The A to Z of African American Theater Anthony D. Hill 2009-09-02 African American Theater is a vibrant and unique entity enriched by ancient Egyptian rituals, West African folklore, and European theatrical practices. A continuum of African folk traditions, it combines storytelling, mythology, rituals, music, song, and dance with ancestor worship from ancient times to the present. It afforded black artists a cultural gold mine to celebrate what it was like to be an African American in The New World. The A to Z of African American Theater celebrates nearly 200 years of black theater in the United States, identifying representative African American theater-producing organizations and chronicling their contributions to the field from its birth in 1816 to the present. This is done through a chronology, an introductory essay, a bibliography, and over 500 cross-referenced dictionary entries on actors, directors,

playwrights, plays, theater producing organizations, themes, locations, and theater movements and awards.

**Brecht: Mother Courage and Her Children** Peter Thomson 1997-12-11 This is the first comprehensive study of Brecht's Mother Courage. Peter Thomson locates the sources of the play in Brecht's own experience and heritage, and provides a detailed account of Brecht's own production with the newly formed Berliner Ensemble in 1949. Thomson then explores how the play has been transmitted in the English-speaking theatre from Joan Littlewood's production with the Theatre Workshop Company in 1956 to the Royal National Theatre, with Diana Rigg as Mother Courage, in 1995. The book also examines such influential interpretations as those by William Gaskill, Judi Dench, and Glenda Jackson in the English theatre, and by Herbert Balu and Richard Schechner in America. Seminal productions in France and the Germanies are also discussed. A final chapter highlights the new urgency of the text in light of the wars in the former Yugoslavia, and closes with an account of a triumphant staging in Uganda.
