Becoming a Woman of Discretion Nancy Leigh DeMoss 2001-01-01 No woman sets out to tear down her home. But it happens in many subtle ways -- with our attitudes, our words, and our actions. Walk verse-by-verse through Proverbs 7 to discover specific characteristics of the foolish woman. A series of penetrating questions is included, to help identify ways that we as women may unknowingly be "tearing down" the lives of those around us. This message provides practical counsel to Christian women and their daughters-- instruction that is greatly needed in our generation.

Suffering and the Sovereignty of God John Piper 2006-09-13 In the last few years, 9/11, a tsunami, Hurricane Katrina, and many other tragedies have shown us that the vision of God in today's churches in relation to evil and suffering is often frivolous. Against the overwhelming weight and seriousness of the Bible, many Christians are choosing to become more shallow, more entertainment-oriented, and therefore irrelevant in the face of massive suffering. In *Suffering and the Sovereignty of God*, contributors John Piper, Joni Eareckson Tada, Steve Saint, Carl Ellis, David Powlison, Dustin Shramek, and Mark Talbot explore the many categories of God's sovereignty as evidenced in his Word. They urge readers to look to Christ, even in suffering, to find the greatest confidence, deepest comfort, and sweetest fellowship they have ever known.

Loving Homosexuals as Jesus Would Chad W. Thompson 2004-11-01 Chances are you know someone who is gay--a coworker, family member, or friend. And chances are, as a Christian, you're not exactly sure how to relate to this person. While the church has been pretty good at "hating the sin," it hasn't really known how to "love the sinner" without fear of condoning a homosexual lifestyle. Chad Thompson, a man who has struggled with homosexual feelings, argues that "homosexuality needs to be solved through relationships." Drawing from the life and words of Jesus, Thompson gives readers permission to love and befriend homosexuals before they change--and radically, even if they never change--their sexual orientation. This candid book includes an appendix of additional resources. It will be a valuable tool for pastors, teachers, counselors, and any Christian who knows someone who is gay.

Our kids beg us for stories at bedtime or while we drive; we gather around firepits and dinner tables to tell and retell our favorite tales—the more dramatic the better. But when it comes to our actual lives, we prefer something less sensational, even boring—sunny skies and smooth sailing, please and thank you. We want our own stories to be predictable, safe, controllable, and catastrophe-free. When plans fall apart, jobs are lost, kids wander off, doctors give bad reports, we often wonder, "What are you doing, God? Are you sure you have this under control? It doesn't really seem like it right now." God is the master Storyteller. He's writing your story and it's a part of His bigger, grander, eternal Story. But we're still in the middle. We haven't gotten to the happy ending yet, and it can be hard to trust Him in the thick of our struggles. That's why Robert and Nancy share their own story, friends' stories, and the stories of people in the Bible who have faced life-altering challenges, but, in the end, have found God to be faithful. Learn why you really can trust God to write your story—no matter what plot twists you may encounter along the way. "This is a unique and charming book, integrating stories of God's providence from His people and His Word. Nancy and Robert write personally and beautifully, infusing readers with a Christ-centered vision, hope, and trust for the future." -Randy Alcorn, author of *Heaven, Giving is the Good Life, and Deception* "You Can Trust God to Write Your Story is an amazing book whose title says it all. For if you are a follower of Jesus, every day of your life—whether you feel like it or not—is weighted with kingdom purpose, eternal significance, and a royal destiny filled with joy and contentment. Let my dear friends, Robert and Nancy, help you embrace the mysteries of the Lord's Providence. For when it comes to happy endings, you can't find a better Author than the God of the Bible. Happy endings are His forte—turn the page, trust Him, and

discover it for yourself." -Joni Eareckson Tada, Joni and Friends International Disability Center

Steps to Personal Revival Helmut HAUBEIL 2020-03-17 On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

The God Catchers Tommy Tenney 2002-10-06 Why do some believers experience genuine, life-changing, personal revival while others don't? In The God Catchers, the sequel to the phenomenal The God Chasers, Tommy explains the difference: "God in a sense plays hide and seek. But like a loving parent, He always makes sure He can be found by those who take the time to look." Simply put, those who earnestly seek God rather than wait for something to happen find Him. Full of biblical and contemporary accounts of believers who chased God and caught Him, The God Catchers will motivate readers to discover the joy of finding God

and having a loving relationship with Him.

The Joy of the Gospel Pope Francis 2014-10-07 The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

Holiness Nancy DeMoss Wolgemuth 2008-09-01 How important is holiness to you? How much thought, attention, and effort do you devote to the pursuit of holiness? Is it your priority and mission to be holy? Nancy Leigh DeMoss teaches that we must make it our constant, conscious ambition to be holy. Just as an athlete sets his sight on winning an Olympic gold medal, so we as believers must focus on the pursuit of holiness. And the reward that awaits us brings a depth of joy that far outweighs a fading gold medal; it is the humble pleasure of hearing the Father say, "Well done, good and faithful servant." Do you long for an authentic faith? Are you eager to know your heavenly Father in a more intimate way? Read Holiness and learn how to say 'no' to corruption and 'yes' to grace. Holiness is the third book in The Revive Our Hearts Series, which has sold well over 240,000 copies. All three include study questions at the end of each chapter, making them ideal for personal or small group study.

True Woman 101: Divine Design Mary A Kassian 2012-03-01 What does it mean to be a woman? The current cultural ideal for womanhood encourages women to be strident, sexual, self-centered, independent -- and above all -- powerful and in control. But sadly, this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women! Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, on-line videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book The goal of the True Woman publishing line is to encourage women to: Discover, embrace, and delight in God's divine design and mission for their lives Reflect the beauty and heart of Jesus Christ to their world Intentionally pass the baton of Truth on to the next generation Pray earnestly for an outpouring of God's Spirit in their

families, churches, nation and world

Your ministry is perfectly designed to produce the results you are currently experiencing. If you are satisfied with those results, you don't need this book. If not, it's time for a change. Like your own personal trainer, 7 Practices of Effective Ministry is an insightful guide for any leader who yearns for a simpler, more effective approach to ministry. Here are seven strategic principles that when put into play will bring focus and clarity to everything you do and turn your ministry into a winning team. Story Behind the Book Looking for ways to help pastors faced with hectic lives and depleted resources, Andy Stanley, Reggie Joiner, and Lane Jones decided to write a parable about the complicated life of a local pastor. Rather than come straight at those in ministry with formulas and lists, they engage readers in an effort to have them identify with the character. "For many years, I practiced and taught church growth. What I have witnessed as a member at North Point takes church growth to a whole new level. Andy and his team communicate principles that will add value to you and the church you love." -John C. Maxwell, founder, The INJOY Group "Every professional athlete recognizes the value of solid coaching. The best are always working to get better. From what I've seen at North Point, these seven practices can improve the game of any church in America." -John Smoltz, Cy Young Award-winning pitcher "The practices covered in this book are down-to-earth, practical, and come from real difference-makers who know what church leadership is all about. The Expulsive Power of a New Affection Thomas Chalmers

2015-06-17 "Love not the world, neither the things that are in the world. If any man loves the world, the love of the Father is not in him." — 1 John 2:15 Those who struggle with habitual sin are keenly aware of the despair and fatigue that comes from trying harder and harder to control the desire to do what is wrong in the eyes of God. For this person, there be times of limited success in overcoming sin, but eventually he/she falls back again into unhealthy patterns. In "The Expulsive Power of a New Affection", Thomas Chalmers argues that no matter how hard we may try, we'll never overcome habitual sin in our lives unless we switch our affections from the world to Jesus Christ. Thankfully Christ loved us first and is more than willing to set us free if we'd only realize the true Gospel power that we can all have in our lives today.

Life-Study of Psalms Witness Lee 1984-05-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing

Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.
