Such legendary figures as Sir Arthur Conan Doyle and Harry Houdini appear and vanish. Everyone loves a good ghost story. Successful TV shows such as *Medium* and *Ghost Hunters* are proof that our national obsession with ghosts is here to stay. Millions of Americans believe in the paranormal—and even skeptics have heard a bump in the night and suspected it might be something supernatural.

*Serafina and the Black Cloak* Robert Beatty 2015-07-14 "Never go into the deep parts of the forest, for there are many dangers there, and they will ensnare your soul." Serafina has never had a reason to disobey her pa and venture beyond the grounds of the Biltmore estate. There's plenty to explore in her grand

home, although she must take care to never be seen. None of the rich folk upstairs know that Serafina exists; she and her pa, the estate's maintenance man, have secretly lived in the basement for as long as Serafina can remember. But when children at the estate start disappearing, only Serafina knows who the culprit is: a terrifying man in a black cloak who stalks Biltmore's corridors at night. Following her own harrowing escape, Serafina risks everything by joining forces with Braeden Vanderbilt, the young nephew of the Biltmore's owners. Braeden and Serafina must uncover the Man in the Black Cloak's true identity...before all of the children vanish one by one. Serafina's hunt leads her into the very forest that she has been taught to fear. There she discovers a forgotten legacy of magic, one that is bound to her own identity. In order to save the children of Biltmore, Serafina must seek the answers that will unlock the puzzle of her past.

**A Search in Secret Egypt** Paul Brunton

2015-11-24 In this book, philosopher Paul Brunton (1898-1981) encounters the mysteries and magic of Egypt in the 1930s, including an eerie yet illuminating night spent alone inside the Great Pyramid. Alongside his explorations of ancient Egypt's monuments and gods, Brunton encounters a variety of occultists, fakirs, and dervishes, and even manages to become initiated into the deadly art of snake charming. His frank interviews with Muslim leaders remain relevant today, and his description of the Hajj reflects the beauty and inspiring faith of Mohammad's true followers. Brunton's journey to discover the furthest reaches of what the mind and body are capable of--and to distinguish various forms of yoga and magic from true spirituality--lead him to the myth of Osiris and to the mystery that is the Sphinx itself. In the end, Brunton turns his attention to his own spiritual path, connecting all of his experiences into a single discovery: that we are more than the body and that the freedom of our spirit can be experienced here

and now. This new edition has been updated to incorporate Brunton's final revisions and includes an introduction by the Paul Brunton Philosophic Foundation. "Paul Brunton was a great original and got to a place of personal evolution that illumines the pathways of a future humanity." --Jean Houston, author of *A Passion for the Possible* and *A Mythic Life* "Any serious man or woman in search of spiritual ideas will find a surprising challenge and an authentic source of inspiration and intellectual nourishment in the writings of Paul Brunton."-- Jacob Needleman, author of *What is God? To Save Russia* Donald Norsic 1998 This is a true story of love and duty which transcends death, incorporating many ingredients of Russian culture: mysticism, faith, Utopian ideals and that most Russian of concepts - the Tsar. It reveals the strange connection of American Donald Norsic with Tsar Nicholas II of Russia. [Soul of a Killer](#) Abby Collette 2022-10-04 In this mouthwatering cozy mystery series, fraternal

twins Keaton and Koby are trying to run their combined soul food café and bookstore, but they find themselves searching for a cold-hearted killer. Keaton and Koby are fraternal twins who were separated as children, but now they've found each other and opened Books & Biscuits in the pleasant Pacific Northwest town of Timber Lake. Business is booming, but even so, trouble always seems to find them. Mama Zola, Koby's devoted foster mom, has taken up residence in Timber Lake. She and Pete, one of the bookstore's quirky employees, bring a peach cobbler over to her church's potluck, and then someone who sampled the cobbler is found dead. Mama Zola and Pete find themselves suspects in the murder, but luckily Koby and Keaton are ready to sling out a side of justice.

[The Secret Token](#) Andrew Lawler 2019-06-04 \*National Bestseller\* A sweeping account of America's oldest unsolved mystery, the people racing to unearth its answer, and the sobering truths--about race, gender, and immigration--

exposed by the story of the Lost Colony of Roanoke. In 1587, 115 men, women, and children arrived at Roanoke Island on the coast of North Carolina. Chartered by Queen Elizabeth I, their colony was to establish England's first foothold in the New World. But when the colony's leader, John White, returned to Roanoke from a resupply mission, his settlers were nowhere to be found. They left behind only a single clue--a "secret token" carved into a tree. Neither White nor any other European laid eyes on the colonists again. What happened to the Lost Colony of Roanoke? For four hundred years, that question has consumed historians and amateur sleuths, leading only to dead ends and hoaxes. But after a chance encounter with a British archaeologist, journalist Andrew Lawler discovered that solid answers to the mystery were within reach. He set out to unravel the enigma of the lost settlers, accompanying competing researchers, each hoping to be the first to solve its riddle. Thrilling and absorbing,

The Secret Token offers a new understanding not just of the first English settlement in the New World but of how the mystery and significance of its disappearance continues to define and divide our country.

**The Book of Life** Deborah Harkness

Look for the hit TV series "A Discovery of Witches" airing Sundays on AMC and BBC America, and streaming on Sundance Now and Shudder. After traveling through time in *Shadow of Night*, the second book in Deborah Harkness's enchanting series, historian and witch Diana Bishop and vampire scientist Matthew Clairmont return to the present to face new crises and old enemies. At Matthew's ancestral home at Sept-Tours, they reunite with the cast of characters from *A Discovery of Witches*—with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the

search for Ashmole 782 and its missing pages takes on even more urgency. In the trilogy's final volume, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In ancestral homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to the palaces of Venice and beyond, the couple at last learn what the witches discovered so many centuries ago. With more than one million copies sold in the United States and appearing in thirty-eight foreign editions, *A Discovery of Witches* and *Shadow of Night* have landed on all of the major bestseller lists and garnered rave reviews from countless publications. Eagerly awaited by Harkness's legion of fans, *The Book of Life* brings this superbly written series to a deeply satisfying close.

**A Field Guide to Getting Lost** Rebecca Solnit  
2006-06-27 "An intriguing amalgam of personal memoir, philosophical speculation, natural lore,

cultural history, and art criticism." —Los Angeles Times From the award-winning author of *Orwell's Roses*, a stimulating exploration of wandering, being lost, and the uses of the unknown Written as a series of autobiographical essays, *A Field Guide to Getting Lost* draws on emblematic moments and relationships in Rebecca Solnit's life to explore issues of uncertainty, trust, loss, memory, desire, and place. Solnit is interested in the stories we use to navigate our way through the world, and the places we traverse, from wilderness to cities, in finding ourselves, or losing ourselves. While deeply personal, her own stories link up to larger stories, from captivity narratives of early Americans to the use of the color blue in Renaissance painting, not to mention encounters with tortoises, monks, punk rockers, mountains, deserts, and the movie *Vertigo*. The result is a distinctive, stimulating voyage of discovery.
