Tenting on the Plains, Or General Custer in Kansas and Texas, by Elizabeth B. Custer ...

Elizabeth Bacon Custer 1895

Tenting on the Plains Elizabeth Bacon Custer 1887 From the time of her husband's death at the Battle of the Little Big Horn until her own death fifty-seven years later, at the age of ninety, Mrs. George Armstrong Custer devoted herself to defending or embellishing her husband's reputation. This account, the second in Elizabeth's trilogy of her life with the General, focuses on the period immediately following the Civil War, when the Custers were stationed in Louisiana, Texas, and Kansas. She portrays the aftermath of the Civil War in Texas and life in Kansas while her husband took part in General Winfield Hancock's 1867 expedition against the Indians between the Arkansas and Platte rivers. Throughout, she provides detailed descriptions of an army officer's home life on the frontier during this major period of Indian unrest.

The Real Custer James S Robbins 2014-06-23 The Real Custer takes a good hard look at the life and storied military career of George

Armstrong Custer—from cutting his teeth at Bull Run in the Civil War, to his famous and untimely death at Little Bighorn in the Indian Wars.

Author James Robbins demonstrates that Custer, having graduated last in his class at West Point, went on to prove himself again and again as an extremely skilled cavalry leader. Robbins argues that Custer's undoing was his bold and cocky attitude, which caused the Army's bloodiest defeat in the Indian Wars. Robbins also dives into Custer's personal life, exploring his letters and other personal documents to reveal who he was as a person, underneath the military leader. The Real Custer is an exciting and valuable contribution to the legend and history of Custer that will delight Custer fans as well as readers new to the legend.

Tenting on the Plains Or General Custer in

Kansas and Texas Elizabeth B. Custer

2015-06-12 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Tenting on the Plains Elizabeth B. Custer

2010-03 From the Army of the Potomac to the Plains Indian War Elizabeth 'Libby' Custer must be commended for her literary efforts. She was certainly responsible for expanding and embellishing the Custer legend, but nevertheless she also left several works which undoubtedly contribute massively to our understanding of life in the U. S Army on the Western Frontier and, irrespective of the insights she has provided into the character and activities of her famous husband, has also given posterity an invaluable view of the life of an 'army wife' in mid-nineteenth century America. Her book, Boots and Saddles, (also published by Leonaur), is justifiably well regarded since it includes the

military debacle for which George Armstrong Custer is fated to be principally remembered. This book is every bit as fascinating. The story begins with an overview of Custer's Civil war career before moving on to their lives together in the immediate post war period. She and Custer move inexorably towards his destiny as an Indian Wars commander and the book concludes as the renowned 7th Cavalry fight their first engagement against Roman Nose and his Cheyenne warriors at Fort Wallace in June 1867. Available in soft cover and hard back with dust jacket for collectors.

Tenting on the Plains; or, General Custer in Kansas and Texas - Primary Source Edition

Elizabeth Bacon Custer 2013-12 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is

culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Custer Robert Marshall Utley 1988 The son of a village blacksmith in Ohio, Custer qualified last in his class at West Point. Yet he proved to be a brilliant Civil War commander from the moment he made his debut at Gettysburg. At age twenty-five he was promoted to the rank of major general, a feat that earned him the sobriquet "the boy general." Following the war, as part of the frontier army, he was handed the task of protecting the railroads by reining in the Plains Indians. Resplendent in buckskin he steadily built a reputation as an Indian fighter, enhancing his legend with his own writings. Always forthright with his opinions, Custer may have held a future career, some have suggested,

in politics. However, this will never be known, for on June 25, 1876 Custer reached his untimely end. Heavily outnumbered by a combined force of Sioux and Cheyenne warriors at the Battle of Little Bighorn, Custer's entire company was cut down. Never before or since have Indians inflicted such a defeat on federal troops. This new illustrated book combines over 200 photographs and paintings, many in color, with a revised edition of Robert M. Utley's classic biography, Cavalier in Buckskin. Drawing on twelve years of additional research on Sitting Bull and the Battle of the Little Bighorn, Utley has dramatically changed his original interpretations of Custer's Last Stand, addressing the eternal question: might Custer have won?

Tenting on the Plains, Or, General Custer in Kansas and Texas Custer Elizabeth Bacon 1842-1933 2013-06 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as

this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Tenting on the Plains - or General Custer in Kansas and Texas: Look inside the book: I must stop a moment and give our Eliza, on whom this battle was waged, a little space in this story, for she occupied no small part in the events of the six years after; and when she left us and took an upward step in life by marrying a colored lawyer, I could not reconcile myself to the loss; and though she has lived through all the grandeur of a union with a man 'who gets a heap

of money for his speeches in politics, and brass bands to meet him at the stations, Miss Libbie,' she came to my little home not long since with tears of joy illuminating the bright bronze of her expressive face. ...When Eliza reached New York this past autumn, she told me, when I asked her to choose where she would go, as my time was to be entirely given to her, that she wanted first to go to the Fifth Avenue Hotel and see if it looked just the same as it did 'when you was a bride, Miss Libbie, and the Ginnel took you and me there on leave of absence.' ...After we had strolled through the streets for many days, Eliza always amusing me by her droll comments, she said to me one day: 'Miss Libbie, you don't take notice, when me and you's walking on, a-lookin' into shop-windows and a-gazin' at the new things I never see before, how the folks does stare at us.

Tenting on the Plains, Or, General Custer in Kansas and Texas by Mrs. Elizabeth B. Custer, Author of "Boots and Saddles." 1887

General Custer, Libbie Custer and Their Dogs
Brian Patrick Duggan 2019-03-11 General George Armstrong Custer and his wife, Libbie Custer, were wholehearted dog lovers. At the time of his death at Little Bighorn, they owned a rollicking pack of 40 hunting dogs, including Scottish Deerhounds, Russian Wolfhounds, Greyhounds and Foxhounds. Told from a dog owner's perspective, this biography covers their first dogs during the Civil War and in Texas; hunting on the Kansas and Dakota frontiers; entertaining tourist buffalo hunters, including a Russian Archduke, English aristocrats and P. T. Barnum (all of whom presented the general with hounds); Custer's attack on the Washita village (when he was accused of strangling his own dogs); and the 7th Cavalry's march to Little Bighorn with an analysis of rumors about a Last Stand dog. The Custers' pack was re-homed after his death in the first national dog rescue effort. Well illustrated, the book includes an appendix giving depictions of the Custers' dogs

in art, literature and film.

The Texas Military Experience Joseph G. Dawson 2010 In this first scholarly collection to focus on Texas' military heritage, prominent authors reevaluate famous personalities, reassess noted battles and units, call for new historical points to be considered, and bring fresh perspectives to such matters as the interplay of fiction, film, and historical understanding.

Boots and Saddles, Tenting on the Plains & Following the Guidon Elizabeth Bacon Custer 2022-11-13 Elizabeth Bacon Custer began writing articles and making speaking engagements praising the glory of what she presented as her "martyred" husband, General George Armstrong Custer. Her three books—Boots and Saddles (1885), Tenting on the Plains—(1887), and Following the Guidon (1890) aimed at glorifying her dead husband's memory. Though generally considered to be largely factually accurate, they were clearly slanted in

Custer's favor. Her efforts were successful. The image of a steely Custer leading his men against overwhelming odds only to be wiped out while defending their position to the last man became as much a part of American lore as the Alamo.

Tenting on the Plains Elizabeth B. Custer
2018-09-20 Reproduction of the original: *Tenting on the Plains* by Elizabeth B. Custer

None Wounded, None Missing, All Dead

Howard Kazanjian 2013-10-01 On May 17, 1876, Elizabeth Bacon Custer kissed her husband George goodbye and wished him good fortune in his efforts to fulfill the Army's orders to drive in the Native Americans who would not willingly relocate to a reservation. Adorned in a black taffeta dress and a velvet riding cap with a red peacock feather that matched George's red scarf, she watched the proud regiment ride off. It was a splendid picture. This new biography of Elizabeth Bacon Custer relates the story of the famous and dashing couple's romance, reveals their life of adventure throughout the west during the days of the Indian Wars, and recounts the tragic end of the 7th cavalry and the

aftermath for the wives. Libbie Custer was an unusual woman who followed her itinerant army husband's career to its end—but she was also an amazing master of propaganda who tried to recreate George Armstrong Custer's image after Little Bighorn. The author of many books about her own life (some of which are still in print) she was one of the most famous women of her time and remains a fascinating character in American history.

Custer's Trials T.J. Stiles 2016-10-25 Winner of the 2016 Pulitzer Prize for History In this magisterial biography, T. J. Stiles paints a portrait of Custer both deeply personal and sweeping in scope, proving how much of Custer's legacy has been ignored. He demolishes Custer's historical caricature, revealing a capable yet insecure man, intelligent yet bigoted, passionate yet self-destructive, a romantic individualist at odds with the institution of the military (court-martialed twice in six years) and the new corporate economy, a

wartime emancipator who rejected racial equality. Stiles argues that, although Custer was justly noted for his exploits on the western frontier, he also played a central role as both a wide-ranging participant and polarizing public figure in his extraordinary, transformational time—a time of civil war, emancipation, brutality toward Native Americans, and, finally, the Industrial Revolution—even as he became one of its casualties. Intimate, dramatic, and provocative, this biography captures the larger story of the changing nation. It casts surprising new light on one of the best-known figures of American history, a subject of seemingly endless fascination.

Tenting on the Plains Elizabeth Bacon Custer 2019-10-23 In an account as colorful today as when it first appeared over a century ago, "Tenting on the Plains" is Libby Custer's memoir of the hardships during her husband's 1865 military march from Alexandria, Louisiana, to Hempstead, Texas.
