A Season of Grace (Under Northern Skies Book #3)

Lauraine Snelling 2018-11-06  
In 1910 Minnesota, Nilda Carlson's dreams are coming true. Though her first few months in America were difficult, her life now resembles the images that filled her daydreams in Norway. She and her younger brother Ivar live in their own house, just a short distance from her older brother and his family. Together they

work the farm and fell trees for lumber. They plan to grow a dairy herd, weave rugs out of their own wool, and make skis to sell. Everything is going right. The only thing missing from Nilda's life is love. But though she has two suitors--a quiet schoolteacher and a handsome lumberjack--Nilda feels hesitant. A terrifying experience in Norway has made her cautious where men are concerned. When she thinks she sees the man in question, all her fears come flooding back. Is it possible the danger has followed her across the Atlantic? If Dreng Nygaard is truly in Minnesota, all of her dreams for the future could come crashing down around her.

**Revival Season** Monica West  
2022-05-03 The daughter of one of the South's most famous Baptist preachers discovers a shocking secret about her father that puts her at odds with both her faith and her family in this debut novel. "Spellbinding...Revival Season should be read alongside Alice Walker's *The Color Purple* and Chimamanda Ngozi Adichie's *Purple Hibiscus*." —The Washington Post A New York Times Book Review Editors' Choice Every summer, fifteen-year-old Miriam Horton and her family pack themselves tight in their old minivan and travel through small southern towns for revival season: the time when Miriam's father—one of the South's most famous preachers—holds massive healing services for people desperate to be cured of ailments and disease. But, this summer, the revival season doesn't go as planned, and

after one service in which Reverend Horton's healing powers are tested like never before, Miriam witnesses a shocking act of violence that shakes her belief in her father—and her faith. When the Hortons return home, Miriam's confusion only grows as she discovers she might have the power to heal—even though her father and the church have always made it clear that such power is denied to women. Over the course of the following year, Miriam must decide between her faith, her family, and her newfound power that might be able to save others, but if discovered by her father, could destroy Miriam. Celebrating both feminism and faith, *Revival Season* is a "tender and wise" (Ann Patchett) story of spiritual awakening and disillusionment in a Southern, Black, Evangelical community.

How far will each spouse go to keep love alive? *Saving Grace* is a riveting, true-to-life novel about one woman's journey to save her family—and herself—from New York Times bestselling author Jane Green. Grace and Ted Chapman are widely regarded as the perfect couple. Ted is a

successful novelist and Grace, his wife of twenty years, is beautiful, carefree, and a wonderful homemaker. But what no one sees are Ted's rages, his mood swings, and the precarious house of cards that their lifestyle is built upon. When Ted's longtime assistant and mainstay leaves, his world begins to crumble, and Grace, with dark secrets in her past, is most vulnerable. She finds herself in need of help but with no one to turn to...until Ted's new assistant, Beth, comes to the rescue. Young and competent, Beth possesses the calm efficiency to weather the storms that threaten to engulf the Chapman household. Soon, though, it's clear to Grace that Beth might be too good to be true. This new interloper might be the biggest threat of all—one that could cost Grace her marriage, her reputation, her sanity...and her own life. "Green spins a dark romance, recalling *All About Eve*, where intimacy masks betrayal."
