**God's Amazing Star Secret** 2018-03-23 Do you know God's amazing Star Secret? Long before there were movies or video games, long before the first fairy tale or story of knights in shining armor was ever told-in fact, long before there were even any books at all-the people who loved God told an amazing and wonderful story from the STARS! It was the story of a beautiful woman who was a prisoner in the keep of a terrible and cruel dragon. It was the story of a great Star-Prince who battled the dragon and rescued the princess. It is the oldest and most wonderful story in all the world. This amazing story is told every night in the light of the twinkling stars... The Creator Himself named the stars (Psalm 147:1-5) and formed the constellations, giving them their assigned shapes. The story in the stars was given to

mankind by the Creator of the stars-God Himself. And unlike later stories of knights and dragons, the star story is true. What is God's Amazing Star Secret? When restored to their original names, shapes, meanings and messages, the heavenly lights declare the glory of God (Psalms 97:6; Psalm 19:1-4). God's amazing secret is revealed in the stars. But it is a secret that was never meant to be kept... And now, in the pages of this book, it is a secret no more...

**Shake-speare: the Hidden Author** Chris Summers 2021-07-30 Over the course of literary history there have been many instances of ghost writing between husband and wife, where the wife has been the genius while the husband takes the kudos for any success. A recent film, *The Wife*, is but one instance of how a wife may allow her husband to take the credit for her genius. In this book you will find the greatest instance of a wife sacrificing her literary genius in order to immortalise her husband. The name William Shakespeare conjures up images of an uneducated man becoming the greatest writer in English history, fêted from the stages of London to his famous poems going through several reprints. After over 400 years of bardolatry, his name appears unassailable. What if, though, the adoration and the fame afforded him has been tragically misplaced? What if, contrary to common acceptance, it was to be proven that he is not the author? What if it can be shown that the real author of Shake-speares Sonnets, and by extension, the plays and poems attributed to him have to be re-imagined as being from the pen of someone so close to him that she has been

overlooked for centuries? What if, like so many other women geniuses hidden from view, the real author is none other than his wife, Anne Shakespeare? This book presents evidence that the real author of Shakespeare's Sonnets is his wife, Anne, and the young man who is the subject of them is none other than her husband, William Shakespeare.

I'm not going to remind you of how we last left our heroes, Cass and Max-Ernest, as they awaited initiation into the mysterious Terces Society, or the ongoing fight against the evil Dr. L and Ms. Mauvais. I certainly won't be telling you about how the kids stumble upon the Museum of Magic, where they finally meet the amazing Pietro! Oh, blast! I've done it again. Well, at least I didn't tell you about the missing Sound Prism, the nefarious Lord Pharaoh, or the mysterious creature born in a bottle over 500 years ago, the key to the biggest secret of all. I really can't help myself, now can I? Let's face it - if you're reading this, it's too late.

A Secret Star Krystyne F. Aleksandr 2013-07 Sometimes there is a light at the end of the tunnel. Sometimes? there's not. Because true light doesn't appear at the end of a long, hard road. True light comes from within. Most of the time, however, we live unaware of this secret shine, and it is not found until someone shows us that it's there. During the hardest times of her life, Natalie Winters struggled with what light to seek and what star to wish upon. She lived a life in which she was enriched with a deep darkness that caused even the brightest of glows to fade away into darker shadows. A Secret Star is a memoir of the horrific stories of her childhood? the abandonment, the abuse, and the absence of love. However, this little girl found that in her darkest of tunnels, she was not alone. For even the darkest of skies still have the sparkle of the stars.

**A Secret Star** Krystyne Aleksander 2013-10 A haunting memoir of a tiny girl's journey through a life of hell. After suffering the death of both of her biological parents due to their drug addiction, Natalie Winters was placed in a Texas Foster home where she was emotionally, physically, and sexually abused. In A Secret Star, Natalie shares the horror stories and dark moments of despair that filled her world. Even as the events are detailed within these pages, no one could ever understand the depth of abandonment, abuse, and absence of love she felt. Natalie struggled during these horrible times wondering what light to seek and what star to wish upon. Even when there seemed no glimmer of hope or rescue, Natalie still found a wish that gave her just enough hope to endure. Just as the stars continue to twinkle whether they are visible or not, Natalie discovered that true light doesn't appear at the end of a long, hard road. True light comes from within and

offers solace and comfort in the darkest hours. Most people live their whole lives unaware of this secret and empowering light, and it is often not discovered until someone shows us it's there. Natalie realized that even during her most traumatizing experiences, she was not alone. For even the darkest of skies, still have the sparkle of the stars.

**The Storyteller's Secret** Carmine Gallo 2016-02-23 How did a Venice Beach T-shirt vendor become television's most successful producer? How did an entrepreneur who started in a garage create the most iconic product launches in business history? How did a timid pastor's son overcome a paralyzing fear of public speaking to captivate sold-out crowds at Yankee Stadium, twice? How did a human rights attorney earn TED's longest standing ovation, and how did a Facebook executive launch a movement to encourage millions of women to "lean in"? They told brilliant stories. In *The Storyteller's Secret: From TED Speakers to Business Legends, Why Some Ideas Catch on and Others Don't*, keynote speaker, bestselling author, and communication expert Carmine Gallo reveals the keys to telling powerful stories that inspire, motivate, educate, build brands, launch movements, and change lives. The New York Times has called a well-told story "a strategic tool with irresistible power" - the proof lies in the success stories of 50 icons, leaders, and legends featured in *The Storyteller's Secret*: entrepreneurs like Richard Branson, Sara Blakely, Elon Musk, Steve Jobs, and Sheryl Sandberg; spellbinding speakers like Dr. Martin Luther King, Jr., Bryan Stevenson, and Malala Yousafzai; and business leaders behind famous brands such as Starbucks, Southwest Airlines, Wynn Resorts, Whole Foods, and Pixar. Whether your goal is to educate, fundraise, inspire teams, build an award-winning culture, or to deliver memorable presentations, a story is your most valuable asset and your competitive advantage. In *The Storyteller's Secret*, Gallo explains why the brain is hardwired to love stories - especially rags-to-riches stories - and how the latest science can help you craft a persuasive narrative that wins hearts and minds. "The art of storytelling can be used to drive change," says billionaire entrepreneur Richard Branson. And since the next decade will see the most change

our civilization has ever known, your story will radically transform your business, your life, and the lives of those you touch. Ideas that catch on are wrapped in story. Your story can change the world. Isn't it time you shared yours?

### **The Name of this Book Is Secret**

Pseudonymous Bosch 2008-09-01 Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

**Secret Love Star** Judy Rainbow 2015-09-28 Were you ever taught by an ascended master who was your stand-in for a sex therapist? Were you ever romantically involved with a celebrity with whom you had a telepathic relationship, only to learn years later that this celebrity was just an alias and his true identity was that of an ascended master and your twin flame? And he is the ascended master predicted to come at the end of this age to establish heaven on earth and assist humanity in their evolutionary process by helping them remember who they really are God incarnate and the Word was made flesh. I witnessed all this for it is my own personal story. The proof is in the experience. The truth is in my heart.
