The Signature of all Things Jacob Boehme 2014-05-29 'It is not to be thought that the life of darkness is sunk in misery and lost as if in sorrow. There is no sorrowing. For sorrowing is a thing swallowed up in death, and death and dying are the very life of the darkness.' Jacob Boehme's mystical pantheism and dialectical conception of God - in which good and evil are rooted in one and the same being - soon brought him into conflict with Lutheran orthodoxy. It is in 'The Signature of all Things' (Signatura Rerum) that the tenets of Boehme's theosophy are related in their greatest detail. Casting the reader into the vortex of his cosmological universe, Boehme's endeavour to express a new sense of the human, divine and natural realms attains its apotheosis in his conception of the Ungrund, the uncertainty that precedes the divine will's arousing itself to self-awareness. Challenging and rewarding in equal measure, this is a profound text, deeply influential upon devotional writers such as William Law, visionaries such as William Blake (informing The Marriage of Heaven and Hell) and, more recently, upon cultural production as diverse as the psychology of Carl Jung and Philip Pullman's His Dark Materials trilogy.

The Signature of God, Revised Edition Grant R. Jeffrey 2010-07-20 YOU CAN BELIEVE THE BIBLE. WITHOUT ANY DOUBT. As American society becomes more secularized, Christians need to know all the facts about the Bible. Dr. Grant R. Jeffrey has spent decades researching history, science, archaeology, medicine, and prophecy--finding that each discipline confirms the truth of Scripture. This revised and updated edition of The Signature of God proves that the Bible is not only accurate in its spiritual claims, but is completely reliable as well on matters of origins, medicine, history, and science. Historians of the ancient world--as well as recent archaeological finds--confirm the names of kings and kingdoms, and the dates of wars and mass migrations mentioned in the Bible. Recent breakthroughs in astronomy, physics, and medical science have shown that God's Word accurately described the universe and the processes of human life before scientific research caught up. And hundreds of fulfilled prophecies show that God revealed the future to his prophets in order to undergird the faith of his people. No matter how loudly the skeptics argue against Christian faith, only one conclusion makes sense: the Bible is God-breathed. You can believe every word, every claim, every prophecy, and every miracle. With no doubts.

The Signature of God Grant R. Jeffrey 2010 Is the Bible a legend, or the fanciful history of an ancient tribe, or the wishful thinking of followers of a self-styled messiah? It is none of these, insists biblical scholar and prophecy expert Grant Jeffrey. In *The Signature of God*, Jeffrey establishes that God guaranteed the accuracy of his written self-revelation in a surprising variety of ways and draws on the work of disciplines ranging from computer analysis to archaeology to prove that the Bible is accurate in its historical, scientific, and supernatural claims. Was Jesus God? Richard Swinburne 2010-01-07 The orderliness of the universe and the existence of human beings already provides some reason for believing that there is a God - as argued in Richard Swinburne's earlier book *Is There a God ?* Swinburne now claims that it is probable that the main Christian doctrines about the nature of God and his actions in the world are true. In virtue of his omnipotence and perfect goodness, God must be a Trinity, live a human life in order to share our suffering, and found a church which would enable him to tell all humans about this. It is also quite probable that he would provide his human life as an atonement for our wrongdoing, teach us how we should live and tell us his plans for

our future after death. Among founders of religions, Jesus satisfies uniquely well the requirement of living the sort of human life which God would need to have lived. But to give us adequate reason to believe that Jesus was God, God would need to put his 'signature' on the life of Jesus by an act which he alone could do, for example raise him from the dead. There is adequate historical evidence that Jesus rose from the dead. The church which he founded gave plausible interpretations of his basic message. Therefore Christian doctrines are probably true.

Signature of All Things Jacob Boehme 2007-06-01 Showing the Sign and Signification of the Several Forms and Shapes in the Creation; and what the Beginning, Ruin, and Cure of Everything is. It proceeds out of Eternity into Time, and again out of Time into Eternity, and Comprises all Mysteries. Your Signature Life Dianna Daniels Booher 2003 What if we all lived our daily lives so that we could be proud to add our signature to it at the end of the day-just as an artist or novelist signs a finished piece of work? When a craftsman signs his work, he's making a statement: "I'm taking ownership. This is my personal best at this moment." Your Signature Life encourages us to give God the very best of ourselves at work, at home, and in relationships, through the choices we make every day.

Chosen by God R. C. Sproul 2011-02-18 Nearly 200,000 copies sold! Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

The Signature of God Grant R. Jeffrey 2009-01-21 The secret things belong unto the Lord our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this law. —Deuteronomy 29:29 This new, expanded and completely documented edition of *The Signature of God* contains additional research and compelling documentation proving the Bible is inspired by God. God's Signature Steve Maltz 2012 Have you ever wondered how the Old Testament came to be written,
 what exactly we could be missing through not reading the Hebrew Scriptures in the original language, and
 why God chose to use Hebrew? The answers to all three questions will amaze you - guaranteed This book
 traces the history of God's Word to mankind, from Moses to Ezra and beyond. The Hebrew language is
 introduced painlessly and you begin to understand why God chose it for his communication to us. Then,
 armed with new knowledge, you are taken through a fascinating set of Hebraic Bible studies, revealing
 more about ourselves and our Messiah. In this book you will learn: How Moses wrote his five books; How
 the Hebrew language speaks to us; What God's real name is; Which translations of the Bible are truly
 inspired; What the Jewish scribes did for us; What separates man from the animals; Where Jesus hid in the
 Old Testament; Which Hebrew letter spoke of the virgin birth; Which method of Bible interpretation you
 never hear about; How to say the Aaronic blessing properly; About the mystery of the lion and the piercing -
 and much more.

The Signature of God/the Handwriting of God Grant R. Jeffrey 2005-08 Are the Scriptures truly the
 word of God? Can they be trusted? "Yes!" declares Bible prophecy expert Grant Jeffrey, and these two
 bestsellers he amasses an amazing quantity of evidence to demonstrate it. The Signature of God argues that
 God has indeed revealed Himself in the pages of the Bible through a staggering number of divine proofs:
 the incredible precision of prophecies fulfilled, ancient inscriptions that validate the Exodus events, the
 name of Jesus encoded in the Old Testament, and much more. In The Handwriting of God, Jeffrey unveils
 the truth about the controversial "Bible codes" while revealing new code discoveries hidden in the
 Scriptures. Throughout, he shows that though the Bible was written thousands of years ago, it still speaks
 reliably and authoritatively to modern man. Comprehensive and convincing, this two-in-one collection is a
 must-have for every concerned believer.

God on Campus Trent Sheppard 2010-09 God on Campus traces a remarkable legacy of spiritual
 awakening that stretches from the founding of the earliest colleges in the United States to a global
 movement of nonstop student prayer spreading across campuses today. This is a book to help you
 remember your roots' Trent Sheppard writes' ordinary people like you and me - - bold and timid' brilliant
 and insecure' disillusioned and dangerous' ambitious and naive' holy and fallen' fearless and afraid - -
 people who prayed' people who conspired together with their friends in faith and action' people who
 believed their lives could actually help shape the unfolding narrative of history. From the establishment of
 early American campuses during the Great Awakening to the rapidly spreading collegiate movements of the
 twenty - first century' Sheppard shows how students can integrate their passion in prayer with practical
 Christ - like living in culture. The goal' he explains' is not for us to abandon our studies in economics or
 education and all become preachers instead. The goal is to live like Jesus in the very soul of society.

Men of Science, Men of God Henry Morris 1988-07-01 One of the most serious fallacies today is the
 belief that genuine scientists cannot believe the Bible. BUT THE TRUTH IS that many of the major scientific
 contributions were made by scientists who were dedicated men of God. In Men of Science, Men of God, Dr.
 Henry Morris presents 101 biographies and Christian testimonies of scientists who believed in the Bible
 and in a personal Creator God - scientists who were pioneers and "founding fathers" of modern scientific
 disciplines.

A Kids Book about God Paul J. Pastor 2020-10-23 Who is God? Where do I go when I die? Is God even real?
 This book answers none of these questions, but it asks them all! It is a thoughtful book that enforces no
 views but stresses the importance of a healthy dialogue, curiosity, love, and wonder.

The Holiness of God R.C. Sproul 2023-09-05 Central to God's character is the quality of holiness. Yet,
 even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today
 avoid the topic altogether because people today don't quite know what to do with words like "awe" or
 "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the

Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as
 God is holy. Once you encounter the holiness of God, your life will never be the same.

They Forged the Signature of God Viriato Senci3n 1995 This vivid expos3 of corruption and political
 tyranny in the Dominican Republic rang so true to the reality that the President of that country went on
 television to denounce the book. Senci3n's novel follows the lives of three seminary students who suffer
 from church-state oppression. The book also gives a chilling portrait of Dr. Ramos, a sinister autocrat, who
 manages to survive six terms as president of his country through manipulation and tyranny.

Knowing God Bible Study J. I. Packer 2021-02-16 What could be more important than knowing our all-
 surpassing God? These five easy-to-use studies, based on J. I. Packer's bestselling classic Knowing God,
 explore the character and actions of God throughout Scripture. They encourage us to look for God every
 time we read the Bible and to deepen our understanding, trust, and worship in response.

The Signature of God's Hand James R Martin 2023-03-14 "The Signature of God's Hand" takes readers
 on an awe-inspiring journey through the many ways that God's presence can be felt and seen in our world.
 From the beauty of nature to the complexities of human existence, this book explores the ways in which
 God's signature is woven into the very fabric of our lives. With chapters that delve into the providence of
 God, the significance of scripture and revelation, and the importance of discerning God's will, this book
 offers a comprehensive look at how we can experience and respond to the divine touch. But "The Signature
 of God's Hand" doesn't shy away from the difficult questions either, with a thoughtful exploration of how we
 can find meaning in times of suffering and pain. Ultimately, this book is a call to live with awe and wonder,
 recognizing the many ways that God's presence surrounds us and embracing the profound purpose behind
 our existence. Whether you are a lifelong believer or a curious seeker, "The Signature of God's Hand" is an
 inspiring and thought-provoking read that will leave you feeling more connected to God and the world
 around you.

The Signature of God Grant R. Jeffrey 1998 Collects historical, archaeological, and scientific evidence
 verifying the authenticity and accuracy of the Bible.

Signature of God/The Handwriting of God Grant R. Jeffrey 1999-09 Are the Scriptures truly the word of
 God? Can they be trusted? 'Yes!' declares Bible prophecy expert Grant Jeffrey, and these two bestsellers he
 amasses an amazing quantity of evidence to demonstrate it. Comprehensive and convincing, this two-in-one
 collection is a must-have for every concerned believer.

God and the Nations Henry Morris 2018-08-09 Despite living in a very connected world today, few of us
 have any real understanding of the history of nations. Secular scholars and scientists from various fields
 rarely consult the Bible's rich history on the subject. Yet if we consider what the Bible has to say about the
 global community's past—and future—achievements and mistakes, we discover a saga as fascinating as
 anything produced in Hollywood. In God & the Nations, Dr. Henry Morris does an unusual thing: he shows
 clearly that God is even more interested in the fate of each person as He is about the unfolding of national
 stories. Additionally, he delves into the mysterious world of Bible prophecy to proclaim the God of the Bible
 as truly unique. Morris, through this study of civilizations, reveals the origins and purpose for the whole
 world!

Nineteen Edip Yuksel 2011-01 Code 19 was hidden in the 74th chapter of the Quran and discovered by the
 author's colleague, Dr. Rashad Khalifa, an Egyptian-American biochemist, in 1974. The code suggests a
 "Copernican revolution" in theology of religions. Instead of Krishna-centered, Jesus-centered, or
 Muhammad-centered religions, people must turn to the original center, to the God-centered model.

The Signature of God Confronts the Forgeries of Men Edwin B. Fountain 2007

Classic Teachings on the Nature of God R. C. Sproul 2010 R. C. Sproul has committed his life to clearly
 communicating deep, practical truths from God's Word to students and laypeople. His lucid teaching style
 brings clarity to the most difficult--and often contentious--biblical and theological questions. Gathered here
 in one volume are three of his best-selling books--over \$40 worth of reading at a great low price. From
 Rudolf Otto's "mysterium tremendum" to Martin Luther's "insanity" and Jonathan Edwards's fiery sermons,
 Sproul's classic "The Holiness of God" illuminates history and Scripture to help readers understand--and live
 with--the tension that exists between God's terrifying holiness and his inexplicable grace. In "Chosen by
 God," Sproul tackles the divisive subject of predestination, and discusses God's sovereignty and the

problem of evil, human freedom, and the task of evangelism. He explains that there is a mystery in God's ways but not contradiction; and paints a picture of a loving--not spiteful or whimsical--God who provides redemption for radically corrupt people. "Pleasing God" explores the topic of sanctification--how we satisfy God by pursuing righteousness. Sproul examines the constant battle Christians wage against sin--pride, slothfulness, dishonesty. He reveals how many Christians have tragically abandoned the struggle, but that God delights in those who press on. Although Sproul brings a Reformed background and approach to topics, his work is not just for Calvinists but for all Christians who want to understand and build on the foundations of their faith.

Divine Signatures Gerald N. Lund 2010 Explanation of the differences between faith and testimony, and introduction of the idea of a "divine signature," blessings or answers given by God in dramatic, unusual, or precisely timed ways that make the answer seem "signed" by God.

Creation Grant R. Jeffrey 2009-02-19 This book explores the powerful new evidence discovered in the last few decades by scientific research in astronomy, the nature of the atom and DNA. These discoveries have caused a revolution in the world view of thousands of scientists as they were confronted with compelling new evidence that our universe must have been created by a Supernatural Mind. Grant Jeffrey's latest book, *Creation*, will challenge readers with fascinating new information that confirms the Bible's claim that "In the beginning God created the heavens and the earth". Content Includes: ·Deep space reveals mysteries of the first moments of creation ·Wonders of the universe point to a Supernatural Creator ·A revolution in our understanding of the universe's beginning ·Astonishing evidence of the universe's intelligent design ·Remarkable discoveries about the nature of the atom ·The collapse of the Theory of Evolution ·DNA- The language of God ·Modern science discovers God

The Long War Against God Henry Morris 2019-05-21 Darwin Challenged God's Word With Evolution...But Was He The Only One? Discover the old, ongoing war against biblical truth Dissect the origins of and arguments for atheistic thought Determine what you can do to defend your faith The denial of God is the root of every human problem, taking many forms over time — one of which is evolution. And this concept goes much farther back in time than we think. In *The Long War Against God*, the late Dr. Henry Morris, a renowned creationist, delves into the history of modern atheistic worldviews. Drawing from the writings of the Greeks, Babylonians, and other ancient philosophers, Morris demonstrates the long history and age of the plan to undermine God's Word. Whether it's evolutionism, humanism, pantheism, or atheism, Morris illuminates the past and present of these belief systems that seek to eliminate God. *The Long War Against God* will give you the tools you need to strengthen your own — and others' — faith in the battle for God's truth.

Living with a Wild God Barbara Ehrenreich 2014-04-08 From the New York Times bestselling author of *Nickel and Dimed* comes a brave, frank, and exquisitely written memoir that will change the way you see the world. Barbara Ehrenreich is one of the most important thinkers of our time. Educated as a scientist, she is an author, journalist, activist, and advocate for social justice. In *LIVING WITH A WILD GOD*, she recounts her quest--beginning in childhood--to find "the Truth" about the universe and everything else:

What's really going on? Why are we here? In middle age, she rediscovered the journal she had kept during her tumultuous adolescence, which records an event so strange, so cataclysmic, that she had never, in all the intervening years, written or spoken about it to anyone. It was the kind of event that people call a "mystical experience"--and, to a steadfast atheist and rationalist, nothing less than shattering. In *LIVING WITH A WILD GOD*, Ehrenreich reconstructs her childhood mission, bringing an older woman's wry and erudite perspective to a young girl's impassioned obsession with the questions that, at one point or another, torment us all. The result is both deeply personal and cosmically sweeping--a searing memoir and a profound reflection on science, religion, and the human condition. With her signature combination of intellectual rigor and uninhibited imagination, Ehrenreich offers a true literary achievement--a work that has the power not only to entertain but amaze.

The Story of God, the Story of Us Sean Gladding 2010-08-03 Travel with Sean Gladding between the lines of the Scriptures to listen to the conversations of people wrestling with the Story of God for the first time. Whether by campfire in Babylon, at table in Asia Minor or by candlelight in Rome, you'll hear a tale that is at once familiar and surprising.

When God Made Light Matthew Paul Turner 2018-02-13 From the author and illustrator of the best-selling *When God Made You* comes a new illuminating message about God's design affirming young readers. 'Let there be light!' that's what God said. And light began shining and then started to spread." Wild and creative illustrations from top children's illustrator David Catrow pair with Matthew Paul Turner's lyrical verse in this message of a God-made light that cuts through darkness to bring vision and hope to all young readers. This light radiates, chasing away the shadows, providing the wonder and fun of stargazing or firefly chasing. Most important, this light appears in each child--an inner God-given spark that grows and will be used to change the world.

The Signature of Jesus Brennan Manning 2011-01-05 The Signature of Jesus challenges the gospel of "cheap grace" and calls the church to radical discipleship. With passion and boldness, author Brennan Manning invites readers to risk living life as Jesus lived—committed to simplicity, purity of heart, and obedience to the gospel. As a radical alternative this book is offered to Christians who want to live by faith and not by mere "religion," for those who recognize that many of the burning theological issues in the church today are neither burning nor theological; who see Christianity neither as a moral code or a belief system but as a love affair; who have not forgotten that they are followers of a crucified Christ; who know that following him means living dangerously; who want to live the gospel without compromise; who have no greater desire than to have his signature written on the pages of their lives. "Behold," Jesus proclaims, "I stand at the door and knock." You may have already met him at the door...but do you truly know him? Have you been transformed by His furious, passionate, unexplainable love? Join Brennan Manning, the bestselling author of *The Ragamuffin Gospel*, on a personal journey to experience Christ's love and live with His passion.

The Signature of God Rhonda Milner 2019-06-25 A person's handwriting reveals something about who they are—their intellect, perspectives, natural abilities, and hidden aptitudes. It's also a form of expression that sends a message about how they want to be seen by others. In our lives and world, things are not as they are by accident. They're written in a specific way, and the size, placement, direction, and pressure of strokes has everything to do with the One who signed His name on it all. The Signature of God is about a God who reveals who He is through the beauty and intricacy of creation. He's signed His name on all He made, and the purpose in it is nothing short of miraculous. Nature, the universe, and God's interaction with us through His creation say much about Him and how He feels about us. If we look carefully at His writing, we realize that He's always given us a way to know His character and heart. In this book of Christian apologetics and personal reflection, Rhonda Dawes Milner delves into her experiences as a physician, therapist, spiritual director, and mother to show us the significance and meaning of God's signature in our lives and in the world.

Hearing God Dallas Willard 2021-12-07 How do we hear God's voice? How can we be sure that what we hear is not our own subconscious? What if what God says to us is not clear? In this Signature Collection edition of a beloved classic, bestselling author Dallas Willard offers rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

The Signature of God Jaan Ranne 2021-09-20 Traces of beauty and structure permeate all corners of the living world. What would you see if you took the time to look more closely? In *The Signature of God*, Jaan Ranne guides us through the wonders of creation from a Biblical view. This tour of the natural world mirrors God's first six days of creation. Day by day, we are introduced to the marvellous variety, detail, and power of light, air, land, seas, plants, outer space, and animals of all kinds. *The Signature of God* invites an appreciation of the incredible diversity found in nature, and Ranne urges his readers to think critically about the science behind a creationist view. This investigation is a testament to God's infinite wisdom and power, but it is also a lighthearted and accessible learning resource for budding biologists. Covering everything from orchids to Noah's flood, *The Signature of God* unearths traces of the divine in every corner of the natural world.

The God Code Gregg Braden 2005-01-01 What would it mean to discover an ancient language—a literal message—hidden within the DNA of life itself? What we once believed of our past is about to change. . . . A coded message has been found within the molecules of life, deep within the DNA in each cell of our bodies. Through a remarkable discovery linking Biblical alphabets to our genetic code, the "language of life" may now be read as the ancient letters of a timeless message. Regardless of race, religion, heritage, or lifestyle, the message is the same in each cell of every woman, child, and man, past and present. Sharing all-new, fascinating research, Gregg Braden discusses the life-changing discovery that led him from a successful career in the aerospace and defense industries to an extensive 12-year study of the most sacred and honored traditions of humankind.

The Love of God Oswald Chambers 2015-03-31 This deeply scriptural, spiritually practical book by Oswald Chambers explores the difference God's love makes both in this world and in our lives. You'll discover a greater intimacy with Christ, a richer knowledge of Him, and a better understanding of how to share His love with others.
