Ten to Midnight Toby Murray 2000-10 In the near future, Russia has been brought to its knees by a brutal war with Ukrainian nationalists. Following the sudden death of Russia's President, a group of senior military officers move to seize power and bring the war to a swift conclusion by considering methods previously deemed unthinkable. Their strategy, however, is fatally flawed, and a series of miscalculations leads to a sudden nuclear confrontation with the U.S.A.. In the world's hour of need, Dr Lewis Stein, a Russian capabilities expert and former CIA field officer, is brought out of retirement to help an inexperienced President prevent a limited exchange from escalating into global apocalypse. But with chaos sweeping the globe and paranoia at fever pitch, the odds are stacked in the favor of armageddon. Meticulously researched and horribly realistic, Ten To Midnight is the story of a war that could yet sweep the globe.

Gaspig for Airtime Jay Mohr 2004-06-09 When 21-year-old Jay Mohr moved from New Jersey to New York City to pursue his dream of stand-up stardom, he never thought the first real job he'd land would be on Saturday Night Live. But, surprisingly, that's just what he did. What followed were two unbelievable, grueling, and exciting years of feverishly keeping pace with his talented cohorts, out-maneuvering the notorious vices that claimed the lives of other cast members, and struggling at all

costs for the holy grail of late-night show business: airtime. In *Gaspig for Airtime*, Jay offers an intimate account of the inner workings of Saturday Night Live. He also dishes on the guest hosts (John Travolta, Shannen Doherty, Charles Barkley), the musical guests (Kurt Cobain, Steven Tyler, Eric Clapton), and of course his SNL castmates (Chris Farley, Adam Sandler, Mike Myers, and David Spade). Refreshingly honest and laugh-out-loud funny, this book will appeal both to fans of Jay Mohr and to devotees of Saturday Night Live.

Intimates Helen Farish 2011-05-31 Provocative and tender, passionate yet wary, the highly charged poems in Helen Farish's first collection testify to the complex nature of relationships with lovers, with family and with the self. The love poems explore moments of intense exposure, and within the erotic relation seek to carve out a voice adequate to the expression of female sexuality and desire. Within this framework, the body itself becomes a rich and compelling site of inquiry. Posted throughout the collection like sentinels, poems on the death of the father draw the poet back home where grief mingles with surprising moments of grace or redemption. But whether the encounter concerns sudden loss or sudden blessing, constant throughout is a warm and boldly embodied lyric 'I' voice generously inviting the reader in. Poised at life's mid-point, these haunting, haunted poems negotiate their emotional freight in carefully crafted forms which mediate between exposure and guardedness. Expertly charting the geographies of sex and love, the histories of childhood and grief, *Intimates* introduces a new poet of originality, honesty and singular power.

Midnight Movie Tobe Hooper 2011-07-12 The good news: Director Tobe Hooper has been invited to speak at a screening of *Destiny Express*, a movie he wrote and directed as a teenager, but that hasn't seen the light of day in decades. And Hooper's fans are ecstatic. The bad news: *Destiny Express* proves to be a killer . . . literally. As the death toll mounts, Tobe embarks on a desperate journey to understand the film's thirty-year-old origins—and put an end to the strange epidemic his creation has set in motion. Featuring the terror, humor, and sly documentary style Hooper devotees remember from such classics as *The Texas Chainsaw Massacre*, *Midnight Movie* is vintage Tobe Hooper, again demonstrating the director's place as one of the godfathers of modern horror.

Ten Years to Midnight Blair H. Sheppard 2020-08-04 "Shows how humans have brought us to the brink and how humanity can find solutions. I urge people to read with humility and the daring to act." -- Harpal Singh, former Chair, Save the Children, India, and former Vice Chair, Save the Children International In conversations with people all over the world, from government officials and business leaders to taxi drivers and schoolteachers, Blair Sheppard, global leader for strategy and leadership at PwC, discovered they all had surprisingly similar concerns. In this prescient and pragmatic book, he and his team sum up these concerns in what they call the ADAPT framework: Asymmetry of wealth; Disruption wrought by the unexpected and often problematic consequences of technology; Age disparities--stresses caused by very young or very old populations in developed and emerging countries; Polarization as a symptom of the breakdown in global and national consensus; and loss of Trust in the institutions that underpin and stabilize society. These concerns are in turn precipitating four crises: a crisis of prosperity, a crisis of technology, a crisis of institutional legitimacy, and a crisis of leadership. Sheppard and his team analyze the complex roots of these crises--but they also offer solutions, albeit often seemingly counterintuitive ones. For example, in an era of globalization, we need to place a much greater emphasis on developing self-sustaining local economies. And as technology permeates our lives, we need computer scientists and engineers conversant with sociology and psychology and poets who can code. The authors argue persuasively that

we have only a decade to make headway on these problems. But if we tackle them now, thoughtfully, imaginatively, creatively, and energetically, in ten years we could be looking at a dawn instead of darkness.

In all that time, she has never been able to escape the strange dream that haunts her night after night. She feels violated, used--and terrified each time she awakens. Alex Hunter knows Joanna is not who she thinks she is. He has seen her before--in photographs of a senator's daughter who disappeared twelve years ago. Ten Minutes till Midnight Lee Martin 2009-06-22 It was called Denver's Crime of the Century. In 1988, Frank Magnuson, a young man struggling with life's curve balls, was set to testify against a Crip kingpin who along with three other men perpetrated a robbery of a Denver restaurant. The night before the trial, two dispatched killers lay in wait in the basement of a house in Bonnie Brae owned by Frank's friend and roommate, Steve Curtis. At just before midnight in June of 1989, two young men lay dead with a third left for dead. Ten Minutes till Midnight takes the reader into the very depths of Hell as two of these innocent men experience twenty insane moments of pure horror. Five years after the heinous crime would justice be served? Prosecutors Al LaCabe and Mike Little, doing battle with a polished public defender and his eccentric, wily partner, would be at their passionate best to see that it was. The true story of faith, miracles and recovery, Ten Minutes till Midnight will not only leave the reader's adrenaline pulsating, but pondering the very credibility and prudence of the justice system.

The Street Justice Series Sean J 2004-12 Ten to Midnight, the story of two men hell bent on revenge. When the dust clears one will be dead and the other wishing he was! The Comfort of Strangers. Who is killing the gay men in Jackson Park, can Detective Jones solve a riddle, and save his badge at the same time?

Minutes to Midnight Trent Parke 2013 In 2003, Trent Parke began a road trip around his native Australia, a monumental journey that was to last two years and cover a distance of over 90,000 km. Minutes to Midnight is the ambitious photographic record of that adventure, in which Parke presents a proud but uneasy nation struggling to craft its identity from different cultures and traditions. Minutes to Midnight merges traditional documentary techniques and imagination to create a dark visual narrative portraying Australia with a mix of nostalgia, romanticism and

brooding realism. This is not a record of the physical landscape but of an emotional one. It is a story of human anxiety and intensity which, although told from Australia, represents a universal human condition in the world today.

The Midnight Assassin Skip Hollandsworth 2016-04-05 A sweeping narrative history of a terrifying serial killer--America's first--who stalked Austin, Texas in 1885 In the late 1800s, the city of Austin, Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis. But beginning in December 1884, Austin was terrorized by someone equally as vicious and, in some ways, far more diabolical than London's infamous Jack the Ripper. For almost exactly one year, the Midnight Assassin crisscrossed the entire city, striking on moonlit nights, using axes, knives, and long steel rods to rip apart women from every race and class. At the time the concept of a serial killer was unthinkable, but the murders continued, the killer became more brazen, and the citizens' panic reached a fever pitch. Before it was all over, at least a dozen men would be arrested in connection with the murders, and the crimes would expose what a newspaper described as "the most extensive and profound scandal ever known in Austin." And yes, when Jack the Ripper began his attacks in 1888, London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city. With vivid historical detail and novelistic flair, Texas Monthly journalist Skip Hollandsworth brings this terrifying saga to life.
