Letters From Ruby Adam Thomas 2013-08-20 When the newly ordained Episcopal priest Rev. Calvin Harper arrives in Victory, West Virginia, to be the pastor at an ailing parish, he has no idea how much he still has to learn about being a priest. Thankfully, Ruby Redding takes the young man under her wing and teaches him everything she has learned throughout her long, storied life. Seminary never taught Calvin that the only true way to be a witness to God's presence in this world is to remain in relationship with people no matter what life throws at them. His studies never taught him that detachment is the bane of ministry. He never learned that deep grief comes only from deep love. But in his first year in Victory, Calvin learns all this and more from Ruby, a woman so full of God's light that it can't help but spill onto the people around her.

Gardner 2019-12-03 It's late March in Fairhope, Alabama, and artists from around the country are flocking to the bayside town's Arts & Crafts Festival. The annual tradition has something for everyone, only this year, the main attraction is murder . . . Cleo Mack's life has been a whirlwind since she inadvertently became the executive director of Harbor Village, a retirement community bustling with energetic seniors. Twinkle's bizarre death doesn't seem like an accident. Not with a sketchy newcomer slinking around town and a gallery of suspects who may have wanted her out of the picture for good. As Cleo brushes with the truth, she soon finds that solving the crime could mean connecting the dots between a decades-old art heist and an unpredictable killer who refuses to color inside the lines . . .

Sailing Around Britain Kim Sturgess 2017-10-03

Kim Sturgess was a weekend sailor: he enjoyed club racing and several brief sailing holidays, but had never attempted a substantial expedition. Reaching the age of fifty focused the mind and he decided to sail around Britain. While many cruising sailors would not contemplate a 1900 nautical mile voyage, he broke the voyage into a series of day sails, making it an achievable ambition for him, largely single-handed, and for many other weekend sailors who might dream of sailing around their home island. This book tells the quirky traveller's narrative of the voyage and visits to forty-eight towns. Evoking the spirit of both Jerome K. Jerome with his *Three Men in a Boat* and Joshua Slocum's *Sailing Alone Around the World*, Kim shares his thoughts and struggles, recounting how easy it is for anyone to become an adventurer here at home. But don't expect to always agree with him - he has been described as "the Jeremy Clarkson of yachting"!
