**Rajneeshpuram** Russell King 2022-03-08 "Russell King has written the most definitive account of this grand American saga. Rajneeshpuram is rich storytelling." —Chapman and Maclain Way, directors of Wild Wild Country In 1981, ambitious young Ma Anand Sheela transported the

Indian guru Bhagwan Shree Rajneesh to the United States to fulfill his dream of creating a utopia for his thousands of disciples. Four years later, the incendiary Rajneeshpuram commune in Oregon collapsed under the weight of audacious criminal conspiracies hatched in its inner sanctum, including the largest bioterrorism attack in US history, an unprecedented election fraud scheme, and multiple attempted murders. Rajneeshpuram explores how this extraordinary spiritual community, featured in the Netflix docuseries Wild Wild Country, went so wrong. Drawing from extensive interviews with former disciples and an exhaustive review of commune records, government and police files, and archival materials, author Russell King probes the charismatic power that Bhagwan (later known as Osho) and Sheela exercised over the community and the turbulent legal and political environment that left commune leaders ready to deceive, poison, and even murder to preserve their home and their master. Rajneeshpuram is a fresh examination of the Rajneesh story, using newly available information and interviews with high-ranking disciples who have never before shared their stories.

*Forty Dead Men* Donis Casey 2018-02-06 Barnes & Noble pick for "20 Favorite Indie Books of 2018" "Casey expertly nails the extended Tucker family—some 20 people—and combines these convincing characters, a superb sense of time and place, and a solid plot in this marvelously atmospheric historical." —Publishers Weekly STARRED review Some people who have experienced a shocking, dangerous, or terrifying event develop Post Traumatic Stress Disorder. It is recognized today as a debilitating but potentially treatable mental health condition. Military veterans are a vulnerable group. But PTSD can deliver a knockout blow to anyone, as the remarkable unfolding of the tenth Alafair Tucker Mystery, *Forty Dead Men*, shows. World War I is over. Alafair is overjoyed that her elder son, George Washington Tucker, has finally returned home from the battlefields of France. Yet she is the only one in the family who senses that he has somehow changed. Gee Dub moves back into his old bunkhouse quarters, but he's restless and spends his days roaming. One rainy day while out riding he spies a woman trudging along the country road. She's thoroughly skittish and rejects his help. So Gee Dub cannily rides for home to enlist his mother in offering the exhausted traveler shelter. Once made comfortable at the Tucker farm, Holly Johnson reveals she's forged her way from Maine to Oklahoma in hopes of finding the soldier she married before he shipped to France. At the war's end, Daniel Johnson disappeared without a trace. It's been months. Is he alive? Is she a widow? Holly is following her only lead—that Dan has connected with his parents who live yonder in Okmulgee. Gee Dub, desperate for some kind of mission, resolves to shepherd Holly through her quest although the prickly young woman spurns any aid. Meanwhile, Alafair has discovered that Gee Dub sleeps with two cartridge boxes under his pillow—boxes containing twenty "dead men" each. The boxes are empty, save for one bullet. She recognizes in Gee Dub and Holly that not all war wounds are physical.

Then Holly's missing husband turns up, shot dead. Gee Dub is arrested on suspicion of murder, and the entire extended Tucker family rallies to his defense. He says he had no reason to do it, but the solitary bullet under Gee Dub's pillow is gone. Regardless, be he guilty or innocent, his mother will travel any distance and go to any lengths to keep him out of prison.
