*Monk For Ten Days* Gurveen Dang 2016-11-09 Monk For Ten Days is based on the theme of spirituality, which shares a background of love, insecurities and fears. Protagonist (Arsh) runs away from his home for ten days, to Sikkim, after his master guides him through his vivid dreams, only to find out later that truth was not which he expected it to be. The dark passage in Arsh's life is lighted by lessons given to him by his master, Master Rinponche. Monk for ten days captures the conversation between the two, with a background story running along of Arsh's past. Through the past and present simultaneously shown, Monk for ten days is a novel for those who are open to learning, come what may. It may or may not contradict ideas and beliefs of some readers because of different perceptions, but the author hopes that her novel adds to the time which readers devote to it rather than taking away their important hours.

*The Housing of the Working People* E. R. L. Gould 1895

The Help Kathryn Stockett 2011-09-29 Film tie-in edition of the massive word-of-mouth hit novel, first published by Fig Tree in 2009 - to accompany the major new film starring Sissy Spacek, Allison Janney, Bryce Dallas Howard and Emma Stone. Enter a vanished and unjust world: Jackson, Mississippi, 1962. Where black maids raise white children, but aren't trusted not to steal the silver... There's Aibileen, raising her seventeenth white child and nursing the hurt caused by her own son's tragic death; Minny, whose cooking is nearly as sassy as her tongue; and white Miss Skeeter, home from College, who wants to know why her beloved maid has disappeared. Skeeter, Aibileen and Minny. No one would believe they'd be friends; fewer still would tolerate it. But as each woman finds the courage to cross boundaries, they come to depend and rely upon one another. Each is in search of a truth. And together they have an extraordinary story to tell... The other side of *Gone with the Wind* - and just as unputdownable Sunday Times A big, warm girlfriend of a book The Times Harper Lee's classic novel *To Kill a Mockingbird* has changed lives. Its direct descendent *The Help* has the same potential...an astonishing feat of accomplishment Daily Express

*Five Days In May* Ninie Hammon 2014-06-10 From Ninie Hammon, the sorceress of supernatural suspense comes *Five Days in May*, a tense, prophetic nightmare that will keep your eyes glued to the text through the very last page. Three members of the McIntosh family are setting appointments with death: Friday, May 10, 1963. That's the day an F5 tornado will rip across Oklahoma, obliterating everything in its path. Pastor Mac McIntosh lost his faith when his wife died — it's time to end the charade. But when a mysterious inmate called Princess is set to be executed, he grudgingly agrees to meet with her in her final days. Princess has watched Mac and his family for years, looking out through someone else's eyes. She speaks to Mac's heart with insight and grace, while in her own heart she harbors a secret she's determined to carry to her grave about the little sister she confessed to beheading 14 years ago. Princess knows the monster tornado is coming. She calls it *The Big Ugly* and she pleads with Mac to run! But by then, it's too late. For all of them.

**Harper's Young People** 1887

**A General History and Collection of Voyages and Travels (Vol. 1-18)** Robert Kerr 2020-07-01 Prepare

yourself for discoveries and new adventures with this incredible book about the true origin of wanderlust. This edition forms a complete history of the earliest start and progress of navigation, discovery, and commerce, by sea and land, from the earliest ages to the early 19th century. First part of the work covers voyages and travels of discovery in the middle ages; from the era of Alfred, King of England, in the ninth century to that of Don Henry of Portugal at the commencement of the fourteenth century. Second part deals with general voyages and travels chiefly of discovery; from the era of Don Henry, in 1412, to that of George III. in 1760. The rest of the work has some particular voyages and travels arranged in systematic order, Geographical and Chronological, and studies voyages during the era of George III conducted upon scientific principles, by which the Geography of the globe has been nearly perfected.

Story of Camp Douglas David L. Keller 2015 If you were a Confederate prisoner during the Civil War, you might have ended up in this infamous military prison in Chicago. More Confederate soldiers died in Chicago's Camp Douglas than on any Civil War battlefield. Originally constructed in 1861 to train forty thousand Union soldiers from the northern third of Illinois, it was converted to a prison camp in 1862. Nearly thirty thousand Confederate prisoners were housed there until it was shut down in 1865. Today, the history of the camp ranges from unknown to deeply misunderstood. David Keller offers a modern perspective of Camp Douglas and a key piece of scholarship in reckoning with the legacy of other military prisons.

The House of Getty Russell Miller 2011-09-28 The true story of the Getty family as featured in the TV series *Trust* and the movie *All the Money in the World* Boardroom battles, sex, money, drugs, power, crime, tragedy, and family intrigue; at the centre stands the figure of John Paul Getty, the grandfather, an eccentric oil billionaire believed to have been the richest man in the world. Married and divorced five times, he had five sons, and yet was cheated of his dearest ambition-to found an oil dynasty. His angelic youngest son died at age twelve after years of illness. Of the remaining four sons, three proved to be hopeless businessmen and, one by one, dropped out of Getty Oil. Only one had the talent to take the helm of the family business, and he was groomed for the part. And then he killed himself. With his cherished hopes of a family dynasty crushed, John Paul built a magnificent museum as a monument for all time to his success. But money tainted even his philanthropy; the Getty Museum has become feared for its wealth and ability to pillage the art market. In the manoeuvring that followed John Paul's death, Getty Oil was sold; Texaco acquired it for \$9.9 billion, the biggest corporate takeover in history. Award-winning journalist and writer Russell Miller brings us the extraordinary and often disturbing story of a unique American family. From the pioneering days in the Oklahoma oil fields to the bitter struggles over Getty Oil, we follow the rise and fall of three generations, all cursed with the Midas touch.

*History of Wrestling in Iowa, A: Growing Gold* Dan McCool 2019 The state of Iowa is just as well known for prominent wrestlers as it is acres of corn and beans. That gives the state the mighty distinction of feeding the world and defeating it on the mat. Men like Dan Gable, Tom Brands, Harold Nichols, Jim Miller, Nick Mitchell and Chuck Patten led Iowa colleges to forty-four of an astounding sixty-nine national team championships. In 1954, Simon Roberts of Davenport was the first African American to win a state wrestling title and later the first African American NCAA wrestling champion. Wrestler Norman Borlaug received the Nobel Peace Prize and is credited with preventing more than one billion deaths from

starvation. Author Dan McCool details the long history of hard work and dedication from the fields to the mat.

[What You See Is What You Hear](#) Dario Martinelli 2020-01-01 What You See Is What You Hear develops a unique model of analysis that helps students and advanced scholars alike to look at audiovisual texts from a fresh perspective. Adopting an engaging writing style, the author draws an accessible picture of the field, offering several analytical tools, historical background, and numerous case studies. Divided into five main sections, the monograph covers problems of definitions, history, and most of all analysis. The first part raises the main problems related to audiovisuality, including taxonomical and historical questions. The second part provides the bases for the understanding of audiovisual creative communication as a whole, introducing a novel theoretical model for its analysis. The next three part focus elaborate on the model in all its constituents and with plenty of case studies taken from the field of cinema, TV, music videos, advertising and other forms of audiovisuality. Methodologically, the book is informed by different paradigms of film and media studies, multimodality studies, structuralism, narratology, "auteur theory" in the broad sense, communication studies, semiotics, and the so-called "Numanities." What You See Is What You Hear enables readers to better understand how to analyze the structure and content of diverse audiovisual texts, to discuss their different idioms, and to approach them with curiosity and critical spirit.

[The Broadview Anthology of American Literature Volume A: Beginnings to 1820](#) Derrick R. Spires 2022-04-18 Covering American literature from its pre-contact Indigenous beginnings through the Reconstruction period, the first two volumes of The Broadview Anthology of American Literature represent a substantial reconceiving of the canon of early American literature. Guided by the latest scholarship in American literary studies, and deeply committed to inclusiveness, social responsibility, and rigorous contextualization, the anthology balances representation of widely agreed-upon major works with an emphasis on American literature's diversity, variety, breadth, and connections with the rest of the Americas. Highlights of Volume A: Beginnings to 1820 • Complete texts of Mary Rowlandson's captivity narrative and Hannah Webster Foster's The Coquette • In-depth Contexts sections on such topics as "Slavery and Resistance," "Rebellions and Revolutions," and "Print Culture and Popular Literature" • Broader and more extensive coverage of Indigenous oral and visual literature than in competing anthologies • Full author sections in the anthology devoted not only to frequently anthologized figures but also to authors such as Anne Hutchinson, Sor Juana Inés de la Cruz, and Briton Hammon

**Sacred and Secular Agency in Early Modern France** Sanja Perovic 2011-12-15 The opposition between 'religion' and 'modernity' has long held the status of a self-evident truth. Recently, however, there has been a growing realization that religion has not died out and may be more compatible with modern society than previously assumed. This development is particularly striking in France where laïcité has long been the official doctrine. How did religion become opposed to the secular and modern? If distinctions between sacred and secular are less adequate than commonly believed, how do these two categories interact? Addressing these questions, this book explores the persistence of religious categories on the cultural landscape of early modern France. France was the birthplace of Europe's first secular state and the centre of two movements considered indispensable to secularization - the Enlightenment and Revolution of 1789. As such France is vital for understanding how religious antecedents informed modern political institutions and ideals. By uncovering the role of religion in shaping categories most often associated with modernity this book offers a new perspective on the master narrative of secularization.

**Ten Days in May** Russell Miller 2011-09-28 Tuesday 8th May 1945, Victory in Europe Day: Germany surrenders unconditionally to Russia and the West, marking the end of Hitler's war. With this surrender comes the end of six years of suffering and austerity across the world - it is the dawn of a new era. The war-weary British people celebrate immediately, casting off their 'make do and mend' attitude. Ten Days in May offers a poignant picture of this time, drawing on first-hand interviews, diaries and memoirs from civilians, servicemen and women from around the world, the famous and the not-so-famous, showing how they truly felt, how they were affected by the war, and how they celebrated VE Day. Russell Miller weaves their stories into a moving narrative of the people's world of war. Filled with humour and tragedy, triumph and

sadness, regrets of the past and hopes for the future, Ten Days in May is an inspiring record of one of the great turning points in history.

**A History of Harrow School, 1324-1991** Christopher Tyerman 2000 This is the first modern history of one of the most famous schools in the English-speaking world. It takes an even-handed approach, covering the schools failings as well as its successes. It includes frank discussions of Harrow's financial, educational, and sexual scandals along with a survey of its many great moments as the school of Byron, Churchill (and six other prime ministers), and Nehru.

**Nourishment for the Spiritual Pilgrimage** Vernon T. Jones 2017-02-16 "In the morning, while it was still very dark, he got up and went out to a deserted place, and there he prayed" (Mark 1:35). Jesus taught by his words and actions. He went by himself to pray when he was tired, when faced with upcoming trying events, or when he just wanted to be alone in the presence of his Lord. He gave us guidance about what to pray, how to pray, and why to pray, and was very familiar with the Hebrew Scriptures. Thus, if we want to become Jesus' disciple we should follow his model and invest time and emotional energy into prayer, Bible study, and reflection. <>Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ. It offers insight and support for those who daily want to turn their hearts, souls, and minds to God's will in their lives, as they strive to help in bringing about God's kingdom in this present time. There are countless other devotionals, but hopefully this can offer something that many of the others may not, a specific focus on the concept of discipleship.

**The Rise of Ethnic Politics in Nepal** Susan I. Hangen 2009-12-04 The relationship between ethnic politics and democracy presents a paradox for scholars and policy makers: ethnic politics frequently emerge in new democracies, and yet are often presumed to threaten these new democracies. As ethnic politics is becoming increasingly central to Nepali politics, this book argues it has the potential to strengthen rather than destabilize democracy. Drawing on years of ethnographic fieldwork, Susan Hangen focuses on the ethnic political party Mongol National Organization (MNO), which consists of multiple ethnic groups and has been mobilizing support in rural east Nepal. By investigating the party's discourse and its struggles to gain support and operate within a village government, the book provides a window onto the processes of democratization in rural Nepal in the 1990s. This work presents a more nuanced understanding of how ethnic parties operate on the ground, arguing that ethnic parties overlap considerably with social movements, and that the boundary between parties and movements should be reconceptualised. The analysis demonstrates that ethnic parties are not antithetical to democracy and that democratization can proceed in diverse and unexpected ways. Providing an in-depth discussion of the indigenous nationalities movement, one of Nepal's most significant social movements, this work will be of great interest to scholars and students of Asian Politics, South Asian Studies, and Political Anthropology.
