Prophecy and Politics Grace Halsell 1989

The Emperor and the Spy Stan Katz 2015-10-29

The Secret Alliance Tad Szulc 2015-05-27 THE SECRET ALLIANCE is the story of the rescue of more than two million Jews from Eastern Europe, North Africa, and the Middle East since World War II. It is the dramatic--and largely unknown--account of the numerous "exoduses" made possible by a remarkable clandestine alliance initiated from Palestine by Shaul Avigur, the mysterious chief of the original Mossad, and Joseph J. Schwartz, the imaginative leader of the American Jewish Joint Distribution Committee. THE SECRET ALLIANCE reveals the vast covert intelligence-and-rescue network the Joint financed and the Mossad set in motion to organize immigration operations which led, argues Tad Szulc, to the birth of the State of Israel.

Our Secret Alliance (Classic Reprint) Cornelia Steketee Hulst 2018-01-17 Excerpt from Our Secret Alliance It would seem that the many books and articles thus far published on the European war of 1914 must have told the whole story, but certain events that have impressed themselves upon me seem not to have been traced in any, and so I feel constrained to point them out, especially because the evidence that I shall present from Boer sources has never been published so far as I know, and should be laid before the jury of the nation and historians that will render final verdict upon this case. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. The Fifth World Peter J. Flores 2018-09-26 The saga of the Class of 05 intensifies when they emerge from the sanctuary of the Cave. Entering a beautiful green forest that did not exist the night before, they once again encounter survivalists who are hell bent on eating them. They must struggle to survive in this new world that is full of danger and unwanted guests and ultimately solve the mystery of how they got there. Little do they realize their survival may depend on aliens whom the government has entered into a secret alliance. But, will they be betrayed by them in their quest to discover The Fifth World.

Secret Alliance Jim Krueger 2008 Having entered Argon Falls, Hana meets her spoiler and grieves for people suffering under oppression. The time arrives to employ her skills and the Spirit Sword as she and Tomo pursue deadly assassins returning to earth to remove the source of protective prayer. As the struggle against evil and oppression continues in book five, Hana learns that, because of the power of prayer, not all warriors fight with fists and swords.

Secret Alliance Jørgen Hæstrup 1976

The Unspoken Alliance Sasha Polakow-Suransky 2010-05-25 A revealing account of how Israel's booming arms industry and apartheid South Africa's international isolation led to a secretive military partnership between two seemingly unlikely allies. Prior to the Six-Day War, Israel was a darling of the international left: socialist idealists like David Ben-Gurion and Golda Meir vocally opposed apartheid and built alliances with black leaders in newly independent African nations. South Africa, for its part, was controlled by a regime of Afrikaner nationalists who had enthusiastically supported Hitler during World War II. But after Israel's occupation of Palestinian territories in 1967, the country found itself estranged from former allies and threatened anew by old enemies. As both states became international pariahs, their covert military relationship blossomed: they exchanged billions of dollars' worth of

extremely sensitive material, including nuclear technology, boosting Israel's sagging economy and strengthening the beleaguered apartheid regime. By the time the right-wing Likud Party came to power in 1977, Israel had all but abandoned the moralism of its founders in favor of close and lucrative ties with South Africa. For nearly twenty years, Israel denied these ties, claiming that it opposed apartheid on moral and religious grounds even as it secretly supplied the arsenal of a white supremacist government. Sasha Polakow-Suransky reveals the previously classified details of countless arms deals conducted behind the backs of Israel's own diplomatic corps and in violation of a United Nations arms embargo. Based on extensive archival research and exclusive interviews with former generals and high-level government officials in both countries, The Unspoken Alliance tells a troubling story of Cold War paranoia, moral compromises, and Israel's estrangement from the left. It is essential reading for anyone interested in Israel's history and its future.

The Secret Science Alliance and the Copycat Crook Eleanor Davis 2011-07-20 Super-smart Julian Calendar thinks starting junior high at a new school will mean he can shed his nerdy image-but then he meets Ben and Greta, two secret scientists like himself! The three form a secret club, complete with a high-tech lair. There, they can work to their hearts content on projects like the Stink-O-Meter, the Kablovsky Copter, and the Nightsneak Goggles. All that tinkering comes in handy when the trio discovers an evil scientist's dastardly plan to rob a museum. Can three inventors, armed with their wacky creations, hope to defeat this criminal mastermind?

Secret Alliance Jørgen Hæstrup 1976

The Templar Pirates Ernesto Frers 2007-01-31 The maritime history of the Knights Templar following the Church's attempt to expunge them in southern France • Shows that the pirates of legend originated with the Knights Templar's secret navy • Reveals the Templars' secret objective to establish a new universal order based on spirituality, wisdom, and individualism--the New Jerusalem • Examines the secret history of the Templars' influence in international politics When the Vatican condemned the Order of the Temple in 1312, many of those who escaped took to the sea. Their immediate objective was to take revenge on the Church. Recent discoveries confirm that ships of the Templar fleet that went missing at La Rochelle later reappeared--first in the Mediterranean and later in the Atlantic and Caribbean--to menace the Church's maritime commerce. These Templar vessels often flew the famed Jolly Roger, which took its name from King Roger II of Sicily, a famed Templar who, during a public spat with the Pope in 1127, was the first to fly this flag. Opportunistic buccaneers were quick to see that vast wealth could be gained in pursuing the Templars' harassment of the Pope's interests on the high seas, and they spread a reign of terror across the shipping lanes of the New World. Some unaffiliated pirates, in admiration of the Templar egalitarian ideals, even formed their own secret societies, and together with the Templars were part of the ferment that gave rise to independence movements in France and the New World and contributed to the growth of Freemasonry. The Templar Pirates is the story of the birth and actual conduct of piracy on the seas of the New World and of the influence the Templars had on their constituents, and, by their wealth, on the governments of nations old and new.

The Fifth World Peter J. Flores 2017-05-21 The saga of the Class of 05 intensifies when they emerge from the sanctuary of the Cave. Hitler and the Secret Alliance Harry Cooper 2014-09-22 Almost everyone has been exposed to some aspects of World War I and II Germany and probably to a lesser extent, South America. However, only a few have delved deeply into the history of southern South America specifically Argentina. For example, the presence of German nationals and representatives of the German government in South America has always been more or less obvious to the public. The extent of this presence in terms of land ownership, businesses and manufacturing enterprises and the influence on countries like Argentina will amaze even the knowledgeable reader.

Sherlock Holmes and the Secret Alliance Larry Millett 2013-11-30 As the city of Minneapolis prepares for a visit from President William McKinley, someone else prepares for murder. On the day before the visit, a union activist is found hanged, naked, outside a ruined mansion. A placard around his neck reads "THE SECRET ALLIANCE HAS SPOKEN." Who is the alliance? What does it want? How was the victim involved with the city's corrupt mayor? And why did he possess a photograph of a prominent citizen in a compromising position? Shadwell Rafferty searches for answers, encountering bribery, corruption, union organizers, anarchists, and conspiracy, putting himself in danger. But as luck would have it, his old friends Sherlock Holmes and Dr. John H. Watson are on their way. In this fourth installment of Larry Millett's Minnesota Mystery series, Shadwell Rafferty commands center stage in a brand-new city. Packed with Millett's signature historical and architectural detail, this book is deviously delightful.

Secret Alliance Jørgen Hæstrup 1977

The Dunder Mifflin Mastermind Bennett Lane 2023-05-09 "The Dunder Mifflin Mastermind: How to Create a Secret Alliance" is a hilariously insightful and practical guidebook that takes inspiration from the beloved TV show "The Office" to provide readers with a unique perspective on workplace dynamics. In this entertaining and informative book, readers will embark on a journey through the intricacies of forming and maintaining a secret alliance within their own workplace. With witty anecdotes, relatable stories, and clever references to "The Office," this book offers a lighthearted approach to tackling the challenges of office life. The author skillfully weaves together humor and practical advice to guide readers on a quest for adventure, collaboration, and the thrill of covert operations. Throughout the book's fifteen chapters, readers will discover the power of secret alliances in transforming the drudgery of office routines into exciting endeavors. From building trust within the alliance to strategizing mischievous pranks, from mastering stealth and subtlety to navigating the fine line between chaos and productivity, each chapter delves into a different aspect of alliance creation. With detailed instructions, humorous anecdotes, and relatable scenarios, readers will learn how to identify potential alliance members, communicate using secret codes, create distractions, and even plan a secret office retreat. The book provides practical tips and tricks for managing office politics, dealing with snitches, and inspiring loyalty among alliance members. "The Dunder Mifflin Mastermind" is not only an enjoyable read but also a valuable resource for anyone seeking to inject a sense of adventure, camaraderie, and excitement into their work life. It emphasizes the importance of collaboration, trust, and creativity in building successful alliances while offering valuable insights into navigating the complexities of the modern workplace. Whether you're a fan of "The Office" or simply looking for a fresh and engaging approach to improving your work experience, this book is sure to delight and inspire. So grab your copy, unleash your inner mastermind, and embark on an unforgettable journey through the world of secret alliances, laughter, and unexpected surprises. Get ready to revolutionize your workplace and create a little mischief along the way!

TOMO: VOLUME 5: SECRET ALLIANCE. JIM. KRUEGER 2008

The Secret Alliance Tad Szulc 1993 The true story of how nearly three million Jews have been rescued from all over the world by undercover operations since World War II. The Hebrew Immigration Service repeatedly succeeded in penetrating Eastern European and Arab governments to arrange for the legal - and often illegal - departure of Jews through bribery, co-option and any other conceivable means. Recently, and for the first time, the Hebrew Immigration Service has opened these unseen files and records and made all surviving operatives available to the author of Secret Alliance, The Winds of Revolution, The Illusion of Peace and Fidel: A Critical Portrait

Secret Alliance Jørgen Hæstrup 1976

The Emperor and the Spy Stan S. Katz 2015-08-10 Welcome to the intriguing world of an adventurous American Intelligence Agent, Colonel Sidney Forrester Mashbir (1891-1973), who spent the 1920s and 1930s in alliance with the Japanese Royal Family and other top leaders of Japan. Together, they made a valiant effort to prevent war between their nations. In this thrilling saga, we explore the life of Mashbir, a real-life James Bond, a master spy, who pioneered the beginning of the CIA. He utilized secret diplomacy and dangerous missions to shape world events. His long career began in the early 1900s, continuing into the Atomic Age Mashbir so embraced the Japanese language and customs, that he came to regard himself as a samurai in spirit. Through his dedication to understanding the Japanese culture, Mashbir achieved a closer intimacy with Emperor Hirohito than any Westerner. In spite of Mashbir and his Japanese allies' courageous, peace-keeping efforts, World War II erupted. Mashbir was then forced to take a pivotal role in defeating Japan, a nation and its people whom he had so befriended. In 2010, sixty-five years after the end of World War II, President Barack Obama awarded the Congressional Gold Medal, the nation's highest civilian honor, to the thousands of mainly Nisei, Japanese Americans, who had served under Colonel Mashbir's command in a top secret intelligence organization called A.T.I.S. This award was given in recognition of their major contributions to winning that conflict. The Emperor and the Spy, is based on the author's acquisition of Colonel Mashbir's never-before-revealed intimate letters, secret official documents, and photographs. It is a rare occasion when the personal papers of a spy come to light These primary source materials, along with other diverse historical archives were extensively researched. This was combined with interviews with Mashbir's family, giving a window to an exciting untold story . . . The goal of this historical novel is to create an exciting and dramatic representation of the time period. To better achieve this, significant events and individuals have been included, who may or may not have been directly involved with Mashbir. To learn more, please visit www.TheEmperorAndTheSpy.com to explore an Illustrated Timeline Gallery, which displays many of these fascinating historical documents, photographs, and the related research that inspired the novel.

The Secret Alliance Michael Ivinheim 2011-03 This book tells of the century-old secret alliance between Germany and Argentina.

The Squad Michael Milan 1989-01-01

The Squad Michael Milan 1989 The author tells the blood-curdling story of his own active involvement in an assassination squad set up by covert government operatives to execute those Nazi war criminals whose arrest and trial would have been too messy for the U.S. government. Milan reveals that this execution squad worked with organized crime figures to get the job done.

Secret Alliance ... Vol. 2 Jørgen Hæstrup 1976

Our Secret Alliance Cornelia Steketee Hulst 1917

The Squad Donald William Cox 1989

A Bazaar Life David Alliance 2015-02-05 At the age of thirteen, David Alliance was taken out of school by his father and apprenticed into the Grand Bazaar in Tehran, where he learned the business skills that were to prove invaluable in one of the most successful business careers of modern times. In 1950, with just \$14 in his pocket, he arrived in Manchester in search of textile bargains, going hungry and sometimes forced to sleep on the street. Six years later, however, when he was still only twenty-four, he bought a loss-making textile mill, turned it around in six months and went on to build the biggest textile company in the Western world. At one stage his businesses, including his mail-order company, N Brown Group, employed more than 80,000 people. He did it through a mixture of incredibly hard work, creativity and nerve, and

some of his takeovers, often of companies many times larger than his own, were breathtaking in their ingenuity. No obstacle was unscalable - his guiding principle all his life was that everything is achievable 'if you put your heart and soul into it'. Humble, charming and delightfully honest, Alliance's extraordinary rags-to-riches tale is not only that of a remarkable journey, but goes far beyond the world of business. Among many stories which have until now remained secret, Alliance tells of how he used the skills he learned in the bazaar to negotiate with the dictator Mengistu Haile Mariam to allow the Ethiopian Jews to be airlifted to Israel, his friendship with the Shah of Iran and the first-hand insight into the infamous Guinness affair. In *A Bazaar Life*, written with Ivan Fallon, he sets out the lessons he has learned in a long career, and the principles that have guided him. Young - and older - entrepreneurs can learn a lot from his story.

Subversives Seth Rosenfeld 2012-08-21 *Subversives* traces the FBI's secret involvement with three iconic figures at Berkeley during the 1960s: the ambitious neophyte politician Ronald Reagan, the fierce but fragile radical Mario Savio, and the liberal university president Clark Kerr. Through these converging narratives, the award-winning investigative reporter Seth Rosenfeld tells a dramatic and disturbing story of FBI surveillance, illegal break-ins, infiltration, planted news stories, poison-pen letters, and secret detention lists. He reveals how the FBI's covert operations—led by Reagan's friend J. Edgar Hoover—helped ignite an era of protest, undermine the Democrats, and benefit Reagan personally and politically. At the same time, he vividly evokes the life of Berkeley in the early sixties—and shows how the university community, a site of the forward-looking idealism of the period, became a battleground in an epic struggle between the government and free citizens. The FBI spent more than \$1 million trying to block the release of the secret files on which *Subversives* is based, but Rosenfeld compelled the bureau to release more than 250,000 pages, providing an extraordinary view of what the government was up to during a turning point in our nation's history. Part history, part biography, and part police procedural, *Subversives* reads like a true-crime mystery as it provides a fresh look at the legacy of the sixties, sheds new light on one of America's most popular presidents, and tells a cautionary tale about the dangers of secrecy and unchecked power.

The Squad Michael Milan 2021-03-31 Forty years ago, FBI chief J. Edgar Hoover recruited a band of professional killers for his private execution squad. He found them in organized crime families, the armed forces, and in other intelligence services. He called them the Unknowns, and they did jobs so dirty even the CIA was afraid of them. Now, for the first time anywhere, Mike Milan, a member of the Squad, tells the true story of Hoover's private war. Milan, who made his bones for the Lucchese Family on New York's Lower East Side, served in the OSS during World War II, executed ex-Nazis and Soviet KGB agents after the war, and conducted one of Hoover's deep-cover counter-intelligence program inside the Ku Klux Klan. He wiped out a KGB spy ring in New Orleans, supplied gold for the US government's secret war in Southeast Asia, and was part of a hit team that mopped up "embarrassing" witnesses to the JFK assassination in Dallas. For over forty years Mike Milan led a double life, walking the tightrope between the Department of Justice and organized crime families. The Squad is his true story. Fascinating and frightening, *The Squad* reveals: The masterminds behind the Kennedy Assassination coverup. J. Edgar Hoover's friendship with Meyer Lansky and Frank Costello. The desperate World War II collaboration between Governor Thomas E. Dewey of New York, General "Wild Bill Donovan" of the OSS, and the infamous Lucky Luciano. Hoover's private war against the CIA. Hoover's counter-intelligence program against Phillip and Daniel Berrigan. The secret assassination plot against President Gerald Ford. *The Squad* is a must-read for fans of conspiracy thrillers and for people who want the truth about the US government's most secret intelligence operations.

Mafia Allies Timothy Newark 2007 How the rise and ultimate defeat of Fascism in Italy affected the Mafia—a provocative and little-known chapter in the history of WWII, and of organized crime.

Secret Alliance Jørgen Hæstrup 1976

Secret Alliances Tony Insall 2021-04-08 Europe, 1940. Nazi forces sweep across the continent, with a British invasion likely only weeks away. Never before has a resistance movement been so crucial to the war effort. In this definitive appraisal of Anglo-Norwegian cooperation in the Second World War, Tony Insall reveals how some of the most striking successes of the Norwegian resistance were the reports produced by the heroic SIS agents living in the country's desolate wilderness. Their coast-watching intelligence highlighted the movements of the German fleet

and led to counter-strikes which sank many enemy ships - most notably the Tirpitz in November 1944. Using previously unpublished archival material from London, Oslo and Moscow, Insall explores how SIS and SOE worked effectively with their Norwegian counterparts to produce some of the most remarkable achievements of the Second World War.

Secret Alliance 2010-03-16 Having entered Argon Falls, Hana meets her spoiler and grieves for people suffering under oppression. The time arrives to employ her skills and the Spirit Sword as she and Tomo pursue deadly assassins returning to earth to remove the source of protective prayer. As the struggle against evil and oppression continues in book five, Hana learns that, because of the power of prayer, not all warriors fight with fists and swords.

Alliance of Enemies Agostino von Hassell 2013-12-10 *Alliance of Enemies* tells the thrilling history of the secret World War II relationship between Nazi Germany's espionage service, the Abwehr, and the American OSS, predecessor of the CIA. The actors in this great as-yet-untold story were often at odds with their respective governments. Working in the face of competing ideologies and at great personal risk, these unorthodox collaborators struggled to bring about an early peace. By mining secret World War II files that were only recently declassified, as well as personal interviews, diaries, and previously unpublished accounts to unearth some of history's surprises, Agostino von Hassell and Sigrid MacRae shed new light on Franklin Roosevelt's surprising stance toward Hitler before the U.S. entered the war, and on the relationship of American business to the Third Reich. They offer vivid details on the German resistance's desperate efforts to at first avert war and then to make common cause with enemy representatives to end it. And their work details the scope and depth of German resistance and its many plots to eliminate Hitler and why they failed. New names and incredible wartime plots reveal the titanic power struggles that took place in Istanbul and Lisbon—cities crawling with spies. Intense, clandestine communications and spy rings come clear, as do the self-serving neutrality of Switzerland and Portugal and the shocking postwar scramble for German spies, scientists, and more, all to aid in the fight against a new enemy: communism. *Alliance of Enemies* fills a huge void in our knowledge of the hidden, layered warfare—and the attempts for peace—of World War II. It will fascinate and excite historians, spy and policy enthusiasts, and anyone concerned with the uses of intelligence in trying times. Nowhere has such a complete and provocative history of the wars behind World War II been told—until now.

Sherlock Holmes and the Secret Alliance Larry Millett 2013-11-30 As the city of Minneapolis prepares for a visit from President William McKinley, someone else prepares for murder. On the day before the visit, a union activist is found hanged, naked, outside a ruined mansion. A placard around his neck reads "THE SECRET ALLIANCE HAS SPOKEN." Who is the alliance? What does it want? How was the victim involved with the city's corrupt mayor? And why did he possess a photograph of a prominent citizen in a compromising position? Shadwell Rafferty searches for answers, encountering bribery, corruption, union organizers, anarchists, and conspiracy, putting himself in danger. But as luck would have it, his old friends Sherlock Holmes and Dr. John H. Watson are on their way. In this fourth installment of Larry Millett's Minnesota Mystery series, Shadwell Rafferty commands center stage in a brand-new city. Packed with Millett's signature historical and architectural detail, this book is deviously delightful.

The US Navy's Secret Space Program and Nordic Extraterrestrial Alliance Michael Salla 2017-02-28 The Los Angeles Air Raid on February 24/25, 1942 opened an unprecedented chapter in the evolution of the U.S. Navy. In response to this incident, a covert research program to investigate the feasibility of exotic antigravity propulsion technologies was developed. In addition, Navy operatives were embedded in Nazi occupied Europe to learn about the Germans' advanced flying saucer programs, and they discovered the Nazis were receiving assistance from two extraterrestrial groups with very different agendas. The debriefing of the operatives took place at Naval Air Station, San Diego, led by Rear Admiral Rico Botta. He instructed a -Disseminator of Naval Research and Information-, William Tompkins, to take confidential briefing packets to select think tanks, corporations and university departments around the country. Later, Tompkins worked with a number of leading aerospace companies to design massive spacecraft for a secret U.S. Navy space program, and was fatefully assisted by extraterrestrial visitors described as -Nordics-. An extensive number of documents substantiate Tompkins' claims of the existence of a covert Navy program created to study, design and build deep space battle groups. They became operational in the 1980's. Now the Navy has a new goal to enact a plan to level the

universal playing field, and the election of President Donald Trump may just be the wild card they needed to reveal ... everything!

Treacherous Alliance Trita Parsi 2007-10-01 This award-winning study traces the shifting relations between Israel, Iran, and the U.S. since 1948—including secret alliances and treacherous acts. Vitriolic exchanges between the leaders of Iran and Israel are a disturbingly common feature of the news cycle. But the real roots of their enmity mystify Washington policymakers, leaving no promising pathways to stability. In *Treacherous Alliance*, U.S. foreign policy expert Trita Parsi untangles to complex and often duplicitous relationship among Israel, Iran, and the United States from 1948 to the present. In the process, he reveals shocking details of unsavory political maneuverings that have undermined Middle Eastern peace and disrupted U.S. foreign policy initiatives in the region. Parsi draws on his unique access to senior American, Iranian, and Israeli decision makers to present behind-the-scenes revelations that will surprise even the most knowledgeable readers: Iran's prime minister asks Israel to assassinate Khomeini; Israel reaches out to Saddam Hussein after the Gulf War; the United States foils Iran's plan to withdraw support from Hamas and Hezbollah; and more. *Treacherous Alliance* not only revises our understanding of the recent past, it also spells out a course for the future. An Arthur Ross Book Award Silver Medal Winner A Choice Magazine Outstanding Academic Title
