Shadow Moon Chris Claremont 2018-04-17 From two of the greatest

imaginations of our time comes a magnificent novel of adventure and magic...SHADOW MOON: First in the Chronicles of the Shadow War. The genius of Star Wars(r) creator George Lucas and the vision of Chris Claremont, the author of the phenomenally bestselling The Uncanny X-Men adventures, merge in what must be the fantasy event of the year. In Shadow Moon, war and chaos have gripped the land of Tir Asleen. An ancient prophecy reveals one hope: a savior princess who will ascend to the throne when the time is right. But first, a Nelwyn wanderer must face forces of unimaginable malevolence and dangerous, forbidden rites of necromancy that could bring back a powerful warrior from soulless sleep. George Lucas reshaped filmmaking in the '70s and '80s with his Star Wars and Indiana Jones films. When Bantam Books asked Lucas if he had any stories he would like to develop as novels rather than as films, Lucas turned to his 1988 fantasy film, Willow. "When I wrote the story for Willow, I began with the pre-story," Lucas said, "but the full story was yet to be told." Now, Lucas's vision is being fulfilled with the talented help of Chris Claremont. Having previously taken the reins of what was for a decade the bestselling comic in the western hemisphere (The Uncanny X-Men) Claremont assumes the responsibility of foster parent to Lucas's creation. On sale in hardcover now, and available on BDD Audio Cassette as well, SHADOW MOON is a momentous new adventure for readers looking to spend part of this summer in a fantastic world. SHADOW MOON is one of Bantam Spectra's most exciting publishing events in 1995, the year we celebrate our 10th Anniversary as the premiere publishing imprint of books of speculative fiction.

**The Bloodlight Chronicles Trilogy** Steve Stanton 2012-12-01 In a post-cyberpunk future, where global economic activity is carried out in a virtual-gaming realm, a new blood-transmitted virus has become a black-market staple due to its temporary rejuvenating effects, forcing infected "Eternals" into tightly knit underground communities where they must hack the V-net for basic food and shelter. In the first book of a series that "revitalizes the cyber-fiction genre with its vivid prose and believable characters" (Library Journal), Zakariah Davis and his wife Mia are among those infected with an alien virus that vastly prolongs life, and their blood has become a black-market staple due to its rejuvenating effects. Their teenage son Rix does not carry the Eternal virus, and Zakariah is consumed by the search for an "activated sample" with which to inoculate him. In book two, Mia is murdered in retribution and the family is overcome by grief. Zak goes on a quest to contact her spirit in the afterlife while Rix wants revenge at any cost. Niko, the teenage clone of Zak's dead sister, has received the Eternal virus and been captured by "vampires" who drain her blood nightly for its rejuvenating effects. Zak enlists the help of a famed lecturer on psychic research, Jackie Rose, and together they travel to the home of a Haitian shaman, Tono, a prophetic spiritual healer. Rix and Niko team up to find Mia's murderer and finally confront her killer in the lair of the Beast who controls the V-net. *Chronicle of That Which Will Order Chaos* Titus Wallace 2021-07-12 This is a tale that spans the beginning of time till the end of days-and beyond... Imagine for a second if Milton and Dante collaborated, and everything from "Paradise Lost" to the final battle between God and Lucifer was encompassed within that text, along with all that is implied between the heights of redemption and the circles of Hell. It is a pictograph of human nature; where we came from, how we got here, and most importantly-why we are here. I am known as keeper of the stories of time, and have much to share with thee... Due to the fact that I am not a prevalent character in this tale-I have chosen to remain unknown. I am only the narrator of this story-and although I may show up from time to time within said compilation of this tale, I prefer to remain a mysterious

stranger to this universe. It all begins in a time of the Christ; when a secret pact was made between Judas and Jesus forming a tidal wave of emotion and thunder during a climatic 'behind the scenes' knowledge of Lucifer's deception from God... How a new god was forged by the two who set the stage for an answer to end the war between Light and Darkness... His name is Möbius Kain, (the god of truth) and when this tale concludes an empire of balance must be forged to order the chaos that coexists within our world.
