Henry Miller and Religion Thomas Nesbit 2012-12-06 This study

argues that this previously banned author devoted his entire life to articulating a religion of self-liberation in his autobiographical books, examining his life and work within the context of fringe religious movements that were linked with the avant-garde in New York City and Paris at the first of the 20th century. This study shows how these transatlantic movements - including Gurdjieff, Rosicrucianism, and Theosophy - gave him the hermeneutical devices, not to mention the creative license, to interpret texts and symbols from mainline religions in an iconoclastic manner, ranging from obscure Taoist treatises to the mystical works of Jacob Boehme. The influence of numerous philosophical sources widely circulated in his most critical years - particularly Henri Bergson's *Two Sources of Morality and Religion* (1932) - also helped him develop a religious view situated between transcendence and immanence, in which self-liberation through the channeled flow of *élan vital* is the chief objective. Miller's knowledge of these intellectual currents, along with his involvement with sidestream religious groups, inspired him to meld his religious and literary aims into one perplexing project.

The 48 Laws of Power Robert Greene 2023-10-31 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute

self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Sadly Pook disappeared from the scene, but his teachings live on in this ebook.

Swoon: Great Seducers and Why Women Love Them Betsy Prioleau 2013-02-04 *Casanovas: where are those great romancers of women?* In

Swoon, Betsy Prioleau gives us a smart, entertaining study of ladies' men, demystifying their character, seductive secrets, and killer charm. Combining history, science, culture, and colorful contemporary research, Prioleau gives us a portrait of the successful seducer that explodes every stereotype and shatters every cliché. Instead of a satanic rake, slick player, or rich, handsome powerbroker, he's an unlikely, often homely Romeo who cares about women and understands what they want. Through analyses of history's legendary lovers and interviews with today's heartthrobs, Prioleau uncovers the surprising seductive secrets that really rock female hearts, from unfeigned ardor to conversational flair. In doing so, she destroys the pick-up artists' advice of such books as *The Game*. Finally, Prioleau critiques the twenty-first-century sexual malaise, especially women's record discontent with men, and argues that it's high time to retrieve and celebrate the great seducer.

Secret to Modern Woman's Heart (I and II) Hemant Pandey

2017-08-27 This gentlemen is so underrated ! I have purchased the book written by him and oh boy, it was pure gold. You have changed my entire notion of thinking about the girls. Bless you sir. Keep writing." (Via Quora Comments) Ever wondered what women really want and why? Why your girlfriend behaves irrationally ? Author writes on Quora (2500 followers, 3 million views) and runs his own blog (Hemantpandeyblog.com). Book Rated 4.33 on Good Reads. Hemant was a typical die hard romantic, writing love sonnets and letters to women he loved. Even after pouring his heart out he faced countless problems with women in his life. Changing mood of girls, suddenly going cold, neglecting etc. He started by classic psychology textbooks and was utterly disappointed. d104books teach nothing about women psychology or seduction (May be due to its controversial nature), similar to reproductive systems being treated in biology textbooks. Author started his quest in other seduction books. (Just like we learn sex through porn). The problem was immense again. Many of these books are fake and the methods simply don't work. Out of 1000s of pick up artist books and seduction material on 100s of websites, only a handful worked. It took 10 years for author to try and test almost all books on the subject. Second

problem was that although these methods really work (No doubt about it), these books never teach you why they work. All methods are basically trial and error. In this book author solved these two problems. All material reinvented (10 years research) and rewritten (modified) by avoiding those which never work. Author devised 100s of entirely new methods which really work in any given scenario with any girl for any man (irrespective of his looks or personality). Every method discussed is supported by logic. Why the method works? This book will definitely save 1000s of hours in researching every book available on the planet, testing all of them and selecting best from the rest. You will learn Avoid FRIEND (PET) ZONE, Nice Guys Test, 'Dump Test' and 'Bitching Test'. Rules of TEXTING, how much, how long, what things to avoid? Get your GIRLFRIEND BACK after silence zone built after a fight or break up (entirely new 'ice breaker text method'.) 10 Most Important points in Modern Dating (Things to avoid). Secret Art of deep seduction (Fractionation) Making a girl fall in trance like love with you FOREVER. DOMINATE GIRLS to be subservient by using entirely new emotional Vaccination and Soft Dumping method. GIRLS BIGGEST TURN OFF and only ONE THING WOMEN LOVE the most in any MAN. Excerpt from the book: Fractionation and Rules of d104ing "You created a fractionation pattern by successively creating pain and pleasure response. Further you are the cause of both. This is the basic of all techniques of dealing with women. You create both pain and pleasure in quick succession and some times in one sentence like ' You look good but your hair could have been better'. Most guys there focus only on pleasure and fail to deliver emotional ups and downs, which women crave". "vii. Never be too available. This is again a test by girl to know your status. If you are always free for her, your value goes down. viii. Never chat with her for longer duration, especially when she is free. She will use you for time pass and dump you! "
