Make the most of your time with The Rough Guide to Chile.

Jewish Writers of Latin America Darrell B. Lockhart 2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature. Nevertheless, the majority of students and even Latin American literary specialists, remain uninformed about this significant body of writing. This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature. It represents the research efforts of 50 scholars from the United States, Latin America, and Israel who are dedicated to the advancement of Latin American Jewish studies. An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works. Argentina, Brazil, and Mexico-home to the largest Jewish communities in Latin America-are the countries with the greatest representation, but there are essays on writers from Venezuela, Chile, Uruguay, Peru, Colombia, Costa Rica, and Cuba.

Secret Weavers Marjorie Agosín 1992 This anthology traces the history of fantastic literature in Chile and Argentina. The stories include fairy tales, science fiction, and metaphorical political tales.

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Fleming Zirin 2007

Fairy Tales and Feminism Donald Haase 2004 Responding to thirty years of feminist fairy-tale scholarship, this book breaks new ground by rethinking important questions, advocating innovative approaches, and introducing woman-centered texts and traditions that have been ignored for too long.

Latin American Women Writers Kathy S. Leonard 2007-09-19 There is a wealth of published literature in English by Latin American women writers, but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative (short stories, novels, novellas, autobiographies, and biographies) by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled Latin American Women Writers: A Resource Guide to Titles in English. This reference includes all forms of narrative-short story, autobiography, novel, novel excerpt, and others-by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies/biographies or other narrative, and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written, in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included, to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors/Titles of Work, Titles of Work/Authors, Autobiographies/Biographies and Other Narrative, Anthologies, Novels and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students, and instructors interested in narrative works in English by Latin American women authors. It will also help expose new generations of readers to the highly creative and diverse literature being produced by these writers.

These are Not Sweet Girls Marjorie Agosín 1994 "Flowing effortlessly from the erotic to the political...Agosin has chosen poems that delight and inspire." --Ms. Magazine

Women in Science Fiction and Fantasy [2 volumes] Robin Anne Reid 2008-12-30 Works of science fiction and fantasy increasingly explore gender issues, feature women as central characters, and are written by women writers. This book examines women's contributions to science fiction and fantasy across a range of media and genres, such as fiction, nonfiction, film, television, art, comics, graphic novels, and music. The first volume offers survey essays on major topics, such as sexual identities, fandom, women's writing groups, and feminist spirituality; the second provides alphabetically arranged entries on more specific subjects, such as Hindu mythology, Toni Morrison, magical realism, and Margaret Atwood. Entries are written by expert contributors and cite works for further reading, and the set closes with a selected, general bibliography. Students and general readers love science fiction and fantasy. And science fiction and fantasy works increasingly explore gender issues, feature women as central characters, and are written by women writers. Older works demonstrate attitudes toward women in times past, while more recent works grapple with contemporary social issues. This book helps students use science fiction and fantasy to understand the contributions of women writers, the representation of women in the media, and the experiences of women in society.

WLW Journal Women Library Workers (U.S.) 1992

Novel and Short Story Writer's Market, 1993 Robin Gee 1993 Fiction writers turn to this guide each year for marketing information on 1,900 fiction publishers. Helpful articles and interviews with professional writers make this book essential for novel and short story writers.

Women and World Literature Carrie Kruse 1992

Women's Studies Index 1992

Neue Welt--Dritte Welt Sigrid Bauschinger 1994

Third World Women's Literatures Barbara Fister 1995-09-14 This reference volume serves as a companion to Third World women's literatures in English and in English translation by presenting entries on works, writers, and themes. Entries are chosen to present a balance of well-known writers and emerging ones, contemporary as well as historical writers, and representative selections of genres, literary styles, and themes. What plays have been written by women in the developing world? What books have been written by Sri Lankan or Brazilian women? Which works address themes of feminism or exile or politics in the Third World? These are the types of questions that can now be answered through Fister's companion to Third World women's literatures in English and English translation. Organized alphabetically, this reference volume presents entries on works, writers, and themes. Entries are chosen to present a balance of well-known writers and emerging ones, contemporary as well as historical writers, and representative selections of genres, literary styles, and themes. By providing information about and leads to works by and about Third World women, an important and largely marginalized literature, Fister has created a unique reference tool that will help teachers, scholars, and librarians, both public and academic, expand their definitions of the literary, making the voices of Third World women available in the same format in which many companions to Western literature do. An important book for all public and college-level libraries.

From the Republic of Conscience Kerry Flattley 1993

Latin American Women Writers: An Encyclopedia María Claudia André 2014-01-09 Latin American Women Writers: An Encyclopedia presents the lives and critical works of over 170 women writers in Latin America between the sixteenth and twentieth centuries. This features thematic entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese, and who have had an impact on literary, political, and social studies. Focusing on drama, poetry, and fiction, this work includes authors who have published at least three literary texts that have had a significant impact on Latin American literature and culture. Each entry is followed by extensive bibliographic references, including primary and secondary sources. Coverage consists of critical appreciation and analysis of the writers' works. Brief biographical data is included, but the main focus is on the meanings and contexts of the works as well as their cultural and political impact. In addition to author entries, other themes are explored, such as humor in contemporary Latin American fiction, lesbian literature in Latin America, magic, realism, or mother images in Latin American literature. The aim is to provide a unique, thorough, scholarly survey of women writers and their works in Latin America. This Encyclopedia will be of interest to both to the student of literature as well as to any reader interested in understanding more about Latin American culture, literature, and how women have represented gender and national issues throughout the centuries.

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin 2015-03-26 This is the first comprehensive, multidisciplinary, and multilingual bibliography on "Women and Gender in East Central Europe and the Balkans (Vol. 1)" and "The Lands of the Former Soviet Union (Vol. 2)" over the past millennium. The coverage encompasses the relevant territories of the Russian, Hapsburg, and Ottoman empires, Germany and Greece, and the Jewish and Roma diasporas. Topics range from legal status and marital customs to economic participation and gender roles, plus unparalleled documentation of women writers and artists, and autobiographical works of all kinds. The volumes include approximately 30,000 bibliographic entries on works published through the end of 2000, as well as web sites and unpublished dissertations. Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies. The entries are cross-referenced and each volume includes indexes.

Feminist Bookstore News 1991

El gran libro de América judía Isaac Goldemberg 1998 Over de Joodse litteratuur in Latijns-Amerika gedurende de 20e eeuw.

Latin American Science Fiction Writers Darrell B. Lockhart 2004-03-30 Many readers are unaware of the vast universe of Latin American science fiction, which has its roots in the 18th century and has flourished to the present day. Because science fiction is part of Latin American popular culture, it reflects cultural and social concerns and comments on contemporary society. While there is a growing body of criticism on Latin American science fiction, most studies treat only a single author or work. This reference offers a broad overview of Latin American science fiction. Included are alphabetically arranged entries on 70 Latin American science fiction writers. While some of these are canonical figures, others have been largely neglected. Since much of science fiction has been written by women, many women writers are profiled. Each entry is prepared by an expert contributor and includes a short biography, a discussion of the writer's works, and primary and secondary bibliographies. The volume closes with a general bibliography of anthologies and criticism.

Lingua Cosmica Dale Knickerbocker 2018-05-04 Anthologies, awards, journals, and works in translation have sprung up to reflect science fiction's increasingly international scope. Yet scholars and students alike face a problem. Where does one begin to explore global SF in the absence of an established canon? *Lingua Cosmica* opens the door to some of the creators in the vanguard of international science fiction. Eleven experts offer innovative English-language scholarship on figures ranging from Cuban pioneer Daína Chaviano to Nigerian filmmaker Olatunde Osunsanmi to the Hugo Award-winning Chinese writer Liu Cixin. These essays invite readers to ponder the themes, formal elements, and unique cultural characteristics within the works of these irreplaceable—if too-little-known—artists. Dale Knickerbocker includes fantasists and genre-benders pushing SF along new evolutionary paths even as they draw on the traditions of their own literary cultures. Includes essays on Daína Chaviano (Cuba), Jacek Dukaj (Poland), Jean-Claude Dunyac (France), Andreas Eschbach (Germany), Angélica Gorodischer (Argentina), Sakyo Komatsu (Japan), Liu Cixin (China), Laurent McAllister (Yves Meynard and Jean-Louis Trudel, Francophone Canada), Olatunde Osunsanmi (Nigeria), Johanna Sinisalo (Finland), and Arkady and Boris Strugatsky (Russia). Contributors: Alexis Brooks de Vita, Pawel Frelik, Yvonne Howell, Yolanda Molina-Gavilán, Vibeke Rützou Petersen, Amy J. Ransom, Hanna-Riikka Roine, Hanna Samola, Mingwei Song, Tatsumi Takayuki, Juan Carlos Toledano Redondo, and Natacha Vas-Deyres.

Modern Literatures of the Non-Western World 1995 An anthology of contemporary world poetry, fiction, drama, and memoirs translated from twenty-three different languages representing authors and literary traditions from Africa, Asia, the Middle East, Latin America, and the Caribbean.

trekking and outdoor pursuits round out this professional publication recommended for Chile newcomers and old-hands alike. Illustrations.

Women and Power in Argentine Literature Gwendolyn Díaz 2010-01-01 The astonishing talent of Argentine women writers belies the struggles they have faced—not merely as overlooked authors, but as women of conviction facing oppression. The patriarchal pressures of the Perón years, the terror of the Dirty War, and, more recently, the economic collapse that gripped the nation in 2001 created such repressive conditions that some writers, such as Luisa Valenzuela, left the country for long periods. Not surprisingly, power has become an inescapable theme in Argentine women's fiction, and this collection shows how the dynamics of power capture not only the political world but also the personal one. Whether their characters are politicians and peasants, torturers and victims, parents and children, or lovers male and female, each writer explores the effects of power as it is exercised by or against women. The fifteen writers chosen for *Women and Power in Argentine Literature* include famous names such as Valenzuela, as well as authors anthologized for the first time, most notably María Kodama, widow of Jorge Luis Borges. Each chapter begins with a "verbal portrait," editor Gwendolyn Díaz's personal impression of the author at ease, formed through hours of conversation and interviews. A biographical essay and critical commentary follow, with emphasis on the work included in this anthology. Díaz's interviews, translated from Spanish, and finally the stories themselves—only three of which have been previously published in English—complete the chapters. The extraordinary depth of these chapters reflects the nuanced, often controversial portrayals of power observed by Argentine women writers. Inspiring as well as insightful, *Women and Power in Argentine Literature* is ultimately about women who, in Díaz's words, "choose to speak their truth regardless of the consequences."

Technology and Gendered Genre Evolution in Latin America Kelly Suero 2020-08-31 Argentine Women and Technology: An Analysis of Gendered Genre Evolution analyzes the link between gender and technology to explain the mechanisms underlying the association of specific genders with literary genres. Kelly Suero argues that as the democratic effect of the internet affords one the potential to obtain a space of adequate representation, Latin American women—in particular, Argentine women—have come to use technology as a medium through which to obtain a voice through the genres of cyberliterature and cyberculture. Increasing numbers of Argentine women are making an impact on both the literary and virtual spheres as they take technology to new, unexplored areas, such as the flogger youth movement led by Agustina Vivero, and the Abuelas de Plaza de Mayo's discovery of the ability of DNA mitochondrial analysis to help find missing grandchildren from Argentina's last dictatorship. As technology continues to influence a free Argentine society, Argentinian women will keep utilizing the medium to become innovative voices in fields previously unavailable to them. Scholars of Latin American studies, media studies, gender and women's studies, and cultural studies will find this book particularly useful.

Out of This World Rachel S. Cordasco 2021-12-28 The twenty-first century has witnessed an explosion of speculative fiction in translation (SFT). Rachel Cordasco examines speculative fiction published in English translation since 1960, ranging from Soviet-era fiction to the Arabic-language dystopias that emerged following the Iraq War. Individual chapters on SFT from Korean, Czech, Finnish, and eleven other source languages feature an introduction by an expert in the language's speculative fiction tradition and its present-day output. Cordasco then breaks down each chapter by subgenre—including science fiction, fantasy, and horror—to guide readers toward the kinds of works that most interest them. Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language. She also examines the reasons a given subgenre has been translated into English. An informative and one-of-a-kind guide, *Out of This World* offers readers and scholars alike a tour of speculative fiction's new globalized era.

A Study Guide for Jose Rivera's "Tape" Gale, Cengage Learning 2016 A Study Guide for Jose Rivera's "Tape," excerpted from Gale's acclaimed Drama For Students.
