Proverbs, Ecclesiastes, and Song of Songs for Everyone

John Goldingay 2014-01-01

Westminster John Knox Press is pleased to present the

seventeen-volume Old

Testament for Everyone series.

Internationally respected Old

Testament scholar John

Goldingay addresses Scripture

from Genesis to Malachi in

such a way that even the most

challenging passages are

explained simply and concisely.

The series is perfect for daily

devotions, group study, or

personal visits with the Bible.

In this volume, Goldingay explores three books of the Old Testament in the wisdom literature genre. These three books are all associated with Solomon and his wisdom, yet unlike other books, they do not mention the Torah, the exodus, or the covenant. As Goldingay says, "The basis of their teaching is the way life actually works. They look at life and reflect on experience and encourage people to live on the basis of how life works."

Proverbs, Ecclesiastes, and Song of Songs for Everyone explores three practical, down to earth, and hopeful books.

Granny Midwives and Black Women Writers Valerie Lee 1996 Midwives, women healers and root workers have been central figures in the African American folk traditions. Particularly in Black communities in the rural south, these women served vital social, cultural and political functions. It was believed that they possessed magical powers: they negotiated the barrier between life and death

and were often regarded as the "knower" in a community.

Today even as medical science has discredited or superseded their power, granny midwives have resurfaced as pivotal characters in the narratives of contemporary African American literature.

GrannyMidwives and Black Women Writersexamines the lives of realgranny midwives and other healers--through oral narratives, ethnographic research and documentation--and considers them in tandem with their fictional counterparts in the work of Toni Morrison, Gloria Naylor, Alice Walker and others.

Wisdom for Women Devotional, based on the audio program of the same name, was birthed out of the great need for women to hear how God addresses every single facet of their lives through the powerful and practical book of Proverbs. For many, the Proverbs are hard to study because the topics jump around from verse to verse. The One Year Wisdom for Women Devotional is a practical tool that will help women in their daily walk with the Lord. It is a great companion to the One Year Bible because it directly follows that book's daily Proverbs reading. Each day not only follows the script of the Wisdom for Women audio program, it also references the One Year Bible reading schedule and ends with a powerful call to action.
