The Holy Longing Connie Zweig 2008-04-08 "Longing is the core of mystery. Longing itself brings the cure." Rumi In every tradition, saints and poets speak of the soul's search for the beloved, the seeker's yearning for the divine. This holy longing, a secret feeling with many disguises, leads us to pursue religious discipleship, spiritual practice, romantic union, or an ideal community. It guides us to timeless wisdom and transcendent experience. But it also can go awry, when we misplace it onto objects, such as food, alcohol, drugs, or sex, believing that they will satisfy our craving. Or when we misplace it onto an authoritarian personality, believing that he or she will meet our unmet needs. If this teacher or priest abuses power, we encounter the shadow side of spiritual life. Whether the abuse is sexual, financial, or emotional coercion, we may feel forsaken and lose faith, even in God. The Holy Longing tells the stories of teachers in many traditions Sufi poet Rumi, Hindu master Ramakrishna, Christian saint Catherine of Siena whose lives unfolded as they followed their longing. And it tells the tales of many ordinary people Catholic believers, students of Zen and TM, followers of Trungpa Rinpoche and Rajneesh and their encounters with spiritual shadow. Finally, it offers wise counsel for rekindling the flame of faith-moving through the shadow to the light by reclaiming sacred parts of the self that were lost along the way.

Longing Jean Petrucelli 2018-03-26 *Longing: Psychoanalytic Musings on Desire* is a contemporary, interdisciplinary exploration of one of psychoanalysis's most foundational and fascinating areas of investigation. This anthology explores the vicissitudes and varieties of desire, its public and private, normative and transgressive, its light and dark expressions. It examines desire in its relational, cultural, clinical, physical, sexual and aesthetic forms. Collectively, these essays demonstrate an understanding of the difficulties of identifying and realizing desire, precisely because it is multiple, omnipresent, shape-shifting, ongoing and, perhaps, always ultimately unfulfillable. They question whether desire is by definition something that cannot be satisfied, and contemplate how we relate to our desires? Interpersonal psychoanalytic practice and theory understands desire not merely as an intrapsychic drive but also as a force shaped by and shaping interpersonal relationships. From within this perspective, a number of the

contributors examine a broad variety of clinical manifestations of desire as it struggles for expression or suppression.

Longing for Certainty Nyanasobhano 2002-03 This book confronts readers' inner hopes and fears and shows them the way to the sense of confident well-being that only a hearty spiritual practice can afford. *Longing* J. D. Landis 2014-12-16 Longing tells the story of the greatest artistic couple in history, Robert Schumann and Clara Wieck. They met when she was eight years old and he was seventeen, drawn together first by music and then by their passion for each other. Drawing on their letters and remarkably frank journals, J. D. Landis writes of Clara and Robert's enforced separations, their marriage, their artistic triumphs and failures, and finally their shared devotion to, and love for, a young genius who both came between them and brought them together for the last time. Longing was a New York Times Notable Book. It was also named by The Guardian (London) as the second finest novel about music (the first being Thomas Bernhard's *Loser*, a judgment with which Mr. Landis is delighted to concur).

The Cloud of Longing E. H. Rick Jarow 2021-08-31 A full-length study and new translation of the great Sanskrit poet Kalidasa's famed Meghaduta (literally "The Cloud Messenger,") *The Cloud of Longing* focuses on the poem's interfacing of nature, feeling, figuration, and mythic memory. This work is unique in its attention given to the natural world in light of the nexus of language and love that is the chief characteristic (lakshana) of the poem. Along with a scrupulous study of the approximately 111 verses of the poem, The

Cloud of Longing offers an extended look at how nature was envisioned by classical India's supreme poet as he portrays a cloud's imagined voyage over the fields, valleys, rivers, mountains, and towns of classical India. This sustained, close reading of the Meghaduta will speak to contemporary readers as well as to those committed to developing a more in-depth experience of the natural world. The Cloud of Longing fills a gap in the translation of classical Indian texts, as well as in studies of world literature, religion, and into an emerging integrative environmental discipline.

The Shadow Land Elizabeth Kostova 2017-04-11 From the #1 bestselling author of *The Historian* comes a mesmerizing novel that spans the past and the present—and unearths the troubled history of a gorgeous but haunted country. A young American woman, Alexandra Boyd, has traveled to Sofia, Bulgaria, hoping that life abroad will salve the wounds left by the loss of her beloved brother. Soon after arriving in this elegant East European city, however, she helps an elderly couple into a taxi—and realizes too late that she has accidentally kept one of their bags. Inside she finds an ornately carved wooden box engraved with a name: Stoyan Lazarov. Raising the hinged lid, she discovers that she is holding an urn filled with human ashes. As Alexandra sets out to locate the family and return this precious item, she will first have to uncover the secrets of a talented musician who was shattered by political oppression—and she will find out all too quickly that this knowledge is fraught with its own danger. Elizabeth Kostova's new novel is a tale of immense scope that delves into the horrors of a century and traverses the culture and landscape of this mysterious country. Suspenseful and beautifully written, it explores the power of stories, the pull of the past, and the hope and meaning that can sometimes be found in the aftermath of loss. Praise for *The Shadow Land* "A compelling and complex mystery, strong storytelling, and lyrical writing combine for an engrossing read."—Publishers Weekly "In *The Shadow Land*, Elizabeth Kostova, a master storyteller, brings vividly to life an unfamiliar country—Bulgaria—and a painful history that feels particularly relevant now. Lyrical and compelling, *The Shadow Land* proves a profound meditation on how evil is inflicted, endured, and, through courage and compassion, defeated. Elizabeth Kostova's third novel clearly establishes her as one of America's finest writers."—Ron Rash, author of *The Rising*

Romancing the Shadow Connie Zweig 1999-02-02 Beneath the social mask we wear every day, we have a hidden shadow side: an impulsive, wounded, sad, or isolated part that we generally try to ignore, but which can erupt in hurtful ways. As therapists Connie Zweig and Steve Wolf show in this landmark book, the shadow can actually be a source of emotional richness and vitality, and acknowledging it can be a pathway to healing and an authentic life. "Romancing the shadow"--meeting your dark side, beginning to understand its unconscious messages, and learning to use its powerful energies in productive ways--is the challenging and exciting soul work that Zweig and Wolf offer in this practical, rewarding guide. Drawing on the timeless teachings of Carl Jung and compelling stories from their clinical practices, Zweig and Wolf reveal how the shadow guides your choices in love, sex, marriage, friendship, work, and family life. With their innovative method, you can uncover the unique patterns and purpose of your shadow and learn to defuse negative emotions; reclaim forbidden or lost feelings; achieve greater self-acceptance; heal betrayal; reimagine and re-create relationships; cultivate compassion for others; renew creative expressions; and find purpose in your suffering. The shadow knows why good people sometimes do bad things. Romancing the shadow and learning to read the messages it encodes in daily life can deepen your consciousness, imagination, and soul.

Latitudes of Longing Shubhangi Swarup 2020 "A spellbinding work of literature, *Latitudes of Longing* follows the interconnected lives of characters searching for true intimacy. The novel sweeps across India, from an island, to a valley, a city, and a snow desert to tell a love story of epic proportions. We follow a scientist who studies trees and a clairvoyant who speaks to them; a geologist working to end futile wars over a glacier; octogenarian lovers; a mother struggling to free her revolutionary son; a yeti who seeks human companionship; a turtle who transforms first into a boat and then a woman; and the ghost of an evaporated ocean as restless as the continents. Binding them all together is a vision of life as vast as the

universe itself. A young writer awarded one of the most prestigious prizes in India for this novel, Shubhangi Swarup is a storyteller of extraordinary talent and insight. Richly imaginative and wryly perceptive, *Latitudes of Longing* offers a soaring view of humanity: our beauty and ugliness, our capacity to harm and love each other, and our mysterious and sacred relationship with nature"--

Meeting the Shadow Connie Zweig 1991-04-01 The author offers exploration of self and practical guidance dealing with the dark side of personality based on Jung's concept of "shadow," or the forbidden and unacceptable feelings and behaviors each of us experience.

Love's Longing Donna Goddard 2017-05-26 Somewhere along the way, there develops within the soul a yearning that can no longer be ignored, a craving for the great love affair. It is incomparable. It is the love affair with our own true nature and the source from which it comes. The desire is in all of us but, more often than not, it is ignored for other interests. Human love is the shadow of the Great love and, of all loves, it is romantic love which has the most riveting effect upon our soul. It is not by accident that it has such an unyielding pull on our psyche. If we cannot connect with visible human love, we will not be able to find the invisible Love. Human love is leading us, most of us unknowingly, straight to Love's secret way; which is no secret at all.

Motherland Elissa Altman 2020-09-08 "I'm reading this book right now and loving it!"—Cheryl Strayed, #1 New York Times bestselling author of *Wild* How can a mother and daughter who love (but don't always like) each other coexist without driving each other crazy? "Vibrating with emotion, this deeply honest account strikes a chord."—People "A wry and moving meditation on aging and the different kinds of love between women."—O: The Oprah Magazine After surviving a traumatic childhood in nineteen-seventies New York and young adulthood living in the shadow of her flamboyant mother, Rita, a makeup-addicted former television singer, Elissa Altman has managed to build a very different life, settling in Connecticut with her wife of nearly twenty years. After much time, therapy, and wine, Elissa is at last in a healthy place, still orbiting around her mother but keeping far enough away to preserve the stable, independent world she has built as a writer and editor. Then Elissa is confronted with the unthinkable: Rita, whose days are spent as a flâneur, traversing Manhattan from the Clinique counters at Bergdorf to Bloomingdale's and back again, suffers an incapacitating fall, leaving her completely dependent upon her daughter. Now Elissa is forced to finally confront their profound differences, Rita's yearning for beauty and glamour, her view of the world through her days in the spotlight, and the money that has mysteriously disappeared in the name of preserving youth. To sustain their fragile mother-daughter bond, Elissa must navigate the turbulent waters of their shared lives, the practical challenges of caregiving for someone who refuses to accept it, the tentacles of narcissism, and the mutual, frenetic obsession that has defined their relationship. *Motherland* is a story that touches every home and every life, mapping the ferocity of maternal love, moral obligation, the choices women make about motherhood, and the possibility of healing. Filled with tenderness, wry irreverence, and unforgettable characters, it is an exploration of what it means to escape from the shackles of the past only to have to face them all over again. Praise for *Motherland* "Rarely has a mother-daughter relationship been excavated with such honesty. Elissa Altman is a beautiful, big-hearted writer who mines her most central subject: her gorgeous, tempestuous, difficult mother, and the terrain of their shared life. The result is a testament to the power of love and family."—Dani Shapiro, author of *Inheritance*

Longing and Other Stories Jun'ichirō Tanizaki 2022-01-04 Jun'ichirō Tanizaki is one of the most eminent Japanese writers of the twentieth century, renowned for his investigations of family dynamics, eroticism, and cultural identity. Most acclaimed for his postwar novels such as *The Makioka Sisters* and *The Key*, Tanizaki made his literary debut in 1910. This book presents three powerful stories of family life from the first decade of Tanizaki's career that foreshadow the themes the great writer would go on to explore.

"Longing" recounts the fantastic journey of a precocious young boy through an eerie nighttime landscape. Replete with striking natural images and uncanny human encounters, it ends with a striking revelation. "Sorrows of a Heretic" follows a university student and aspiring novelist who lives in degrading poverty in a Tokyo tenement. Ambitious and tormented, the young man rebels against his family against a backdrop of sickness and death. "The Story of an Unhappy Mother" describes a vivacious but self-centered woman's drastic transformation after a freak accident involving her son and daughter-in-law. Written in different genres, the three stories are united by a focus on mothers and sons and a concern for Japan's traditional culture in the face of Westernization. The longtime Tanizaki translators Anthony H. Chambers and Paul McCarthy masterfully bring these important works to an Anglophone audience.

Meeting the Shadow on the Spiritual Path Connie Zweig 2023-05-23 A guide to rekindling spiritual inspiration after betrayal and disillusionment • Explains why we are drawn to charismatic leaders, what we unconsciously give away to them, and how to reclaim our inner spiritual authority • Explores how to recover from spiritual abuse or betrayal by a teacher or group, including breaking free of denial, projection, and dependency using psychology and shadow-work • Extends #MeToo into the spiritual domain and tells the stories of contemporary clergy and spiritual leaders who acted out their shadows in destructive ways, leaving their followers traumatized and lost Within each of us is a spiritual longing that prompts us to unite with something greater than ourselves, to awaken to our unity with all of life. Yet, no matter the spiritual path we choose, we inevitably encounter our own shadow, those unconscious aspects of ourselves that we suppress or deny, or the shadows of our teachers and their secret desires about money, sex, and power. Meeting the shadow can derail the journey, but, according to Connie Zweig, Ph.D., we can learn to recover from loss of faith and move from spiritual naivete to spiritual maturity. Calling on us to expand our vision of religious and spiritual life—and our vision of awakening—to include the human shadow, Zweig examines

the yearning that sets us on the spiritual path, showing how it can lead to ecstatic, transcendent experiences or to terrible suffering by projecting it onto an authoritarian teacher, priest, or guru who abuses power. She tells the stories of renowned teachers—Sufi poet Rumi, Hindu master Ramakrishna, and Christian saint Catherine of Siena—whose lives unfolded as they followed their spiritual yearning. And she tells the cautionary tales of contemporary teachers of Buddhism, Hinduism, and Catholicism, who acted out their shadows in devastating ways, leaving their followers traumatized and lost. She explains how meeting the shadow is a painful but inevitable stage on the path to a more mature spirituality. She describes how to use spiritual shadow-work to separate from abusive teachers, reclaim inner spiritual authority, and heal from betrayal. With guidance for both inspired and disillusioned seekers, the author explores how to navigate the narrow path through the darkness toward the light, rekindle the flame of longing, and once again engage in fulfilling spiritual practice.

Beneath the Shadow Justin Gardiner 2019 In February 2010, with the help of a friend who works as a photographer with a National Geographic-sponsored cruise line, Justin Gardiner boarded a ship bound for Antarctica. A stowaway of sorts, Gardiner used his experiences on this voyage as the narrative backdrop for *Beneath the Shadow*, a compelling firsthand account that breathes new life into the nineteenth-century journals of Antarctic explorers such as Captain Robert Falcon Scott, Sir Ernest Henry Shackleton, and Captain Roald Amundsen. *Beneath the Shadow* is centered on journal excerpts by eight famous explorers, which Gardiner uses as touchstones for modern-day experiences of harsh seas, chance encounters, rugged terrain, and unspeakable beauty. With equal parts levity and lyricism, Gardiner navigates the distance between the historical and the contemporary, the artistic and the scientific, the heroic and the mundane. The bold and tragic tales of Antarctic explorers have long held our collective imagination—almost as much as the mythically remote land such explorers ventured to—and this book makes those voices come to life as few ever have.

On Lust & Longing Blanche d'Alpuget 2020-02-25 *On Lust & Longing* brings two of Blanche D'Alpuget's prominent works together. When *On Lust* was first published it caused a media sensation: d'Alpuget wrote of a pillar of society who had molested children and of events that ended in mystery. She revealed all. *On Longing* caused a similar sensation, for different reasons. D'Alpuget dared to write that she loved and had inspired love in a man already adored by the public. Here are the raw and timeless themes of the power and powerlessness inherent to lust, love, loss and death.

The Longing for Less Kyle Chayka 2020-01-21 *New York Times* Book Review Editor's Choice "More than just a story of an abiding cultural preoccupation, *The Longing For Less* peels back the commodified husk of minimalism to reveal something surprising and thoroughly alive." -Jenny Odell, author of *How to Do Nothing* "Less is more": Everywhere we hear the mantra. Marie Kondo and other decluttering gurus promise that shedding our stuff will solve our problems. We commit to cleanse diets and strive for inbox zero. Amid the frantic pace and distraction of everyday life, we covet silence—and airy, Instagrammable spaces in which to enjoy it. The popular term for this brand of upscale austerity, "minimalism," has mostly come to stand for things to buy and consume. But minimalism has richer, deeper, and altogether more valuable gifts to offer. Kyle Chayka is one of our sharpest cultural observers. After spending years covering minimalist trends for leading publications, he now delves beneath this lifestyle's glossy surface, seeking better ways to claim the time and space we crave. He shows that our longing for less goes back further than we realize. His search leads him to the philosophical and spiritual origins of minimalism, and to the stories of artists such as Agnes Martin and Donald Judd; composers such as John Cage and Julius Eastman; architects and designers; visionaries and misfits. As Chayka looks anew at their extraordinary lives and explores the places where they worked—from Manhattan lofts to the Texas high desert and the back alleys of Kyoto—he reminds us that what we most require is presence, not absence. The result is an elegant new synthesis of our minimalist desires and our profound emotional needs.

Hong Kong's New Identity Politics Iam-chong Ip 2020 "Ip uses Hong Kong as a case study in how the production of the desire for "the local" lies at the heart of global cultural economy. Perhaps more so than most places, the construction of a local identity in Hong Kong has come about through a complex interplay of neoliberalism, postcoloniality and reaction to the consequent anxieties and uncertainties. As its importance as an economic centre has diminished and its relationship with Mainland China has become more strained, its people have become more concerned to define a "Hong Kong" identity that can be defended from external threat. Ip analyses the working and reworking of power relations and modes of agency in this global city. A must read for scholars of Hong Kong politics and society as well as a fascinating case study for scholars of identity politics as a global phenomenon"--

The Holy Longing Connie Zweig 2008-04-08 "Longing is the core of mystery. Longing itself brings the cure." Rumi In every tradition, saints and poets speak of the soul's search for the beloved, the seeker's yearning for the divine. This holy longing, a secret feeling with many disguises, leads us to pursue religious discipleship, spiritual practice, romantic union, or an ideal community. It guides us to timeless wisdom and transcendent experience. But it also can go awry, when we misplace it onto objects, such as food, alcohol, drugs, or sex, believing that they will satisfy our craving. Or when we misplace it onto an authoritarian personality, believing that he or she will meet our unmet needs. If this teacher or priest abuses power, we encounter the shadow side of spiritual life. Whether the abuse is sexual, financial, or emotional coercion, we may feel forsaken and lose faith, even in God. The Holy Longing tells the stories of teachers in many traditions Sufi poet Rumi, Hindu master Ramakrishna, Christian saint Catherine of Siena whose lives unfolded as they followed their longing. And it tells the tales of many ordinary people Catholic believers, students of Zen and TM, followers of Trungpa Rinpoche and Rajneesh and their encounters with spiritual shadow. Finally, it offers wise counsel for rekindling the flame of faith-moving through the shadow to the light by reclaiming sacred parts of the self that were lost along the way.
