herself when he died in 1932. Though she never achieved the fame her early career promised, in her determination to live life according to her own nature - especially in relation to her work and her fluid attitude to sex, gender and sexuality - she fought battles that remain familiar and urgent today. But the ongoing excavation of the centuries-old cistern in the garden of her historic Tradd Street home has been a huge millstone, both financially and aesthetically. Local students are thrilled by the possibility of unearthing more Colonial-era artifacts at the cistern, but Melanie is concerned by the ghosts connected to it that have suddenly invaded her life and her house—and at least one of them is definitely not filled with holiday cheer.... And these relics aren't the only precious artifacts for which people are searching. A past adversary is convinced there is a long-lost Revolutionary War treasure buried somewhere on the property Melanie inherited—untold riches rumored to have been brought over from France by the Marquis de Lafayette himself and intended to help the Colonial war effort. It's a treasure literally fit for a king, and there have been whispers throughout history that many have already killed—and died—for it. And now

someone will stop at nothing to possess it—even if it means destroying everything Melanie and Jack hold dear.

For Such a Time as This Risher, Sharon 2019-06-11 The instant her phone rang, Reverend Sharon Risher sensed something was horribly wrong. Something had happened at Emanuel AME Church, the church of her youth in Charleston, South Carolina, and she knew her mother was likely in the church at Bible study. Even before she heard the news, her chaplain's instinct told her the awful truth: her mother was dead, along with two cousins. What she couldn't imagine was that they had been murdered by a white supremacist. Plunged into the depths of mourning and anger and shock, Sharon could have wallowed in the pain. Instead, she chose the path of forgiveness and hope - eventually forgiving the convicted killer for his crime. In this powerful memoir of faith, family, and loss, Sharon begins the story with her mother, Ethel Lee Lance, seeking refuge in the church from poverty and scorn and raising her family despite unfathomable violence that rattled Sharon to her core years later; how Sharon overcame her own struggles and answered the call to ministry; and how, in the loss of her dear mother, Sharon has become a nationally known speaker as she shares her raw, riveting, story of losing loved ones to gun violence and racism. Sharon's story is a story of transformation: How an anonymous hospital chaplain was thrust into the national spotlight, joining survivors of other gun-related horrors as reluctant speakers for a heartbroken social-justice movement. As she recounts her grief and the struggle to forgive the killer, Risher learns to trust God's timing and lean on God's loving presence to guide her steps. Where her faith journey leads her is surprising and inspiring, as she finds a renewed purpose to her life in the company of other survivors. Risher has been interviewed by Time Magazine, Marie-Claire, Essence, Guardian-BCC Radio, CNN, and other media sources. She regularly shares her story on American college campuses and racial-reconciliation events. "To Forgive a Killer," her essay as told to Abigail Pesta published in Notre Dame Magazine, won the 2018 Front Page

Award for Essay published in a Magazine, awarded by the Newswomen's Club of New York.

**Midnight in the Garden of Good and Evil**

John Berendt 2010-05-12 NATIONAL BESTSELLER • An enormously engaging portrait of a most beguiling Southern city: "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review  
Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black

debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this true-crime book has become a modern classic.
