The Secret of United Prayer Andrew Murray 2017-09-12 Part of the classic Secret Series devotionals, *The Secret of United Prayer* contains one month of daily selections on the power of united prayer. Murray expresses his desire that many would join the ranks of intercessors—those who pray continually, in unison, for the church of Christ and His kingdom on earth. He studies the “lost” secret of Pentecost: the sure promise that the power of the Holy Spirit will be given in answer to fervent prayer.

The Belief Formula Pete Koerner 2007-10 *The Belief Formula: The Secret to Unlocking the Power of Prayer* is an amazing look at the role of the human mind, thought patterns, and the very real power of belief, in the creation process - a continuous process which produces every single moment of your life "according to your thoughts." Most of us grew up being told what to think, believe, and do, but not how to think and believe. *The Belief Formula* will teach you how you can live the life of your dreams, and how to find what you seek in life. *The Belief Formula* makes practical sense out of ancient principles, and demonstrates how the latest medical and scientific research offers clinical evidence that our thoughts create our physiology, and every part of our existence. Most people are not aware that there is more than one way to think, and that they unconsciously spend most of the day operating in the least effective part of their brain.

15 Secrets of Prayer Warriors Robert A. Avila 2021-11-17 Prayer is a key interface with God. "Many Christians will not pray for a fish. They think the matter is too small for prayer. They think prayer is for conquering attacks from spirits of cancer, tuberculosis, and death. They use prayer at the big moments, but not the small. Christians turn to God during major life trials. And, they should. However, they should also turn to God for things considered minor or inconsequential. Nothing is too big or too small for God." Do you want to pray and make a difference? If you want to see greater results from your prayers, this book is for you. Not every prayer is equal. Why do some prayers have bigger impact than others? Here are 15 secrets that empower prayers of all types, from new understandings to salvation of loved ones. Veteran prayer warriors learn prayer magnification techniques from scripture and from the Holy Spirit. They learn, too, from trial and error. The “secrets” in this book are proven. Following the methods in this book, you will make breakthroughs in becoming a prayer warrior, develop effective prayer habits, and recognize when spiritual warfare is taking place, and respond to win. Many testimonies of these techniques are included. These prayer secrets are used by pastors, mothers, soldiers, and people in all walks of life. Bonus book: A vision, 'How to Draw Near to God.' Whether you are a new Christian or a longtime saint, the same power that raised Christ from the dead is at work in you. Through that power, you can live with holy confidence that God wants to bless you and use you to bless others in a powerful way. Andrew Murray's teachings will help you leave your past failures behind and move into the realm of victory! This powerful collection of classic books will equip you with the power and authority that belongs to believers in Christ. As a child of God, you have an abundant inheritance. Claim it now! Andrew Murray (1828-1917) was an amazingly prolific Christian writer. He lived and ministered as both a pastor and author from the towns and villages of South Africa. Some of Murray's earliest writings were written to provide nurture and guidance to Christians, whether young or old in the faith; they were actually an extension of his pastoral work. Once books such as *Abide in Christ*, *Like Christ*, and *With Christ in the School of Prayer* were written, Murray became widely known, and new books from his pen were awaited with great eagerness throughout the world. He wrote to give daily practical help to many of the people in his congregation who

lived out in the farming communities and could only come into town for church services on rare occasions. As he wrote these books of instruction, Murray adopted the practice of placing many of his more devotional books into thirty-one separate readings to correspond with the days of the month. At the age of seventy-eight, Murray resigned from the pastorate and devoted most of his time to his manuscripts. He continued to write profusely, moving from one book to the next with an intensity of purpose and a zeal that few men of God have ever equaled. He often said of himself, rather humorously, that he was like a hen about to hatch an egg; he was restless and unhappy until he got the burden of the message off his mind. During these later years, after hearing of pocket-sized paperbacks, Andrew Murray immediately began to write books to be published in that fashion. He thought it was a splendid way to have the teachings of the Christian life at your fingertips, where they could be carried around and read at any time of the day. One source has said of Andrew Murray that his prolific style possesses the strength and eloquence that are born of deep earnestness and a sense of the solemnity of the issues of the Christian life. Nearly every page reveals an intensity of purpose and appeal that stirs men to the depths of their souls. Murray moves the emotions, searches the conscience, and reveals the sins and shortcomings of many of us with a love and hope born out of an intimate knowledge of the mercy and faithfulness of God. For Andrew Murray prayer was considered our personal home base from which we live our Christian lives and extend ourselves to others. During his later years, the vital necessity of unceasing prayer in the spiritual life came to the forefront of Andrew Murray's teachings. It was then that he revealed the secret treasures of his heart concerning a life of persistent and believing prayer. Countless persons the world over have hailed Andrew Murray as their spiritual father and given credit for much of their Christian growth to the influence of his priceless devotional books.

The Kneeling Christian (Updated) Albert Richardson 2015-12-01 Why are many Christians often defeated? Because they pray so little. Why do most Christians see so few brought out of darkness to light by their ministry? Because they pray so little. Why are our churches simply not on fire for God? Because there is so little real prayer. We may be assured of this: The secret of all failure is our failure in secret prayer. This book explores, in depth: · * God's wonder at our lack of prayer · * God's incredible promises concerning those who do pray · * God's condition for providing signs · * God's desire for earnest prayer · * God's perspective on hindrances to prayer The Lord Jesus is as powerful today as ever before. The Lord Jesus is as anxious for men to be saved as ever before. His arm is not shortened that it cannot save, but He does not stretch forth His arm unless we pray more - and more genuinely. Prayer, real prayer, is the noblest, the sublimest, and the most stupendous act that any creature of God can perform. Lord, teach us how to pray.

Secret Power: The Secret of Success in Christian Life and Work D.L. Moody 2015-06-17 One man may have "zeal without knowledge," while another may have knowledge without zeal. If I could have only the one, I believe I should choose the first; but, with an open Bible, no one need be without knowledge of God's will and purpose; and the object of this book is to help others to know the source of true power, that both their zeal and their knowledge may be of increased service in the Master's work. Paul says, "all Scripture is given by inspiration of God, and is profitable;" but I believe one portion, and that the subject of this book, has been too much overlooked, as though it were not practical, and the result is lack of power in testimony and work. If we would work, "not as one that beateth the air," but to some definite purpose, we must have this power from on high. Without this power, our work will be drudgery. With it, it becomes a joyful task, a refreshing service. May God make this book a blessing to many. This is my prayer. D. L. MOODY.

With these words, the mystic St. Francis described what ancient traditions believed was the most powerful force in the universe—the power of prayer. In the 1990s, he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest. In this book, Braden describes this ancient form of prayer that has no words or outward expressions. Then, for the first time in print, he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through case histories and personal accounts, Braden explores the wisdom of these timeless secrets, and the power that awaits each of us . . . just beyond our deepest hurt!
