Camera Work Alfred Stieglitz 1903

Bonaparte's Horsemen Richard Howard 2018-08-09 As they march into Poland, an exhausted Grand Armée must battle both enemies and the elements in this epic adventure of the Napoleonic Wars. Poland, 1807: Sergeant Alain Lausard and his loyal dragoons have never known a campaign like it. Already spent from their victory over Prussia, they must now march into Poland and battle General Bennigsen's Russian troops. And the Tsar is not the only enemy that must be overcome: country and climate conspire to make conditions impossible. The Grande Armée may be renowned for its ability to move with speed and purpose, but as torrential rain turns Polish roads to quagmires, they face a battle-hardened foe just as their strength reaches its lowest ebb. Perhaps not even Bonaparte's tactical brilliance will be enough to save Lausard and his men from a deadly debacle . . .

Happy Landings Patti Bender 2023-03-14 Rom coms, meet cutes, mystery men, courageous women, and the happy endings of today draw a direct line to the words between the covers of Emilie Loring's romance novels. With a career spanning 40 years, Emilie Baker Loring saw millions of her books sold during her lifetime. Happy Landings: Emilie Loring's Life, Writing and Wisdom shares this best-selling author's uplifting story for the first time. Loring's books brimmed with intricate plot twists, intense imagery, and page-turning excitement, setting her works apart from the drugstore novels of the early- to mid-20th century. Her oft-quoted phrases are part of the American lexicon. Her readership has continued long after her passing. Now with generations of readers, Loring's books have sold more than thirty-seven million copies in a dozen languages. And now Emilie's own compelling life story is finally told in full. With never-before-published photographs, privileged access to the Loring family archives, and twenty years of meticulous research, Patti Bender reveals a woman who lived as she wrote, with intelligence, humor, and wisdom. "After all, living is the greatest thing we'll ever do. Why not make an art of it?" (Emilie Loring) Emilie Loring lived through two World Wars, a pandemic, the Great Depression, and deep, personal loss with her optimism intact and thirty best-selling novels to show for it. This is a woman's story in swiftly changing times for women; a charming story with little-known anecdotes about prominent authors; and the story of a writer in the making, with advice and encouragement for aspiring authors. "I am personally grateful to Patti for filling out a dim, long-ago picture of my grandmother. Her skillful, sensitive portrait brings Emilie alive for me and adds many new dimensions--hard working, organized, feminist--with an extraordinary sense of optimism, and faith that things would turn out all right." --Valentine Loring Titus, Emilie Loring's granddaughter

The Headless Horseman: A Strange Tale of Texas Mayne Reid 2017-09-05

Transported to Botany Bay Dorice Williams Elliott 2019-04-30 Literary representations of British convicts exiled to Australia were the most likely way that the typical English reader would learn about the new colonies there. In *Transported to Botany Bay*, Dorice Williams Elliott examines how writers—from canonical ones such as Dickens and

Trollope to others who were themselves convicts—used the figure of the felon exiled to Australia to construct class, race, and national identity as intertwined. Even as England's supposedly ancient social structure was preserved and venerated as the "true" England, the transportation of some 168,000 convicts facilitated the birth of a new nation with more fluid class relations for those who didn't fit into the prevailing national image. In analyzing novels, broadsides, and first-person accounts, Elliott demonstrates how Britain linked class, race, and national identity at a key historical moment when it was still negotiating its relationship with its empire. The events and incidents depicted as taking place literally on the other side of the world, she argues, deeply affected people's sense of their place in their own society, with transnational implications that are still relevant today.

The Headless Horseman Mayne Reid 2022-05-17 The story takes place in Texas soon after the War with Mexico. Louise Poindexter, a beautiful newcomer, is courted by two men - the arrogant and vindictive Cassius Calhoun and the dashing but poor mustanger Maurice Gerald. Calhoun plots to eliminate his rival when tragedy strikes: Louise's brother, the young Henry Poindexter, is murdered. All clues point to Maurice Gerald as the assassin. At the same time a headless rider is spotted in the environs of the Poindexter plantation.

Solitary Horseman Deborah Camp 2017-03-03 Once again Deborah

Camp puts the heart into a thrilling romance set in the West! Dear Reader, The Civil War is over, but the battles continue. Callum Latimer returned from the war to a life he didn't want and with inner battle scars he can't heal. Banner Payne clutched desperately to the remaining shreds of the life she'd known, but she is losing her grip. Brought together by bad luck and cruel twists of fate, Callum and Banner forge a partnership they hope will keep them afloat even as neighboring Texas ranchers go under and their land is snapped up by opportunists. Fate smiles on them and Callum and Banner find the missing pieces of themselves in each other. Healing begins as their hearts are awakened. Now they must remain strong in their determination to forge a more peaceful existence and not be poisoned by the bitterness of a country still divided.
