As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Some Emotions and a Moral John Oliver Hobbes 1909

Christianity and the Triumph of Humor Bernard Schweizer 2019-07-17

This book traces the development of religious comedy and leverages that history to justify today's uses of religious humor in all of its manifestations, including irreverent jokes. It argues that regulating humor is futile and counterproductive, illustrating this point with a host of comedic examples. Humor is a powerful rhetorical tool for those who advocate and for those who satirize religious ideals. The book presents a

compelling argument about the centrality of humor to the story of Western Christianity's cultural and artistic development since the Middle Ages, taking a multi-disciplinary approach that combines literary criticism, religious studies, philosophy, theology, and social science. After laying out the conceptual framework in Part 1, Part 2 analyzes key works of religious comedy across the ages from Dante to the present, and it samples the breadth of contemporary religious humor from Brad Stine to Robin Williams, and from Monty Python to South Park. Using critical, historical, and conceptual lenses, the book exposes and overturns past attempts by church authorities, scholars, and commentators to limit and control laughter based on religious, ideological, or moral criteria. This is a unique look into the role of humor and comedy around religion. It will, therefore, appeal to readers interested in multiple fields of inquiry, including religious studies, humor studies, the history of ideas, and comparative literature.

Sinners and Saints Robert J. Wheeler 2022 Nick, a sailor and confirmed bachelor, returns to the family home, on leave from the Navy, horrified to find his young and only brother, Andrew, has become a priest. Alice, the mother, is passionate about her need for grandchildren. Since Andrew is a priest and unable to marry, Nick is her only hope for grandchildren. Nick plots with girlfriend Darlene to have Darlene's friend, Caroline, a woman dedicated to seducing married men, seduce Andrew. Nick thinks relations with Caroline will seduce Andrew from the priesthood. Caroline enters as an immature, raw, rude, moral-less, but physically attractive young woman, then, during numerous interactions, including confessions, is transformed into a mature, caring, sensitive woman. Sometimes, after everything goes wrong, they go right. At the conclusion the audience is treated to a surprising twist and a joyful ending.

Some Emotions and a Moral and the Sinner's Comedy John Oliver Hobbes 2017-07-04 As we think that John Oliver Hobbes' genius is best displayed in short stories, the public at large should welcome excellently printed edition of *Some Emotions and a Moral*, together with *The Sinner's Comedy*. Both stories coruscate with epigrams agreeably flavoured with cynicism. The moral, if moral it can be fitly called, applicable to the two, is that renunciation in love may sometimes, after all, be a mistake. --The Westminster Review, Vo. 164

Sing, You Sinner Ray E. Hurd 1934

The Sinner's Comedy John Oliver Hobbes 2017-07-12 "The Sinner's Comedy" is a story by John Oliver Hobbes, who first touched the public pulse in *Some Emotion and a Moral*. Although its author's name is new in fiction, *The Sinner's Comedy* does not strike one as a youthful work. It wears an air of experience: as if the writer knew too much to be merely cynical, and yet was so modern that he is afraid to be anything else than cynical. It is when you come to write about it that you learn how little of a story there is to tell. The book may be read in an hour; and in that time some half-a-dozen characters are discovered with remarkable brilliancy. The method of the unfolding may be seen in this explanation of the change which took place in Richard Kilcourse when he came into his title. "Then life took at once a wider and a narrower meaning: wider, because his interests covered a larger field, narrower, because his own personality-the figure of Sir Richard Kilcourse-blocked up the way. Not that his egoism was loud-voiced or swaggering-it was merely constant: if his intellect had possessed an equal stability he would, no doubt, have achieved greatness." That passage illustrates the manner in which *The Sinner's Comedy* is written from first to last. The dialogue is brilliant with exactly the same brilliancy-; although two pages of Mrs. Grimme's conversation display a turn for broader humour which the author nowhere else indulges. Thus, the story affords an intellectual rather than an emotional incitement. Nevertheless, it ends sentimentally; that is because in every case the story, and not the writer, must have the last word. We have a suspicion that through it all the author of *The Sinner's Comedy* is restraining sentiment. If so, the restraining process has resulted in one of the cleverest of recent books. -- National and English Review, Vol. 19

The Sinners Ace Atkins 2019-06-25 In this novel from New York Times bestselling author Ace Atkins, criminals new and old battle for control of Tibbehah county, and the one man standing in their way is sheriff Quinn Colson. The Pritchards had never been worth a damn--an evil, greedy family who made their living dealing drugs and committing mayhem. Years ago, Colson's late uncle had put the clan's patriarch in prison, but now he's getting out, with revenge, power, and family business on his

mind. To make matters worse, a shady trucking firm with possible ties to the Gulf Coast syndicate has moved into Tibbehah, and they have their own methods of intimidation. With his longtime deputy Lillie Virgil now working up in Memphis, Colson finds himself having to fall back on some brand-new deputies to help him out, but with Old West-style violence breaking out, and his own wedding on the horizon, this is without a doubt Colson's most trying time as sheriff. Cracks are opening up all over the county, and shadowy figures are crawling out through them--and they're all heading directly for him.

Divine Comedy Matt Nicholls 2016-05-12 For fans of the TV series MINDHUNTER! What makes someone kill? The age old question of nature (genetics) versus nurture (conditioning) is still open to debate. What is not open for debate is Brandon's need to kill. But it isn't for

revenge or fame or money...it's for penance. He may have had the perfect life of being a model by day and partier by night but underneath he is a tormented, murderous soul. And as the local investigating detectives along with the FBI find out, this is motive enough that fuels a mad quest which can be unstoppable. Brandon's coming for you, sinners. Collects comic book issues 1-2.

The Sinner's Comedy (Classic Reprint) John Oliver Hobbes 2017-11-28 Excerpt from *The Sinner's Comedy* He did not speak again till just before he died, when he kissed his wife's hand with singular tenderness and called her Elizabeth. She had been christened Augusta Frederica; but then, as the doctors explained, dying men often make these mistakes. Dante's Comedy and the Ethics of Invective in Medieval Italy

Nicolino Applauso 2019-11-18 Humor and Evil proposes a new approach to invective and comic poetry in Italy during the thirteenth and fourteenth centuries and opens the way for an innovative understanding of Dante's masterpiece. The Middle Ages in Italy offer a wealth of vernacular poetic invectives—polemical verses aimed at blaming specific wrongdoings of an individual, group, city or institution— that are both understudied and rarely juxtaposed. Modern criticism has generally viewed these poems as disengaged from concrete issues, and as a

marginal form of recreation with little ethical value. Also, no study has yet provided a scholarly examination of the connection between this medieval invective tradition, and its elements of humor, derision, and reprehension in Dante's Comedy. This book argues that these comic texts are rooted in and actively engaged with the social, political, and religious conflicts of their time. Political invective has a dynamic ethical orientation that is mediated by a humor that disarms excessive hostility against its individual targets, providing an opening for dialogue. While exploring medieval comic poems by Rustico Filippi (from Florence), Cecco Angiolieri (from Siena), and Folgore da San Gimignano, this study unveils new biographical data about these poets retrieved from Italian state archives (most of these data are published here in English for the very first time), and ultimately shows what the medieval invective tradition can add to our understanding of Dante's Comedy.
