prayers as they were meant to be used. Included in this edition are also a printing of all 150 Psalms from the King James Bible, a must have for any true devotee of God.

Lifting the Veil Joseph Michael Levry 2002-03

The Secret History of the Zohar Michael Berg (Rabbi.) 2008 Michael Berg's overview of the Zohar is a virtual timeline showing its connection with great historical figures and events throughout time. He addresses the myths surrounding this sacred work, and covers who first revealed it, who wrote it down, and who studied it — not just Jewish scholars, but Plato, Sir Isaac Newton, the Knights Templar, and other inquisitive thinkers. Berg clearly demonstrates the profound influence Zohar and Kabbalah have had on all the major disciplines, from literature and art to medicine and science.

It's All The Same To Me Moshe Gersht 2021-02-16 After a decade and a half deeply studying the wisdom of Torah, Kaballah, Chasidus, and

Spirituality, Moshe Gersht has gifted us with a new lens on life. With his spiritual guide *It's All The Same To Me*, Moshe Gersht inspires readers to discover the freedom and joy of a life lived in connected "sameness." Gersht introduces the powerful kaballistic idea of Hishtavus that reveals how transcending our ego is not only essential to personal happiness, but also the key to loving every aspect of our life. Gersht describes how fear, doubt, and worry, rob us of the beautiful moments life has to offer and then shows readers how to awaken a higher consciousness within themselves and pointing them in the way of a deeply fulfilling existence. Although the ideas are intrinsically deep, they are presented in a clear, easy to read, enjoyable experience. Illuminating, enlightening, and uplifting, *It's All The Same To Me* is a joyfully spiritual guide for a better way of living and for building a better world. Awakening to Kabbalah

Michael Laitman 2006-01-01
An awe-filled introduction to an
ancient wisdom tradition.
Provides you with a deeper
understanding of the
fundamental teachings of
Kaballah, and how you can use
this wisdom the clarify your
relationship with others and
the world around you.

Success Magick Damon Brand
2020-03-11 There is no such
thing as a simple ritual to make
you an overnight success. This
is a system of magick. It is far
more than a list of rituals that
solve problems. You integrate a
successful pathway into your
life. The great secrets of
magick were delivered to a
genius mathematician in the
sixteenth century. After that,
the magick was locked away
for many years, then found
again and shared in secret.
Occultists are beginning to
unravel these secrets to the
point where they have become

practical. The methods
described here are based on a
lifetime studying and exploring
success, combined with the
wisdom of the Enochian
Angels. Whether you are tired
of the struggle, battling against
competitors, finding it difficult
to start or finish a project,
uncertain of what to do with
your life, or straining to get
where you want to be, this
book presents a form of magick
that can unlock your dreams.
Whatever your age or
experience, and no matter
what you have gone through
before, it is never too early or
too late to find success. From
this point on, you can choose
the life you have always
wanted. With this magick, you
can compress time, improve
fortune, and open opportunity
in a way that cannot happen
without magick. Enochian
Magick reveals an underlying
power in the universe that can
bring you the success you
desire. This book shows every
step you need to take. People
may tell you that you cannot
use Enochian Magick, but the
angels said otherwise. They

Secret Unlock The Source Of Joy And Fulfillment With The Ancient Power Of Kabbalah

said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

The Kabbalah of Light

Catherine Shainberg
2022-06-28 • Shares 159 short exercises and practices to tap instantly into your subconscious mind and receive answers to your most important questions • Explains

how to dialogue with and understand the imagery and metaphors that arise during these practices • Offers powerful practices to discover your areas of “stuckness” and quickly clear them, thus releasing past traumas and ancestral patterns and freeing the flow of the imagination for enhanced creativity and joy in life In this step-by-step guide to kabbalistic practices to connect with your natural inner genius and liberate the light within you, Catherine Shainberg reveals how to tap instantly into the subconscious and receive answers to urgent questions. This method, called the Kabbalah of Light, originated with Rabbi Isaac the Blind of Posquieres (1160-1235) and has been passed down by an ancient kabbalistic family, the Sheshet of Gerona, in an unbroken transmission spanning more than 800 years. The modern lineage holder of the Kabbalah of Light, Shainberg shares 159 short experiential exercises and practices to help you begin dialoguing with your

subconscious through images. The images that pop up during these practices are unexpected and revelatory, and she discusses how to open them to greater understanding. At first, they may show you aspects of yourself you don't like. But seeing them serves as both a diagnosis and a direct path to transformation. Fast and simple, the practices can help you discover your areas of "stuckness," release past traumas and ancestral patterns, free the imagination, and open the way to the bliss promised us in the Garden of Eden. Beginning this fertile dialogue with your inner world leads you to uncover your soul's purpose and manifest your dreams in this world. Once your inner dream world and outer reality have merged, you will be able to see your superconscious--your soul's - blueprint--and experience the ecstatic illumination of a heart-centered life.

Beloved of My Soul Yehuda Zevi Brandwein 2010 It is said the greatest love is that which exists between a student and

Ancient Power Of Kabbalah

his spiritual teacher. In a bond through study, their hearts and consciousness are awakened. As these two souls travel on a path toward convergence, they carry the lineage of previous masters and ignite the way for future generations of students. This book is a rare glimpse of the relationship between Kabbalist Rav Brandwein and his beloved student Rav Berg, the present leader of the Kabbalah Centre. These 60 letters provide deep insights into the loving spiritual lessons taught by Rav Brandwein. As their involvement goes beyond spiritual studies to all aspects of the practical material world, we discover Rav Brandwein was connected with Rav Berg with all his soul and might. The letters are presented without the filter of interpretation, allowing readers to leave with answers — and more questions — and a yearning for greater wisdom.

Ancient Power Of Kabbalah

2010-09-17 Four years before the current "secret" phenomenon, acclaimed Kabbalist Michael Berg shared the amazing truths from the world's oldest spiritual tradition in his own book, *The Secret*. Now in paperback, this book reveals the essence of life in its most concise and powerful form. Using stories and insights from the greatest scholars of Kabbalah, Berg, himself a descendent of distinguished Kabbalists, shows readers how to free themselves from unhappiness and create the success and fulfillment that is their destiny. Berg spent years studying tantalizing pieces of this ancient, once-secret knowledge before finally putting the puzzle together and sharing it with the modern world in *The Secret*. Its life changing wisdom helps readers discover their true purpose and create a life of lasting joy.

The Way Michael Berg
2002-08-19 "The simple and practical wisdom I have gained by reading this book and studying Kabbalah is

immeasurable." --Madonna
"This book will inspire your soul. Michael Berg has accomplished the monumental task of translating the eternal truths of life into spiritual common sense. Without a doubt, *The Way* will become one of the sacred texts of your own life." -Caroline Myss, Ph.D., author of *Anatomy of the Spirit* and *Sacred Contracts*
The spiritual way of Kabbalah has grown from a hidden treasure into a widespread mainstream movement that has helped people from every walk of life, all around the world, to improve their lives. In this bestselling book, Michael Berg of The Kabbalah Centre-the world's leading educational institution teaching the wisdom of Kabbalah-shows you how to recognize and understand the key spiritual laws in order to improve your life and the lives of everyone around you. *The Way* will teach you meditation and prayer techniques and how to reduce emotional chaos and increase personal harmony. At once groundbreaking and so clearly written that it is

A Life at Work Thomas Moore 2009-01-06 A job is never just a job. It is always connected to a deep and invisible process of finding meaning in life through work. In Thomas Moore's groundbreaking book *Care of the Soul*, he wrote of "the great malady of the twentieth century...the loss of soul." That bestselling work taught readers ways to cultivate depth, genuineness, and soulfulness in their everyday lives, and became a beloved classic. Now, in *A Life's Work*, Moore turns to an aspect of our lives that looms large in our self-regard, an aspect by which we may even define ourselves—our work. The workplace, Moore knows, is a laboratory where matters of soul are worked out. *A Life's Work* is about finding the right job, yes, and it is also about uncovering and becoming the person you were meant to be. Moore reveals the quest to find

a life's work in all its depth and mystery. All jobs, large and small, long-term and temporary, he writes, contribute to your life's work. A particular job may be important because of the emotional rewards it offers or for the money. But beneath the surface, your labors are shaping your destiny for better or worse. If you ignore the deeper issues, you may not know the nature of your calling, and if you don't do work that connects with your deep soul, you may always be dissatisfied, not only in your choice of work but in all other areas of life. Moore explores the often difficult process—the obstacles, blocks, and hardships of our own making—that we go through on our way to discovering our purpose, and reveals the joy that is our reward. He teaches us patience, models the necessary powers of reflection, and gives us the courage to keep going. *A Life's Work* is a beautiful rumination, realistic and poignant, and a comforting and exhilarating guide to one

of life's biggest dilemmas and one of its greatest opportunities.

The Power of Kabbalah From the Teachings of Rav Berg 2022-08 The familiar reality is the physical 1 percent material realm in which we live, yet there is another dimension the world beyond our five senses. According to Kabbalah, this is called the 99 percent realm. Everything we truly desire: love, joy, peace of mind, freedom, inspiration, and answers are available when we connect to the 99 percent reality. The problem is that most of us have inadvertently disconnected ourselves from this dimension. Imagine if we could access this source at will, and on a continuing basis. This is the power of Kabbalah. This foundational text features new content and is more accessible for meeting today's current challenges. Use the exercises included to break free of prevalent beliefs and habits which lead to negative choices. Readers will discover how to align their actions with their higher purpose, and become

conscious of the unlimited possibilities in their own life. The Power of Kabbalah Yehuda Berg 2010-09 Kabbalah; The Power to Change Everything (Portuguese) is a progressive manual for daily life to awaken consciousness and create personal and global change. Yehuda Berg examines the problematic areas of politics, religion, environment, and economy, and demonstrates how everything, no matter how bleak, can be transformed by shifting our minds. Writing in a smart, concise, and sometimes irreverent manner, Yehuda urges us to take responsibility because every action we perform in the present creates a quantum effect. This book drives home the uncomfortable truth that global challenges are opportunities for individual change. Change your mind, and change our world.

Divine Scapegoats Andrei A. Orlov 2015-02-10 Explores the paradoxical symmetry between the divine and demonic in early Jewish mystical texts. Divine Scapegoats is a wide-ranging exploration of the parallels between the heavenly and the demonic in early Jewish apocalyptic accounts. In these materials, antagonists often mirror features of angelic figures, and even those of the Deity himself, an inverse correspondence that implies a belief that the demonic realm is maintained by imitating divine reality. Andrei A. Orlov examines the sacerdotal, messianic, and creational aspects of this mimetic imagery, focusing primarily on two texts from the Slavonic pseudepigrapha: 2 Enoch and the Apocalypse of Abraham. These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism. The Yom Kippur ritual in the

Apocalypse of Abraham, the divine light and darkness of 2 Enoch, and the similarity of mimetic motifs to later developments in the Zohar are of particular importance in Orlov's consideration.

The Wisdom of Truth Yehudah Ashlag 2008 Arguably the most profound mystic of the 20th century, Rav Yehuda Ashlag is revered by students of Kabbalah even today for his rare ability to make complex concepts intelligible. The Wisdom of Truth covers all of the basic truths of Kabbalah, focusing on human dignity and how people must behave toward one another in order to eliminate chaos in the world. This new translation from the original Hebrew has been completely re-edited by

renowned scholar Michael Berg, who has also provided a helpful introduction.

On World Peace Rav Yehuda Ashlag 2012 Everything that exists in reality, whether good or bad--including even the most evil and damage-causing thing in the world--has the right to exist, to the degree that destroying it and removing it completely from the world is forbidden. Rather, our duty is to only repair or fix it and to guide it towards goodness, for even a casual observation of Creation that lies before us is enough [for us] to infer the high degree of perfection of Him Who has created it. In these short but powerful treatises, Rav Ashlag explains that evil (or that which is not good), is nothing more than a work in progress and that seeing something as evil is no more relevant than judging an unripe fruit before it's time. He awakens us to the knowledge that upon arrival at our final destination all things, even the most damaged will be good. This remarkable perspective

helps us to view with awe the system the Creator has given us to develop and grow, and to gain certainty in the end of the journey. How will the process work? For this information, you'll want read the second essay, One Precept and experience for yourself the route to consciousness that Rav Ashlag so aptly charts out for us. As the handwriting of a righteous person contains spiritual energy, On World Peace includes copies of Rav Ashlag's original writings. The book is nothing less than a gift to humanity.

Scrolls of Love Peter S. Hawkins 2006 *Scrolls of Love* is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable

The White Goddess Robert Graves 2011-02-03 This labyrinthine and extraordinary book, first published more than fifty years ago, was the outcome of Graves's vast reading and curious research into strange territories of folklore, mythology, religion and magic. Erudite and impassioned, it is a scholar-poet's quest for the meaning of European myths, a polemic about the relations between man and woman, and also an intensely personal document in which Graves explored the sources of his own inspiration and, as he believed, all true poetry. This new edition has been prepared by Grevel Lindop, who has written an illuminating introduction. The text of the book incorporates all Graves's final revisions, as well as his replies to two of the

Ancient Power Of Kabbalah original reviewers, and a long essay in which he describes the months of inspiration in which *The White Goddess* was written.

Kabbalah, Magic, and the Great Work of Self-transformation Lyam Thomas Christopher 2006 Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness—a spiritual transformation that can serve as an antidote to the seeming banality of modern life. Based on Kabbalistic techniques, the teachings of the Hermetic Order of the Golden Dawn, and an Hermetic tradition spanning nearly two thousand years, this innovative new work introduces the history of the Golden Dawn and its mythology, the Tree of Life, Deities, demons, rules for practicing magic, and components of effective ritual. A comprehensive course of self-initiation using Israel Regardie's seminal *Golden Dawn* as a key reference point, *Kabbalah, Magic and the Great Work of Self-Transformation*

guides you through the levels of the Golden Dawn system of ritual magic. Each grade in this system corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals, required reading, written assignments, projects, and additional exercises. Knowledgeable and true to tradition, author Lyam Thomas Christopher presents a well-grounded and modern step-by-step program toward spiritual attainment, providing a lucid gateway toward a more awakened state. Finalist for the Coalition of Visionary Resources Award for Best Magick/Shamanism Book *The Essential Zohar* Rav P.S. Berg 2011-11-30 For thousands of years, no book has been more shrouded in mystery than the Zohar, yet no book offers us greater wisdom. The central text of Kabbalah, the Zohar is a commentary on the Bible's narratives, laws, and genealogies and a map of the spiritual landscape. In *The Essential Zohar*, the eminent kabbalist Rav P. S. Berg decodes its teachings on evil,

relationships, wealth and poverty, and other fundamental concerns from a practical, contemporary perspective. The Zohar and Kabbalah have traditionally been known as the world's most esoteric sources of spiritual knowledge, but Rav Berg has dedicated his life to making this concentrated distillation of infinite wisdom available to people of all faiths so that we may use its principles to live each day in harmony with the divine.

Brands of Faith Mara Einstein 2007-09-14 In a society overrun by commercial clutter, religion has become yet another product sold in the consumer marketplace, and faiths of all kinds must compete with a myriad of more entertaining and more convenient leisure activities. *Brands of Faith* argues that in order to compete effectively faiths have had to become brands - easily recognizable symbols and spokespeople with whom religious prospects can make immediate connections. Mara Einstein shows how

religious branding has expanded over the past twenty years to create a blended world of commerce and faith where the sacred becomes secular and the secular sacred. In a series of fascinating case studies of faith brands, she explores the significance of branded church courses, such as Alpha and The Purpose Driven Life, mega-churches, and the popularity of the televangelist Joel Olsteen and television presenter Oprah Winfrey, as well as the rise of Kabbalah. She asks what the consequences of this religious marketing will be, and outlines the possible results of religious commercialism - good and bad. Repackaging religion - updating music, creating teen-targeted bibles - is justifiable and necessary. However, when the content becomes obscured, religion may lose its unique selling proposition - the very ability to raise us above the market.

But Rav Ashlag, the founder of The Kabbalah Centre, was a visionary pioneer. He stood in the face of opposition and made it his mission to plead the case of studying this wisdom. In advance of World War II, he foresaw that darkness would fall upon the world. He believed that learning Kabbalah was the only way for people to reveal Light and that gathering people together in study and writing kabbalistic text would generate enough Light to transform darkness. Like a revolutionary, Rav Ashlag fought for people to unlock their consciousness. He dedicated himself to decoding the concealed messages within the Bible. Edited by Michael Berg, the goal of this essay was

to explore the study of Kabbalah. It was Ashlag's belief that this would enable people to find their true purpose and subsequently enjoy a life of fulfillment. As people were swept up in pain and suffering, Ashlag tried to explain that despite outer events, the Creator is good. "Choosing life" means challenging the sleepy way most people live. It means forming a connection to God, removing ego and pursuing the spiritual path of Kabbalah. *Kabbalah Secrets Christians Need to Know* Deanne M Loper 2019-04-23 We live in a time when false teachings are infiltrating Christian Theology at a rapid rate. This important book exposes one of the greatest threats to pure Biblical Christianity. Deanne Loper uncovers the deception by giving a detailed description of what Kabbalah is and equips believers to recognize it in its morphed form of Christianity. The evidence shows that the god of today's Babylonian and kabbalistic Judaism is NOT the God of the Bible and that the

current convergence of Christians coming under rabbinic authority will bring them, not to the one true God of the Bible, but to the subservience of the god of Kabbalah - Ein Sof - and to its hierarchy of gods. Origins of the Kabbalah Gershom Scholem 2019-02-26 With the publication of *The Origins of the Kabbalah* in 1950, one of the most important scholars of our century brought the obscure world of Jewish mysticism to a wider audience for the first time. A crucial work in the oeuvre of Gershom Scholem, this book details the beginnings of the Kabbalah in twelfth- and thirteenth-century southern France and Spain, showing its rich tradition of repeated attempts to achieve and portray direct experiences of God. *The Origins of the Kabbalah* is a contribution not only to the history of Jewish medieval mysticism, but also to the study of medieval mysticism in general. Sanctuary of the Divine

Presence J. Zohara Meyerhoff

Hieronimus 2012-03-26

Kabbalistic initiatory teachings for becoming a vessel for illumination, prophecy, and peace by creating an inner dwelling place for God's divine presence • Reveals practices for self mastery and revelation based on the holy design of the first Hebrew Sanctuary, the lives of the Hebrew Prophets, and the Tree of Life • Shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul Many synagogues and churches, including the First and Second Temples of the Hebrews, follow an archetypal design first used in the Ohel Moed, or Tent of Meeting, and its sacred Tabernacle, which housed the Ark of the Covenant and the Ten Commandments. Drawing from a wealth of sources

including the Hebrew Bible, the oral Mishnaic tradition of Judaism, and 16th-century Judaic texts, Zohara Hieronimus explains how, like the Ohel Moed, we are designed to receive and reflect the divine qualities of the Creator. Exploring the kabbalistic initiatory teachings within the Chassidic tradition of Judaism and the lives and writings of the Hebrew prophets, she reveals how our physical and spiritual worlds are not separate but interdependent, one affecting the other, often in unexpected and sometimes miraculous ways. Examining the ten-part system of Kabbalah's Tree of Life as reflected in the holy design of the Hebrews' first Sanctuary, Hieronimus shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul. Starting from Malchut (Kingdom) at the bottom of the Tree of Life and

ascending to Keter (Crown) at the top, the author discusses related biblical and scholarly texts and traditional Hebrew practices and teachings that can lead to spiritual enlightenment, illumination, and peace, allowing each of us to become a sanctuary for God's presence through self-refinement, ritual devotion, and prayer, as practiced since biblical times.

Huna Serge Kahili King
2008-11-18 The ancient wisdom of Hawai'i has been guarded for centuries -- handed down through lines of kinship to form the tradition of Huna. Dating back to the time before the first missionary presence arrived in the islands, the tradition of Huna is more than just a philosophy of living -- it is intertwined and deeply connected with every aspect of Hawaiian life. Blending ancient Hawaiian wisdom with modern practicality, Serge Kahili King imparts the philosophy behind the beliefs, history, and foundation of Huna. More important, King shows readers how to use Huna philosophy to

attain both material and spiritual goals. To those who practice Huna, there is a deep understanding about the true nature of life -- and the real meaning of personal power, intention, and belief. Through exploring the seven core principles around which the practice revolves, King passes onto readers a timeless and powerful wisdom.

Days of Power Philip S. Berg
2005-01-01 With the second volume of "Days of Power", Kabbalist Rav Berg continues his revelation of the secret energies of the holidays. This is vital information, and it has never been more urgently needed than it is today. For as the Rav makes clear, there is only one solution to the chaos that now besets the world. That solution is the wisdom of Kabbalah, and the powerful energies that become accessible to us at specific moments of the year. These moments are the holidays, each of which has unique power and purpose. Moreover, the power and purpose of the holidays are intended for everyone. Like

Kabbalah itself, the holidays transcend any religion or nationality. They are truly the shared birthright of all humankind. By bringing the power of the holidays into our lives, we can transform ourselves. Whats more, as greater and greater numbers of people achieve this transformation, pain, suffering and every form of chaos will literally be erased forever. Even death itself will cease to hold dominion. This is not a dream. It is not even a miracle as that word is usually understood. Rather, it is the true purpose of our existence. Far from being mere commemorations, the holidays are key tools for attaining that purpose, and "Days of Power" is a practical users manual for each and every holiday.

The Power of Kabbalah Yehuda Berg 2011-04 Familiar reality is the one percent material realm in which we live; there are other dimensions - the world beyond our five senses. According to Kabbalah, this is called the 99 percent realm. Everything we truly desire -

~~love, joy, peace of mind,~~
freedom - is of the ethereal nature found in the 99 percent realm. The problem is that most of us have inadvertently disconnected ourselves from this source. By learning how to maintain a connection to this higher source, we can vanish any form of chaos, personal struggle, and despair, and materialize a life of lasting fulfillment. This foundational text on Kabbalah features new content and is more accessible for meeting today's current challenges. The exercises included will help readers break free of prevalent beliefs and habits that lead to negativity. Readers will discover how to align their actions with their higher purpose and become conscious of the unlimited possibilities in their own life.

Fulfilled Dr. Anna Yusim
2017-06-27 Are you living the life you thought you always wanted but feel that something is still missing? Do you think you should be happier than you are, considering all that you have? Have you achieved your

Secret Unlock The Source Of Joy And Fulfillment With The Ancient Power Of Kabbalah

professional or personal goals but still feel racked with insecurities, anxiety, or depression . . . and can't figure out why? Psychiatrist Anna Yusim knows just how you feel. Not only has she struggled with these feelings herself, but she has also worked with patients upon patients who have expressed the same bewildering concern: they have everything they've always wanted, and yet deep down they don't feel fulfilled. Determined to help herself and her patients, Dr. Yusim spent more than fifteen years studying and conducting research and came to a startling conclusion: this lingering feeling of dissatisfaction coincides with spiritual neglect. Once she helped her patients address their spiritual and psychological needs, she saw radical improvements in their happiness levels and quality of life. Now science is catching up with her innovative approach to therapy as groundbreaking medical research and studies substantiate what Dr. Yusim

and many others have suspected for years: spirituality is a powerful path to healing. Drawing from the best in Western medicine, as well as teachings from Kabbalah, Buddhism, and shamanistic traditions, Dr. Yusim has developed a program that marries empirical science and spirituality to help you: Discover your life's true purpose Eliminate self-defeating patterns and roadblocks that are keeping you from living your most authentic life Understand the scientific underpinnings behind "answered prayers" and "random coincidences"-and why having faith in them can change your outlook for the better Appreciate how consciousness shapes your reality and how to harness this understanding to live a life of abundance. Filled with exercises, guided meditations, fascinating scientific research, and inspiring success stories, Fulfilled integrates the best of Western medicine with universal spiritual principles to help you find more meaning,

Kabbalah and the Power of Dreaming

Catherine Shainberg 2005-02-16 A dynamic exposition of the powerful, ancient Sephardic tradition of dreaming passed down from the renowned 13th-century kabbalist Isaac the Blind • Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness • Written by the close student of revered kabbalist Colette Aboulker-Muscat In Kabbalah and the Power of Dreaming Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind's transformative and intuitive powers. These are the practices used by ancient prophets, seers, and sages to control dreams and visions. Shainberg draws upon the ancient Sephardic Kabbalah tradition, as well as illustrative stories and myths from around the Mediterranean, to teach readers how to harness the intuitive power of their

Ancient Power Of Kabbalah dreaming. While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings, rarely has the path to becoming a conscious dreamer been articulated. Shainberg shows that dreaming is not something that merely takes place while sleeping--we are dreaming at every moment. By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness, we are able to achieve revolutionary consciousness. Her inner-vision exercises initiate creative and transformative images that generate the pathways to self-realization.

Becoming Like God Michael Berg 2011-04 New in paperback, from the best-selling author of The Way, comes a revolutionary method for becoming all powerful.
