The Wiersbe Bible Commentary: New Testament Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures with The Wiersbe Bible Commentary New Testament, the trusted reference you'll love to read.

Sin and Its Consequences Donald H. Roy Ph.D. 2023-02-15 Well, a book about "sin" might not be too compelling these days given that the subject hardly ever appears in day-to-day conversations--perhaps only in theological settings, and even there, the subject is rather rare these days as well. But one might find this Sin and Its Consequences--A Biblical Timeline a satisfying exception to this commonplace reaction, for it uses the theme as a vehicle to take the reader on a fascinating journey through the entire Bible, from the first sin recorded there and its devastating results to the death of sin and the banishment of its worldly chieftain and his minions. Yes, it does consider most of the sins recorded in the Old and New Testaments and how God dealt with them--this to help explain what Moses meant when he wrote, "The Lord is slow to anger, and abounding in steadfast love, forgiving iniquity and transgression, but by no means clearing the guilty" (Numbers 14:18). That is, the book helps to understand just what the implications of "by no means clearing the guilty" might be and how it is relevant to how we live and think today. The story line follows God's dealings with His images from Adam and Eve to the end-times as recorded by Saint John in his book of Revelation. There is much linking and contextual material, including numerous images and discussion of the geopolitical settings related to the scripture which carries the main story line. The book deviates from canonical scripture to present in two add-on excursuses the author's views on why God arranged the creation of His first two images, Adam and Eve, just the way He did and on what the fallen world to which they were banished was and is like. Also presented are the author's noncanonical views on what Saint John saw in the seven thunders of chapter 10 of his apocalyptic journal. The views expressed there are the result of many years of thinking about what Saint John might have seen and heard as those thunders sounded and why he was told to "seal up what the seven thunders have said, and do not write it down" (Revelation 10:4). The purpose in addressing this issue is to somehow bring the notion of what God might consider as the most egregious sins of modern times to the reader's mind and, perhaps, compel her or him to think about the subject as well. After all, this business of sin is no small matter. It doesn't have to be morbid either, but Jeremy Taylor expressed it well when he wrote: No sin is small. It is a sin against an infinite God and may have consequences immeasurable. No grain of sand is small in the mechanism of a watch. Finally, in addition to all of this, the book is a testimony or witness of the author to his faith as a Christian. To this engineer, the good news of what God has done in Jesus Christ is beyond a matter of faith--it is so logical and so beautiful and so like God, that it just must be fact--why, how else could His fallen images be made perfect as he is perfect, righteous as He is righteous, sinless as He is sinless except by the perfection and righteousness and sinlessness of Christ imputed to us by faith and so make the believer a fit citizen of the Kingdom?

Water Mwangi Kwan Noh 2019-07-19 The Bible is full of water stories. The first mention of water in the Bible is found in Genesis 1:2 and the last mention is found in Revelation 22:17. In between those two books water constantly flows throughout the pages of scripture with more than 700 references to the word in it. We will see in this book that water in the Bible symbolizes Jesus Christ. Just as water flows downward, our meek and humble Lord lowered himself from the highest throne to the earth to be born in a manger and ultimately suffer death. Just as water is the foundation of all life and a vital element of human life, the word of God is the source of life. Just as water washes everything clean, the blood of the cross cleanses all sins. Just as water is freely divided into many branches and seeps into everything, the body of the Lord was ripped apart and became the bread of life for all humankind. Just as water stops flowing when leveled off, our Lord has torn down walls among men to equalize and level all people. Just as small streams converge into a large river and waterpower turns into light, lowly people of God gather together as church to light up the world. Just as water flows into an ocean, the Lord took the cross as the Lamb of God and became the sacrifice for all the sins of humankind. Just as water is the measurement that defines high and low of elevation, heavy and light of weight, and hot and cold of temperature, the Lord is the measurement and the compass of human life.

"Granny's Chapters" (on scriptural subjects) Mary Lady Ross 2021-04-26 This is a simplified version of the Bible's New Testament, intended to be read to children. The New Testament is the second division of the Christian biblical canon. It discusses the teachings and person of Jesus, as well as events in first-century Christianity. It was originally written in the Koine Greek language, at different times by various authors.

While the Old Testament canon varies somewhat between different Christian denominations, the 27-book canon of the New Testament has been almost universally recognized within Christianity since at least Late Antiquity.

A Window to Secrets and Mysteries in the Bible B. C. Bridges 2011-02-10 !This book, A Window To Secrets And Mysteries In The Bible, is just what the tile claims. Other people may know about these things, but if so I have never heard it expressed. After reading this book you may read the Bible in a slightly different way. That doesn't mean that the contents of this book, tries to change the Bible in any way. It does not try to add a single word to the Bible, nor does it try to take a single word away from it. In the book of Revelation, in the last chapter, God's word tells us of the terrible punishment that would befall any one trying to do that. If you have already read the Bible, you may feel like you want to read it again, just to make sure that what you read is really what it said to you. So get back in the Bible, and maybe get surprised. You could find other mysteries, not in this book.

The Living Pulpit Mary Alice Mulligan 2018-04-10 Fifty years of preaching excellence in one volume. The Living Pulpit collects sermons from representative preachers in the Stone-Campbell Movement--pastors affiliated with the Churches of Christ, the Christian Churches/Churches of Christ, and the Christian Church (Disciples of Christ)--over the past 50 years. The fourth volume in a series that began in 1868, this collection of sermons from 40 ministers, reviewed by a diverse team of scholars, captures the theological themes and changing approaches to preaching across the Movement's three streams. Emerging from an era of mutual suspicion, the three streams have developed a better understanding, shared mutuality and respect for each stream's unique qualities, and cooperated in many venues, qualities reflected in this collection. The Living Pulpit 2018 helps preachers and scholars recognize where preaching has been--and why it has been there--in each stream, and where preaching appears to be going in a new mission field for Christianity and the Unity Movement. The Last Christian David S. Gullion 2009-05-28 What source material outside of the Bible was used by the authors of the Gospels? How does patch-stitching work? How might religious terminology commonly used in ancient Israel be filtered and given a different meaning by a Gentile, pagan audience? What implications did this hold for the rise of Christianity? How were the crucifixion scenarios constructed? Were all of the sources used in their construction Biblical? Did the writings of Josephus influence the written Word? How did Jesus evade arrest? How did he operate a supply and intelligence network which reached into the palace of Herod the tetrarch and into the temple ? Details of its operation such as departmentalization and recognition signals are noted. How did Jesus send a message to Herod along this grapevine? What were the circumstances of his arrest? What was Judas role? The evidence holds out the intriguing possibility that his role as traitor may not be accurate. What were the charges? Based upon the Gospels, was Jesus sentenced to death for blaspheming? According to the Gospels, was a terrorists a member of Jesus inner circle? If a criminal profile was put together for Jesus, using the Gospels as our source, what would it look like? What would it tell the law enforcement personnel of his day about him? What was his mission from God? How did he fulfill his role? Why did he have to die? How has his message and its implications changed the world in positive ways and ways not so positive? How did he radically redefine western culture? How does the world

still grapple with the implications of what he said and what he was about?

Why Did Jesus Die? Robert Kleinke 2005 What really motivated the main characters in the events surrounding Jesus' death? Was Judas merely a pragmatic man dealing with the unpleasant realities of everyday life in an occupied land? Was Herod an honorable leader of the Hebrew people who was concerned with saving lives? Was Pontius Pilate a talented and efficient representative of Rome who was simply trying to keep the peace? Or did they all intentionally participate in the wrongful execution of an innocent man? Written in an easy-to-present format, this fascinating drama series will have your congregation pondering how they would answer these and many other questions. Six biblical characters come to life in new and revealing ways as they take the witness stand in a contemporary grand jury inquiry into the meaning of Jesus' death. While attempting to explain their thoughts and actions, Judas, Caiaphas, Herod, Pilate, Mary Magdalene, and Peter face intense questioning by a state's attorney. The innovative grand jury approach makes audiences active participants in the drama, as they are challenged to determine the true significance of the crucifixion. *Why Did Jesus Die?* is an enlightening six-part resource that's perfect for weekly Lenten worship, but it can also be easily used as a single dramatic production. Several thought-provoking questions relating to each witness's testimony are provided to spark follow-up discussion, and a closing argument by the state's attorney summarizes the evidence pointing to Jesus' innocence ? and our sinful guilt. The Church says Jesus died for us, for the sins of the world. Is this the real truth? Using the structure of a hypothetical modern-day grand jury investigation, Robert Kleinke confronts this most important question in a refreshing and entertaining manner. The Many Faces of Herod the Great Adam Kolman Marshak 2015-04-22 An old, bloodthirsty tyrant hears from a group of Magi about the birth of the Messiah, king of the Jews. He vengefully sends his soldiers to Bethlehem with orders to kill all of the baby boys in the town in order to preserve his own throne. For most of the Western world, this is Herod the Great -- an icon of cruelty and evil, the epitome of a tyrant. Adam Kolman Marshak portrays Herod the Great quite differently, however, carefully drawing on historical, archaeological, and literary sources. Marshak shows how Herod successfully ruled over his turbulent kingdom by skillfully interacting with his various audiences -- Roman, Hellenistic, and Judaeian -- in myriad ways. Herod was indeed a master in political self-presentation. Marshak's fascinating account chronicles how Herod moved from the bankrupt usurper he was at the beginning of his reign to a wealthy and powerful king who founded a dynasty and brought ancient Judaea to its greatest prominence and prosperity.

2016-05-19 Nearly everything we know about the life of Jesus Christ comes from the four Gospels of John, Matthew, Mark and Luke. But just how accurate are these sacred texts, translated several times over and rewritten by Popes, Bishops and Kings? This Gospel is written to establish true historical facts of the Greatest Story of all. It is here not to mock or diminish Jesus, contrary, it shows fact by fact how a mortal man became God worshiped by billions and forever changed our reality. And how this reality was distorted again by all mighty Church and World Elite forcing you to worship Satan everyday without you even realizing it.

King Jesus or King Herod Leon Hardnett 2023-02-09 This collection of poems was written to describe the vast difference between Jesus and other political and religious leaders as well as those who had different belief systems. Jesus was a spiritual revolutionary leader. There never was one who spoke like him or performed the works or miracles that he accomplished. He demonstrated love, compassion, and mercy to those with whom he came in contact. He was a ray of hope to those who were in despair and a friend to the friendless. Herod was a cruel and evil murderer. He reigned over a vast amount of territory which included Bethlehem of Judea. He was filled with selfish pride which was demonstrated by his desire for power. All of the other political and religious leaders as well were filled with selfish pride which caused them to express their anger and hate by making false accusations. They sought means by which they could destroy all of those that were not like them or those whom they feared.
