An Annotated Bibliography and Reference List of Musical Fiction Kellie D. Brown 2005
Since the earliest civilizations, a connection has

existed between music and the literary arts. From the Old Testament and ancient Greek poets to the great operatic masterpieces of the nineteenth century, music and words have forged an inseparable bond. This relationship is

not only seen in musical genres but in a prolific output of novels for adults and children that contain musical themes, characters, and/or settings. This book is the result of many years of research into fiction that has this musical connection. Focusing on novels mainly from the twentieth century, this volume contains an extensive annotated list featuring works for adult, young adult and juvenile audiences and also represents a wide range of musical genre from classical to jazz to rap. Following the annotations, this book provides a comprehensive listing of all titles sorted by reading level and by musical genres to assist librarians, educators, and readers in finding the precise book for a given need or interest.

Hannah Waters and the Daughter of Johann Sebastian Bach Barbara Nickel 2006 An unforgettable tale of two lonely girls, Catharina Bach and Hannah Waters, born centuries apart,

who change each other's lives.

96 Miles J. L. Esplin 2020-02-11 21 days without power. 2 brothers on a desperate trek. 72 hours before time runs out... The Lockwood brothers are supposed to be able to survive anything. Their dad, a hardcore believer in self-reliance, has stockpiled enough food and water at their isolated Nevada home to last for months. But when they are robbed of all their supplies during a massive blackout while their dad is out of town, John and Stew must walk 96 miles in the stark desert sun to get help. Along the way, they're forced to question their dad's insistence on self-reliance and ask just what it is that we owe to our neighbors, to our kin, and to ourselves. From talented newcomer J. L. Esplin comes this story of survival and determination as two young brothers confront the unpredictability of human nature in the face of desperate circumstances. "A suspense thriller, survival story, and a story of the love between brothers. You'll turn the pages and be surprised again and

again.”—Gary D. Schmidt, Newbery Honor Award-winning author of *The Wednesday Wars* “Fast-paced, believable, funny, and poignant. 96 Miles is a great read from the first sentence to the surprising and satisfying ending. I give Esplin’s debut novel 100%. Don't miss it!”—Roland Smith, New York Times bestselling author of *Peak* “Readers who enjoy realistic survival stories will not be able to put down Esplin’s debut.... Filled with survival techniques, danger, and overcoming realistic obstacles, this story will have readers turning pages. A great choice for lovers of Gary Paulsen’s *Hatchet* or Roland Smith’s *Peak*.”—School Library Journal At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Dear Peter, Dear Ulla Barbara Nickel 2021-09-30 Dear Peter, Dear Ulla is an imaginative and beautifully crafted historical middle-grade novel about two cousins who are fast friends even though they have never met. Letters fly back and forth between them, and although Ulla lives in Danzig, Germany, and Peter on a Mennonite farm in Saskatchewan, their lives become inextricably entwined through

an intense, empathetic connection that plays out in the first months of World War Two. Peter is a talented pianist and Ulla a skillful storyteller with a talent for drawing--will these skills help or hinder them through the challenges brought about by war? They can't think of one another as enemies, even though that's what the world is telling them that they are. Unfolding in alternating chapters, suspense builds as suspicion mounts all around both young protagonists. Will German-speaking Mennonites on the Canadian prairies be accused of sympathizing with the Nazis? Is Peter safe from the bully who despises him for playing music instead of hockey? Will the Nazis catch Ulla in the act of helping a Jewish friend? Will Ulla's father lose his job entirely because of his views? These urgent questions, and the danger the war will sever the deep connection between Peter and Ulla, will keep young readers enthralled through this deft weaving of complex cultural and moral questions, told here with energy,

humour, and empathy. Throughout the novel, the character Ulla sends her cousin Peter drawings she has done along with her letters. These pictures include a battleship attacking the city of Danzig, crowds greeting Hitler on his visit there, other family members, and the basement her family hides in during bombardment. The book's illustrations will depict these drawings.

She is a young woman in 18th century Europe, and that means composing is forbidden to her. She will perform only until she reaches a marriageable age--her

tyrannical father has made that much clear. And as Nannerl's hope grows dimmer with each passing year, the talents of her beloved younger brother, Wolfgang, only seem to shine brighter. His brilliance begins to eclipse her own, until one day a mysterious stranger from a magical land appears with an irresistible offer. Mozart in Context Simon Keefe 2018-12-20

The vibrant intellectual, social and political climate of mid eighteenth-century Europe presented opportunities and challenges for artists and musicians alike. This book focuses on Mozart the man and musician as he responds to different aspects of that world. It reveals his

views on music, aesthetics and other matters; on places in Austria and across Europe that shaped his life; on career contexts and environments, including patronage, activities as an impresario, publishing, theatrical culture and financial matters; on engagement with performers and performance, focusing on Mozart's experiences as a practicing musician; and on reception and legacy from his own time through to the present day. Probing diverse Mozartian contexts in a variety of ways, the contributors reflect the vitality of existing scholarship and point towards areas primed for further study. This volume is essential reading for students and scholars of late eighteenth-century music and for Mozart aficionados and music lovers in general.

When Grownups Play at War Ilona Flutsztejn-Gruda 2005 When Grownups Play at War is the unique, compelling memoir of a young Polish Jewish girl during the Second World War. In an authentic voice based on first-hand experience, Gruda gives us a rare perspective on the life of a family fleeing from Poland to Uzbekistan. Her account lays bare the trials of coming of age amidst the constant upheavals of her wartime years. Gruda conveys a sense of immediacy and humanity to her description of the daily realities of the wartime experiences of so many Jewish refugees on the eastern front. We travel beside her in train and cart, in bitter cold and dusty heat across war-torn Eastern Europe. With vivid, haunting strokes, she paints portraits of the people and cultures she comes to know along

the way. Gruda writes through the eyes of a child with rare irony and painful honesty, allowing us an occasional glimpse of a sly sense of humour and revealing the wisdom of the adult she later became.
