Balzac organized his works into 3 groups: "Etudes de Moeurs au XIXe siècle" (Studies of Manners in the 19th Century) + "Etudes philosophiques" + "Etudes analytiques". A Funny Mystery June Volgman 2022-07-09 A Funny Mystery...Are You Serious? I wanted to write a mystery that anyone could read. That meant I had to leave out the stuff that gives people nightmares. This left plenty of room for suspense, which will make the reader want to try and figure out what is going on. Answers come in tidbits, so look for them. Peter, the main character, takes his first detective case and finds himself in an unethical situation. This story leads to some humor and ultimately to heartbreak, and some delightful surprises.

**Born a Crime** Trevor Noah 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from

apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

*Professor Molly's Big Book of Murder Part Two* Frankie Bow 2023-05-27 Featuring the second six Professor Molly mysteries and an exclusive bonus short story with reporter Pat Flanagan and Harriet Holmes! The Blessed Event: "Davison Gonsalves was a nightmare student--an obnoxious, entitled, cheating suckup. In a twist of fate that might seem hilarious if it happened to someone else, he was now my stepson." Mother's Day: Mahina State University's powerful fundraising office tasks Professor Molly with a special assignment: To serve as the personal tutierge (that's tutor-concierge) to Jeremy Brigham, whose mother happens to be fabulously wealthy and gravely ill. Molly is not thrilled at having to babysit a spoiled rich kid. Especially not while she's battling morning sickness, a meddling mom, and (as always) the Student Retention Office. But once inside the historic Brigham House, Molly realizes something is very wrong. And she has to decide whether to mind her own business and keep her job, or risk everything to prevent a murder. The Nakamura Letters: Professor Emma Nakamura doesn't believe in ghosts. So it doesn't bother her (much) when she learns of a long-ago suicide in her remote upcountry rental house. She's sure there's a logical explanation for the disappearing items and the strange sounds in the night. Fortunately (?), Emma's best friend Molly has news shocking enough to take Emma's mind off the hauntings. Now Emma and Molly have to rely on their strong reasoning skills and a weak internet connection to figure out how a body ended up in Molly's backyard. The Nakamura Letters is an island-style take on the Golden Age mysteries of Mary Roberts Rinehart and Agatha Christie. The Perfect Body: When Professor Molly attends Mahina State University's exclusive donor dinner, she doesn't expect to share a table with the insufferable Stephen

Park. Turns out it's one thing to invite your toxic ex-boyfriend to drop dead...it's quite another when he takes you up on it. The Fever Cabinet: Through no fault of her own, Professor Molly just got promoted to department chair. The Student Retention Office has her buried in paperwork. The college has just relocated to a former asylum, which is undergoing noisy renovations. Molly's dean has directed her to mentor the department's new star, the prickly Fiona Spencer, and to do whatever it takes to keep Fiona happy. At least nothing else can go wrong. And then Fiona finds a body in her office. The Influencer: There's no such thing as bad publicity. Until it happens to you. Professor Molly's new renter is a social media star seeking privacy in remote Mahina, Hawaii. The arrangement seems to be working out--until the celebrity influencer vanishes. Molly and her best friend Emma Nakamura call in the Mahina PD and try to stay out of the way. But the unthinkable happens—the saturnine Detective Medeiros actually asks for Molly and Emma's help. As they confront nosy neighbors, fanatical followers, and the missing woman's has-been husband, Molly and Emma find themselves at the center of the story. And when fame creates its own reality, that's a dangerous place to be. EXCLUSVE BONUS CONTENT: Death at the Effigy It's 1984. Young Pat Flanagan gets his first reporting job at San Diego's second-coolest 'zine, Voltaire's Quill. But when Pat covers the opening night of a trendy new club, he witnesses a freak "accident" and has to choose: keep his eccentric editor Harriet and her advertisers happy, or find out the truth?

King Generous and King Selfish Roy Manganelli 2005-12-01 The names used in this story have been chosen by the author as a description of each person or place involved. It may take some readers a little time to accept the names, but after they have accepted them, they will find the story extremely enjoyable and very interesting. This is the story of two kings who lived in a territory called Kingsland. One king was always generous, respectful, kind and pleasant. The other king was always selfish, disrespectful, unkind and mean. It's not just the story about the two kings, but it's also the story about the numerous lessons that were learned by the most powerful people in Kingsland. Lessons that made them change their way of thinking, as well as their actions. The story took place during the time when the kings were the supreme rulers of the land. There were many kingdoms throughout Kingsland, but they were very far apart from each other. Each kingdom was totally independent, but there was, however, one king who was the supreme

ruler of them all. His name was King Soopream. The story has a plentiful supply of kindness and generosity, as well as a great deal of despair and surprises. The kind-hearted people in this story felt that if they could only help one person in the world, they would gladly do it. However, as it turned out, many people were able to help numerous other people, and they were delighted to do it. If this story changes the life of only one person, for the better, even for a brief moment, then it was worth writing this book.

The Films of Budd Boetticher Robert Nott 2018-09-18 Budd Boetticher (1916-2001) was a bullfighter, a pleasant madman and a talented journeyman filmmaker who could--with the right material and drive--create a minor Western film classic as easily as he could kill a bull. Yet pain and passion naturally mixed in both endeavors. Drawing on studio archives and featuring insightful interviews with Boetticher and those who worked with him, this retrospective looks at each of his 33 films in detail, covering his cinematic career from his days as an assistant's assistant on the set of Hal Roach comedies to his last documentary some 45 years later.

**Sweet Home Carolina** T. Lynn Ocean 2006-05-16 Jaxie Parker is a sexy, savvy advertising executive content to savor Atlanta's nightlife in expensive suits, sipping martinis and gossiping with her best friend. She is enjoying life in the fast lane when, all of a sudden, she's put in charge

of her firm's annual pro bono project. Her assignment: to devise a plan for revitalizing the coastal town of Rumton, South Carolina. Years of declining population, lack of industry, and a poor economy threaten to leave Rumton broke and hopeless. But Jaxie doesn't "do" small towns, much less know how to pull off saving one. She arrives in Rumton to discover that the lack of shopping and day spas is the least of her worries. There isn't even a hotel, and she must bunk down with an old man named Pop in an even older house. Determined to succeed--if only to get back home as quickly as possible--Jaxie sets out to meet the townsfolk and work on a plan. Just when she decides that Rumton is dreadfully uneventful--and her coworker is painfully boring--things heat up pretty quickly. It turns out that there is an interesting man beneath his ever-present suit and tie, after all. And there is much more to Rumton than meets the eye. A charismatic businessman arrives on the scene offering to buy up land--a development that Jaxie feels is too coincidental. A town resident is murdered, an intriguing history of piracy is uncovered, and a massive storm brews offshore. Although Jaxie is surrounded by danger, she hunkers down to complete the assignment she started, and in the process, she learns a thing or two about life and love. Advance Praise for T. A fun and entertaining read." ---Susan Reinhardt, author of Not Tonight, Honey, Wait 'Til I'm a Size 6 *Are We Having Fun Yet?* Kay Willis 2009-10-31 Based on 20 years of successful workshops, the founder of Mothers Matter shares a wealth of advice and practical tips for both new and experienced parents on how to raise happy children -- and have fun doing it. **Secrets of the Sprakkar** Eliza Reid 2022-02-08 THE INTERNATIONAL BESTSELLER! "Secrets of the Sprakkar is a fascinating window into what a more gender-equal world could look like, and why it's worth striving for. Iceland is doing a lot to level the playing field: paid parental leave, affordable childcare, and broad support for gender equality as a core value. Reid takes us on an exploration not only around this fascinating island, but also through the triumphs and stumbles of a country as it journeys towards gender equality." —Hillary Rodham Clinton Iceland is the best place on earth to be a woman—but why? For the past twelve years, the World Economic Forum's Global Gender Gap Report has ranked Iceland number one on its list of countries closing the gap in equality between men and women. What is it about Iceland that makes many women's experience there so positive? Why has their society made such meaningful progress in this ongoing battle, from electing the world's first female president to passing legislation specifically designed to help even the playing field at work and at home? And how can we learn from what Icelanders have already discovered about women's powerful place in society and how increased fairness benefits everyone?

Eliza Reid, the First Lady of Iceland, examines her adopted homeland's attitude toward women—the deep-seated cultural sense of fairness, the influence of current and historical role models, and, crucially, the areas where Iceland still has room for improvement. Reid's own experience as an immigrant from small-town Canada who never expected to become a first lady is expertly interwoven with interviews with dozens of sprakkar ("extraordinary women") to form the backbone of an illuminating discussion of what it means to move through the world as a woman, and how the rules of society play more of a role in who we view as "equal" than we may understand. *Secrets of the Sprakkar* is a powerful and atmospheric portrait of a tiny country that could lead the way forward for us all.

Mi Voz, Mi Vida Andrew Garrod 2012-11-07 Amid the flurry of debates about immigration, poverty, and education in the United States, the stories in *Mi Voz, Mi Vida* allow us to reflect on how young people who might be most affected by the results of these debates actually navigate through American society. The fifteen Latino college students who tell their stories in this book come from a variety of socioeconomic, regional, and family backgrounds—they are young men and women of Mexican, Puerto Rican, Cuban, Dominican, Central American, and South American descent. Their insights are both balanced and frank, blending personal, anecdotal, political, and cultural viewpoints. Their engaging stories detail the students' personal struggles with issues such as identity and biculturalism, family dynamics, religion, poverty, stereotypes, and the value of education. Throughout, they provide insights into issues of racial identity in contemporary America among a minority population that is very much in the news. This book gives educators, students, and their families a clear view of the experience of Latino students adapting to a challenging educational environment and a cultural context—Dartmouth

College—often very different from their childhood ones.

Trying Hard Not To Believe? Carolyn Steger 2023-04-12 This book was written in the hopes of strengthening the faith of believers and of presenting strong evidence to nonbelievers of the veracity of the Scriptures. Over and over again, the Bible has come under attack, only to be vindicated. And over and over again, professing atheists have become strong believers in God after doing research, with the very purpose of disproving the Scriptures. I believe there is overwhelming evidence from various fields of study to support Christian beliefs. This book could be valuable in helping teachers to address areas of doubt that students may have regarding the Scriptures. The chapters could be used as individual lessons. For nonbelievers, the gospel message is for us to realize that we are sinners in need of a Savior and that Jesus, the sinless Son of God, provided the perfect sacrifice to pay for our sins on the cross. By acknowledging this to God, we are saved by grace. The story of the prodigal son is a well-known Bible story. Really, it is much more the story of the father than of the son. It shows that if we repent and come to God, he will run to meet us with open arms. Instead of seeing God as someone with a spindly finger shaking at you, I hope you will realize his great love for you and come to him. He is just a prayer away. We are all left with our own choice to make. I hope you choose Jesus.

**Killers of a Certain Age** Deanna Raybourn 2023-08-15 Older women often feel invisible, but sometimes that's their secret weapon. They've spent their lives as the deadliest assassins in a clandestine international organization, but now that they're sixty years old, four women friends can't just retire—it's kill or be killed in this action-packed thriller by New York Times bestselling and Edgar Award-nominated author Deanna Raybourn. Billie, Mary Alice, Helen, and Natalie have worked for the Museum, an elite network of assassins, for forty years. Now their talents are considered old-school and no one appreciates what they have to offer in an age that relies more on technology than people skills. When the foursome is sent on an all-expenses paid vacation to mark their retirement, they are targeted by one of their own. Only the Board, the

top-level members of the Museum, can order the termination of field agents, and the women realize they've been marked for death. Now to get out alive they have to turn against their own organization, relying on experience and each other to get the job done, knowing that working together is the secret to their survival. They're about to teach the Board what it really means to be a woman—and a killer—of a certain age.

A Good Day for Chardonnay Darynda Jones 2021-07-27 From the New York Times bestselling author Darynda Jones comes the second novel in her laugh-out-loud Sunshine Vicram mystery series, A Good Day for Chardonnay. Running a small-town police force in the mountains of New Mexico should be a smooth, carefree kind of job. Sadly, full-time Sheriff—and even fuller-time coffee guzzler—Sunshine Vicram, didn't get that memo. All Sunshine really wants is one easy-going day. You know, the kind that starts with coffee and a donut (or three) and ends with take-out pizza and a glass of chardonnay (or seven). Turns out, that's about as easy as switching to decaf. (What kind of people do that? And who hurt them?) Before she can say iced mocha latte, Sunny's got a bar fight gone bad, a teenage daughter hunting a serial killer and, oh yes, the still unresolved mystery of her own abduction years prior. All evidence points to a local distiller, a dangerous bad boy named Levi Ravinder, but Sun knows he's not the villain of her story. Still, perhaps beneath it all, he possesses the keys to her disappearance. At the very least, beneath it all, he possesses a serious set of abs. She's seen it. Once. Accidentally. Between policing a town her hunky chief deputy calls four cents short of a nickel, that pesky crush she has on Levi which seems to grow exponentially every day, and an irascible raccoon that just doesn't know when to quit, Sunny's life is about to rocket to a whole new level of crazy. Yep, definitely a good day for chardonnay. **Humor, Seriously** Jennifer Aaker 2021-02-02 WALL STREET JOURNAL,

LOS ANGELES TIMES, AND USA TODAY BESTSELLER • Anyone—even you!—can learn how to harness the power of humor in business (and life), based on the popular class at Stanford's Graduate School of Business. Don't miss the authors' TED Talk, "Why great leaders take humor seriously," online now. "The ultimate guide to using the magical power of funny as a tool for leadership and a force for good."—Daniel H. Pink, #1 New York Times bestselling author of *When and Drive* We are living through a period of unprecedented uncertainty and upheaval in both our personal and professional lives. So it should come as a surprise to exactly no one that trust, human connection, and mental well-being are all on the decline. This may seem like no laughing matter. Yet, the research shows that humor and laughter are among the most valuable tools we have at our disposal for strengthening bonds and relationships, diffusing stress and tension, boosting resilience, and performing when the stakes are high. That's why Jennifer Aaker and Naomi Bagdonas teach the popular course *Humor: Serious Business* at the Stanford Graduate School of Business, where they help some of the world's most hard-driving, blazer-wearing business minds infuse more humor and levity into their work and lives. In *Humor, Seriously*, they draw on findings by behavioral scientists, world-class comedians, and inspiring business leaders to reveal how humor works and—more important—how you can use more of it, better. Aaker and Bagdonas unpack the theory and application of humor: what makes something funny, how to mine your life for material, and simple ways to identify and leverage your unique humor style. They show how to use humor to rebuild vital connections; appear more confident, competent, and authentic at work; and foster cultures where levity and creativity can thrive. President Dwight David Eisenhower once said, "A sense of humor is part of the art of leadership, of getting along with people, of getting things done." If Dwight David Eisenhower, the second least naturally funny president (after Franklin Pierce), thought humor was necessary to win wars, build highways, and warn against the military-industrial complex, then you might consider learning it too.

**Stop Yellin' - Ben Pivar and the Horror, Mystery, and Action-Adventure Films of His Universal B Unit** Thomas Reeder HORROR, ACTION-ADVENTURE, MYSTERIES, COMEDIES, FILM NOIR:

Hollywood producer Ben Pivar's output encompassed most film genres, with even a musical, some serials, and Japan's first full-color anime thrown into the mix! Never heard of him? Not surprising, as Ben Pivar was one of the faceless craftsmen who inhabited the sizeable world of Hollywood's cinematic underbelly, the B film. But while often disparaged and mocked for their low-budget look, breakneck storytelling, and low wattage casts, B films occupied the second half of most theaters' bill during the thirties and forties—something most patrons expected to fill out their evening's entertainment. And Ben Pivar was responsible for a staggering number of them. STOP YELLIN' chronicles Pivar's life, both the highs and lows, concentrating on his most productive years while at Universal Studios. From his late-1920s start as a film cutter at Universal, Pivar advanced into film production in the 1930s at Columbia, Grand National, and Republic, before settling in at Universal as associate producer in 1938. For the next eight years, Pivar would master his craft and churn out a lot of slick, thoroughly enjoyable films; his eventual

promotion to one of the studio's coveted executive producer positions placed him at the top of the B unit hierarchy. It's his horror films that have stood the test of time, the films that Pivar is remembered for today: THE MUMMY'S HAND and its three sequels; the INNER SANCTUM series featuring Lon Chaney, Jr.; THE MAD GHOUL; HORROR ISLAND; and SHE-WOLF OF LONDON. There were Pivar's own personal creations as well: CAPTIVE WILD WOMAN and its two sequels; and the Rondo Hatton "Creeper" series, HOUSE OF HORRORS (the source of the oft-quoted "Stop Yellin'" line) and THE BRUTE MAN. Anyone with an interest in Hollywood and the behind-the-scenes stories of the making of these minor films will find STOP YELLIN' a very readable, informative, entertaining look at this under-documented segment of the industry, and a fond look back at one of the many long-forgotten individuals who thrived in it.

**Hitchcock's Partner in Suspense** John Charles Bennett 2014-04-29 The colorful life and creative career of the writer behind six of Hitchcock's thrillers: "An intriguing and revealing story." —Times Literary Supplement With a career that spanned from the silent era to the 1990s, British screenwriter Charles Bennett lived an extraordinary life. His experiences as an actor, director, playwright, film and television writer, and novelist in both England and Hollywood left him with many amusing anecdotes, opinions about his craft, and impressions of the many famous people he knew. Among other things, Bennett was a decorated WWI hero, an eminent Shakespearean actor, and an Allied spy and propagandist during WWII, but he is best remembered for his commercially and critically acclaimed collaborations with directors Sir Alfred Hitchcock and Cecil B. DeMille. The fruitful partnership with Hitchcock began after the director adapted Bennett's 1929 play Blackmail as the first British sound film. Their partnership produced six thrillers: The Man Who Knew Too Much, The 39 Steps, Sabotage, Secret Agent, Young and Innocent, and Foreign Correspondent. In this witty and intriguing book, Bennett discusses how their collaboration created such famous motifs as the "wrong man accused" device and the MacGuffin. He also takes readers behind the scenes with the Master of Suspense,

offering his thoughts on the director's work, sense of humor, and personal life. Featuring an introduction and additional biographical material from Bennett's son, editor John Charles Bennett, Hitchcock's Partner in Suspense is a richly detailed narrative of a remarkable yet often-overlooked figure in film history.
