Annotations include edition, transcription of

title page, collation and format, binding and dust wrapper, publication date, price at publication, number of copies printed, pagination and contents.

Samphire 1974

Reading Old Friends John Matthias Reading Old Friends includes essays, reviews, and poems on poetics. Matthias, who has spent much time in England, concentrates on British poetry ranging from late modernist figures such as David Jones and Hugh MacDiarmid to contemporaries such as Geoffrey Hill, Seamus Heaney, Michael Hamburger, and John Fuller. He also seeks to establish, or re-establish, meaningful trans-Atlantic connections between Wendell Berry and Jeremy Hooker, for example, or between Robert Duncan and David Jones. Other, more generally acknowledged figures, are also discussed, including Wordsworth, Pope, Crabbe, Constable, Turner, Britten, Tippet, Lowell, Auden, and Berryman. The book also contains three poems on poetics that engage many of the theoretical issues left implicit in most of the essays.

She's Gone Susan Wilkins The unputdownable new psychological thriller full of suspense, family secrets and lies, from best-selling author Susan Wilkins. 'An adrenaline-fuelled tornado of a novel with such strong female characters. I loved it.' Laura Wilkinson. This is the fear she's had from the beginning, the fear every mother has, of a loss too terrible to bear. Marcia Lennox has a life most people would envy: a loving husband, Harry, a beautiful and clever daughter, Phoebe, a high-flying career, and a pristine London home. But in her third week at university, Phoebe disappears. She leaves her phone, her credit cards and all her possessions in her room. Detective Sergeant Jo Boden is new to Cambridge, just finding her feet after leaving the Met, when Phoebe's case lands on her desk. The police track Phoebe's last known movements. But as Jo investigates, she begins to suspect the worst. A young love affair gone wrong? A botched kidnap attempt? An ex out for revenge? Clinging to the hope that Phoebe will be found, Marcia discovers her daughter had a secret life she had hidden from her parents. And Marcia knows about secrets. Her carefully constructed life

is a front, created to escape her own past. Estranged from her own family, with a marriage on the verge of breakdown, Marcia must find the courage to return; a journey that drags her from her safe London bubble back to the wilds of East Anglia and the desolate Norfolk Fens. Can she face her demons to save her child? An emotional thriller with a jaw-dropping twist for fans of Rachel Abbott and Lisa Jewell. Readers love Susan Wilkins' crime thrillers: 'Well plotted and unflinchingly told.' Sunday Express 'Murder, corruption and a crafted plot make for a fine read.' The Sun 'This stylish, clever crime story never lets up... Blazingly brilliant.' Sunday Mirror 'Dark and gripping from first page to last, this is Susan Wilkins at her nail-biting best.' Jessie Keane 'I was engaged from the very first chapter... Brilliant.' Goodreads reviewer, □□□□

THE INVASION OF 1910 & THE GREAT WAR IN ENGLAND IN 1897

William Le Queux 2017-10-06 These 2 novels are visionary fantasy books, and paradoxical, extremely popular in Britain before the horrors of World War I. "The Great War in England in 1897" - Coalition forces led by Russia and France invade Britain and make several early advances, but the Germans land in Britain as allies coming to help repulse the invasion. The brave English patriots, together with German soldiers, will try to turn the tide. "The Invasion of 1910" - Sides are turned and Germany is an invader now. The German soldiers have managed to land a sizable invasion force on the East Coast of England. They advance inland, cutting all telegraph lines and despoiling farmland as they go. The British struggle to mount a proper defense, and the Germans eventually reach London and occupy half the city. William Le Queux (1864-1927) was an Anglo-French writer who mainly wrote in the genres of mystery, thriller, and espionage, particularly in the years leading up to World War I. His best-known works are the anti-French and anti-Russian invasion fantasy "The Great War in England in 1897" and the anti-German invasion fantasy "The Invasion of 1910."

Fantastic Creatures in Mythology and Folklore Juliette Wood 2018-08-23 Drawing on historical sources, myth and folklore, *Fantastic Creatures in Mythology and Folklore* explores the roles of fantastical beasts - particularly the unicorn, the mermaid, and the dragon - in a series of thematic chapters organised according to their legendary dwelling place, be this land, sea, or air. Through this original approach, Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day, providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds. It places particular emphasis on the role of the internet, computer games, and the cyberspace community, and in doing so, demonstrates that the core medieval myth surrounding these creatures remains static within the ever-increasing arena of mass marketing and the internet. This is a vital resource for undergraduates studying fantastic creatures in history, literature and media studies.

The Invasion William le Queux 1913

The Boy's Own Annual 1891

Handbook of English and Celtic Studies in the United Kingdom and Republic of Ireland N. H. Keeble 1988

Poison on the early modern English stage Lisa Hopkins 2023-08-29 Many early modern plays use poison, most famously *Hamlet*, where the murder of Old Hamlet showcases the range of issues poison mobilises. Its orchard setting is one of a number of sinister uses of plants which comment on both the loss of horticultural knowledge resulting from the Dissolution of the Monasteries and also the many new arrivals in English gardens through travel, trade, and attempts at colonisation. The fact that *Old Hamlet* was asleep reflects unease about soporifics troubling the distinction between sleep and death; pouring poison into the ear smuggles in the contemporary fear of informers; and it is difficult to prove. This book explores poisoning in early modern plays, the legal and epistemological issues it raises, and the cultural work it performs, which includes questions related to race, religion, nationality, gender, and humans' relationship to the environment.

Recycling Culture(s) Sara Martín 2009-03-26 Culture survives today by means of a constant recycling, optimistically trying to overcome its own decadence in the 21st century. *Recycling Culture(s)* addresses from a variety of perspectives this strategy, analyzing not only a wide range of texts but also of cultural practices. As the volume shows, culture thrives on a permanent state of flux, borrowing materials for its own survival wherever they are found and always favouring hybridity. This refers not only to how texts cross genre and medium boundaries but also to how identities and the very idea of culture grow out of recycling what is at hand both synchronically and diachronically. Divided in two sections, 'Part I: Recycling the Book and the Screen' and 'Part II: Recycling Identity, Consumption and History,' the twenty essays offered here are the work of an international group of scholars dealing with different linguistic and geographical environments. A primary aim of the volume is breaking away with the compartmentalisation of Cultural Studies into non-communicating linguistic domains to offer an eclectic, engaging mixture of approaches. This is the twelfth monographic volume of the series *Culture & Power* edited by members of the permanent seminar on Cultural Studies 'Culture & Power,' which has organised an international yearly conference since 1995. "Recycling Culture(s)/ is the latest in the series of *Culture and Power* books to come out of Spain. It features essays not only from many of the most distinguished cultural studies scholars on the Iberian Peninsular but many from beyond its borders. What makes this volume so stimulating, relevant and exiting is that the contributors range across an impressive assortment of contexts of (and for) recycling. The book's thematic base is impressive taking in, as it does, the relevance of recycling history, identity and a multitude of popular texts (written and audio-visual). All contributions are theoretically informed and the authors consider subjects from comic-

book heroes, James Bond and /Clockwork Orange/ to African-Caribbean women, Australian national myth and mobile phones. The contributors and editor should be congratulated on producing a theoretically coherent, challenging and important intervention into contemporary cultural studies. " Dr David Walton, Senior Lecturer in Cultural Studies at the University of Murcia, Spain, author *Introducing Cultural Studies: Learning Through Practice* /(Sage, 2008)

Essex Folk Tales Jan Williams 2011-11-30 The Essex coastline has endured invasion by plundering and bloodthirsty Romans, Anglo-Saxons and Vikings, and this mysterious landscape is still haunted by their presence. Their spirits, and countless others, have oft been reported – not least by smugglers determined to keep intruders away from their secret hideouts. Even more dramatic stories of the supernatural lurk inland: accusations of witchcraft have been screamed around many picturesque market towns, dragons have terrorised the community, and a violent White Lady has struck at Hadleigh Castle. Indeed, it is the women of Essex who have stirred the imagination most – from brave Boudicca and beautiful Edith Swan-neck to the adulteress Kitty Canham. Amid the county's infamous pirates, highwaymen and desperados, Essex can even boast a lady smuggler.

No Fear Gardening Charlie Hart 2020-04-02 Desperate to use this time to get out into your garden but don't know where to start? This is the book you need! 'An easy read with no gardening know-how required . . . Hart's enthusiasm flows from the page . . . Up-to-date thinking on wildlife, wellbeing and no-dig cultivation pop up too, which are applicable to gardens big and small, making this a perfect introduction to gardening without the fear of doing something wrong' *Gardens Illustrated* Are you frightened of your garden? Terrified of accidentally bringing death to a sap-filled friend? Put off by the overwhelming number of species of plants and their baffling Latin names? Whether your garden is a sprawling country plot or a kitchen windowsill, gardening is good for the mind, body and soul. Yet just the thought of picking up a pair of secateurs can strike fear into even the bravest of hearts, meaning we often don't make the most of our personal Edens. Charlie's 'no fear' approach to gardening will help you find the easy path to beautiful borders and jampacked vegetable beds. A reassuring, simple-

to-use handbook, No Fear Gardening is aimed at all budding gardeners and anyone who might be missing out simply because they don't know how and where to start. Whatever the reason, this book will answer all your questions. From digestible lists of what seeds to plant where, guides to pruning and how to cope with difficult spots to Charlie's favourite vegetables to grow (and, more importantly, eat) and essential pieces of kit, Charlie has condensed a wealth of gardening know-how into easy-to-follow and practical tips. With its unique, liberating approach, No Fear Gardening will inspire you to dust the cobwebs off your watering can and get your garden blooming, whatever the weather or season.
