The Complete Poetical Works and Letters of

John Keats John Keats 1899 In the few short years of his life John Keats created lasting images of beauty. He wrote with a firm touch, with rich yet controlled imagination, with a joyous delight in nature. He possessed an instant alchemy by which he transmuted all sights and sounds into poetry. Voracious reading set him standards rather than furnished him models, and he strove to perfect his poetry through constant creative revision. He pleaded for freedom of imagination as opposed to the constraints of the school of Pope. He traveled widely in a futile search for health. Finally, in Rome, at the age of twenty-five, John Keats died of consumption. -- From publisher's description.

Selected Letters of John Keats John Keats 2005-09-30 The letters of John Keats are, T. S. Eliot remarked, "what letters ought to be; the fine things come in unexpectedly, neither introduced nor shown out, but between trifle and trifle." This new edition, which features four rediscovered letters, three of which are being published here for the first time, affords readers the pleasure of the poet's "trifles" as well as the surprise of his most famous ideas emerging unpredictably. Unlike other editions, this selection includes letters to Keats and among his friends, lending greater perspective to an epistolary portrait of the poet. It also offers a revealing look at his "posthumous existence," the period of Keats's illness in Italy, painstakingly recorded in a series of moving letters by Keats's deathbed companion, Joseph

Severn. Other letters by Dr. James Clark, Percy Bysshe Shelley, and Richard Woodhouse--omitted from other selections of Keats's letters--offer valuable additional testimony concerning Keats the man. Edited for greater readability, with annotations reduced and punctuation and spelling judiciously modernized, this selection recreates the spontaneity with which these letters were originally written.
