*The Secret Life of a Black Aspie* Anand Prahlad 2017-02-15 Anand Prahlad was born on a former plantation in Virginia in 1954. This memoir, vividly internal, powerfully lyric, and brilliantly impressionistic, is his story. For the first four years of his life, Prahlad didn't speak. But his silence didn't stop him from communicating—or communing—with the strange, numinous world he found around him. Ordinary household objects came to life; the spirits of long-dead slave children were his best friends. In his magical interior world, sensory experiences blurred, time disappeared, and memory was fluid. Ever so slowly, he emerged, learning to talk and evolving into an artist and educator. His journey takes readers across the United States during one of its most turbulent moments, and Prahlad experiences it all, from the heights of the Civil Rights Movement to West Coast hippie enclaves to a college town that continues to struggle with racism and its border state legacy. Rooted in black folklore and cultural ambience, and offering new perspectives on autism and more, *The Secret Life of a Black Aspie* will inspire and delight readers and deepen our understanding of the marginal spaces of human existence.

**Storytellers** Corki Miller 1998 The latter part of the twentieth century has seen a renaissance of the enduring spoken art of storytelling. Stories told by real people, in person, counterbalance the impersonal, computer communication so much a part of present society. This work profiles 120 English-speaking performers worldwide and describes how they make their words come alive, what their styles of presentation are. Each entry provides pertinent information on the storyteller (address, phone and fax numbers, e-mail address, and Web site information), categorizes their work (e.g., original tales, imaginative stories, historical), notes the audience level, and lists the instruments or props used. Style comments, such as witty, dramatic, gesturing, musical, and so on are also given. Detailed biographies reveal how the

storyteller got started and their career achievements and other pertinent details. The entries conclude with an audiography, videography, bibliography, listing of awards, and sources for further information for each teller.

*Vietnam, the Medal of Honor* C. D. Wilson 2009-12-17 Medal of Honor Reg O "Brien dreamed of being a Navy Pilot. He achieved his dream and flew directly into the Vietnam War, in his Phantom F-4B fighter. Shot down over North Vietnam by a Surface to Air Missile S.A.M., he fights for survival in the jungle while aiding his wounded Radar Intercept Officer. Will they survive or die in a fight to the death? In the Vietnam War, young men went to the other side of the world to fight in a small county most Americans had never heard of before the daily news started to report American soldiers killed in battle. Those that survived came back either physically or mentally scarred for life. The Medal of Honor is a portrayal of ordinary Americans, doing their duty, under extraordinary circumstances; some survive. The description of the intense horror of their experiences and unflinching courage to duty, for both their country and their fellow man is outstanding. Sample random paragraphs follow: SMAYDAY, MAYDAY, MAYDAY! Saber Tooth hit! Right wing damaged! Fire indicator is on! Feet wet in Halong Bay, ETA twelve minutes!" Chuck transmitted continuously in a clear calm voice that did not exemplify his true inner turmoil. SEJECT, EJECT! shouted Reg. He waited for Chuck to clear the plane. He gripped his ejection seat handle and pulled. Everything happened in a flash as the canopy flew off. The seat shot up the rail. At that speed, the force threw his body back into the seat. The screaming air blocked out all other sounds. His eyes bulged! His vision blurred as he tried hard to focus. Dizzy, from a momentary blackout, he had trouble isolating a focal point. Reg climbed the tree, secured Chuck "s chute with his own harness; he then cut Chuck "s parachute cords with his survival knife. The combined chute harnesses allowed him to lower the semiconscious Chuck from the tree. Chuck had a slash across his cheek through the eye area into the scalp. Flies gathered around the wound area; seeing that made Reg nauseous. Blood from the face injuries had solidified into a scab, which would help protect the wound. Reg "s main concern was Chuck "s eye. He applied first aid bandages from his first aid kit. The Indianapolis "s mission was secret; therefore, no one knew that she had gone down. Nine hundred men went into the water, most of them with only life jackets; many were nude not having time to put on their clothing. They floated for five days locking arms together in a square. Every few hours each man had to work his way to the outer edge of the square to act as shark bait. The Tiger sharks had a weeklong feast. One hundred and eighty men survived but none of them would ever forget the horrors they went through. Every sailor gets the chills when you mention the sinking of USS Indianapolis in 1945, and how the sharks disseminated the crew piece by piece. Reg felt he was going to die as he looked into the barrel of the rifle, seeing the abyss of death, just as a blurred image caught his peripheral vision, hitting the soldier from behind, knocking him off balance, as his finger pulled the trigger. The bullet creased Reg "s forehead, causing him to drop his weapon and fall backward onto the deck. Reg then saw a young, black pajama clad adolescent, who was on all fours beside him. He heard the soldier cursing the kid. It had been the youngster who had rushed the soldier a moment before. The soldier turned his gun toward Reg, just as Chuck screamed from between the two boats. The VC soldier looked down for a split second, giving Reg the opportunity to reach for his Colt. The soldier saw Reg move and pointed the rifle at him. Reg "s reaction was a split second faster as he shot the Vietcong soldier pointblank in the face. Part of the face disappeared in a gruesome spray of bloody grey matter that flew from the top of the soldier "s head.

**Buzzcocks - The Complete History** Tony McGartland 2017-05-04 BUZZCOCKS | THE COMPLETE HISTORY is the bible for fans of the legendary Manchester band who gave birth to the independent record movement and released some of the greatest punk records of all time. By distinctively combining sardonic wit, romanticism and timeless tunes, they produced such classics as 'Orgasm Addict', 'What Do I Get?' and 'Ever Fallen in Love?' Their split in 1981 only heightened their reputation as one of the brashest and most melodic bands ever, and the widespread acclaim that has greeted their reformation and subsequent new material has solidified their reputation as perhaps the most relevant punk band of today. THE COMPLETE HISTORY draws on years of research and numerous interviews with the band and associates, and contains meticulous detail of every gig, record release, rehearsal, recording session, bootleg and line-up, including an entire history of the band members' many and varied solo projects. In addition, a complete discography of Buzzcocks material, as well as photographs of every line up (including many previously unseen shots) complete the ultimate collectable for any fan. This revised and updated edition picks up where the last left off in 1995 and gives Buzzcocks fans a unique, in-depth and complete piece history of the British punk icons.
