The Cuckoo's Parting Cry Anthea Halliwell 2012-02-29 For Fidgie, living in pre-war Wales, the long school holiday stretched blissfully ahead. With her new friend Chaz as companion for idyllic summer days by the sea, she was able frequently to escape her edgy mother and her malicious older sister, Cly. Her father, mercifully, was away from home ... Through Fidgie's clear eyes the events of a brief hot spell in August unfold: her family and neighbours become involved in adultery, deception, and other, darker, misdemeanours. The eight-year-old child is an engaging and lively narrator; swept along by her extraordinarily compelling tale, the reader will realise that underlying Fidgie's innocent accounts of family meals, fishing trips round the bay, tree-climbing and playing at May Queens, a very adult sub-text is developing. Its conclusion is both tragic and inevitable. Anthea Halliwell's novel marks the emergence of a delightfully individual voice and a most original storytelling talent.

[A Compensatory Gift of Unyielding Sturdiness](#) Michael A. Connelly

2015-01-23 Ronnie Leigh is born with a disfigured face and a questionable "gift" of unusual intuition inherited from his mother. He gets off to a rocky start in life, with behavioral and personality problems compounded in that he knows, from an early age, that most people are immediately "put off" by his appearance...and that some even dislike him on sight. With the help of his understanding and loving parents and a caring child psychologist, Ronnie learns to appreciate what he does have, and not dwell on what he does not. What he has innately are intelligence and athletic ability, and what he learns through early adversity are persistence, perspective, the value of hard work in the classroom and on the baseball field...and, for him especially, the healing, calming, and strengthening power of vigorous exercise, beyond what most people are capable of. Ronnie struggles to make close friends, even as strives to advance as a pitcher in the Boston Red Sox minor-league system. Meanwhile, he has a good heart, extraordinary fighting skills, and that gift/curse of special intuition...the combination of which forces him to make some difficult decisions, and eventually to undertake some dangerous and extreme but ultimately necessary actions.
