[Atlas of Prejudice](#) Yanko Tsvetkov 2016 More than a hundred stereotype maps glazed with exquisite human prejudice, especially collected

for you by Yanko Tsvetkov, author of the viral Mapping Stereotypes project. Satire and cartography rarely come in a single package but in the Atlas of Prejudice they successfully blend

in a work of art that is both funny and thought-provoking. A reliable weapon against bigots of all kinds, it serves as an inexhaustible source of much needed argumentation and—occasionally—as a nice slab of paper that can be used to smack them across the face whenever reasoning becomes utterly impossible. This second edition packs the most extensive collection of Tsvetkov’s maps to date in a single book suitable for all ages, genders, and races. *The Book of Dust: The Secret Commonwealth (Book of Dust, Volume 2)* Philip Pullman  
2019-10-03 The #1 New York Times Bestseller! Return to the world of His Dark Materials—now an HBO original series starring Dafne Keen, Ruth Wilson, Andrew Scott, and Lin-Manuel Miranda—in the second volume of Philip Pullman’s new bestselling masterwork *The Book of Dust*. The windows between the many worlds have been sealed and the momentous adventures of Lyra Silvertongue’s youth are long behind her—or so she thought. Lyra is now a

twenty-year-old undergraduate at St. Sophia’s College and intrigue is swirling around her once more. Her daemon Pantalaimon is witness to a brutal murder, and the dying man entrusts them with secrets that carry echoes from their past. The more Lyra is drawn into these mysteries, the less she is sure of. Even the events of her own past come into question when she learns of Malcolm Polstead’s role in bringing her to Jordan College. Now Lyra and Malcolm will travel far beyond the confines of Oxford, across Europe and into the Levant, searching for a city haunted by daemons, and a desert said to hold the truth of Dust. The dangers they face will challenge everything they thought they knew about the world, and about themselves. Praise for *The Book of Dust* “It’s a stunning achievement, this universe Pullman has created and continues to build on.” —The New York Times “Pullman’s writing is simple, unpretentious, beautiful, true. The conclusion to *The Book of Dust* can’t come soon

enough.”—The Washington Post

NAMED ONE OF THE BEST BOOKS OF THE  
YEAR BY TEEN VOGUE "A dark feminist tale  
spun with blood and gold. Must read!"

–Dhonielle Clayton, New York Times bestselling author of *The Belles* Sixteen-year-old Deka lives in fear and anticipation of the blood ceremony that will determine whether she will become a member of her village. Already different from everyone else because of her unnatural intuition, Deka prays for red blood so she can finally feel like she belongs. But on the day of the ceremony, her blood runs gold, the color of impurity—and Deka knows she will face a consequence worse than death. Then a mysterious woman comes to her with a choice: stay in the village and submit to her fate, or leave to fight for the emperor in an army of girls just like her. They are called alaki—near-immortals with rare gifts. And they are the only

ones who can stop the empire's greatest threat. Knowing the dangers that lie ahead yet yearning for acceptance, Deka decides to leave the only life she's ever known. But as she journeys to the capital to train for the biggest battle of her life, she will discover that the great walled city holds many surprises. Nothing and no one are quite what they seem to be—not even Deka herself. The start of a bold and immersive fantasy series for fans of *Children of Blood and Bone* and *Black Panther*.

*The Magician's Land* Lev Grossman 2014-08-05  
The stunning conclusion to the #1 New York Times bestselling *Magicians* trilogy, now an original series on SYFY #1 NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF THE YEAR ONE OF THE YEAR'S BEST BOOKS The San Francisco Chronicle • Salon • The Christian Science Monitor • AV Club • BuzzFeed • Kirkus • NY 1 • Bustle • The Globe and Mail Quentin Coldwater has been cast out of Fillory, the secret magical land of his childhood

dreams. With nothing left to lose he returns to where his story began, the Brakebills Preparatory College of Magic. But he can't hide from his past, and it's not long before it comes looking for him. Along with Plum, a brilliant young undergraduate with a dark secret of her own, Quentin sets out on a crooked path through a magical demimonde of gray magic and desperate characters. But all roads lead back to Fillory, and his new life takes him to old haunts, like Antarctica, and to buried secrets and old friends he thought were lost forever. He uncovers the key to a sorcery masterwork, a spell that could create magical utopia, a new Fillory—but casting it will set in motion a chain of events that will bring Earth and Fillory crashing together. To save them he will have to risk sacrificing everything. *The Magician's Land* is an intricate thriller, a fantastical epic, and an epic of love and redemption that brings the Magicians trilogy to a magnificent conclusion, confirming it as one of the great achievements in

modern fantasy. It's the story of a boy becoming a man, an apprentice becoming a master, and a broken land finally becoming whole.

*The Grand Crusade* Michael A. Stackpole 2003  
The news of Will's death in a volcano throws the fragile alliances into chaos and gives Chytrine the opening he needs to seize control.

*When Dragons Rage* Michael A. Stackpole 2003-11-04 Michael A. Stackpole, New York Times bestselling author and master of epic fantasy, continues his unforgettable chronicle of a world divided by war, betrayal, desire, and two rival magicks. . . . As her merciless armies sweep from the north, the tyrant Chytrine pursues her quest to become empress of the world in a brutal campaign of unspeakable bloodshed and unholy sorcery. While cities and kingdoms topple, her agents, both living and dead, search for fragments of the shattered DragonCrown—which, when reassembled, will make her unstoppable. Opposing Chytrine is the beautiful and determined Alexia, Princess of

Okranell. As she struggles to save the life of Kedyne's Crow, a mysterious human warrior accused of treachery, she gathers around her an alliance of unlikely heroes, including Resolute, an exiled Vorquell out for vengeance; Kerrigan Reese, a mage with uncertain potential; and last but not least, young Will, an orphan thief from the slums of Yslin, who may be the fulfillment of an ancient prophecy—or its innocent victim. Alexia and her friends will need all their courage and magick, their only advantage the secret possession of a vital fragment of the DragonCrown. But when Chytrine's terrifying horde of cruel warriors, voracious minions, and remorseless undead slaves join the battle against them, even courage and magick may not be enough to stem the tide of ultimate darkness.

**The Eye of Minds (The Mortality Doctrine, Book One)** James Dashner 2013-10-08 The world is virtual, but the danger is real in book one of the bestselling Mortality Doctrine series, the next phenomenon from the author of the

Maze Runner series, James Dashner. Includes a sneak peek of The Fever Code, the highly-anticipated conclusion to the Maze Runner series—the novel that finally reveals how the maze was built! The VirtNet offers total mind and body immersion, and the more hacking skills you have, the more fun it is. Why bother following the rules when it's so easy to break them? But some rules were made for a reason. Some technology is too dangerous to fool with. And one gamer has been doing exactly that, with murderous results. The government knows that to catch a hacker, you need a hacker. And they've been watching Michael. If he accepts their challenge, Michael will need to go off the VirtNet grid, to the back alleys and corners of the system human eyes have never seen—and it's possible that the line between game and reality will be blurred forever. The author who brought you the #1 New York Times bestselling MAZE RUNNER series and two #1 movies—The Maze Runner and The Scorch Trials—now brings

you an electrifying adventure trilogy an edge-of-your-seat adventure that takes you into a world of hyperadvanced technology, cyber terrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Praise for the Bestselling MORTALITY DOCTRINE series: “Dashner takes full advantage of the Matrix-esque potential for asking ‘what is real.’” —io9.com “Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner’s hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author.” —MTV.com “A brilliant, visceral, gamified mash-up of The Matrix and Inception, guaranteed to thrill even the non-gaming crowd.” —Christian Science Monitor

*Trailed* Kathryn Miles 2022-05-03 "Trailed is a beautifully written account of a great American tragedy--the unsolved murders of an undetermined number of young women, all by the same serial killer, who got away. The truth is still buried. I couldn't put it down." --John Grisham, #1 New York Times bestselling author A riveting deep dive into the unsolved murder of two free-spirited young women in the wilderness, a journalist's obsession--and a new theory of who might have done it In May 1996, Julie Williams and Lollie Winans were brutally murdered while backpacking in Virginia's

Shenandoah National Park, adjacent to the world-famous Appalachian Trail. The young women were skilled backcountry leaders and they had met--and fallen in love--the previous summer, while working at a world-renowned outdoor program for women. But despite an extensive joint investigation by the FBI, the Virginia police, and National Park Service experts, the case remained unsolved for years. In early 2002 and in response to mounting political pressure, then-Attorney General John Ashcroft announced that he would be seeking the death penalty against Darrell David Rice--already in prison for assaulting another woman--in the first capital case tried under new, post-9/11 federal hate crime legislation. But two years later, the Department of Justice quietly suspended its case against Rice, and the investigation has since grown cold. Did prosecutors have the right person? Journalist Kathryn Miles was a professor at Lollie Winans's wilderness college in Maine when the 2002

indictment was announced. On the 20th anniversary of the murder, she began looking into the lives of these adventurous women--whose loss continued to haunt all who had encountered them--along with the murder investigation and subsequent case against Rice. As she dives deeper into the case, winning the trust of the victims' loved ones as well as investigators and gaining access to key documents, Miles becomes increasingly obsessed with the loss of the generous and free-spirited Lollie and Julie, who were just on the brink of adulthood, and at the same time she discovers evidence of cover-ups, incompetence, and crime-scene sloppiness that seemed part of a larger problem in America's pursuit of justice in national parks. She also becomes convinced of Rice's innocence, and zeroes in on a different likely suspect. *Trailed: One Woman's Quest to Solve the Shenandoah Murders* is a riveting, eye-opening, and heartbreaking work, offering a braided narrative about two remarkable women

who were murdered doing what they most loved, the forensics of this cold case, and the surprising pervasiveness and long shadows cast by violence against women in the backcountry.

*Fortress Draconis* Michael A. Stackpole

2002-10-29 In an age of treachery and peril, a young thief may be the prophesied savior . . . or the betrayer of the world. Once one of the

grandest of human cities, Yslin now has a dark heart known as the Dimandowns. And when Will, an orphaned young thief from the Dim, plots to prove himself to his master by stealing a prize from the exiled Elves who share the fetid slums, his theft of the strange artifact snares him in a web of prophecy. It also brings him together with Kedyne's Crow, a shadowy human warrior, and Resolute, a Vorquelf determined to redeem his long-lost island home. To them, Will could be the fulfillment of a long-held dream and the last chance the world has to save itself from Chytrine, the northern tyrant who would be empress of the world. But their belief in Will finds few allies in a world torn by war and magick. Preoccupied with their own internecine struggles, the world's leaders see Will as a pawn. Only Chytrine seems able to recognize Will's destiny, and she sends her Dark Lancers to destroy him. For who better to destroy a hero than the ill-fated heroes of the previous generation, survivors of a failed war to

exterminate Chytrine, now corrupted to her service? Yet even as Will is tested, a new generation takes up arms where their predecessors failed. Alexia, princess of a dead nation, leads an army to oppose Chytrine. And the sorcerers of Vilwan have fashioned their own hero, Kerrigan Reese, bestowing upon him powers and abilities no human has held for centuries. Together these heroes travel to the mysterious Fortress Draconis to stop Chytrine from stealing more fragments of the DragonCrown—a powerful artifact that, once in her control, will guarantee her dominion forever. **It Ends with Us** Colleen Hoover 2020-07-28 In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never

stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative,

and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

Crooked Shadows M.A. Grant 2021-12-14 Everyone has secrets. Especially those who live in the shadows. Cristian Slava doesn't fear

much. After he was betrayed by the man he called an uncle, leaving upstate New York for the Carpathian Mountains of his childhood is more a matter of practicality than fear. With him is Atlas Kinkaid, a former marine turned fierce bodyguard...and fierce lover, albeit a hell of a complicated one. Cristian's cunning is tested by the politics and intrigue of the vampire families of Romania, and the warm welcome he and Atlas were assured of quickly turns to ash as they race to unravel the mystery of an old friend's disappearance. Searching for the missing vampire draws them into a web of betrayal and half-truths that reaches further than Cristian ever could have imagined, and they uncover a string of grisly murders that bear a striking similarity to the attack that changed Atlas's life forever. Stalked by the past and uncertain of the future, Cristian learns he does have something to fear after all... Losing the man he loves. **The Atlas Six** Olivie Blake 2021-09-28 The much-acclaimed BookTok sensation, Olivie Blake's *The Atlas Six*--now newly revised and edited with additional content. • The tag #theatlassix has millions of views on TikTok • A dark academic debut fantasy with an established cult following that reads like *THE SECRET HISTORY* meets *THE UMBRELLA ACADEMY* • The first in an explosive trilogy The Alexandrian Society, caretakers of lost knowledge from the greatest civilizations of antiquity, are the foremost secret society of magical academicians in the world. Those who earn a place among the Alexandrians will secure a life of wealth, power, and prestige beyond their wildest dreams, and each decade, only the six most uniquely talented magicians are selected to be considered for initiation. Enter the latest round of six: Libby Rhodes and Nico de Varona, unwilling halves of an unfathomable whole, who exert uncanny

control over every element of physicality. Reina Mori, a naturalist, who can intuit the language of life itself. Parisa Kamali, a telepath who can traverse the depths of the subconscious, navigating worlds inside the human mind. Callum Nova, an empath easily mistaken for a manipulative illusionist, who can influence the intimate workings of a person's inner self. Finally, there is Tristan Caine, who can see through illusions to a new structure of reality—an ability so rare that neither he nor his peers can fully grasp its implications. When the candidates are recruited by the mysterious Atlas Blakely, they are told they will have one year to qualify for initiation, during which time they will be permitted preliminary access to the Society's archives and judged based on their contributions to various subjects of impossibility: time and space, luck and thought, life and death. Five, they are told, will be initiated. One will be eliminated. The six potential initiates will fight to survive the next year of their lives, and if they

can prove themselves to be the best among their rivals, most of them will. Most of them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**My Big Toe** Thomas Campbell 2007-12 "Based upon careful scientific research and logical deduction, this is a trilogy for all who have an interest in the nature of the reality in which they

exist. My Big TOE is not only about scientific theory, function, and process--a discovery of Big Picture science--but also speaks to each individual reader about his or her innate capabilities. Readers will learn how to evolve their human potential far beyond the limitations of the physical universe. My Big TOE is about life, purpose, personal significance, physics, evolution, and the reason why. The acronym "TOE" is a standard term in the physics community that stands for "Theory Of Everything." Such a theory has been the "Holy Grail" of physicists for more than fifty years. My Big TOE delivers the solution to that scientific quest at the layman's level with precision and clarity. This book is an adventure into the overlapping worlds of science, philosophy, and metaphysics. It is tightly analytical and logical as all good works of science and philosophy should be, while at the same time down to earth, easily understandable, and full of good humor. No leaps of faith or beliefs of any sort are required

to get to where these books will take you. Campbell did not put the "My" in My Big TOE to flaunt pride of authorship. Nor does the "My" indicate any lack of generality or applicability to others. The "My" was added to be a constant reminder to you that this reality model cannot serve as your personal Big TOE until it is based upon your personal experience. On the other hand, personal or subjective experience is only one piece of the reality puzzle. In the objective physical world of traditional science, My Big TOE delivers a comprehensive model of reality that subsumes modern science, describes our objective material reality, and is universally applicable. Contemporary physics is shown to be a special case of a more general set of basic principles"--Publisher's web site

**The Sowing** K. Makansi 2013-08-13 After Remy Alexander's older sister is murdered in a cold-blooded massacre, her family discovers the Okarian Sector is hiding the truth behind the attack. Remy and her parents flee the Sector to join the clandestine Resistance movement. Now, three years later, Remy and her friends are convinced they've found a clue that can help them unravel the mystery behind the murders and expose the secrets behind the Sector's use of genetically modified food. But back home in the Sector, Valerian Orlean, the boy Remy once thought she loved, is put in charge of hunting and destroying the Resistance. Even as Vale

strives to live up to his parent's expectations, he is haunted by the memory of his friendship with Remy and is determined to find out why she disappeared. As Remy seeks justice for her sister and Vale seeks to protect the Sector and everything he believes in, the two are set on a collision course that could bring everyone together-or tear everything apart. Writing as K. Makansi, the mother-daughter writing team of Kristina, Amira, and Elena Makansi immerses readers in the post-apocalyptic world of the Okarian Sector where romance, enduring friendships, edge-of-your-seat action, and heart-wrenching betrayal will decide the fate of a nation.

Cartomancy Michael A. Stackpole 2006-02-28  
New York Times bestselling author Michael A. Stackpole returns with the second book of a groundbreaking trilogy charting exciting new territory in fantasy fiction. *Cartomancy* follows a group of trailblazing mapmakers with the power to discover new worlds—and shape reality itself.

. . . Under the shadow of invasion by a nameless enemy, there seems only one way to save Nalenyr from oblivion. The old heroes who once defended the land must be awakened. And accomplishing that requires a journey across the magical wasteland where they're rumored to be trapped—a wasteland rife with magic and danger. Grandson of the Royal Cartographer, Keles Anturasi finds himself trapped in an enemy nation where his skill may well be his death sentence. His brother Jorim is an ocean away, captive in an altered realm in which he's regarded as a god. And their sister Nirati resides in a paradise that exists between life and death with her insane grandfather and an ancient sorcerer bent on the world's destruction. Now they and their companions must struggle to survive in a world where war on earth mirrors war in heaven. What the gods themselves fear, men must brave. Heroes and mystics they may be, but can any of them survive in a world where things are seldom what they seem: a place

where dreams can become reality—and reality can turn into a nightmare. . . . “Michael A. Stackpole is incapable of writing a book that isn’t imaginative and intelligent.”—Stephen R. Donaldson, author of *The Chronicle of Thomas Covenant*

*Library Journal* 2005

**1Q84** Haruki Murakami 2011-10-25 The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the

superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting.

Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

**Sophie's World** Jostein Gaarder 2007-03-20 One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.
