A Glimpse into Glory Kathryn Kuhlman
2000-01-01 For the great God who called me has given me, also, a glimpse of His glory. Kathryn Kuhlman Kathryn Kuhlman introduced the Holy

Spirit to a generation who knew Him not. Thousands were born again and healed by the power of God during her miracle services. While most people knew Kathryn Kuhlman only as a woman of miracles, her most lasting contribution to the kingdom is her teaching. Her daily radio broadcasts were gems of truth and wit. This book captures Kathryn's spoken wisdom while also telling the stories of the miracle healings she witnessed. Hundreds of thousands bought her only authorized biography, *Daughter of Destiny*, to know her better. Then before she died in 1976 she told her biographer, Jamie Buckingham, *Tell it all*. He realized that what she taught was even more important than what she did. That realization birthed *A Glimpse Into Glory*. The short chapters that compose *A Glimpse Into Glory* carefully transcribed and edited from Kathryn's radio teachings represent some of the best messages she preached around the nation. Several are unpublished statements she gave to various magazines and newspapers, taken verbatim from interview tapes. What she had to say gives us not only insight into a woman God used as a prophetic leader, but also provides something far more important: glimpses into His glory.

Life-Study of Psalms Witness Lee 1984-05-01 In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This

monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

The Tree of Life Witness Lee 2016-03-01 When God created man, He placed him before two trees: the tree of the knowledge of good and evil and the tree of life. In warning man to avoid the tree of the knowledge of good and evil, God indicated His desire for man to eat of the tree of

life, signifying that man should receive God as his life supply. Witness Lee unveils in the *The Tree of Life* that God is not looking for well-behaved Christians; He is looking for those who will experience and enjoy Christ as the reality of the tree of life.

A Timely Trumpeting and the Present Need

Witness Lee 1988-11-01 This book clearly defines the proper relationship between Christ the Head, the apostles, the elders, the saints, the churches, and the Body of Christ. It then goes on to emphasize the need to enter into the perfecting of the saints (Eph. 4:11-16) and the meetings of mutuality (1 Cor. 14:26) for the building up of the organic Body of Christ.

Deep Calls Unto Deep Watchman Lee 1998-02

Perfecting Training Witness Lee 1990-06-01

According to [Ephesians 4:11-16], we are first told that the gifts were given: 'And He gave some apostles, and some prophets, and some evangelists, and some shepherds and teachers.' This is the initial step; then the result is unto the work of the ministry, that is, unto the building up of the Body of Christ. How could the Body be built up? By the growth in life. Then out of the growth in life the function will come, the operation in measure of each one part, to cause the growth of the Body unto the building up of itself in love. Thus, there is the initial stage and then there is the result. Between these two ends is the perfecting of the saints. If there is no perfecting of the saints, all the gifts given by the Head become vain. Also, there will be nothing to cause the growth of the Body in life that functions may come out to build up the Body in love. The crucial and central point in this portion of the Word is the perfecting of the saints. Throughout the past years the Lord has been leading us in the ministry to perfect the saints for the growth in life so that the functions may come out to build up the Body in love.

Lessons on Prayer Witness Lee 1981-04-01 The effectiveness of our prayer depends upon our understanding of the meaning of prayer itself. In *Lessons on Prayer* Witness Lee first discusses the real meaning of prayer: Prayer is the mutual contact between man and God; prayer is man breathing God, obtaining God, and being obtained by God; and prayer is man cooperating and co-working with God, allowing God to express Himself and His desire through man, and thus accomplish His purpose.

Spiritual Discernment Watchman Nee

2010-03-24 Listen to the prayer of the apostle Paul for his beloved church in Philippi: "this I pray, that your love may abound yet more and more in knowledge and all discernment; so that ye may approve the things that are excellent; that ye may be sincere and void of offence unto the day of Christ" (Phil. 1.9-10). What was it that inspired him to offer such a prayer for the dear saints in Philippi? Do we today desperately need the same prayer? We talk about love and fellowship, and yet we encounter many problems and failures. What is the missing link to a glorious church? Can it be the lack of "full knowledge and all perception that ye may prove [or, distinguish] the things that differ" (literal translation)? Certainly spiritual discernment is the pressing need of today. How can we obtain

this full knowledge of God? Where do we get spiritual discernment that we may know the things which differ or are more excellent? These are the matters which brother Watchman Nee tried to address during his latter years of ministry. This present volume, entitled *Spiritual Discernment* is composed of three parts: Abound in Knowledge, Abound in Discernment, and Approve the Excellent. The Publishers were able to acquire these Notes in Chinese recently, and they have now been translated into English for sharing with the English-speaking saints. May these Notes help many in meeting the pressing need of today.

God's sufficiency in the face of our failure is seen only as we surrender to Him and are changed into His likeness.

The Breaking of the Outer Man and the Release of the Spirit Watchman Nee 1997-06 "Every Christian who has believed into Christ and received Him has a desire to grow in Him. The greatest hindrances to the experience of the growth in life are not outward circumstances and environmental hardships; rather, they are a mind in need of renewing, a will in need of submission to God, and an emotion in need of stability. In the *Breaking of the Outer Man and the Release of the Spirit* Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God. In a new and revised translation of this spiritual classic, Watchman Nee provides crucial insight into the Biblical revelation of the necessity of the dividing of our soul from our spirit"--Back cover
