Our digital library saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Searching For My Brother is universally compatible with any devices to read

*WILD SEED: Searching for My Brother Dan*

Edward Guthmann 2017-08-12 In his spare, unvarnished memoir *WILD SEED: Searching for My Brother Dan*, Edward Guthmann recalls the brief and turbulent life of his older brother. A reckoning with the past, an examination of memory and loss and the depth of family ties, *WILD SEED* endeavors to understand a reckless, fiercely independent sibling - more than 35 years after his passing. "The 'wild seed' in Edward Guthmann's intense, moving and deeply personal mini-memoir is his reckless but charismatic older brother Dan, who tumbles and free-falls through the '60s, '70s and early '80s, leaving a string of friends, lovers and wounded family in the wake of his often chaotic life journey. In the course of probing his own memories of his elusive brother, Guthmann uncovers uncomfortable truths about family dynamics that anyone can recognize, and along the way renders a wonderfully evocative picture of an American family's life in turbulent times. It's a beautiful piece of writing about love, loss, understanding and redemption." -- Blair Jackson, author of "Garcia: An American Life" and "This Is All a Dream We Dreamed: An Oral History of the Grateful Dead"

**Always My Brother** Jean Reagan 2009 Becky and her brother John were best buddies, telling jokes, caring for their dog Toby, and playing soccer. John was always there to cheer her up and help her out-until he died. Becky wishes everything could go back to the way it was. When she is surprised and feels guilty about

enjoying a friend's birthday party, her mom wraps reassuring arms around her and says, "Don't you think he'd want you to laugh, even now?" She gradually realizes that she can still enjoy the things that they used to do together and that the memories of John continue to make him part of their family. Always My Brother is a sensitive, realistic story about the process of grief, acceptance, and recovery. Phyllis Pollema-Cahill's lovely illustrations bring readers right into the heart of Becky's family as they struggle to move forward. "In a better world, no child would need a book about the death of her brother. But here is a tender, even joyful book about such a tragic event. And the last line had me sobbing." -Jane Yolen, author of Owl Moon and Grandad Bill's Song "Always My Brother is a poignant book written to help families and friends dealing with grief arising from the death of a child. It is a direct and touching story that sensitively addresses this complex topic, a loss that should not be."-Louis Borgenicht, M.D., pediatrician, writer, and coauthor of The Baby Owner's Manual

**Circles Around the Sun** Molly McCloskey 2012-10-25 An author attempts to uncover who her older brother was before schizophrenia took hold of him in this "clear-eyed and heartbreaking" memoir (Publishers Weekly). Molly McClosky's brother Mike was fourteen when she was born. So far apart in age, she barely knew him before schizophrenia took hold of him at the age of twenty-three. Within a few years, Mike's world began to fall apart. By the time Molly was old enough to begin to know him,

Mike was heavily medicated and frequently delusional, living in hospitals or care homes or on the road. Years later, through reading an astonishing archive of letters preserved by her mother and grandmother, and interviewing old friends of Mike's, Molly began to piece together a picture of her brother's life, before and after the illness struck—the story of how a gifted and well-liked student and athlete was overtaken by a terrible illness that rendered him unrecognizable. Now she tells that story, which is also the story of her own demons and of the ways in which a seemingly perfect family can slowly fall apart, and in the end, regroup.

M.C. I Am My Brother's Keeper C.J. McShane 2015-03-23 Former army sharpshooter Jake Coleman has nothing more in mind than a little relief from a hot, Texas-summer night when he jumps on his bike and heads to a biker bar in search of a cold beer. But when he encounters a three-against-one fight right outside the bar door, he steps in to improve the odds for an outnumbered stranger. What Jake doesn't know is that the man he's just helped is none other than Diego Santiago, vice-president of the Houston based, Los Patrons Motorcycle Club. An impressed and grateful Santiago befriends Jake and mentors him as he works to meet the requirements of a prospective member of Los Patrons. Jake finally accepted as a "full patch member," finds something he's been searching for all his life; brotherhood. As he embarks on the life of a Los Patrons brother, Jake falls in love with an intoxicating woman, and rapidly rises up the club's ranks, discovering something chilling about himself...that no act is too grim or violent for him to perform, if it's in service of those he has come to call his brothers. *God Forgives - Patrons Repay* Written with a knife-edge authenticity, M.C. - I Am My Brother's Keeper catapults readers into the dark and dangerous netherworld of a big city motorcycle club.

My Brother Dee Huxley 2019-08-20 When a gentle creature sets out to find a lost brother, the quest follows an ethereal journey across lands and seas to strange, beautiful and faraway places. When a gentle creature sets out to find a lost brother, the quest follows an ethereal journey across lands and seas to strange, beautiful and faraway places. My Brother is a

metaphorical picture book story for older children that looks at loss and grief from a sibling's perspective. Shortlisted for the 2017 CBCA Picture Book of the Year

When My Brother Gets Home Tom Lichtenheld 2020 A boy imagines amazing adventures he will have when his brother arrives home.

**My Brother Sam is Dead** James Lincoln Collier 1974 A young rebel's decision to fight against the British affects his Tory family.

**My Brother's Life** John Mark Read 2008-12 For a man who died in the prime of his life, he had much to say. Some of what he wrote is brilliant. Some is "way out, man." See what the mind is capable of in different periods of life. See what the mind contemplates when it is awash in various wonder drugs. The purpose for living is a quest of everyone, at sometime. Sometimes people figure it out -- sometimes they don't. How long does one need to decipher the "meaning of life?"

Cuba (Winner of the Pulitzer Prize) Ada Ferrer 2021-09-07 WINNER OF THE PULITZER PRIZE IN HISTORY WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN HISTORY "Full of...lively insights and lucid prose" (The Wall Street Journal) an epic, sweeping history of Cuba and its complex ties to the United States—from before the arrival of Columbus to the present day—written by one of the world's leading historians of Cuba. In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued—through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country's future. Meanwhile, politics in Washington—Barack Obama's opening to the island, Donald Trump's reversal of that policy, and the election of Joe Biden—have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an "important" (The Guardian) and moving chronicle that demands a new reckoning with both the island's past and its relationship with the United States. Spanning more than five centuries, *Cuba: An American History* provides

us with a front-row seat as we witness the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the sometimes surprising, often troubled intimacy between the two countries, documenting not only the influence of the United States on Cuba but also the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba; “readers will close [this] fascinating book with a sense of hope” (The Economist). Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States—as well as the author’s own extensive travel to the island over the same period—this is a stunning and monumental account like no other.

**My Brother Simple** Marie-Aude Murail 2012  
Girls, boys, love, lust, and a brother called Simple. The alternative coming of age story which has been critically acclaimed across Europe will now hit British shores

**Before My Brother Came** Sarah Mishler  
2020-09

**My Brother Moochie** Issac J. Bailey 2018-05-29  
A rare first-person account that combines a journalist’s skilled reporting with the raw emotion of a younger brother’s heartfelt testimony of what his family endured after his eldest brother killed a man and was sentenced to life in prison. At the age of nine, Issac J. Bailey saw his hero, his eldest brother, taken away in handcuffs, not to return from prison for thirty-two years. Bailey tells the story of their relationship and of his experience living in a family suffering from guilt and shame. Drawing on sociological research as well as his expertise as a journalist, he seeks to answer the crucial question of why Moochie and many other young black men—including half of the ten boys in his own family—end up in the criminal justice system. What role do poverty, race, and faith play? What effect does living in the South, in the Bible Belt, have? And why is their experience understood as an acceptable trope for black men, while white people who commit crimes are

never seen in this generalized way? My Brother Moochie provides a wide-ranging yet intensely intimate view of crime and incarceration in the United States, and the devastating effects on the incarcerated, their loved ones, their victims, and society as a whole. It also offers hope for families caught in the incarceration trap: though the Bailey family’s lows have included prison and bearing the responsibility for multiple deaths, their highs have included Harvard University, the White House, and a renewed sense of pride and understanding that presents a path forward.

**Help Me Find My Brother** Maria A. Colavita 2020-12-09  
Help Me Find My Brother is a memoir about Maria Colavita’s relationship with her brother Angelo. It details the journey she and her parents endured as they discovered the person he had become and uncovered his years of self-destructive, addictive behavior and the resulting tragic accidents. Growing up in an Italian American house, Maria and Angelo’s loving parents worked hard to provide many good opportunities for their children. Maria enjoyed the brighter opportunities that came her way; but struggled to understand why Angelo chose the darker path of life. Her fun loving, intelligent brother was lost to the world of drug addiction. Maria has worked for the past 40 years to help Angelo; trying to steer him toward a life with a brighter future. She’s shared her story of how an ordinary traditional family with old school values understood and handled their lost son and brother. Help Me Find My Brother is Maria’s attempt to understand the difference between Angelo’s drug addict lifestyle and his traumatic brain injuries and mental illness. While she may not have gotten her fun-loving brother back, she became a much better sister and daughter because of this journey.

**Searching for David's Heart** Cherie Bennett 1998  
A young girl who's beloved brother is killed in an accident, searches for his heart which was donated for a heart transplant.

**All about My Brother** 2002  
This is an invaluable contribution to helping typically developing children understand that a child with autism is a child first, and is someone interesting to know. Sarah gives insight into the sibling relationship in a way only a child would know. The book is heart-warming and introspective, with a writing

style that makes it appropriate for children and adults alike.

**In Search of My Brother** Daniel Patrick  
2018-05-19 A poetic recollection of a boy's discovery of life and death, and the longing for what is missing in his life. From the Western New York city of Tonawanda to the Canadian shores of Lake Erie, an account of one year in life that shaped a boy and his family. 'The poems are filled with specific and unique imagery, musical language, and incredible tension... This tension and mystery certainly compels the reader to dig deeper into the poems.' -- telltelly.com

**My Brother** Jamaica Kincaid 1998-11-09  
Jamaica Kincaid's brother Devon Drew died of AIDS on January 19, 1996, at the age of thirty-three. Kincaid's incantatory, poetic, and often shockingly frank recounting of her brother's life and death is also a story of her family on the island of Antigua, a constellation centered on the powerful, sometimes threatening figure of the writer's mother. *My Brother* is an unblinking record of a life that ended too early, and it speaks volumes about the difficult truths at the heart of all families. *My Brother* is a 1997 National Book Award Finalist for Nonfiction. *The Day My Brother's Face Changed My Life* Eric Paschal 2005-06

**Searching for My Perfect Brother 1** Satoshi Morie 2023-10-17 There's nothing in the world Rize likes more than to curl up in her warm bed and doze away-just like she used to with her big brother when they were kids, before they were separated by their parents' divorce. Working late shifts at a supermarket while attending university, she dreams of someday finding and reconnecting with her lost-and now grown-up-big brother. Her penchant for being able to nap in the break room draws the attention of Kairi, a co-worker who struggles with insomnia. Something about him reminds her of her big brother, and she finds herself growing closer to him...but when she discovers his secret, her whole world will be turned helter-skelter.

**In Search of My Brother** Carol Albright 1970  
*My Brother and His Brother* Håkan Lindquist 2011 "My Brother and His Brother" is a novel about two brothers. The story is told by one of them, Jonas, an 18-year old boy. Throughout his teenage years he has been trying to get an

image of Paul, the brother he never met, a brother who died at the age of 16, the year before Jonas himself was born. The story is told like a crime story, with loose ends, clues and cliff hangers. In his search for his brother, Jonas soon finds out that Paul had an intense love affair with another boy during the last year of his life. This love affair is described in a few chapters in the middle of the novel. *My Brother and His Brother* received very good reviews when it was published in Sweden, and soon new editions followed as well as several translations. The novel has been published in Denmark, Norway, Belgium, Hungary, Iceland, France, Germany and Italy.

**My Brother's Book** Maurice Sendak 2013-02-05 Fifty years after *Where the Wild Things Are* was published comes the last book Maurice Sendak completed before his death in May 2012, *My Brother's Book*. With influences from Shakespeare and William Blake, Sendak pays homage to his late brother, Jack, whom he credited for his passion for writing and drawing. Pairing Sendak's poignant poetry with his exquisite and dramatic artwork, this book redefines what mature readers expect from Maurice Sendak while continuing the lasting legacy he created over his long, illustrious career. Sendak's tribute to his brother is an expression of both grief and love and will resonate with his lifelong fans who may have read his children's books and will be ecstatic to discover something for them now. Pulitzer Prize-winning literary critic and Shakespearean scholar Stephen Greenblatt contributes a moving introduction.

*Blood Brother* Anne Bird 2009-03-17 What happens if, after being given up for adoption in childhood, you reestablish contact with your biological family -- only to discover that your newfound brother is a killer? Anne Bird, the sister of Scott Peterson, knows firsthand. Soon after her birth in 1965, Anne was given up for adoption by her mother, Jackie Latham. Welcomed into the well-adjusted Grady family, she lived a happy life. Then, in the late 1990s, she came back into contact with her mother, now Jackie Peterson, and her family -- including Jackie's son Scott Peterson and his wife, Laci. Anne was welcomed into the family, and over the next several years she grew close to Scott and

especially Laci. Together they shared holidays, family reunions, and even a trip to Disneyland. Anne and Laci became pregnant at roughly the same time, and the two became confidantes. Then, on Christmas Eve 2002, Laci Peterson went missing -- and the happy façade of the Peterson family slowly began to crumble. Anne rushed to the family's aid, helping in the search for Laci, even allowing Scott to stay in her home while police tried to find his wife. Yet Scott's behavior grew increasingly bizarre during the search, and Anne grew suspicious that her brother knew more than he was telling. Finally she began keeping a list of his disturbing behavior. And by the time Laci's body -- and that of her unborn son, Conner -- were found, Anne was becoming convinced: Her brother Scott Peterson had murdered his wife and unborn child in cold blood. Filled with news-making revelations and intimate glimpses of Scott and Laci, the Peterson family, and the investigation that followed the murder, *Blood Brother* is a provocative account of how long-dormant family ties dragged one woman into one of the most notorious crimes of our time.

*My Brother's Mate: Book 1* Elizabeth Johanne  
2021-06-01 Emily and Mike have been best friends since they could walk. Emily is the daughter of the Beta and Mike is the son of the Alpha and they were born on the same day. However things change when they become of age and it turns out Emily is the fated mate to Mike's older brother Liam. Liam has been known to be a playboy and mess around the pack. Soon after finding his fated mate, Liam and Mike are called away to aid a sister pack that is under attack from rogues. When someone doesn't make it back. Emily is heartbroken, awakening a power inside her. Emily learns the truth behind the power by the help of a lonely forest witch and her mother. But as more secrets come to light, Emily struggles with her own existence.  
#Dreame Writing Marathon— Love Story Contest

**Honeymoon with My Brother** Franz Wisner  
2007-04-01 This is the true story of Franz Wisner, a man who thought he had it all- a high profile career and the fiancée of his dreams- when suddenly, his life turned upside down. Just days before they were to be married, his fiancée called off the wedding. Luckily, his large support

network of family and friends wouldn't let him succumb to his misery. They decided Franz should have a wedding and a honeymoon anyway- there just wouldn't be a bride at the ceremony, and Franz' travel companion would be his brother, Kurt. During the "honeymoon," Franz reconnected with his brother and began to look at his life with newfound perspective. The brothers decided to leave their old lives behind them. They quit their jobs, sold all their possessions, and traveled around the world, visiting fifty-three countries for the next two years. In *Honeymoon With My Brother*, Franz recounts this remarkable journey, during which he turned his heartbreak into an opportunity to learn about himself, the world, and the brother he hardly knew.

[Under the Same Stars](#) Rose Christo 2018 A heartbreaking and wryly hopeful memoir of surviving the NYC foster care system—and how one girl's “masterpiece of literary disaster” (io9.com) connected her to a community that could help her find her lost brother. In the early 2000s, Rose Christo was separated from her five-year-old brother and shuttled between foster homes in Brooklyn to the Bronx and back again. Desperate to be reunited with her sibling, she traveled the five boroughs, unable to find any trace of him, as New York state's child care agencies failed to help her time and again. Then, with the help of one beloved foster sister, Rose created an infamous piece of Harry Potter fanfiction titled *My Immortal*, posting it online under the pseudonym XXXbloodyrists666XXX. The “forty-four chapters and 22,000 words of hysterical, typo-laden hyperbole” (BuzzFeed.com) went viral as the most notoriously terrible fanfic ever read by the community. For years, fans, writers, and editors researched, debated, and contested the story's origin and its mysterious author: was this grammatically-challenged rant actually written by a suicidal Goth teenager named Tara Gilesbe living in Dubai, or was this a hoax perpetrated by a group of professional authors making fun of fanfiction? The truth is a gripping, compelling, and surprisingly funny story of how a young girl infiltrated and used the fan fiction community to search for her brother by baiting their attention with a deliberately badly written tale, creating a ten-year mystery that garnered pop culture

media attention and remained unsolved—until now.

**The Voice of My Brother's Blood** David Charles Craley 2014-07-01 A young man in despair cries out: “Why can’t I be gay and still be loved by God?” And God replies: “Yes you can! Yes you are!” Once in a generation there comes a story so rare and beautiful that it changes peoples’ lives. The Voice of My Brother’s Blood is such a story. David Shepherd is a picture of the perfect son—handsome young teacher in an evangelical Christian ministry. Once caught up in the hedonistic gay lifestyle in San Francisco, David is convinced he has been changed by the will of God. Summoned to counsel a student who refuses to accept traditional Bible teaching on homosexuality, David knew from the moment he looked into the compelling brown eyes of Mark Ward that this defiant young man with the face of an angel would challenge everything he thought he believed. Together David and Mark find themselves swept up in a struggle for justice, searching for the strength to stand against a Goliath of religious bigotry. Liberally referencing the Bible as a weapon for truth, The Voice of My Brother’s Blood is a story of adoration and conviction that jerks the sanctimonious foundation out from under religious intolerance.

David Charles Craley is a writer, editor and, for more than four decades, a researcher and teacher of the Bible. The Voice of My Brother’s Blood: A Love Story is his third book. The first was The Hope of Glory: In Search of the Light (1979), and the second: The Secret to Holy Spirit Authority: In the Power of the Spirit (2011). He lives in Austin TX.

**My Brother, Matthew** Mary Thompson 1992 Though David knows frustration and resentment at times, he feels he understands his disabled little brother even better than his parents; and together the two boys experience a great deal of joy.

**The Climb to Eternity** Rick McManus 2000-07-24 What is the afterlife? Is it a final destination—or a continuing journey? In this poignant, mystical story, Thomas dies and suddenly enters a glowing, surreal place of awesome beauty and bizarre science. After making a startling

discovery, he vows to devote himself to searching for a loved one. A compelling portrait of people in a strange world, the tale is packed with action and emotion. Thomas is both curious and afraid, and obstacles beset his search. An odd companion, Sammy, guides him along a steep path up a colossal mountain, and there’s a constant clash of wills. His encounter with a lovely woman, Janna, leads him to an alpine village whose endearing and tormenting residents sidetrack his mission until unexpected twists impel him to keep going higher. Out of the struggle to complete their dangerous journey, real meaning slowly emerges, and as all three climb the mountain in pursuit of its mysteries, they discover that the deepest secrets are lodged within themselves. Designed to challenge preconceptions as well as to entertain, this tale flows out of the author’s own struggle following the passing of his younger brother. This powerfully moving story is also meant to comfort those who mourn.

**Why I Love My Brother** 2018-02-20 Featuring children’s own words and heart-warming pictures, this book is the perfect gift for a brother, or for children expecting a new sibling.

**My Gun, My Brother** August I. K. Kituai 1998-05-01 Despite the heated competition for colonial possessions in Papua New Guinea during the nineteenth and early twentieth centuries, the personnel required to run an effective administration were scarce. As a result, the Australian colonial regime opted for a quick solution: it engaged Papua New Guineans—often to perform the most hazardous and most unpopular responsibilities. Based on extensive interviews with former policemen, written records of the time, and reminiscences of colonial officials, this book links events involving police, villagers, and government officers (kiaps) over a forty-year period to wider issues in the colonial history of Papua New Guinea and, by extension, of the Pacific Islands and beyond.

**When a Brother Or Sister Dies** Claire Berman 2009-02-17 The trauma of losing a sibling when we are in our adult years is one of the most unrecognized and undertreated areas of psychology. There is no other loss in adult life that appears to be so neglected as the death of a brother or sister, says bereavement specialist and psychologist, Therese Rando. And Rando is

just one expert author Berman interviews in this moving book about loss. We see here how, when an adult dies, the parents, spouse, and children of that person become the focus, but brothers and sisters most often fall to the sidelines and are left to find a way to deal with the grief and recover alone. Yet, when a brother or sister dies, we lose our longest lifetime companion, someone with whom we have shared an intimate family history. And, in most cases, that was someone for whom we had conflicted feelings: shared identity yet competitive feelings, pride yet jealousy, love yet hate. Most of us come to make peace with the relationship at some point. How to make peace with the death of the sibling - which can conjure up a well of feelings, from wishing you were closer to wanting to change some past events you shared - can haunt an adult. But author Claire Berman, who lost her own sister to heart disease in the week of September 11, 2001, when America lost its innocence, takes us into the emotional world of sibling loss, showing us how to understand and navigate the aftermath of a loss that can leave adults feeling angry, confused, guilty, empty, or just like Berman, wanting to hit that speed dial button still marked with her sister's name.

**Brave Like My Brother** Marc Tyler Nobleman 2016-06-28 When Charlie's brother, Joe, is called up to fight in World War II, he promises to write letters to ten-year-old Charlie as often as he can. It won't make up for not being there to help Charlie out with the neighborhood bullies, but it's all Joe can do. Life is tough for a soldier, and Joe tells Charlie all about it, from long hikes in endless rain and mud to the stray dog his company adopts. But when Joe is sent on a secret mission with the one soldier he can't stand, he will have to face risks that place their mission -- and their lives -- in grave danger. Charlie knew his brother was strong, but he will discover that Joe is more of a hero than he lets on. Will Joe's letters give Charlie the strength to stand up for himself and be brave, too?

*This Book Betrays My Brother* Kagiso Lesego Molepe 2018 All her life, Naledi has been in awe of Basi, her charming and outgoing older brother. Their childhood was filled with jokes and secrets, alliances, and stories about the community. Having reached thirteen, she is preparing to go to the school dance when she

sees Basi commit a rape. When the girl is shamed by the community, but Basi is portrayed as the victim, everything Naledi believes comes into question. -- adapted from back cover and online reviews

### **Searching for My Brother** 1973

*The Message Seeker* Andra Pickett 2008 THE BEST LAID PLAN is a plan that is well planned, and has been laid out since the beginning. The High King and the Commissioner planned it all. When the battle reached its height and the two friends were called upon to do their best, they could not fail, they had to succeed. After all the traveling they knew that the most important thing was to deliver the satchels to the King. Tsami knew they must contain vital battle plans that the High King must have at all costs. After all he was always secretly with them, whenever they were stuck, he always seemed to send help, and he always knew where they were.

Something always ate at them though, and was in fact suggested by Tsado, why, if the High King was so powerful, couldn't he deliver them himself? Who is Old Count Nick? He seems to be more than a match for their puny weapons, or is he? The King's Courtroom. Why does it look so familiar, his courtiers, he knows them surely!

*The Sea Is My Brother* Jack Kerouac 2013-03-26 In the spring of 1943, during a stint in the Merchant Marine, twenty-one-year old Jack Kerouac set out to write his first novel. Working diligently day and night to complete it by hand, he titled it *The Sea Is My Brother*. Now, nearly seventy years later, its long-awaited publication provides fascinating details and insight into the early life and development of an American literary icon. Written seven years before *The Town* and *The City* officially launched his writing career, *The Sea Is My Brother* marks a pivotal point in which Kerouac began laying the foundations for his pioneering method and signature style. A clear precursor to such landmark works as *On the Road*, *The Dharma Bums*, and *Visions of Cody*, it is an important formative work that bears all the hallmarks of classic Kerouac: the search for spiritual meaning in a materialistic world, spontaneous travel as the true road to freedom, late nights in bars and apartments engaged in intense conversation, the desperate urge to escape from society, and the strange, terrible beauty of loneliness.

**My Big Brother** Valorie Fisher 2014-10-21

Meet my big brother. He's AMAZING!

STUPENDOUS! ENORMOUS! I should know, I watch him all day long.

**Little Brother** Ben Westhoff 2022-05-24 This intimate exploration of race and inequality in America tells the story of a journalist's long-time relationship with his mentee, Jorell Cleveland, through the Big Brothers Big Sisters program and investigates Jorell's tragic fatal shooting. In 2005, soon after Ben Westhoff moved to St. Louis, he joined the Big Brothers Big Sisters program and was paired with Jorell Cleveland. Ben was twenty-eight, a white college grad from an affluent family. Jorell was eight, one of nine children from a poor, African American family living in nearby Ferguson. But the two instantly connected. Ben and Jorell formed a bond stronger than nearly any other in their lives. When Ben met the woman who'd become his wife, she observed that Ben and Jorell were "a package deal." They were brothers. In the summer of 2016, Jorell was shot at point blank range in broad daylight in the middle of the street, yet no one was charged in his death. Ben grappled with mourning Jorell, but also with a feeling of responsibility. As Jorell's mentor, what could he have done differently? As a journalist, he had reported on gang life, interviewed crime kingpins, and even infiltrated drug labs in China. But now, he was investigating the life and death of someone he knew personally and examining what he did and did not know about his friend. Learning the truth about Jorell and the man who killed him required Ben to uncover a heartbreaking cycle of poverty, poor education, drug trafficking, and violence. *Little Brother* brilliantly combines a deeply personal history with a true-crime narrative that exposes the realities of life in communities like Ferguson all around the country.

**Dead in the Water** Penny Farmer 2019-04-02

An "intimate" account of a double murder by a man once suspected as being the Golden State Killer (O, the Oprah Magazine, "20 Best True Crime Books"). In 1978, two tortured corpses—hooded, bound, and weighted down with engine parts—were found in the sea off Guatemala. Junior doctor Chris Farmer and his girlfriend, Peta Frampton, were still clinging to life when they were thrown from the yacht

they'd been crewing. Here is the gripping account of how Chris's family worked alongside police, the FBI, and Interpol to gather evidence against the boat's Californian skipper, Silas Duane Boston. Almost four decades later, in 2015, Chris's sister, Penny, used Facebook to track down Boston. Following the detailed, haunting testimony of his own two sons—who also implicated their father in a string of other killings—Boston was finally arrested and charged with two counts of maritime murder. A story of homicide on the high seas, *Dead in the Water* is also a tale of a family's fortitude and diligence in tracking down a monster. "A real-life page turner more intriguing than anything on Netflix."—Mail on Sunday "A heartbreaking tale of familial love and a sister's hunt for justice. There are numerous twists and turns which would be disturbing if they were woven between the pages of a novel let alone as part of a true story."—The Tattooed Book
