Kim has a set of twins—one boy and one girl—from her first marriage; Luke has recently been diagnosed with diabetes, and Lydia is acting out as a result of the attention now being showered on Luke. reverse, flying off the end of the carport and into the backyard. Esther's accident and declining health shatter their reverie, and the couple must come to terms with all the paths their lives have not taken if they ever hope to pull their marriage out of winter. As always, the quirky characters of Deepwater Cove will pop in and out of the story and delight readers. #4: Winter Turns to Spring Brad and Ashley Hanes are young newlyweds who are facing their first season of winter. Opposite work schedules, differing views on finances and when to start a family, and Brad's selfish and immature habits are forcing the young couple apart, causing them to question why they ever got married in the first place. It will take a whole lot of help—mostly from their nosy but well-meaning neighbors—for Ashley and Brad to pull their marriage out of the winter blues and into a hopeful spring. As usual, the residents of Deepwater Cove will pop in and out of the story to delight readers. They'll encounter Cody and see his continued independence and growing friendship with Jennifer; Patsy and Pete's escalating romance; and Charlie, a recent widower who is taking on the challenges and excitement of his golden years with zeal.

**Marriage Be Hard** Kevin Fredericks 2022-09-13 NEW YORK TIMES BESTSELLER • Discover the keys to upholding your vows while staying sane in this hilariously candid guide to relationships, from the husband-and-wife team of comedian Kevin Fredericks and influencer Melissa Fredericks “Kev and Melissa are not afraid to tell the truth!”—Tabitha Brown, New York Times bestselling author of *Feeding the Soul* Growing up, Kevin and Melissa Fredericks were taught endless rules around dating, sex, and marriage, but not a lot about what actually makes a relationship work. When they first got married, they felt alone—like every other couple had perfect chemistry while the two of them struggled. There were conversations that they didn’t know they needed to have, fears that affected how they related to each other, and seasons of change that put their marriage to the test. Part of their story reads like a Christian fairytale: high school sweethearts, married in college, never sowed any wild oats, with two sons and a thriving marriage. But there’s another side of their story: the night Melissa kicked Kevin out of her car after years of communication problems, the time early in their marriage when Kevin bordered on an emotional affair, the way they’ve used social media and podcasts to conduct a no-holds-barred conversation about forbidden topics like jealousy, divorce, and how to be Christian and sex positive. (Because, as Kevin writes, “Your hormones don’t care about your religious beliefs. Your hormones want you to subscribe to OnlyFans.”) In *Marriage Be Hard*, the authors provide a hilarious and fresh master class on what it takes to build and maintain a lasting relationship. Drawing on interviews with experts and nearly two decades of marriage, they argue that

- Compatibility is overrated.
- Communication is about way more than simply talking.
- Seeing divorce as an option can actually help your marriage.
- There’s such a thing as healthy jealousy. Real marriage is not automatic. It ain’t no Tesla on the open road. Sometimes it’s a stick shift on a hill in the rain with no windshield wipers. But if you get comfortable visiting—and revisiting—the topics that matter, it can transform your bond with your partner and the life you’re building together. Written for those tired of unrealistic relationship books—and for anyone wondering if they’re the

only ones breaking all the rules—Marriage Be Hard is a breath of fresh air and the manual you wish existed after you said “I do.”

**The Naked Marriage** Dave Willis 2019-02-12 "Now the man and his wife were both naked, but they felt no shame." (Genesis 2:25) Imagine a marriage with complete intimacy, vulnerability, transparency and trust. Imagine a marriage rooted in faith, friendship and mutual fulfillment. Imagine a marriage with amazing sex, but where great sex is only the icing on the cake. This might all sound too good to be true, but it's actually what God designed marriage to be, and He doesn't want you settling for anything less. Having a "Naked Marriage" is about much more than just nakedness in the bedroom (although that's part of the fun). It means being naked emotionally and spiritually as well as physically. It also means undressing all the misconceptions our culture has used to cover God's original, beautiful design for marriage and rediscovering all marriage can be. You and your spouse can have a thriving, Naked Marriage with a lifetime of love and laughter together.

This book will show you how. About the Authors: Dave and Ashley Willis have become some of America's most trusted teachers on marriage. Everybody Wins Gary Chapman 2018-03-20 Every couple has disagreements. All too often, though, when we engage in arguments, our goal is not to resolve the conflict at hand, but rather, to win the fight. Unfortunately, when you win an argument, your spouse is the loser, and nobody wants to be or live with a loser. When you resolve a conflict, your spouse becomes your friend. Good marriages are based on friendship, not on winning arguments. Now, Gary Chapman provides couples with a simple blueprint for achieving win-win solutions to everyday conflicts and disagreements. By learning how to listen empathetically, respecting each other's ideas and feelings, and understanding why particular issues are so important to their spouse, couples can find solutions that result not only in resolving the conflict at hand, but also leave both partners feeling loved, listened to, and appreciated.

God uses seasons of waiting to teach us patience and make us more like himself. But sanctification is not the only purpose God has in mind. When we wait faithfully with unmet longings, we become a powerful picture of the bride of Christ waiting for the day when he returns and God's kingdom reigns.

*The Seven Rings of Marriage* Jackie Bledsoe 2016-02-01 Studies show that roughly one out of two marriages end in divorce. One of the reasons for this is couples today are not prepared for all—the good and bad—that may happen in marriage. Are you prepared? Author and blogger Jackie Bledsoe outlines the seven stages, or seven rings of marriages, that will equip couples for all stages in marriage. He challenges couples to keep moving through each stage for a lasting and fulfilling marriage. Through *The Seven Rings of Marriage*, readers gain a deeper appreciation of what marriage is, and get a clear picture of what may lie ahead in their marriage. Diligently go about making your marriage everything you and your spouse hoped for, and more! **Why Stand?** Robert A. Merrick 2008-06 Anyone who is contemplating divorce should read Merrick's book to discover how Almighty God has the power to restore their marriage when they trust and obey Him. Evangelist Mike Gendron, Director of Proclaiming the Gospel Ministry. Robert A. Merrick (Bob) is the average-man, guy-next-door, who fell in love, married, raised three children with his wife, built a 23 year career as a Civil Engineer, mowed the lawn, fixed the plumbing, helped his neighbors, and balanced financial challenges. Then one day, his wife packed-up and moved out, and a whole new set of realities fell in on him. Bob was faced with a choice: wallow in self-pity and blame, give up and get a divorce-or-see God's answer. Over the last 5 years, Bob has made the second choice-daily. ALL of his life experiences—from marriage and professional career, to founding a Christian high school and teaching, to coaching youth sports and leading Church fellowship groups—seemed to have little relevance in the midst of this crisis. Over these recent years,

Bob walked closer with God—learned more about the meaning of, "all things work together for good to those who love God." (Romans 8:28)—and spent hundreds of late-night hours writing out the Biblical insights he has discovered. *Why Stand?* is a testament of our Lord and Savior's no-matter-what love for us. It is a book that gives hope in times of painful circumstances and encouragement to stand for what is right, what is good, what is God. Bob is currently seeking his Masters Degree in Christian Counseling at Colorado Theological Seminary. His heart is to follow God and to lead others to the freedom and victory found through faith in Jesus Christ. [www.2of12ministries.com](http://www.2of12ministries.com)

**The Flirtation Experiment** Lisa Jacobson 2021-12-07 From popular Christian voices Lisa Jacobson and Phylcia Masonheimer, *The Flirtation Experiment* inspires you to strengthen your marriage with a fun, unexpected approach that leads to the depth, richness, and closeness you desire. Romance novels, Hallmark movies . . . the immense demand for romantic stories reveals a deep, unsatisfied longing that can be found in many marriages, but does it have to be that way? Is it possible that the best marriage has to offer can grow, rather than fade after you say "I do"? Lisa and Phylcia say, "Absolutely yes!" So what is the secret to a happy, thriving, loving marriage, where the fire of romance and close friendship do not fade? While *The Flirtation Experiment* includes the frisky side of marriage, it's far more than a good romp. By degrees, each chapter takes you to a deeper place, covering themes every beautiful marriage has in common, such as covenant, healing, and hope. After reading *The Flirtation Experiment*, wives will be filled with hope and encouragement for how they can make a powerful, positive change in their marriages, become empowered to pursue their husbands romantically, understand the Bible invites women to be proactive in their marriages, be motivated to consistently love in creative ways, and forge closeness and intimacy in their marriages. "Intentional flirting keeps a positive lightness in the atmosphere and improves our overall communication," says Jacobson. "My light flirtations bring us closer in meaningful ways and lead to connection on a deeper level. It helps us discover true romance waiting for us in everyday situations." Perfect for

the wife who wants romance, passion, and the closeness that only comes from a deep heart connection but isn't sure where to start, *The Flirtation Experiment* is a candid, real-life record of two Christian women from different seasons of life who discovered they could make a significant impact on their marriage relationships, one small flirtatious experiment at a time. Readers can go deeper by using *The Flirtation Experiment Workbook*.

**The 4 Seasons of Marriage** Gary Chapman 2012 Compares the transitional cycles of marriage to those of nature, describes the attitudes and emotions of each season, and offers seven strategies that enable couples to enhance and improve their marital relationship.

*7 Myths about Singleness* Sam Allberry 2019-02-14 If marriage shows us the shape of the gospel, singleness shows us its sufficiency. Much of what we commonly assume about singleness—that it is primarily about the absence of good things like intimacy, family, or meaningful ministry—is either flat-out untrue or, at the very least, shouldn't be true. To be single, we often think, is to be alone and spiritually hindered. But the Bible paints a very different picture of singleness: it is a positive gift and blessing from God. This book seeks to help Christians—married and unmarried alike—value singleness as a gift from God so that we can all encourage singles to take hold of the unique opportunities their singleness affords and see their role in the flourishing of the church as a whole.

*Fierce Marriage* Ryan Frederick 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life—or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for

married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.
