The Lady with the Borzoi Laura Claridge
2016-04-12 The untold story of Blanche Knopf, the singular woman who helped define American literature. Left off her company's fifth anniversary tribute but described by Thomas Mann as "the soul of the firm," Blanche Knopf began her career when she founded Alfred A. Knopf with her husband in 1915. With her finger on the pulse of a rapidly changing culture, Blanche quickly became a driving force behind the firm. A conduit to the literature of Langston Hughes and the Harlem Renaissance, Blanche also legitimized the hard-boiled detective fiction of writers such as Dashiell Hammett, James M. Cain, and Raymond Chandler; signed and nurtured literary authors like Willa Cather, Elizabeth Bowen, and Muriel Spark; acquired momentous works of journalism by John Hersey and William Shirer; and introduced American readers to Albert Camus, André Gide, and Simone de Beauvoir, giving these French writers the benefit of her consummate editorial taste. As Knopf celebrates its centennial, Laura Claridge looks back at the firm's beginnings and the dynamic woman who helped to define American letters for the twentieth century. Drawing on a vast cache of papers, Claridge also captures Blanche's "witty, loyal, and amusing" personality, and her charged yet oddly loving relationship with her husband. An intimate and often surprising biography, *The Lady with the Borzoi* is the story of an ambitious, seductive, and impossibly hardworking woman who was determined not to be overlooked or easily categorized.

The Wrong Girl Donis Casey 2019-11-11 They say a life well-lived is the best revenge... Blanche Tucker longs to escape her drop-dead dull life in tiny Boynton, Oklahoma. Instead, Graham uses her as cruelly as a silent picture villain. Yet by luck and by pluck, taking charge of her life, she makes it to Hollywood. Six years later, Blanche has transformed into the celebrated Bianca LaBelle, the reclusive star of a series of adventure films, and Peyton's remains are discovered on a Santa Monica beach. Is there a connection? With all of the twists and turns of a 1920s melodrama, *The Wrong Girl* follows the daring exploits of a girl who chases her dream from the farm to old Hollywood, while showing just how risky—and rewarding—it can be to go off script.

Carte Blanche. (Du Luca Trilogy, Book 1.) Carlo Lucarelli 2006 "April 1945, Italy. The final days of the Fascist Republic. Commissario De Luca is heading up a murder investigation that draws him into the private lives of the rich and powerful as World War II reaches its frantic climax. The regime's days are numbered and its disgraced leaders know it. Their desperate retreats and futile struggles for pieces of the post-war pie are making a regular cop's job awfully hard to do. With Mussolini's house of cards ready to collapse, De Luca faces a world mired in sadistic sex, dirty money, drugs, and murder." "Carte Blanche, the first installment in Carlo Lucarelli's "De Luca Trilogy," is much more than a first-rate crime story. It is also an investigation into the workings of justice in a state that is crumbling under the weight of profound historic change. The "De Luca Trilogy" is set during one of the 20th century's seminal moments and describes a nation's ardent search to rediscover its moral bearings after being torn in two by civil strife and political corruption. Threatened by the machinations of a decaying political class, De Luca (himself reminiscent of the disenchanting Dashiell Hammett PI) is a simple man doing a tough job as best he can. Even after closing his investigation, he will still have to face one final, fateful decision."--BOOK JACKET.

Frog Music Emma Donoghue 2014-04-01 From the New York Times bestselling author of *Room*, a young French burlesque dancer living in San Francisco is ready to risk anything in order to solve her friend's murder—but only if the killer doesn't get her first. Summer of 1876: San Francisco is in the fierce grip of a record-breaking heat wave and a smallpox epidemic. Through the window of a railroad saloon, a young woman named Jenny Bonnet is shot dead. The survivor, her friend Blanche Beunon, is a French burlesque dancer. Over the next three

days, she will risk everything to bring Jenny's murderer to justice—if he doesn't track her down first. The story Blanche struggles to piece together is one of free-love bohemians, desperate paupers, and arrogant millionaires; of jealous men, icy women, and damaged children. It's the secret life of Jenny herself, a notorious character who breaks the law every morning by getting dressed: a charmer as slippery as the frogs she hunts. In thrilling, cinematic style, *Frog Music* digs up a long-forgotten, never-solved crime. Full of songs that migrated across the world, Emma Donoghue's lyrical tale of love and bloodshed among lowlifes captures the pulse of a boomtown like no other. "Her greatest achievement yet . . . Aunt Blanche's Memory Book Blanche

Simpson 1980

A Misalliance Anita Brookner 2012-08-01 After twenty years of marriage Blanche Vernon is alone; abandoned by her husband Bertie for a childishly demanding computer expert named Mousie. While Blanche finds this turn of events baffling, she feels that Bertie must have left her because of her overly sensible demeanor. Yet many of their mutual friends disagree. In fact, Blanche has come to be regarded as undeniably eccentric--making elliptical remarks that no one knows how to read, and chatting at great length about characters in fiction. She resolutely fills her unwanted hours with activities, maintaining her excellent appearance, drinking increasingly more wine, and, in an attempt to turn her energy to good works, becoming severely enmeshed in the life of a disordered young family.

Blanche of Castile, Queen of France Lindy Grant 2016 This is the first modern scholarly biography of Blanche of Castile, whose identity has until now been subsumed in that of her son, the saintly Louis IX. A central figure in the politics of medieval Europe, Blanche was a sophisticated patron of religion and culture. Through Lindy Grant's engaging account, based on a close analysis of Blanche's household accounts and of the social and religious networks on which her power and agency depended, Blanche is revealed as a vibrant and intellectually questioning personality.

Impressive and superbly written.'

After she had relations with one of her students, a 17-year-old, authorities learned of the encounter and fired her. Though scarred by

The section is poor but, unlike corresponding sections in other American cities, it has a raffish charm. The houses are mostly white frame, weathered grey, with rickety outside stairs and galleries and quaintly ornamented gables. This building contains two flats, upstairs and down. Faded white stairs ascend to the entrances of both. It is first dark, of an evening early in May. The sky that shows around the dim white building is a peculiarly tender blue, almost a turquoise, which invests the scene with a kind of lyricism and gracefully attenuates the atmosphere of decay. You can almost feel the warm breath of the brown river beyond the river warehouses with their faint redolences of bananas and coffee. A corresponding air is evoked by the music of

Negro entertainers at a barroom around the corner. In this part of New Orleans you are practically always just around the corner, or a few doors down the street, from a tinny piano being played with the infatuated fluency of brown fingers. This "blue piano" expresses the spirit of the life which goes on here..... ♥♥ A Streetcar Named Desire By Tennessee Williams♥♥ About the Author: Thomas Lanier Williams III, better known by the nickname Tennessee Williams, was a major American playwright of the twentieth century who received many of the top theatrical awards for his work. He moved to New Orleans in 1939 and changed his name to "Tennessee," the state of his father's birth. Raised in St. Louis, Missouri, after years of obscurity, at age 33 he became famous with the success of *The Glass Menagerie* (1944) in New York City. This play closely reflected his own unhappy family background. It was the first of a string of successes, including *A Streetcar Named Desire* (1947), *Cat on a Hot Tin Roof* (1955), *Sweet Bird of Youth* (1959), and *The Night of the Iguana* (1961). With his later work, he attempted a new style that did not appeal to audiences. His drama *A Streetcar Named Desire* is often numbered on short lists of the finest American plays of the 20th century, alongside Eugene O'Neill's *Long Day's Journey into Night* and Arthur Miller's *Death of a Salesman*. Much of Williams' most acclaimed work has been adapted for the cinema. He also wrote short stories, poetry, essays and a volume of memoirs. In 1979, four years before his death, Williams was inducted into the American Theater Hall of Fame. ♥♥ A Streetcar Named Desire By Tennessee Williams♥♥ Summary of the Book: Tennessee Williams's *A Streetcar Named Desire* takes place in a vibrant, lower-class neighborhood in New Orleans. Blanche DuBois, an aging southern belle from a plantation in Laurel, Alabama, arrives to visit her pregnant sister, Stella. Upon meeting her sister, Blanche claims that she has lost the mansion in which she and her sister grew up, and she has been making ends meet as a schoolteacher. She also claims that she is visiting to calm her nerves. Stella's husband, Stanley, is suspicious of Blanche, and as a result of Blanche's genteel behavior, Stanley believes that she thinks of herself as above them. He

hates her flirtatious and pretentious manner, and he insists that she share any money from the proceeds of the mansion with Stella and himself, but Blanche shows him that she lost the house to the bank and that she is nearly broke. One evening, Stella and Blanche return from a night out while Stanley and his friends are playing poker. One of Stanley's friends, Mitch, finds himself sexually and emotionally attracted to Blanche and attempts several times to speak with her. He tells her about how he is taking care of his sick mother, and they share a cigarette. When Blanche turns on a radio and begins dancing with Mitch, Stanley becomes enraged at the interruptions to the poker game and Blanche's flirtatious attitude, and he throws the radio out the window. Stella, seeing Stanley's drunken and inappropriate reaction, insists that they end the poker game, but Stanley takes her offstage and beats her. Stella forgives him while Blanche shares a cigarette with Mitch and their interest in one another grows. The next day, Blanche tries to convince Stella to leave Stanley, but Stella claims that Blanche is overreacting. As Blanche begins explaining how vulgar and brutish Stanley is, he walks into the next room and overhears Blanche denigrating him. After she is finished, Stanley pretends not to have heard them talking, but when Stella runs to his arms to hug him, he stares at Blanche challengingly. After this interaction, Blanche begins writing a letter to a former boyfriend, Shep Huntleigh, who has made millions in the oil business. She believes he will help them escape, but Stella refuses and Blanche stops writing the letter. Stanley comes back home and mentions that he spoke to his auto-parts supplier, Shaw, who regularly travels through Laurel. Shaw has told him that Blanche used to stay in the ill-reputed Flamingo Hotel. Blanche is shaken by this but denies it. Blanche plans to go on a date with Mitch, and she reveals to Stella that she feels insecure about her age and hopes that Mitch will not judge her because she does not plan to have sex with him. Stella and Stanley go on a date while Blanche is waiting for Mitch to arrive. As she is waiting alone, a young boy comes collecting money for the local paper. Blanche does not have any money, but she flirts with him and kisses him on the mouth before sending him away. Mitch arrives with a bouquet

of flowers, and they go on their date. After several more dates, Mitch is concerned that he has not been entertaining to Blanche, but her mind is elsewhere. She has been thinking about her late husband, who killed himself after Blanche discovered him having sex with another man. Mitch tells Blanche that his mother is dying, and they decide that they are meant to be together because they both understand loneliness. After this date ends, it is Blanche's birthday, and Stella is setting up decorations while Blanche bathes. Stanley comes home from the auto shop and tells Stella that he has learned about Blanche's past: she had a reputation for being a loose woman in Laurel, and she was fired for having an affair with one of her students. He has informed Mitch and also purchased Blanche a birthday present: a one-way bus ticket back to Laurel. During the birthday party, conversation around the table is awkward, and Mitch does not arrive. When Stella criticizes Stanley's eating habits, he throws his plates to the floor and leaves. When he comes back, he gives Stella the bus ticket back to Laurel, and she becomes sick, running to the bathroom gagging. Stella is angry with Stanley for his insensitive treatment of Blanche. Stella begins to go into labor, and Stanley takes her to the hospital. Later that night, Blanche is drunk, and Mitch arrives to break up with her. She admits to the fact that she was promiscuous in Laurel and was fired from her teaching job for seducing one of her students. Mitch, though disgusted that she has lied to him, attempts to have sex with her. She screams "fire" as a way to draw attention to the flat, and Mitch runs out the door. Stanley comes back from the hospital, saying that Stella will be at the hospital until morning. He is in high spirits because of his son's birth. Blanche, drunk, tells him that she will be leaving soon because Shep, her former suitor, has agreed to go travelling with her. She also tells him that she has broken up with Mitch. Stanley knows that she is lying about Shep, and he knows that Mitch broke up with her. In light of these lies, he begins insulting Blanche for her holier-than-thou attitude and makes fun of her appearance. He advances toward her, and when Blanche attempts to defend herself with a broken bottle, he grabs her arms and rapes her. In the final scene of the play, Blanche is

preparing to leave, having convinced herself that Shep is going to come to take her away. In reality, she is to be sent to a psychiatric institution. Stella admits that Blanche told her about the rape, but Stella refuses to believe her sister, thinking it an imagined story brought on by her sister's insanity. When the doctor and nurse come to take Blanche away, she initially resists but eventually accepts defeat. Though Stella has doubts about her sister's fate and begins crying, she holds her newborn child as Stanley comforts her. ♥♥ A Streetcar Named Desire By Tennessee Williams♥♥

A Streetcar Named Desire Tennessee Williams 1953 THE STORY: The play reveals to the very depths the character of Blanche du Bois, a woman whose life has been undermined by her romantic illusions, which lead her to reject--so far as possible--the realities of life with which she is faced and which s

Blanche of Apalachin Rod Lee 2012-08-29 A woman succumbs to old age, in 1982. Thirty years later, Samantha Beatrice "Sweet Bea" Jakes, in need of material for a school essay, asks her grandfather "who was the greatest person that ever lived?" She does not get the answer she expects. Instead of "the usual suspects--prophet, explorer, philanthropist,

architect, statesman, inventor, athlete, soldier, humanitarian, philanthropist, firefighter, cop, doctor, nurse--she is told the story of a little known, Scripture-quoting, Satan-defying Pennsylvania farm girl-turned-disciple for Christ named "Blanche." In this first work of fiction from author Rod Lee, Sweet Bea's initial disappointment at Ernest Jakes' surprising choice turns to awe and admiration as she hears of the faith that sustains Blanche Baxter through a series of trying physical and emotional challenges. Sweet Bea is moved to tears of joy and sorrow upon learning of Blanche's survival after being bitten by a deadly snake in her native Keystone State, of her years of witness for "my Lord and Savior," of her uncanny mastery of prayer and the piano and hymn singing, of her run-in with mobsters gathered for an historic Mafia "convention" in Apalachin, New York, of her grief at the passing of one son and the betrayal of another, and finally of her reaction to a treacherous act attempted by a son-in-law whose heart is filled with malice toward her. By the time Ernest Jakes' account of Blanche's soaring life reaches its tense, shocking and ironic conclusion amid a major earthquake at the base of California's San Gabriel Mountains, young Sweet Bea realizes that she was wrong to dismiss this plain-spoken, stalwart Christian woman so quickly. She is left with a second question, even more pressing than the first: Who was "Blanche of Apalachin?"

Terminal Velocity Blanche McCary Boyd
2011-05-04 "In 1970 I realized that the Sixties were passing me by. I had never even smoked a joint, or slept with anyone besides my husband. A year later I had left Nicky, changed my name from Ellen to Rain, and moved to a radical lesbian commune in California named Red Moon Rising, where I was playing the Ten of Hearts in an outdoor production of Alice in Wonderland when two FBI agents arrived to arrest the Red Queen . . ." So begins Blanche McCrary Boyd's brilliantly raucous account of self-styled feminist outlaws, their desperate adventures and extraordinary fates. Ellen, the narrator of Boyd's previous novel, *The Revolution of Little Girls*, this time pierces the heart of the sexual revolution in her quest to find a woman hero or--by default--to become one. Ferociously paced, *Terminal Velocity* delineates six wonderfully engaging characters: Artemis Foote, for whom being rich, talented, and beautiful is a kind of game; Jordan, a messianic fugitive who becomes Ellen's lover; Amethyst Woman, a Marxist/Leninist dentist; Ross, a red-diaper baby and now a columnist for *Ramparts*; and Pearl, an art history professor turned hippie. At the center of this vortex is Ellen, prior to her transformation happily married and a rising young editor at a genteel publishing house in Boston. Together with these women, she is caught in the political and moral tailspin of the Sixties, living in a sexualized world-without-boundaries that leads them, eventually, to destruction, acceptance, and even redemption. Deadpan funny and exquisitely moving, *Terminal Velocity* brings Boyd's lyricism, humor, and

depth to material largely unexplored in American literature.
