**The Shadow Knows** Benneth Nnaedozie Okpala 2006-08-05 The enduring cultural precepts of the indomitable ethic Igbos of Nigeria have sustained their revered human endowments for ages - morality, imagination, self-awareness, independent will. Falls the Shadow Stefanie Gaither 2014-09-16 Cate's sister may be a

clone, but that doesn't make her a killer. Does it? Murder, morality, and a slow-burning romance fill the pages of this futuristic thriller "for die-hard fans of Divergent and The Hunger Games" (Kirkus Reviews). When Cate Benson was a kid, her sister, Violet, died. Two hours after the funeral, Cate's family picked up Violet's replacement like nothing had happened. Because Cate's parents are among those who decided to give their children a sort of immortality by cloning them at birth—which means this new Violet has the same face. The same perfect smile. She even has all of the same memories as the girl she replaced. She also might have murdered the most popular girl in school. At least, that's what the paparazzi and the anti-cloning protestors want everyone to think: that clones are violent, unpredictable monsters. Cate is used to hearing all that. She's used to defending her sister, too. But Violet has vanished, and when Cate sets out to find her, she ends up in the line of fire instead. Because Cate is getting dangerously close to secrets that will rock the foundation of everything she thought was true.

**In the Shadow of Gotham** Stefanie Pintoff 2009-04-28 Dobson, New York, 1905. Detective Simon Ziele lost his fiancée in the General Slocum ferry disaster—a thousand perished on that summer day in 1904 when an onboard fire burned the boat down in the waters of the East River. Still reeling from the tragedy, Ziele transferred to a police department north

of New York, to escape the city and all the memories it conjured. But only a few months into his new life in a quiet country town, he's faced with the most shocking homicide of his career to date: Young Sarah Wingate has been brutally murdered in her own bedroom in the middle of an otherwise calm and quiet winter afternoon. After just one day of investigation, Simon's contacted by Columbia University's noted criminologist Alistair Sinclair, who offers a startling claim about one of his patients, Michael Fromley—that the facts of the murder bear an uncanny resemblance to Fromley's deranged mutterings. But what would have led Fromley, with his history of violent behavior and brutal fantasies, to seek out Sarah, a notable mathematics student and a proper young lady who has little in common with his previous targets? Is Fromley really a murderer, or is someone mimicking him? This is what Simon Ziele must find out, with the help of the brilliant but self-interested Alistair Sinclair—before the killer strikes again. With this taut, atmospheric, and original story of a haunted man who must search for a killer while on the run from his own demons, Stefanie Pintoff's *In the Shadow of Gotham* marks the debut of an outstanding new talent, the inaugural winner of the Minotaur Books/Mystery Writers of America Best First Crime Novel Competition. *In the Shadow of Gotham* is the winner of the 2010 Edgar Award for Best First Novel.

*Romancing the Shadow* Connie Zweig 2009-02-04 Beneath the social mask we wear every day, we have a hidden shadow side: an impulsive, wounded, sad, or isolated part that we generally try to ignore, but which can erupt in hurtful ways. As therapists Connie Zweig and Steve Wolf show in this landmark book, the shadow can actually be a source of emotional richness and vitality, and acknowledging it can be a pathway to healing and an authentic life. "Romancing the shadow"--meeting your dark side, beginning to understand its unconscious messages, and learning to use its powerful energies in productive ways--is the challenging and exciting soul work that Zweig and Wolf offer in this practical, rewarding guide. Drawing on the timeless teachings of Carl Jung and compelling stories from their clinical practices, Zweig and Wolf reveal how the shadow guides your choices in love, sex, marriage, friendship, work, and family life. With their innovative method, you can uncover the unique patterns and purpose of your shadow and learn to defuse negative emotions; reclaim forbidden or lost feelings; achieve greater self-acceptance; heal betrayal; reimagine and re-create relationships; cultivate compassion for others; renew creative expressions; and find purpose in your suffering. The shadow knows why good people sometimes do bad things. Romancing the shadow and learning to read the messages it encodes in daily life can deepen your consciousness, imagination, and soul.

**The Shadow Knows** Lee Friedlander 2020-08-25 Known for his unorthodox self-portraits, Lee Friedlander has given us another collection, but this time only in shadow, with *The Shadow Knows*, a reference to the 1930's radio show that ended with the line: "Who knows what evil lurks in the hearts of men? The Shadow Knows." Sometimes Friedlander's shadow is presented as ominous — imposed over another person, sometimes his wife — lending the impression of sneakiness, desire, or possession. Other times it's playful, draped over a cactus or a pile of rocks, turning the photographer into a cartoon character with exaggerated body parts. And sometimes he simply makes himself part of a scene, often where you can make out the camera held up to his eye — the photographer's version of breaking the fourth wall. One thing is clear throughout the book: his shadow is treated as an honored guest, and Friedlander takes full advantage of the company, tirelessly finding ways of adapting it to his own drama. Historian and curator Rod Slemmons once wrote that Friedlander "provides us with a new visual world in which obstruction, confusion, and accident are the driving forces" — a statement never more evident than in this book. Friedlander, you imagine, has discovered not just the evil and not just in the hearts of men, but something more profound in his own, and in these 101 photographs shows us what it has come to know.

*The Shadow Knows* Mickey Eliason 2018-09-23 This practical guide aims to identify and integrate one's shadow, all of the material in the unconscious mind that was repressed over the first half of life and emerges to wreak havoc in our lives. The work is grounded in the teaching of cultural anthropologist Angeles Arrien, especially in her books *The Four Fold Way* and *The Second Half of Life*, and psychiatrist Carl Jung. The book is structured as a self-help workbook that can help with personal transformation in individual work or can be used in small groups. Some authors believe that the psychological work on the shadow is a necessary component for spiritual work.

**The Big Smoke** Adrian Matejka 2013-05-28 A suite of poems examining the myth and history of the legendary prizefighter Jack Johnson—a finalist for both the Pulitzer Prize and the National Book Award—from

the author, with Youssef Daoudi, of the graphic novel *Last on His Feet: Jack Johnson and the Battle of the Century* The legendary Jack Johnson (1878–1946) was a true American creation. The child of emancipated slaves, he overcame the violent segregationism of Jim Crow, challenging white boxers—and white America—to become the first African-American heavyweight world champion. *The Big Smoke*, Adrian Matejka's third work of poetry, follows the fighter's journey from poverty to the most coveted title in sports through the multi-layered voices of Johnson and the white women he brazenly loved. Matejka's book is part historic reclamation and part interrogation of Johnson's complicated legacy, one that often misremembers the magnetic man behind the myth.

**Shadow Network** Anne Nelson 2019-10-29 "Reveals a political trend that threatens both our form of government and our species." - Timothy Snyder, author of *ON TYRANNY* "Riveting.... Want to understand how so many Americans turned against truth? Read this book." Nancy Maclean, author of *DEMOCRACY IN CHAINS* In 1981, emboldened by Ronald Reagan's election, a group of some fifty Republican operatives, evangelicals, oil barons, and gun lobbyists met in a Washington suburb to coordinate their attack on civil liberties and the social safety net. These men and women called their coalition the Council for National

Policy. Over four decades, this elite club has become a strategic nerve center for channeling money and mobilizing votes behind the scenes. Its secretive membership rolls represent a high-powered roster of fundamentalists, oligarchs, and their allies, from Oliver North, Ed Meese, and Tim LaHaye in the Council's early days to Kellyanne Conway, Ralph Reed, Tony Perkins, and the DeVos and Mercer families today. In *Shadow Network*, award-winning author and media analyst Anne Nelson chronicles this astonishing history and illuminates the coalition's key figures and their tactics. She traces how the collapse of American local journalism laid the foundation for the Council for National Policy's information war and listens in on the hardline broadcasting its members control. And she reveals how the group has collaborated with the Koch brothers to outfit Radical Right organizations with state-of-the-art apps and a shared pool of captured voter data - outmaneuvering the Democratic Party in a digital arms race whose result has yet to be decided. In a time of stark and growing threats to our most valued institutions and democratic freedoms, *Shadow Network* is essential reading.

**Le Divorce** Diane Johnson 2012-01-31 Set in Paris, *LE DIVORCE* is an alluring and elegant comedy of love and divorce French-style. Isabel Walker, a young, not-so-innocent, American abroad, arrives in Paris to find that her sister's French husband ('the frog prince') has just walked out. While Isabel embarks on her own sentimental education - seduced by gourmet food, antiques, existentialism and an older man - her sister's

marriage disintergrates into bitter Franco-American wrangles over money, titles and a mysterious painting. With a sharp tongue and an ironic eye for the foibles of the Parisian bourgeoisie, the French art world and American ex-patriots, Isabel is a collector of experience, even those she can't control. Comedy veers suddenly close to tragedy as passionate jealousy, self-interest and artistic intrigue interweave.
