The Secret Code of the King James Bible

Abdullahi Mubarak 2012-12-07 This book, I believe, for the first time reveals knowledge that has been buried in the Bible under a secret code. There have been many attempts to uncover this code, and all previous attempts have contributed in a positive way to this writing. The book is my personal contribution to improvement of mankind through the acknowledgment of the truth and the defeat of falsehood. I am not, though, writing this with rose-colored glasses. There will always be those who hate the Truth for personal worldly gains, those who take comfort in falsehood, those who would follow blindly what their ancestors believed (true or false), those who worship at the altar of their base desires, and those who benefit from evil in the world. The ultimate victory of Truth over falsehood is with God Almighty, and I wish that the reader is guided to the Truth. This book is

also a way to thank God Almighty for guiding me away from falsehood, and this book is for others like me.

[HIDDEN TRUTHS OF THE BIBLE](#) LEIGHTON GORDON 2013-11-19 Do you desire to know the truth? There are a lot of misconceptions about the Bible. Lies are often passed down from generation to generation, manipulating the word of God. The only way to really and truly gain a full understanding of the Bible is by intensely studying it with great aspiration. Some may be fine with not knowing the complete truth, or pretending to be a sold out Christian, and not honestly knowing what God's word says about many issues faced on a daily basis. Individuals may be fine displaying that tag that reads, "Jesus is my co-pilot" on the front of their car. In all reality, Jesus is the pilot; he operates the vehicle that drives us through life. Most of us are driving underage and need some parental guidance. God is our father and wants to keep us on the right path by nurturing us with his unique and supernatural word, The Bible. Jesus gives us the freedom to run to him or away from him. Hidden Truths challenges you to consider the truth and what it entails. Leighton directly approaches the truth in a daring way that reveals Jesus' love for you and causes you to re-evaluate your relationship with Jesus. Leighton urges you to redevelop principles that you have been practicing the wrong way. The only right way to do things is by following God's holy word.

[The Secret True Life Books of the Bible](#) Apostle Solomon 2018-02-05 The contents of the verses of this book were chosen from the 12-volume work called The Book of True Life, and have been ordered by themes, resulting in a compendium that uses the original wording, but

which offers the reader an introduction of more manageable size to this Divine work. The twelve volumes are made up of a total of 366 chronologically numbered "Teachings". Although this book is arranged by topics, the Teachings are subdivided by verse numbers to facilitate their identification and for easy comparison between translations made to other languages. However, they are also identified, either singly, or at the end of a block of verses taken whole from the twelve volumes of *The Book of True Life*, by the original Teaching and Volume numbers for those, who wish to expand their knowledge of the work, or who wish to check the full context for citations they find to be of special interest. Beauty Secrets of the Bible Ginger Garrett 2007-09-09 Every woman can accentuate her God-given beauty using the hidden treasures of the ancient Scriptures. Ginger Garrett reveals how every woman can accent her God-given beauty using the hidden treasures of the ancient Scriptures—where every scent and every act of beautification had spiritual and emotional

significance. A woman's longing to present herself as physically beautiful is universal. Beauty is extolled throughout the Bible as complementing God's plan for women's lives. There are currently no books that examine the beauty practices of biblical women, the plants and products God created to accent their beauty, and the spiritual roots of feminine rituals. Beautiful women abound in the Bible: Queen Esther, the bride of Solomon, Delilah, Rachel, Sarah, and more. Their beauty was a gift from God, and God also supplied the many foods, spices, and oils that perfected each woman's appearance. In *Beauty Secrets of the Bible*, Ginger Garrett helps readers accent their God-given beauty using these secrets. Women who read the book will understand the essential oils and fragrances mentioned in Scripture (and why they are making a comeback) and will be able to create a regimen based on all-natural ancient products and techniques. *Beauty Secrets of the Bible* gives readers what other beauty books lack: the knowledge that a woman's unique earthly beauty is indeed a blessing from God that can be cultivated.

The Secret of the Bible E. James Dickey 2012-04 "The true key to unlocking the secret of the Bible," according to author E. James Dickey, "is found in biography." Some people would approach the Bible from a doctrinal, sacramental, historical, and archaeological point of view. Valid as these ways of understanding this "magnificent treasure" known as the Bible are, any or all of these measures "fall far short of encompassing the whole content of the Bible." The way to "embrace the totality of scripture and unlock the mystery therein is through biography," according to the author. "No other spiritual or religious documents in the world have this element to it. Instead, dictums, commandments, sayings, maxims and axioms dominate such writings. Valid as they are, the truly human element is missing. "Moreover, the relationship with the one, true God and with one another is dictated by those words—be they inspired, revealed, or fashioned. So, any relationship tends to become subservient to the statements themselves. Thus, freedom is thwarted and throttled at its very roots. "It is true that biography often is somewhat sketchy throughout the scriptures, but enough elements

are there to portray a real picture of the people involved. To look at the Bible from the primary relationship with the one, true God of the whole universe and with live human beings is the key to the scriptures. When sincere, it will produce fruits beyond compare."

David's Secret Demons Baruch Halpern

2003-11-12 This is a print on demand book and is therefore non- returnable. The Bible portrays King David as an exceptional man and a paragon of godly devotion. But was he? Some scholars deny that he existed at all. Did he? This challenging book examines the written and archaeological evidence critically in an effort to paint an accurate picture of one of the Bible's central figures. Neither defending nor rejecting the traditions about David, Baruch Halpern, a leading scholar of biblical history and the ancient Near East, traces the origins of development of David's persona. Because the biblical text clearly responds to concerns that can only be contemporary with David himself, we can believe that David was both real and a central actor in the historical drama of ancient Israel. Yet at the same time, the written record also shows that contemporaries understood David's character to be much more unsavory than the tradition has hitherto allowed. Halpern digs beneath the layers of tradition to understand David as an individual, as a person. The man he uncovers turns out to have been

complex, ambiguous, and -- above all -- surprising. According to Halpern, the image of David grew over time. He was the founder of the dynasty that perpetuated the texts about him, and they progressively exaggerated his accomplishments. But in the earliest writings David remains a modest figure, as this book shows for the first time. To understand David as a human being, one must keep in mind that he was primarily a politician who operated in a rough-and-tumble environment in which competitors were ready literally to slit throats. Halpern's work raises many provocative questions: Was David an Israelite or a Philistine? Was Solomon really David's son? Did David take the throne of Israel by the consent or against the will of the people? How many murders did he commit on his way to the crown? Indeed, was David someone it would have been wise to even invite to dinner? The challenging arguments in David's Secret Demons are sure to provoke all kinds of discussion among biblical scholars and general readers alike. In addition -- a big bonus -- Halpern's accessible, at times humorous prose will itself draw readers everywhere into the compelling story of David found between these covers.

Uncovering Hidden Treasures Samuel C. Tseng

2011-04-13 Uncovering Hidden Treasures gives you examples of how you can enjoy your Bible Study, instead of reading the Bible just as a dull

daily Christian duty. There are truths in the Bible that have long been ignored or misinterpreted by skeptics, seekers, bona fide Christians and even some commentators. *Uncovering Hidden Treasures* gives you examples and how to avoid them. When you have discovered a new insight during your Bible study, how will you know your new insight and interpretation is a truth intended by God? *Uncovering Hidden Treasures* suggests criteria that help you know. *Uncovering Hidden Treasures* gives you examples that people cannot know God's will unless He reveals it to them and He reveals only as much as they can absorb. As civilization progresses, the Holy Spirit will give additional insight and clarity from the same passages of the Scripture. *Uncovering Hidden Treasures* gives you examples of how science and technology support the Scripture. For example, have you ever thought that the Bible clearly told us that light has finite speed and the universe is finite and expanding, the facts that have been discovered only in recent centuries? Find it out in verse by verse interpretation of the first two days of the Creation. Is your faith shaken by recent statement of the renowned physicist Stephen Hawking? He stated that God is not needed in the creation of the universe. *Uncovering Hidden Treasures* gives opposing views and advises you not to worship science or scientists and keep hold of your faith in God. It gives you examples that you need as much faith to believe in science as you believe in the Bible.

Secrets from the Lost Bible Kenneth Hanson 2006 Ancient scriptures, hidden from the world for centuries, have recently attracted unprecedented popular attention. Some were found among the ancient library of the Dead Sea Scrolls. Others include assorted mystical writings known as Kabbalah, and a host of books that never made it into the Bible, called Apocrypha (which means "hidden") and the Pseudepigrapha (called "false writings" by those who suppressed them). Additionally, there are the Gnostic texts of Nag Hammadi -- a location in Egypt where a treasure trove of lost books was discovered in the middle of the twentieth century. Collectively, they comprise the "Lost Bible." For centuries, these manuscripts were systematically suppressed because their liberating messages of individual power and

worth challenged the authority and pet philosophies of political and religious leaders.

The Secret Astrology of the Bible Michael Ledo 2010-05-02 The Secret Astrology of the Bible by Michael Ledo is a landmark book that will change the way the scholarly community and the general public views the Bible, history and myth. Epic in scope, this provocative book explores the connections between religious belief and cosmic theory, even as it attempts to explain contradictions and irregularities in the text. The Bible, states Ledo, was constructed as a living document, with much of its text expanded as time went on. If readers stripped away this added material, they could actually be left with an Early Bronze Age text, over a thousand years older than what is currently accepted by scholars. This text, suggests Ledo, would be a veritable cosmic myth which follows the constellations with stories in a contiguous fashion that combine both history and myth. Originally sold as "On Earth as it is in Heaven, The Cosmic Roots of the Bible."

The Mystery of Manna Dan Merkur 2000 Moses told the Israelites that after eating manna they would see the glory of God. And indeed they did. Dan Merkur posits that this event was an initiation into a psychedelic mystery cult that induced spiritual visions through eating bread containing psychoactive fungus. This practice, he reveals, was a continuation of an ancient tradition of visionary mysticism.

Knowledge Revealed Sara M. Millard 2010-03-25 Triunity: How to Know That the Three Are One GENESIS 1:1 SAYS, "In the beginning God." God is three in one. For many years, I lacked the depth of understanding of how this could be. I accepted by faith what I could not understand with my finite mind. Ephesians 4:23 says, "And be renewed in the spirit of your mind." Further study gave me a revealed knowledge of another truth that I will tie into the trinity of God. Many a time women and children are not mentioned in the Bible accounts. For example, Matthew 15:38 says, "And they that had eaten were five thousand, beside the women and children." As the husband is the head of the wife and children, his household is a trinity. So Christ is the head of the church and God the Father is the Godhead. The Holy Spirit is in operation for and through the church. God the Father, Jesus

the Christ, KNOWLEDGE REVEALED 23 and the Holy Spirit work as one unit, as the family unit is one working together. To emphasize the above fact, wives and children belong to the husband and are one in him. Genesis 2:24 says, "Therefore shall a man leave his father and mother, and shall cleave unto his wife, and they shall be one flesh." Even so, we who believe in Christ as our Savior are one in body with Him. God the Father, Jesus Christ the son, and the Holy Spirit, are one in the Godhead. Regarding Triunity and further revealed knowledge: A study of Through the Bible Study with Roper Press booklets. ** A question I asked myself of which I was not sure of the answer was "should I write "Jesus" or Triunity?" I simply wrote, "Jesus Tri-umphant." Just then, the Holy Spirit of God revealed to me that Tri-umphant means the whole Godhead. Triunity, three in one, triumphant, Glory to God! ** Harlin J Roper, Through The Bible Study, 1978 Dallas, TX: Roper Press (Used with permission).

The Secret Origins of the Bible Tim Callahan 2002-09 Callahan strictly interprets the Bible through the lens of comparative mythology, where the mythic content of Biblical stories is

illustrated as a way to understand the purpose the stories served for the people who wrote them. Biblical history is merely a mythic representation of human psychology and meaning-making in human conscience. Callahan contends that most of the histories and stories were written and manipulated centuries after the events described. He cautions against literal interpretation of the Bible, but seeks to understand why society validates the myth. *The Complete Book of Bible Secrets and Mysteries* J. The Jefferson Bible Thomas Jefferson 2014-01-05 The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

Numerical Secrets of the Bible Casper J. Labuschagne 2016-07-20 Were you intrigued, but disappointed by The Bible Code? Numerical Secrets of the Bible, written by one of Europe's leading biblical scholars, gives you the actual facts about one of the most important recent discoveries in the field of biblical study, namely that the books of the Bible are numerical compositions. The biblical writings were not written in an off-hand manner, but were

meticulously composed according to compositional techniques in which the counting of words played a crucial role. This discovery has far-reaching consequences for our views on the formation and the structure of the text of the Hebrew Bible and of the Greek text of the New Testament. Labuschagne introduces you to the fascinating world of number symbolism in biblical times. He demonstrates how well-known symbolic numbers, such as 7 and 12, and especially the lesser known holy numbers 17 and 26, which represent the numerical value of the name YHWH, were used to give structure to the text and to deepen its contents. Among other fascinating findings, this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture.

Secret: Fame or Failure Dorothy L. Johnson 2020-05-19 As a health professional, personal conversations with thousands of women from around the world revealed one trend. They had little self-worth, were not empowered and others saw them similarly. It must be noted that even historians portray no ancient writing as unique as the bible, whose successful female characters existed within an exclusively male dominant culture when women were excluded from the population statistic of their times (Exodus. 11:37) and (Matt.14:21 and 15:38). Significant changes are occurring in some areas of the world as women struggle for their rights to freedom and equity. While writing this book, British Broadcasting Cooperation (BBC) highlighted areas of breakthrough, the first story women drivers in Saudi Arabia allowed obtaining driver's license. The second story featured a stewardess on a Turkish Airline taking legal action against the Airline for been paid less than her male counterpart. The third Malala Yousafzai (Noble Peace Prize Winner) who was shot in her head by the Taliban 2012 for campaigning for education among girls was fit to return home after six years. The fourth a major historical land mark; her campaign for women's right to vote during the 19th Century was memorialized in 2018 more than one hundred years later. In her honor Millicent Farcet the first female statue was erected and unveiled in London. *Secret: Fame or Failure*

Do you know WHEN the Creation's Controversy between scientists and Bible fundamentalists will end? Have you ever considered WHERE Jesus or the Holy Spirit was in the Creation? Did you ever wonder WHICH kind of evening and morning could exist on the first day of the Creation without the sun? Thomas is a Christian who did not have an answer for these questions.
