Germans to America Hartmut Bickelmann 1982

Ten Deadly Texans Dan Anderson 2012-11-05 A lighthearted history of ten of Texas's most notorious outlaws, including Clyde Barrow and a bank robber dressed as Santa Claus. The Wild Westerners were a tough breed. They started young and tended to die young, grow wilder, or fizzle into oblivion. Those outlaws that had the most feuds, gunfights, and robberies within the state lines are profiled here along with their associates, enemies, and accomplices. A rough chronological order of events spanning from pre-Civil War to 1935 tracks significant people and events. With so few lawmen available to police the state, troublesome youths quickly developed into heinous individuals. John Wesley Hardin killed a fellow classmate in a one-room schoolhouse, and eight-year-old James Miller was arrested for murdering his own grandparents.

Beginnings and endings for each individual varied. While Sam Bass and Bonnie Parker were cut down in their twenties, Dock Newton didn't rob his last train until age seventy-seven. Other members of the Barrow Gang lived into their fifties and sixties after transforming themselves from dangerous criminals to ordinary citizens. Texans are often described as

being larger than life. Their lives were legendary, their demeanor solid, their illegal activities dramatic and varied from beginning to end. The same lighthearted take on Western history that permeated Dan Anderson and Laurence J. Yadon's previous works resonates in their latest popular history. True stories, tall tales, and numerous anecdotes comprise this book of ten of the deadliest outlaws to cross the Texas line. Praise for Ten Deadly Texans "Picking the top ten of virtually anything is difficult if not impossible, but [Yadon and Anderson] have presented a strong argument that this grouping belongs at the top of any list of deadly fighters. In their own way, each one chose a deadly path filled with violence, bloodshed, high drama, and excitement." —Chuck Parsons, author of *John B. Armstrong: Texas Ranger and Pioneer Ranchman* "A well-researched and highly readable account of the Lone Star State's meanest men and women." —Mike Cox, author of *The Texas Rangers: Wearing the Cinco Peso, 1821-1900* "Yadon and Anderson have done their homework to separate the truth from the legend, because not only are they good historians, they know that the real story is quite often better than the legend. Ten Deadly Texans takes you from the Civil War to the Great Depression, from cow ponies and six-guns to Ford V-8s and automatic weapons, through the real lives of some of Texas's most

notorious sons." —James R. Knight, author of *Bonnie and Clyde: A Twenty-First-Century Update*

Western North American Juniperus Communities Oscar van Auken 2007-12-04 In North America, Juniperus woodlands occupy approximately 55 million hectares, an area larger than the state of Texas. This title addresses various aspects of the biology, ecology, and management of Juniperus woodlands and savannas, synthesizing past and current research findings as well as proposed research. The book provides ecologists, land managers, and foresters with a solid foundation in Juniperus ecosystems, enabling them to manage the communities for maximum sustained productivity and diversity.

Law & Inequality 1994

German-American Relations and German Culture in America Arthur R. Schultz 1984 This "work is organized by subject. Materials are grouped under twelve main sections in the body of the work, with appropriate subdivisions and subtopics within each main subject. Each section is assigned a two-letter designation, and entries are numbered consecutively within each section. This subject code system was designed to facilitate referrals from the Index to the main body of the text, and to allow for cross-referencing between sections."--Introduction.

German-American History and Life Michael Keresztesi 1980

Sam Houston's Republic Lynne Basham Tagawa 2012-05 As the author of world history textbooks for children, I am always on the hunt for extraordinary literature that complements my work and helps bring history to life. I have found such a resource with *Sam Houston's Republic* . . . a captivating and historically accurate portrayal . . . -Linda Lacour Hobar, author of *The Mystery of History*. *Sam Houston's Republic* chronicles Texas history in a captivating blend of adventure, politics, Christian faith, romance, and even a splash of humor. The author illuminates the hearts and minds of her characters in a vivid detail that

believes a history text . . . A highly recommended read! -Susan B. Weir
Hear hoof beats in your classroom or homeschool . . . -Travel with Sam Houston as he outmaneuvers Santa Anna - Journey with Zechariah Morrell as he preaches the gospel and endures hardship - Defend the frontier with Texas Ranger Jack Hays "captivating . . . an amazing piece of work . . . I enjoyed it immensely . . ." -Paul White, 11th grade Lynne Tagawa never found "social studies" interesting in school. After the Lord saved her she began to see that history was His Story. Married and the mother of four sons, she has taught in Christian schools and at home. The Tagawas reside in Texas.

Catching Shadows David Haynes 1993 Samuel Anderson, Hamilton B. Hillyer, Mary E. Jacobson, David H. Swartz--there long-forgotten men and women are brought back into focus, along with thousands of others, in this comprehensive directory of nineteenth-century Texas photographers. It is the definitive reference source for libraries, students, scholars, and genealogists. Using censuses, city directories, newspapers, and other sources, the author has compiled a checklist of nearly 2,500 photographers working in the state during the years 1843-1900, when Texas went from a rough frontier to an oil-fueled colossus. Each entry in the alphabetical listing includes the photographer's name, biographical information, known dates and locations, and the source of this information. In a valuable introduction, the author discusses the history of photography and the story of its development and practice in Texas. Comprehensive indexes of locations and dates and of black, female, and foreign-born photographers are also included.--Cover.

John Ringo, King of the Cowboys David D. Johnson 2008 Few names in the lore of western gunmen are as recognizable. Few lives of the most notorious are as little known. Romanticized and made legendary, John Ringo fought and killed for what he believed was right. As a teenager, Ringo was rushed into sudden adulthood when his father was killed tragically in the midst of the family's overland trek to California. As a young man he became embroiled in the blood feud turbulence of post-Reconstruction Texas. The Mason County "Hoo Doo" War in Texas began as a war over range rights, but it swiftly deteriorated into blood vengeance and spiraled out of control as the body count rose. In this charnel house Ringo gained a reputation as a dangerous gunfighter and man killer. He was proclaimed throughout the state as a daring leader, a desperate man, and a champion of the feud. Following incarceration for his role in the feud, Ringo was elected as a lawman in Mason County, the epicenter of the feud's origin. The reputation he earned in Texas, further inflated by his willingness to shoot it out with Victorio's raiders during a

deadly confrontation in New Mexico, preceded him to Tombstone in territorial Arizona. Ringo became immersed in the area's partisan politics and factionalized violence. A champion of the largely Democratic ranchers, Ringo would become known as a leader of one of these elements, the Cowboys. He ran at bloody, tragic odds with the Earp brothers and Doc Holliday, finally being part of the posse that hounded these fugitives from Arizona. In the end, Ringo died mysteriously in the Arizona desert, his death welcomed by some, mourned by others, wrongly claimed by a few. Initially published in 1996, John Ringo has been updated to a second edition with much new information researched and uncovered by David Johnson and other Ringo researchers.
