Available Means Joy Ritchie 2001-07-12 "I say that even later someone will remember us."—Sappho, Fragment 147, sixth century, BC Sappho's prediction came true; fragments of work by the earliest woman writer in Western literate history have in fact survived into the twenty-first century. But not without peril. Sappho's writing remains only in fragments, partly due to the passage of time, but mostly as a result of systematic efforts to silence women's voices. Sappho's hopeful boast captures the mission of this anthology: to gather together women engaged in the art of persuasion—across differences of race, class, sexual orientation, historical and physical locations—in order to remember that the rhetorical tradition indeed includes them. *Available Means* offers seventy women rhetoricians—from ancient Greece to the twenty-first century—a room of their own for the first time. Editors Joy Ritchie and Kate Ronald do so in the feminist tradition of recovering a previously unarticulated canon of women's rhetoric. Women whose voices are central to such scholarship are included here, such as Aspasia (a contemporary of Plato's), Margery

Kempe, Margaret Fuller, and Ida B. Wells. Added are influential works on what it means to write as a woman—by Virginia Woolf, Adrienne Rich, Nancy Mairs, Alice Walker, and Hélène Cixous. Public "manifestos" on the rights of women by Hortensia, Mary Astell, Maria Stewart, Sarah and Angelina Grimké, Anna Julia Cooper, Margaret Sanger, and Audre Lorde also join the discourse. But *Available Means* searches for rhetorical tradition in less obvious places, too. Letters, journals, speeches, newspaper columns, diaries, meditations, and a fable (Rachel Carson's introduction to *Silent Spring*) also find places in this room. Such unconventional documents challenge traditional notions of invention, arrangement, style, and delivery, and blur the boundaries between public and private discourse. Included, too, are writers whose voices have not been heard in any tradition. Ritchie and Ronald seek to "unsettle" as they expand the women's rhetorical canon. Arranged chronologically, *Available Means* is designed as a classroom text that will allow students to hear women speaking to each other across centuries, and to see how women have added new places from which arguments can be made. Each selection is accompanied by an extensive headnote, which sets the reading in

context. The breadth of material will allow students to ask such questions as "How might we define women's rhetoric? How have women used and subverted traditional rhetoric?" A topical index at the end of the book provides teachers a guide through the rhetorical riches. Available Means will be an invaluable text for rhetoric courses of all levels, as well as for women's studies courses.

Wisconsin Quilts Ellen Kort 2008-05-30 Provides a new "state" quilt books to add to your collection, while you enjoy the projects and historical inspiration it provides Only book to cover quilts documented by the Wisconsin Quilt History Project - part of a nationwide effort to preserve quilting Storytelling - is as old as humanity, and quilting is among the most prolific mediums. Wisconsin Quilts brings readers 100 antique quilts stitched by immigrants between the 1800s and the mid-20th century, through times of war, economic development and depression, with continued perseverance. You will learn about the history of the day, and gain information about 10 of the quilt blocks used to create each the various quilts featured.

The Nation 1901

Women's Letters Lisa Grunwald 2009-01-21 Historical events of the last three centuries come alive through these women's singular correspondences—often their only form of public expression. In 1775, Rachel Revere tries to send financial aid to her husband, Paul, in a note that is confiscated by the British; First Lady Dolley Madison tells her sister about rescuing George Washington's portrait during the War of 1812; one week after JFK's assassination, Jacqueline Kennedy pens a heartfelt letter to Nikita Khrushchev; and on September 12, 2001, a schoolgirl writes a note of thanks to a New York City firefighter, asking him, "Were you afraid?" The letters gathered here also offer fresh insight into the personal milestones in women's lives. Here is a mid-nineteenth-century missionary describing a mastectomy performed without anesthesia; Marilyn Monroe asking her doctor to spare her ovaries in a handwritten note she taped to her stomach before appendix surgery; an eighteen-year-old telling her mother about her decision to have an abortion the year after *Roe v. Wade*; and a woman writing to her

parents and in-laws about adopting a Chinese baby. With more than 400 letters and over 100 stunning photographs, *Women's Letters* is a work of astonishing breadth and scope, and a remarkable testament to the women who lived—and made—history. From the Hardcover edition.

Second to None: From 1865 to the present Ruth Barnes Moynihan 1993-01-01 "Here are women who are shapers of history, as well as its victims. In diaries, letters, speeches, songs, petitions, essays, photographs, and cartoons they describe, rejoice, exhort, complain, advertise, and joke, revealing women's role as community builders in every time and locale and registering their emergence into the public spheres of political, social, and economic life. The documents also demonstrate the value of gender analysis, for women's differences--in age, race, sexual orientation, class, geographical or ethnic origin, abilities or disabilities, and values--are shown to be as important as their commonalities."--Book cover.

What's Up Doc? 1993

America, History and Life 2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada.

Threading Time Dolores Bausum 2001 In a ground-breaking survey taken primarily from literary sources, *Threading Time* reveals the essential link between the human spirit and the

art of connecting threads. Whether looking at stories about clothing made in the Garden of Eden, a medieval manuscript, or modern fiction and poetry, the author traces the importance to humankind of a craft that has never ceased since it began at least forty thousand years ago. The author's conception of threadwork throughout is generic, including all kinds of work done with thread, yarn, or fiber. In the author's long-range view, threadwork becomes more than a garment, a rug, or a tapestry on the wall. It is often a bond shared with contemporaries and with ancestors, a link between humans and cultural beliefs, even a tie between humankind and the Divine. This age-old association of interwoven fibers and humanity is found today in a metaphor that is used to convey the concept of shared traditions, values, and beliefs: the fabric of society. A rip in the fabric can be alarming; mending it is necessary to avert instability and even chaos. *Threading Time* opens with stories from biblical traditions that continue to influence society. Next come portrayals of threadworkers in Greek and Roman myths and those suggested on the famous marble frieze carved on the Parthenon of Athens. The author then turns to *Piers Plowman*, Chartres Cathedral's windows, the Bayeux Tapestry, and other textile evidence from the medieval era; she suggests how threadwork in those centuries became identified with spiritual faith and belief in miracles. An illustrated French manuscript and the *Apocalypse Tapestry* highlight a discussion of changes in the lives of cloth workers that occurred during the Renaissance. Works by two Germans--playwright Gerhart Hauptmann and artist Käthe Kollwitz--illustrate labor struggles that persisted for centuries in textile production. Selections of poetry by English poets such as Robert Burns and William Blake provide glimpses of protests made by some against economic forces disrupting the lives of textile workers during the Industrial Revolution. Novels by Nathaniel Hawthorne, Edith Wharton, and D. H. Lawrence suggest that threadwork activity itself may arouse, release, or inhibit strong feelings, even erotic passion, between men and women. These novels also demonstrate that needlework and its products can be used to stigmatize, ostracize, or control an individual. Both fictional and real-life accounts follow in a discussion of works by three

nineteenth-century writers--Charles Dickens, Louisa May Alcott, and Mary Boykin Chesnut--who illustrate the power of threadwork during wartime to transform solitary individuals into patriots and lift the morale of civilians who share common beliefs and objectives. Novels by Edith Gaskell, Edith Wharton, and Theodore Dreiser, as well as several memoirs, offer examples of textile work that individuals have done in peacetime when their daily survival hung by a thread. Finally, the author turns to twentieth-century American authors Margaret Mitchell, Alice Walker, Anna Quindlen, and John Updike for glimpses into families whose members are linked by threadwork. As an original view of threadwork written from a broad chronological perspective, *Threading Time* will appeal to textile artisans and collectors. It will also interest lay readers of literature, women's history, and cultural history.

Library Journal 1994 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called *Junior libraries*, 1954-May 1961). Also issued separately.

New Books on Women and Feminism 1999
Birth Control on Main Street Cathy Moran Hajo 2010 Unearthing individual stories and statistical records from previously overlooked birth control clinics, Cathy Moran Hajo looks past the rhetoric of the birth control movement to show the relationships, politics, and issues that defined the movement in neighborhoods and cities across the United States. Whereas previous histories have emphasized national trends and glossed over the majority of clinics, *Birth Control on Main Street* contextualizes individual case studies to add powerful new layers to the existing narratives on abortion, racism, eugenics, and sterilization. Hajo draws on an original database of more than 600 clinics run by birth control leagues, hospitals, settlement houses, and public health groups to isolate the birth control clinic from the larger narrative of the moment. By revealing how clinics tested, treated, and educated women regarding contraceptives, she shows how clinic operation differed according to the needs and concerns of the districts it served. Moving thematically through the politicized issues of the birth control movement, Hajo infuses her

analysis of the practical and medical issues of the clinics with unique stories of activists who negotiated with community groups to obey local laws and navigated the swirling debates about how birth control centers should be controlled, who should receive care, and how patients should be treated.

Journal of Women's History 1995

Creating the Culture of Reform in Antebellum America T. Gregory Garvey 2006-12-01 In this study, T. Gregory Garvey illustrates how activists and reformers claimed the instruments of mass media to create a freestanding culture of reform that enabled voices disfranchised by church or state to speak as equals in public debates over the nation's values. Competition among antebellum reformers in religion, women's rights, and antislavery institutionalized a structure of ideological debate that continues to define popular reform movements. The foundations of the culture of reform lie, according to Garvey, in the reconstruction of publicity that coincided with the religious-sectarian struggles of the early nineteenth century. To counter challenges to their authority and to retain church members, both conservative and liberal religious factions developed instruments of reform propaganda (newspapers, conventions, circuit riders, revivals) that were adapted by an emerging class of professional secular reformers in the women's rights and antislavery movements. Garvey argues that debate among the reformers created a mode of "critical conversation" through which reformers of all ideological persuasions collectively forged new conventions of public discourse as they struggled to shape public opinion. Focusing on debates between Lyman Beecher and William Ellery Channing over religious doctrine, Angelina Grimke and Catharine Beecher over women's participation in antislavery, and William Lloyd Garrison and Frederick Douglass over the ethics of political participation, Garvey argues that "crucible-like sites of public debate" emerged as the core of the culture of reform. To emphasize the redefinition of publicity provoked by antebellum reform movements, Garvey concludes the book with a chapter that presents Emersonian self-reliance as an effort to transform the partisan nature of reform discourse into a model of

sincere public speech that affirms both self and community.

Reforming America [2 volumes] Jeffrey A. Johnson 2017-03-20 Presenting a detailed look at the individuals, themes, and moments that shaped this important Progressive Era in American history, this valuable reference spans 25 years of reform and provides multidisciplinary insights into the period. During the Progressive Era, influential thinkers and activists made efforts to improve U.S. society through reforms, both legislative and social, on issues of the day such as working conditions of laborers, business monopolies, political corruption, and vast concentrations of wealth in the hands of a few. Many Progressives hoped for and tirelessly worked toward a day when all Americans could take full advantage of the economic and social opportunities promised by U.S. society. This two-volume work traces the issues, events, and individuals of the Progressive Era from approximately 1893 to 1920. The entries and primary sources in this set are grouped thematically and cover a broad range of topics regarding reform and innovation across the period, with special attention paid to important topics of race, class, and gender reform and reformers. The volumes are helpfully organized under five categories: work and economic life; social and political life; cultural and religious life; science, literature, and the arts; and sports and popular culture.

The Rise of the New Woman Jean V. Matthews 2003 This book chronicles the changing fortunes and transformations of the organized suffrage movement, from its dismal period of declining numbers and campaign failures to its final victory.

The Women's Movement Barbara Ryan 1996 In this book the author has compiled a comprehensive annotated bibliography of critical resources associated with the most consequential matters facing the women's movement.

HOW TO ACQUIRE BOOKS LISTED IN CURRENT CONTENTS 1996

American Culture Anders Breidlid 1996 American Culture is an anthology of primary, documentary texts of American civilisation using excerpts from speeches, political addresses, articles, interviews, oral histories,

autobiographies, advertisements and song lyrics. Edited by academics who are highly experienced in the study and teaching of American Studies across a wide range of institutions, this volume provides: * a wide range of texts that introduce the students to various sides of American society in an historical perspective: its regions, immigration, social structure, ethnic groups, ideology, religion and popular culture * primary sources of American life that students themselves can subject to cultural analysis and discussions in class * linking text arranged thematically * a means of seeing and understanding the ways in which language and culture are closely related, enabling students to integrate the study of culture and language and develop a combination of linguistic and cultural analytical skills.

Teaching American History in a Global Context

Carl J. Guarneri 2015-07-17 This comprehensive resource is an invaluable teaching aid for adding a global dimension to students' understanding of American history. It includes a wide range of materials from scholarly articles and reports to original syllabi and ready-to-use lesson plans to guide teachers in enlarging the frame of introductory American history courses to an international view. The contributors include well-known American history scholars as well as gifted classroom teachers, and the book's emphasis on immigration, race, and gender points to ways for teachers to integrate international and multicultural education, *America in the World*, and *The World in America* in their courses. The book also includes a 'Views from Abroad' section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants. A comprehensive, annotated guide directs teachers to additional print and online resources.

Encyclopedia of Local History Carol Kammen 2000 How is local history thought about? How should it be approached? Through brief, succinct notes and essay-length entries, the *Encyclopedia of Local History* presents ideas to consider, sources to use, historical fields and trends to explore. It also provides commentary on a number of subjects, including the everyday topics that most local historians encounter. A handy reference tool that no public historian's

desk should be without!

Women Writers in the United States Cynthia J. Davis 1996 A reference guide to American women's writing presents authors and their work side by side with social and cultural events during the same period in a "timeline format." *Whitaker's Books in Print* 1998

Second to None: From 1865 to the present. The later nineteenth century, 1865-1900: Equal rights ; Strategies for achievement

Ruth Barnes Moynihan 1993 "Here are women who are shapers of history, as well as its victims. In diaries, letters, speeches, songs, petitions, essays, photographs, and cartoons they describe, rejoice, exhort, complain, advertise, and joke, revealing women's role as community builders in every time and locale and registering their emergence into the public spheres of political, social, and economic life. The documents also demonstrate the value of gender analysis, for women's differences--in age, race, sexual orientation, class, geographical or ethnic origin, abilities or disabilities, and values--are shown to be as important as their commonalities."--Book cover.

Reforming America, Volumes 1 and 2 Jeffrey A. Johnson, Editor

Modern Motherhood Jodi Vandenberg-Daves 2014-05-26 How did mothers transform from parents of secondary importance in the colonies to having their multiple and complex roles connected to the well-being of the nation? In the first comprehensive history of motherhood in the United States, Jodi Vandenberg-Daves explores how tensions over the maternal role have been part and parcel of the development of American society. *Modern Motherhood* travels through redefinitions of motherhood over time, as mothers encountered a growing cadre of medical and psychological experts, increased their labor force participation, gained the right to vote, agitated for more resources to perform their maternal duties, and demonstrated their vast resourcefulness in providing for and nurturing their families. Navigating rigid gender role prescriptions and a crescendo of mother-blame by the middle of the twentieth century, mothers continued to innovate new ways to combine labor force participation and domestic responsibilities. By the 1960s, they were poised to challenge male expertise, in areas ranging

from welfare and abortion rights to childbirth practices and the confinement of women to maternal roles. In the twenty-first century, Americans continue to struggle with maternal contradictions, as we pit an idealized role for mothers in children's development against the social and economic realities of privatized caregiving, a paltry public policy structure, and mothers' extensive employment outside the home. Building on decades of scholarship and spanning a wide range of topics, Vandenberg-Daves tells an inclusive tale of African American, Native American, Asian American, working class, rural, and other hitherto ignored families, exploring sources ranging from sermons, medical advice, diaries and letters to the speeches of impassioned maternal activists. Chapter topics include: inventing a new role for mothers; contradictions of moral motherhood; medicalizing the maternal body; science, expertise, and advice to mothers; uplifting and controlling mothers; modern reproduction; mothers' resilience and adaptation; the middle-class wife and mother; mother power and mother angst; and mothers' changing lives and continuous caregiving. While the discussion has been part of all eras of American history, the discussion of the meaning of modern motherhood is far from over.

Ideas and Movements That Shaped America [3 volumes] Michael Green 2015-07-28 America was founded on bold ideas and beliefs. This book examines the ideas and movements that shaped our nation, presenting thorough, accessible entries with sources that improve readers' understanding of the American experience. Presenting accessibly written information for general audiences as well as students and researchers, this three-volume work examines the evolution of American society and thought from the nation's beginnings to the 21st century. It covers the seminal ideas and social movements that define who we are as Americans—from the ideas that underpin the Bill of Rights to slavery, the Civil Rights movement, and the idea of gay rights—even if U.S. citizens often strongly disagree on these topics. Organized topically rather than chronologically, this encyclopedia combines primary sources and secondary works or historical analyses with text describing the ideas and movements in question.

In addition, each entry includes a list of suggestions for further reading that directs readers to supplementary sources of information. The set's unique perspective serves to depict how American society has evolved from the nation's beginnings to the present, revealing how Americans as a people have acted and responded to key ideas and movements.

A Sweet, Separate Intimacy Susan Cummins Miller 2000 An anthology of writings by 34 American women of the frontier, covering a broad spectrum of genres and voices, including poetry, fiction, and writing by women of Native American, Hispanic, Anglo, and Chinese ethnicity.

What American Women Did, 1789-1920 Linda Miles Coppens 2001 A year-by-year chronicle of individual women's achievements in the areas of domesticity, work, education and scholarship, religion, arts, organized reform efforts, and law and politics from 1789 to 1920; also includes a bibliography.

Second to None: From the sixteenth century to 1865 Ruth Barnes Moynihan 1993-01-01 "Here are women who are shapers of history, as well as its victims. In diaries, letters, speeches, songs, petitions, essays, photographs, and cartoons they describe, rejoice, exhort, complain, advertise, and joke, revealing women's role as community builders in every time and locale and registering their emergence into the public spheres of political, social, and economic life. The documents also demonstrate the value of gender analysis, for women's differences--in age, race, sexual orientation, class, geographical or ethnic origin, abilities or disabilities, and values--are shown to be as important as their commonalities."--Book cover.

Ideas and Movements That Shaped America Michael S. Green

Carceral Liberalism Shreerekha Pillai 2023-08-15 One of Ms. Magazine's Most Anticipated Books of 2023 Carceral liberalism emerges from the confluence of neoliberalism, carcerality, and patriarchy to construct a powerful ruse disguised as freedom. It waves the feminist flag while keeping most women still at the margins. It speaks of a post-race society while one in three Black men remain incarcerated. It sings the praises of capital while the dispossessed remain mired in debt.

Shreerekha Pillai edits essays on carceral liberalism that continue the trajectory of the Combahee River Collective and the many people inspired by its vision of feminist solidarity and radical liberation. Academics, activists, writers, and a formerly incarcerated social worker look at feminist resurgence and resistance within, at the threshold of, and outside state violence; observe and record direct and indirect forms of carcerality sponsored by the state and shaped by state structures, traditions, and actors; and critique carcerality. Acclaimed poets like Honorée Fanonne Jeffers and Solmaz Sharif amplify the volume's themes in works that bookend each section. Cutting-edge yet historically grounded, *Carceral Liberalism* examines an American ideological creation that advances imperialism, anti-blackness, capitalism, and patriarchy. Contributors: Maria F. Curtis, Joanna Eleftheriou, Autumn Elizabeth and Zarinah Agnew and D Coulombe, Jeremy Eugene, Demita Frazier, Honorée Fanonne Jeffers, Alka Kurian, Cassandra D. Little, Beth Matusoff Merfish, Francisco Argüelles Paz y Puente, Shreerekha Pillai, Marta Romero-Delgado, Ravi Shankar, Solmaz Sharif, Shailza Sharma, Tria Blu Wakpa and Jennifer Musial, Javier Zamora

Program of the Annual Meeting - American Historical Association American Historical Association 1995 Some programs include also the programs of societies meeting concurrently with the association.

Gender and Race in Antebellum Popular Culture Sarah N. Roth 2014-07-21 In the decades leading to the Civil War, popular conceptions of African American men shifted dramatically. The savage slave featured in 1830s' novels and stories gave way by the 1850s to the less-threatening humble black martyr. This radical reshaping of black masculinity in American culture occurred at the same time that the reading and writing of popular narratives were emerging as largely feminine enterprises. In a society where women wielded little official power, white female authors exalted white femininity, using narrative forms such as autobiographies, novels, short stories, visual images, and plays, by stressing differences that made white women appear superior to male slaves. This book argues that white women, as

creators and consumers of popular culture media, played a pivotal role in the demasculinization of black men during the antebellum period, and consequently had a vital impact on the political landscape of antebellum and Civil War-era America through their powerful influence on popular culture. Second to None: From 1865 to the present Ruth Barnes Moynihan 1993 "Here are women who are shapers of history, as well as its victims. In diaries, letters, speeches, songs, petitions, essays, photographs, and cartoons they describe, rejoice, exhort, complain, advertise, and joke, revealing women's role as community builders in every time and locale and registering their emergence into the public spheres of political, social, and economic life. The documents also demonstrate the value of gender analysis, for women's differences--in age, race, sexual orientation, class, geographical or ethnic origin, abilities or disabilities, and values--are shown to be as important as their commonalities."--Book cover.

FAQs About Finding Second To None A Documentary History Of American Women From 1865 To The Present eBooks

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.

Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks?

To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks?

Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.

Second To None A Documentary History Of American Women From 1865 To The Present is one of the best book in our library for free trial. We provide copy of Second To None A Documentary History Of American Women From 1865 To The Present in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Second To None A Documentary History Of American Women From 1865 To The Present.

Where to download Second To None A Documentary History Of American Women From 1865 To The Present online for free? Are you looking for Second To None A Documentary History Of American Women From 1865 To The Present PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around

for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Second To None A Documentary History Of American Women From 1865 To The Present. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.

Several of Second To None A Documentary History Of American Women From 1865 To The Present are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories.

Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Second To None A Documentary History Of American Women From 1865 To The Present. So depending on what exactly you are searching, you will be able to choose e books to suit your own need.
